17 § 24. Paragraph (b) of subdivision 5 of section 3614 of the public  
18 health law, as amended by chapter 60 of the laws of 1993, is amended to  
19 read as follows:

20 (b) The total amount of funds to be allocated and distributed for bad  
21 debt and charity care allowances to eligible certified home health agen-  
22 cies for a rate period in accordance with this subdivision shall be  
23 limited to an annual aggregate amount of six million two hundred fifty  
24 thousand dollars; provided, however, that the amount of funds allocated  
25 for distribution to eligible publicly sponsored certified home health  
26 agencies for bad debt and charity care allowances shall not exceed thir-  
27 ty-five percent of total available funds for all eligible certified home  
28 health agencies for bad debt and charity care allowances. In establish-  
29 ing an apportionment of available funds to publicly sponsored certified  
30 home health agencies in accordance with this paragraph, the commissioner  
31 shall promulgate regulations which may include, but not be limited to,  
32 such factors as the ratio of public to nonpublic base year period bad  
33 debt and charity care provided by eligible certified home health agen-  
34 cies and differences in costs for delivering such services. Certified  
35 home health agencies provided by general hospitals shall not be eligible  
36 for any portion of the allocation pursuant to this paragraph for the  
37 period of July first, nineteen hundred ninety through December thirty-  
38 first, nineteen hundred ninety-four, or for such longer period if  
39 extended by law, based on the projected availability of an equitable  
40 level of bad debt and charity care coverage for such agencies provided  
41 pursuant to chapter two of the laws of nineteen hundred eighty-eight and  
42 any future amendments thereto. ~~[In order to determine the appropriate-~~  
43 ~~ness of the exclusion of hospital-based certified home health agencies~~  
44 ~~and the allocation to publicly sponsored certified home health agencies~~  
45 ~~pursuant to this paragraph, the commissioner on or before April thirti-~~  
46 ~~eth, nineteen hundred ninety-one and annually thereafter shall report to~~  
47 ~~the governor, the chairmen of the senate finance and assembly ways and~~  
48 ~~means committees and the chairmen of the senate and assembly standing~~  
49 ~~committees on health comparing the levels of bad debt and charity care~~  
50 ~~coverage for all certified home health agencies and indicating whether~~  
51 ~~such coverage is equitable, within a five percent differential, between~~  
52 ~~hospital-based, public, other voluntary non-profit and private propri-~~  
53 ~~etary certified home health agencies considering the availability of all~~  
54 ~~other forms of financial support or subsidies for this purpose. Should~~  
55 ~~the differential of the preceding be greater than five percent, the~~  
56 ~~commissioner shall recommend modifications to the provisions of this~~

~~paragraph, and to any associated regulations, as may be necessary to achieve equitable levels of bad debt and charity care coverage.]~~

§ 25. Section 4807 of the public health law is REPEALED.

§ 26. Section 366-h of the social services law, as added by section 7 of part B of chapter 57 of the laws of 2000, is amended to read as follows:

§ 366-h. Automated system; established. Notwithstanding any inconsistent provision of law or regulation, the commissioner of health shall, as soon as practicable, establish an automated system to ensure that persons who meet the criteria for receipt of medical assistance benefits under paragraph (a) or (c) of subdivision four of section three hundred sixty-six of this title shall remain enrolled in the medical assistance program without interruption and receive the benefits set forth according to paragraph (a) or (c) of subdivision four of section three hundred sixty-six of this title. Pending implementation of such automated system, such commissioner shall, in consultation with the office of temporary and disability assistance, undertake and continue efforts to educate local departments of social services about the measures they must take to ensure that medical assistance benefits are provided to persons eligible for such benefits under subdivision four of section three hundred sixty-six of this title. ~~[A report on the progress to implement such automated system shall be submitted annually to the governor and the legislature by the commissioner of health.]~~

§ 27. Subdivision 5 of section 367-e of the social services law is REPEALED.

§ 28. Section 10 of chapter 409 of the laws of 1991 relating to providing for the submission of certain reports and written plans by certain state departments, the omnibus economic development act of nineteen hundred eighty-seven, and the New York state urban development corporation act, is REPEALED.

§ 29. Section 2 of chapter 477 of the laws of 2000 relating to enacting the families in transition act of 2000, is REPEALED.

§ 30. Section 5 of chapter 2 of the laws of 2004 amending the public health law, the social services law and the state finance law relating to enacting the assisted living reform act, is amended to read as follows:

§ 5. A task force on adult care facilities and assisted living residences is hereby created, and shall consist of ten members to be appointed as follows: six members shall be appointed by the governor, two members shall be appointed by the temporary president of the senate, and two members shall be appointed by the speaker of the assembly. The purpose of such task force, which shall be convened not later than December 1, 2004, shall be to update and revise the requirements and regulations applicable to adult care facilities and assisted living residences to better promote resident choice, autonomy and independence. Ex officio members of the task force shall include the commissioner of health, the director of the state office for the aging, the commissioner of the office of mental health, the chair of the commission on quality of care for the mentally disabled, or their designees. The task force shall gather information regarding the various ways in which existing requirements and guidelines unduly infringe on affordability of care and services, individual resident choice, autonomy and independence, examine and evaluate such requirements and guidelines, and make recommendations to improve them so that they achieve their desired objectives for the resident populations they are designed to protect without infringing upon the choice, autonomy and independence of other residents. Such

1 recommendations shall include, but not be limited to: (a) minimizing  
2 duplicative or unnecessary regulatory oversight; (b) ensuring that the  
3 indigent have adequate access to, and that there are a sufficient number  
4 of enhanced assisted living residences; (c) developing affordable  
5 assisted living; (d) promoting resident choice and independence; (e) the  
6 evaluation tool as required by section 4657 of the public health law;  
7 and, (f) specific standards and criteria relating to the special needs  
8 certificates required by section 4655 of the public health law. [~~The  
9 task force shall issue a report of its findings and recommendations to  
10 the governor and legislature on or before June 1, 2005 and annually  
11 thereafter.~~]

12 § 31. Section 24-b of part B of chapter 58 of the laws of 2007, amend-  
13 ing the elder law and other laws relating to the elderly pharmaceutical  
14 insurance coverage program, program eligibility and the generic drug  
15 dispensing fee, is REPEALED.

16 § 32. This act shall take effect immediately; provided, however, that:  
17 (a) sections one, nine and twelve of this act shall take effect Decem-  
18 ber 31, 2017; and

19 (b) the amendments to paragraph (b) of subdivision 5 of section 3614  
20 of the public health law made by section twenty-four of this act shall  
21 not affect the expiration of such subdivision and shall be deemed to  
22 expire therewith.
