§ 4. Paragraphs (a) and (b) of subdivision 5 of section 1081 of the family court act, paragraph (a) as amended and paragraph (b) as added by chapter 242 of the laws of 2016, are amended to read as follows:

(a) Upon receipt of a petition filed under paragraphs (a) or (b) of subdivision ~~three~~ two of this section, the court shall, subject to the provisions of section one thousand eighty-two of this part, require that any order of a family court or order or judgment of the supreme court, or any agreement between the parents as described in subdivision one of this section, granting visitation rights to the non-custodial parent, grandparent or grandparents, be incorporated in any preliminary order or order of placement made under this article to the extent that such order, judgment or agreement confers visitation rights. In any case where a dispositional hearing has not been held or will not be held within thirty days of the filing of such petition the court shall order the person, official, agency or institution caring for the child pursuant to this article to comply with such part of the order, judgment or agreement granting visitation rights.

(b) Upon receipt of a petition or motion filed under paragraph (c) of subdivision three of this section, the court shall determine, after giving notice and an opportunity to be heard to persons served under subdivision four of this section, whether visitation and contact would be in the best interests of the child and his or her sibling. The court's determination may be included in the dispositional order issued pursuant to section one thousand fifty-two or one thousand ninety-five of this ~~article~~ chapter or in a permanency hearing order issued pursuant to section one thousand eighty-nine of this chapter.

§ 5. Clause (F) of subparagraph (viii) of paragraph 2 of subdivision (d) of section 1089 of the family court act, as amended by chapter 242 of the laws of 2016, is amended and a new clause (I) is added to read as follows:

(F) The court may make an order directing a local social services district or agency to undertake diligent efforts to encourage and strengthen the parental relationship when it finds such efforts will not be detrimental to the best interests of the child and there has been no prior court finding that such efforts are not required. Such efforts shall include encouraging and facilitating visitation with the child by the parent or other person legally responsible for the child's care. Such order may include a specific plan of action for the local social services district or agency including, but not limited to, requirements that such agency assist the parent or other person legally responsible for the child's care in obtaining adequate housing, employment, coun-

1 selling, medical care or psychiatric treatment. Such order shall also
2 include encouraging and facilitating visitation with the child by the
3 noncustodial parent and grandparents who have the right to visitation
4 pursuant to section one thousand eighty-one of this act. Such order may
5 also include encouraging and facilitating regular visitation and commu-
6 nication with the child by the child's siblings and may incorporate an
7 order, if any, issued pursuant to this section or section one thousand
8 twenty-seven-a or one thousand eighty-one of this act, or pursuant to
9 section three hundred fifty-eight-a of the social services law or
10 section seventy-one of the domestic relations law. For purposes of this
11 section, "siblings" shall include half-siblings and those who would be
12 deemed siblings or half-siblings but for the surrender, termination of
13 parental rights or death of a parent. Nothing in this subdivision shall
14 be deemed to limit the authority of the court to make an order pursuant
15 to section two hundred fifty-five of this act.

16 (I) If the court determines that the subject child has not been placed
17 with his or her minor siblings or half-siblings who are in care, or that
18 regular visitation and other forms of regular communication between the
19 subject child and his or her minor siblings or half-siblings has not
20 been provided or arranged for, the court may direct such official to
21 provide or arrange for such placement or regular visitation and communi-
22 cation where the court finds that such placement or visitation and
23 communication is in the child's and his or her siblings' or half-si-
24 blings' best interests. Placement or regular visitation and communi-
25 cation with siblings or half-siblings shall be presumptively in the
26 child's and his or her siblings' or half-siblings' best interests unless
27 such placement or visitation and communication would be contrary to the
28 child's or his or her siblings' or half-siblings' health, safety or
29 welfare, or the lack of geographic proximity precludes or prevents visi-
30 tation. If a child placed in foster care pursuant to this section is not
31 placed together or afforded regular communication with his or her
32 siblings, the child, through his or her attorney or through a parent on
33 his or her behalf, may move for an order regarding placement or communi-
34 cation. The motion shall be served upon: the parent or parents in the
35 proceeding under this section; the local social services official having
36 the care of the child; other persons having care, custody and control of
37 the child, if any; the parents or other persons having care, custody and
38 control of the siblings to be visited or with whom contact is sought;
39 such sibling himself or herself if ten years of age or older; and such
40 siblings' attorney, if any. Upon receipt of a motion filed under this
41 paragraph the court shall determine, after giving notice and an opportu-
42 nity to be heard to the persons served, whether visitation and contact
43 would be in the best interests of the child and his or her siblings. The
44 court may order that the child be placed together with or have regular
45 communication with his or her siblings if the court determines it to be
46 in the best interests of the child and his or her siblings. For purposes
47 of this section, "siblings" shall include half-siblings and those who
48 would be deemed siblings or half-siblings but for the surrender, termi-
49 nation of parental rights or death of a parent.

50 § 6. Paragraph 3 of subdivision (e) of section 1095 of the family
51 court act, as amended by chapter 3 of the laws of 2012, is amended to
52 read as follows:

53 (3) a direction that the child be placed together with or, at minimum,
54 to visit and have regular communication with, his or her siblings, if
55 any, unless contrary to the best interests of the child and/or the
56 siblings and may incorporate an order issued pursuant to part eight of

article ten of this chapter in accordance with subdivision (f) of this section;

§ 7. Paragraph (b) of subdivision 11 of section 358-a of the social services law, as added by chapter 854 of the laws of 1990, is amended and two new paragraphs (c) and (d) are added to read as follows:

(b) If the court determines that the subject child has not been placed with his or her minor siblings or half-siblings who are in care, or that regular visitation and other forms of regular communication between the subject child and his or her minor siblings or half-siblings has not been provided or arranged for, the court may direct such official to provide or arrange for such placement or regular visitation and communication where the court finds that such placement or visitation and communication is in the child's and his or her siblings' or half-siblings' best interests. Placement or regular visitation and communication with siblings or half-siblings shall be presumptively in the child's and his or her siblings' or half-siblings' best interests unless such placement or visitation and communication would be contrary to the child's or his or her siblings' or half-siblings' health, safety or welfare, or the lack of geographic proximity precludes or prevents visitation.

(c) If a child placed in foster care pursuant to this section is not placed together or afforded regular communication with his or her siblings, the child, through his or her attorney or through a parent on his or her behalf, may move for an order regarding placement or communication. The motion shall be served upon: (i) the parent or parents in the proceeding under this section; (ii) the local social services official having the care of the child; (iii) other persons having care, custody and control of the child, if any; (iv) the parents or other persons having care, custody and control of the siblings to be visited or with whom contact is sought; (v) such sibling himself or herself if ten years of age or older; and (vi) such sibling's attorney, if any. Upon receipt of a motion filed under this paragraph the court shall determine, after giving notice and an opportunity to be heard to the persons served, whether visitation and contact would be in the best interests of the child and his or her siblings. The court may order that the child be placed together with or have regular communication with his or her siblings if the court determines it to be in the best interests of the child and his or her siblings.

(d) For purposes of this section, "siblings" shall include half-siblings and those who would be deemed siblings or half-siblings but for the surrender, termination of parental rights or death of a parent.

§ 8. Section 383-c of the social services law is amended by adding a new subdivision 11 to read as follows:

11. Acceptance of surrender. Acceptance of a judicial surrender or approval of an extra-judicial surrender pursuant to this section shall not be construed to terminate any rights of the child to contact his or her siblings. For purposes of this section, "siblings" shall include half-siblings and those who would be deemed siblings or half-siblings but for the surrender, termination of parental rights or death of a parent.

§ 9. Section 384 of the social services law is amended by adding a new subdivision 9 to read as follows:

9. Acceptance of a judicial surrender or approval of an extra-judicial surrender pursuant to this section shall not be construed to terminate any rights of the child to contact his or her siblings. For purposes of this section, "siblings" shall include half-siblings and those who would

1 be deemed siblings or half siblings but for the surrender, termination
2 of parental rights or death of a parent.
3 § 10. This act shall take effect on the ninetieth day after it shall
4 have become a law.
