

# STATE OF NEW YORK

5908

2017-2018 Regular Sessions

## IN SENATE

May 5, 2017

Introduced by Sen. HOYLMAN -- read twice and ordered printed, and when printed to be committed to the Committee on Energy and Telecommunications

AN ACT to amend the energy law, in relation to establishing a one hundred percent energy system by two thousand thirty-two

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 1 of section 6-104 of the energy law, as added  
2 by chapter 433 of the laws of 2009, is amended to read as follows:

3 1. The board shall adopt a state energy plan in accordance with the  
4 provisions of this article. (a) The plan shall:

5 (i) establish a goal of achieving a one hundred percent clean energy  
6 system by two thousand thirty-two, with zero net greenhouse gas emis-  
7 sions;

8 (ii) provide for the discontinuance of nuclear power by two thousand  
9 thirty-two;

10 (iii) provide for the discontinuance of state investment in, and the  
11 development of, infrastructure related to the distribution, processing,  
12 storage, or extraction of fossil fuels or new permits related to such  
13 use;

14 (iv) include, in five year increments, detailed benchmarks and steps  
15 required to achieve the goal of a one hundred percent clean renewable  
16 energy system by two thousand thirty-two; and

17 (v) incorporate measures related to reduction in energy use, increased  
18 energy conservation, and improvements in energy efficiency.

19 (b) Any provisions of this chapter relating to the use of fossil  
20 fuels, natural gas, oil, coal and petroleum products shall be imple-  
21 mented only to the extent that they incorporate the discontinued use of  
22 such fuels by two thousand thirty-two.

23 (c) The provisions of this subdivision shall supersede any inconsis-  
24 ent provisions contained in this section.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

LBD04918-02-7

1 § 2. This act shall take effect on the first of January next succeed-  
2 ing the date upon which it shall have become a law; provided, however,  
3 that effective immediately, the state energy planning board shall  
4 conduct a study to determine the measures necessary to achieve a one  
5 hundred percent clean energy system by two thousand thirty-two.
