(2) No qualified television writers' and directors' fees and salaries used by a taxpayer either as the basis for the allowance of the credit provided for pursuant to this section or used in the calculation of the credit provided pursuant to this section shall be used by such taxpayer to claim any other credit allowed pursuant to this chapter.

15 non-credited writer, seventy-five thousand dollars per series of
16 episodes; and (iii) for each eligible writer or director, an overall

18 Provided that in each case, such writer or director is a minority group

Notwithstanding any other provisions to the contrary in the state administrative procedure act, such rules and regulations may be adopted on an emergency basis if necessary to meet such October thirty-first, two thousand seventeen deadline.

(f) The department of economic development shall submit to the governor, the temporary president of the senate, and the speaker of the assembly, an annual report to be submitted on February first of each year evaluating the effectiveness of the television writers' and directors' fees and salaries tax credit provided by this section in stimulating the growth of diversity in the film industry in the state. Such report shall include, but need not be limited to, the number of qualified film production companies and/or qualified independent film production companies which received a television writers' and directors' fees and salaries credit, the credit amounts claimed by each qualified film production company and/or qualified independent film production company, as well as the impact on employment and the economy of the state. Such report shall be based on data available from the application filed with the department of economic development for allocation of television writers' and directors' fees and salaries credits. Notwithstanding any provision of law to the contrary, the information contained in the report shall be public information. The report may also include any recommendations of changes in the calculation or administration of the credit, and any other recommendation of the commissioner of the department of economic development regarding continuing modification, repeal of such act, and such other information regarding the act as the commissioner of the department of economic development may feel useful and appropriate.
