AN ACT to authorize the port authority of New York and New Jersey to offer a certain retirement option to port authority police officers Eddy Stelter, Scarlet M. Cooper, and William A. Mudry

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Notwithstanding any other provision of law to the contrary, the port authority of New York and New Jersey, a participating employer in the New York state and local police and fire retirement system, which previously elected to offer the optional retirement plan established pursuant to section 384-d of the retirement and social security law to police officers employed by such authority, is hereby authorized to make participation in such plan available to police officers Eddy Stelter, Scarlet M. Cooper, and William A. Mudry, who, on the effective date of this act are covered under the provisions of section 375-i of the 10 retirement and social security law, and who, for reasons not ascribable 11 to their own negligence failed to make a timely application to participate in such optional retirement plan. Thereafter, police officers Eddy 13 Stelter, Scarlet M. Cooper, and William A. Mudry may elect to be covered 14 by the provisions of section 384-d of the retirement and social security law, and shall be entitled to the full rights and benefits associated with coverage under such section, by filing a request to that effect 17 with the state comptroller within one year of the effective date of this 18 act.

- 19 § 2. All past service costs associated with implementing the 20 provisions of this act shall be borne by the port authority of New York 21 and New Jersey.

LBD10539-02-7

This bill will allow the port authority of New York and New Jersey to reopen the provisions of Section 384-d of the Retirement and Social Security Law for police officers Eddy Stelter, Scarlet M. Cooper and William A. Mudry. They are currently covered under Section 375-i.

If this legislation is enacted during the 2017 legislative session, we anticipate that there will be an increase of approximately \$27,000 in the annual contributions of the port authority of New York and New Jersey for the fiscal year ending March 31, 2018. In future years, this cost will vary as the billing rates and salaries of these 3 police officers change.

In addition to the annual contributions discussed above, there will be a one-time past service cost of \$881,000 which will be borne by the port authority of New York and New Jersey as a one-time payment. This estimate is based on the assumption that payment will be made on February 1, 2018.
