1 from taxation as provided in this section. Subsequent to the adoption of
2 such a local law, the county in which such municipality is located may,
3 by local law, and any school district, all or part of which is located
4 in such municipality, may, by resolution, exempt such property from its
5 taxation in the same manner and to the same extent as such municipality
6 has done.

7 3. Upon the adoption of such a local law the owner occupied residen-
8 tial use property that was created, modernized, rehabilitated, expanded
9 or otherwise improved, shall be exempt from taxation and special ad
10 valorem levies as provided for in subdivision four of this section.

11 4. (a) (i) For a period of eleven years following the approval of an
12 application, the increase in assessed value of such property attribut-
13 able to such creation, modernization, rehabilitation, expansion or other
14 improvement shall be exempt as provided in subparagraph (ii) of this
15 paragraph. Such exemption shall be computed with respect to the
16 "exemption base". The exemption base shall be determined for each year
17 in which there is an increase in assessed value so attributable from
18 that of the previous year's assessed value.

19 (ii) The following shall determine the computation of the tax
20 exemption:

<u>Year of exemption</u>	<u>Percentage of exemption</u>
<u>1 through 3</u>	<u>100% of exemption base</u>
<u>4 through 5</u>	<u>80% of exemption base</u>
<u>6 through 7</u>	<u>60% of exemption base</u>
<u>8 through 9</u>	<u>40% of exemption base</u>
<u>10 through 11</u>	<u>20% of exemption base</u>

27 (b) No such exemption shall be granted unless:

28 (i) such creation, modernization, rehabilitation, expansion or other
29 improvement was commenced subsequent to the date on which the munici-
30 pality's local law took effect; and

31 (ii) the cost of such creation, modernization, rehabilitation, expan-
32 sion or other improvement exceeds the sum of ten thousand dollars or
33 such greater amount as may be specified by local law.

34 (c) For purposes of this section the term "creation, modernization,
35 rehabilitation, expansion or other improvement" shall not include ordi-
36 nary maintenance and repairs.

37 (d) No such exemption shall be granted concurrent with or subsequent
38 to any other real property tax exemption granted to the same improve-
39 ments to real property, except, where during the period of such previous
40 exemption, payments in lieu of taxes or other payments were made to the
41 municipality in an amount that would have been equal to or greater than
42 the amount of real property taxes that would have been paid on such
43 improvements had such property been granted an exemption pursuant to
44 this section. In such case, an exemption shall be granted for a number
45 of years equal to the eleven year exemption granted pursuant to this
46 section less the number of years the property would have been previously
47 exempt from real property taxes.

48 5. (a) Such exemption shall be granted only upon application by an
49 owner who resides or certifies that he or she will reside on the real
50 property on a form prescribed by the commissioner. Such application
51 shall be filed with the assessor of the municipality or county having
52 the power to assess property for taxation on or before the appropriate
53 taxable status date of such municipality or county.

1 (b) Such application must include information that discloses the scope
2 of work to be undertaken and shall contain cost estimates and quotes for
3 such work from contractors, plumbers and electricians licensed to do
4 business within the municipality.

5 (c) The application and the scope of work shall be reviewed by the
6 municipal housing code enforcement officer and the appropriate fire and
7 building code enforcement officer who shall ensure that all proposed
8 work complies with the provisions of the New York state fire prevention
9 and building code and all applicable municipal codes and ordinances.

10 6. If the assessor is satisfied that the applicant is entitled to an
11 exemption pursuant to this section, he or she shall approve the applica-
12 tion and such real property shall thereafter be exempt from taxation and
13 special ad valorem levies as provided in this section commencing with
14 the assessment roll prepared after the taxable status date referred to
15 in subdivision five of this section. The assessed value of any
16 exemption granted pursuant to this section shall be entered by the
17 assessor on the assessment roll with the taxable property, with the
18 amount of the exemption shown in a separate column.

19 § 2. This act shall take effect immediately.
