serve a term of three years as follows: two by the temporary president of the senate, two by the speaker of the assembly, one by the minority leader of the senate, and one by the minority leader of the assembly.

Such additional members shall be broadly representative of consumers and providers when making such appointments. Members of the committee shall receive no salary.

- 2. The committee shall have the following powers and duties:
- (a) Develop a statewide survey to identify where there are gaps and barriers to access to services for the elderly. The committee shall develop recommendations for the distribution of the survey to reach a representative sample of the senior population in New York to identify trends in areas including, but not limited to, mental health services, transportation, public health and housing.
- (b) Develop a simplified senior application for need-based programs in the state that seniors may qualify for.
- (c) Coordinate with local offices for the aging to supplement the simplified senior application as articulated in paragraph (b) of this subdivision to create regional specific addendums including applications for public transportation, wellness programs, emergency contact forms, and other regionally-specific programs.
- (d) Develop an online application tool to be utilized by a designated lead agency to supply the simplified senior application as articulated in paragraph (b) of this subdivision for consumers on the internet.
- (e) Make recommendations to the office for data sharing across agencies with the intent to track enrollment and identify trends in service needs.
- (f) Develop a standard medical expense deduction worksheet for seniors as well as informational materials regarding qualifying expenses for certain needs-based programs.
- (g) Make recommendations regarding simplified certification and re-certification procedures across programs to establish eligibility.
- (h) Develop informational materials and a public awareness campaign to disseminate general information about the availability of services for the elderly, including recommendations for distributing information to families or caregivers.
- 36 (i) Develop recommendations to target and distribute simplified appli-37 cations to New York seniors.
 - 3. Nothing in this section shall prohibit the committee or its members from pursuing federal funding to implement any of the provisions in this section.
- 41 <u>4. The committee shall meet as necessary to carry out its functions,</u>
 42 <u>powers, and duties, but such meetings shall occur at least once each</u>
 43 <u>quarter.</u>
- 5. The committee shall provide a report to the governor, the temporary president of the senate, the speaker of the assembly, and the chairs of the aging committees in the senate and the assembly on or before Septem-ber first of each year, beginning in two thousand eighteen. Such report shall summarize the committee's activity during the preceding year and shall detail legislative recommendations appropriate to effectuate the purposes of this section, and any other recommendations for improving the provision of services. It shall include information detailing increases in enrollment in needs based programs for seniors administered by the agencies listed in subdivision one of this section. Such report shall also include a proposed agenda consisting of specific issues that the committee plans to address during the following fiscal year.

6. Members of the committee shall be appointed within ninety days
after the effective date of this section, however, the committee may
proceed with their business and effectuating the duties of this section
in ninety days without regard to the completion of the appointment process.

§ 2. This act shall take effect immediately.
