Introduced by Sen. GOLDEN -- read twice and ordered printed, and when printed to be committed to the Committee on Health

AN ACT to amend the public health law in relation to opioid overdose reporting requirements

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 1 of section 3309 of the public health law, as
2 amended by chapter 42 of the laws of 2014, is amended to read as
3 follows:

4 1. The commissioner is authorized to establish standards for approval
5 of any opioid overdose prevention program, and opioid antagonist
6 prescribing, dispensing, distribution, possession and administration
7 pursuant to this section which may include, but not be limited to, stan-
8 dards for program directors, appropriate clinical oversight, training,
9 and record keeping [~~and~~]; provided, however, that such standards shall
10 include reporting requirements for opioid overdoses treated at a hospi-
11 tal that has been issued an operating certificate by the commissioner
12 and the outcome of such treatment.

13 § 2. Section 3372 of the public health law, as amended by chapter 195
14 of the laws of 1973, is amended to read as follows:

15 § 3372. Practitioner patient reporting. 1. It shall be the duty of
16 every attending practitioner and every consulting practitioner to report
17 promptly to the commissioner, or his or her duly designated agent, the
18 name and, if possible, the address of, and such other data as may be
19 required by the commissioner with respect to, any person under treatment
20 if he finds that such person is an addict or a habitual user of any
21 narcotic drug. Such report shall be kept confidential and may be
22 utilized only for statistical, epidemiological or research purposes,
23 except that those reports which originate in the course of a criminal
24 proceeding other than under section 81.25 of the mental hygiene law

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
