## IN SENATE

February 28, 2017

Introduced by Sen. ROBACH -- read twice and ordered printed, and when printed to be committed to the Committee on Labor

AN ACT to amend the labor law, in relation to enacting the "natural gas roadway excavation safety act"

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as  
2 the "natural gas roadway excavation safety act".

3 § 2. The labor law is amended by adding a new section 28 to read as  
4 follows:

5 § 28. Workers on excavations. Utility companies or their contractors  
6 to whom a permit may be issued by the state, a county or a municipality  
7 to use to open a street for the purpose of moving, reconfiguring, modi-  
8 fying, restoring, repairing, installing or replacing bare steel, cast  
9 iron, high density polyethylene or other types of polyethylene pipe used  
10 for natural gas distribution and transmission systems, shall be required  
11 before such permit shall be issued, to enter into an agreement that only  
12 competent workers skilled in the work required of them and who, prior to  
13 performing such work, have been certified as successfully completing a  
14 course in construction safety and health approved by the United States  
15 department of labor's occupational safety and health administration that  
16 is at least thirty hours in duration, shall be employed on the project  
17 for which such permit to use or open a street was issued, and that the  
18 prevailing wage for similar titles as established by the fiscal officer  
19 pursuant to section two hundred twenty of this chapter, be paid to those  
20 so employed. No permit shall be issued until such agreement shall have  
21 been entered into with the appropriate state, county or municipal agen-  
22 cy, and all permits issued after the effective date of this section  
23 shall include therein a copy of this section. When permits are issued to  
24 utility companies or their contractors, the power to enforce the terms

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.
