Introduced by Sens. DIAZ, AVELLA -- read twice and ordered printed, and when printed to be committed to the Committee on Mental Health and Developmental Disabilities

AN ACT to amend the mental hygiene law and chapter 568 of the laws of 2005, amending the mental hygiene law relating to enacting the geriatric mental health act, in relation to mental health care, chemical dependence and compulsive gambling services for the elderly under the geriatric service demonstration program

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 7.41 of the mental hygiene law, as added by chapter 568 of the laws of 2005, is amended to read as follows:

§ 7.41 Geriatric service demonstration program.

(a) The office shall establish a geriatric service demonstration program to provide grants, within appropriations therefor, to providers of mental health care, chemical dependence services, compulsive gambling services, or any combination thereof, to the elderly, including organizations that provide health and aging services as well as mental health, chemical dependence, and compulsive gambling organizations. Such program shall be administered by the office in cooperation with the office of alcoholism and substance abuse services, the state office for the aging and such other state agencies as the commissioner shall determine are necessary for the operation of the program.

(b) Grants may be awarded by the office to providers of care to older adults with mental disabilities, chemical dependence, compulsive gambling, or any combination thereof, for the purposes which may include one or more of the following:

(1) Community integration. Programs which enable older adults with mental disabilities or older adults suffering from chemical dependence or compulsive gambling to age safely in the community and prevent the unnecessary use of institutional care;

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

(2) Improved quality of treatment. Programs for older adults which improve the quality of mental health care, chemical dependence or compulsive gambling services in the community or in residential facilities;

(3) Integration of services. Programs which integrate mental health and aging services with alcohol, drug, health and other support services;

(4) Workforce. Programs which make more efficient use of mental health ~~[and]~~, chemical dependence, compulsive gambling, health and aging services professionals by developing alternative service roles for paraprofessionals and volunteers, including peers, and programs more effective in recruitment and retention of bi-lingual, bi-cultural or culturally competent staff;

(5) Family support. Programs which provide support for family caregivers, to include the provision of care to older adults by younger family members and by older adults to younger family members;

(6) Finance. Programs which have developed and implemented innovative financing methodologies to support the delivery of best practices;

(7) Specialized populations. Programs which concentrate on outreach to, engagement of and effective treatment of cultural minorities or veterans as defined in section eighty-five of the civil service law;

(8) Information clearinghouse. Programs which compile, distribute and make available information on clinical developments, program innovations and policy developments which improve the care to older adults with mental disabilities or suffering from chemical dependence or compulsive gambling; and

(9) Staff training. Programs which offer on-going training initiatives including improved clinical and cultural skills, evidence based geriatric mental health, chemical dependence and compulsive gambling treatment skills, and the identification and management of mental, behavioral and substance abuse disorders among older adults.

(c) The commissioner may adopt rules and regulations necessary to implement the provisions of this section.

§ 2. Section 3 of chapter 568 of the laws of 2005, amending the mental hygiene law relating to enacting the geriatric mental health act, as amended by chapter 203 of the laws of 2008, is amended to read as follows:

§ 3. Interagency geriatric mental health and chemical dependence planning council. (a) There shall be established an interagency geriatric mental health and chemical dependence planning council. Such council shall consist of nineteen members, as follows:

(1) the commissioner of mental health, the commissioner of alcoholism and substance abuse services, the director of the division of veterans' affairs and the director of the state office for the aging, who shall serve as the co-chairs of the council. The adjutant general shall serve as an ex-officio member of the council;
