2 1352-f to read as follows:

3 § 1352-f. Food pushcart service grading system; cities of two million  
4 or more. 1. The commissioner shall establish a system for grading  
5 inspection results for mobile food service establishments and pushcarts  
6 as defined in the state sanitary code, operated in cities with a popu-  
7 lation of two million or more.

8 2. Such system shall use and post letters A, B or C to identify and  
9 represent such grading and classification with all other lower grades  
10 being deemed to be failing grades. In establishing such system of grad-  
11 ing, the commissioner shall take into account the provisions of this

1 the inspection shall advise the establishment or pushcart of its grade  
2 and the findings upon which such grade is based. The local health offi-  
3 cer or the entity which performed the initial inspection shall conduct a  
4 subsequent inspection of such mobile public food service establishment  
5 or pushcart no sooner than seven days, nor later than twenty-one days  
6 after the inspection at which the grade was given. In the interim, the  
7 previous letter grade shall remain posted. Upon the conclusion of the  
8 subsequent inspection, the local health officer or the entity performing  
9 the inspection shall deliver for posting a letter grade to the mobile  
10 public food service establishment or pushcart which indicates the grade  
11 for such inspection. In addition to a letter grade, such establishment  
12 or pushcart shall receive the findings upon which such grade is based.  
13 The mobile public food service establishment or pushcart may appeal such  
14 subsequent assignment of a letter grade designation to the commissioner  
15 for review within thirty days of such assignment. While any such appeal  
16 is pending, a mobile public food service establishment or pushcart shall  
17 post the letter grade that is being appealed.

18 4. The suggested interval between regularly scheduled inspections of  
19 mobile public food service establishments and pushcarts may be as  
20 follows:

22 once every year;

23 (b) for establishments and pushcarts with a grade of "B", at least  
24 once every nine months; and

25 (c) for establishments and pushcarts with a grade of "C", at least  
26 once every three months.

27 A mobile public food service establishment or pushcart that requests a  
28 reinspection from the local health officer or the entity responsible for  
29 such inspections, shall pay the department a fee of up to two hundred  
30 fifty dollars. Provided, however, that the provisions of this subdivi-  
31 sion shall not negate the ability of any local health officer or the  
32 entity responsible for such inspections to inspect any mobile public  
33 food service establishment or pushcart on the basis of a complaint from  
34 a member of the public.

35 5. The provisions of this section shall not apply to mobile public  
36 food service establishments or pushcarts which are sponsored by a chari-  
37 table organization to operate a soup kitchen or other food distribution  
38 program for the elderly, low income individuals and families or the  
39 infirm.

40 6. No provision of this section shall be deemed to diminish or other-  
41 wise change any power or duty of any state agency or authority.

42 § 2. This act shall take effect one year after it shall have become a  
43 law. Provided, however, that effective immediately, any rules and regu-  
44 lations necessary to implement the provisions of this act on its effec-  
45 tive date are authorized and directed to be completed on or before such  
46 date.
