3 commissioner determines is necessary to evaluate the progress of the  
4 START-UP NY program. Such annual report shall, at a minimum, include

12 (b) Any business located in a tax-free NY area must submit an annual  
13 report to the commissioner in a form and at such time and with such  
14 information as prescribed by the commissioner in consultation with the  
15 commissioner of taxation and finance. Such information shall be suffi-

25 § 3. Subdivision 1 of section 433 of the economic development law, as  
26 amended by section 3 of part UUU of chapter 59 of the laws of 2017, is  
27 amended to read as follows:

28 1. In order to participate in the START-UP NY program, a business must  
29 satisfy all of the following criteria.

30 (a) The mission and activities of the business must align with or  
31 further the academic mission of the campus, college or university spon-  
32 soring the tax-free NY area in which it seeks to locate, and the busi-  
33 ness's participation in the START-UP NY program must have positive  
34 community and economic benefits.

35 (b) The business must demonstrate that it will, in its first year of  
36 operation, create net new jobs. After its first year of operation, the  
37 business must maintain net new jobs. In addition, the average number of  
38 employees of the business and its related persons in the state during  
39 the year must equal or exceed the sum of: (i) the average number of  
40 employees of the business and its related persons in the state during  
41 the year immediately preceding the year in which the business submits  
42 its application to locate in a tax-free NY area; and (ii) net new jobs  
43 of the business in the tax-free NY area during the year. The average  
44 number of employees of the business and its related persons in the state  
45 shall be determined by adding together the total number of employees of  
46 the business and its related persons in the state on March thirty-first,  
47 June thirtieth, September thirtieth and December thirty-first and divid-  
48 ing the total by the number of such dates occurring within such year.

49 (c) Except as provided in paragraphs [~~(f)~~] (g) and [~~(g)~~] (h) of this  
50 subdivision, at the time it submits its application for the START-UP NY  
51 program, the business must be a new business to the state.

52 (d) The business may be organized as a corporation, a partnership,  
53 limited liability company or a sole proprietorship.

54 (e) Upon completion of its first year in the START-UP NY program and  
55 thereafter, the business must complete and timely file the annual report  
56 required under section four hundred thirty-eight of this article.

1     ~~(f)~~ Except as provided in paragraphs ~~(f)~~ ~~(g)~~ and ~~(g)~~ ~~(h)~~ of this  
2 subdivision, the business must not be engaged in a line of business that  
3 is currently or was previously conducted by the business or a related  
4 person in the last five years in New York state.

5     ~~(f)~~ ~~(g)~~ If a business does not satisfy the eligibility standard set  
6 forth in paragraph (c) or ~~(e)~~ ~~(f)~~ of this subdivision, because at one  
7 point in time it operated in New York state but moved its operations out  
8 of New York state on or before June first, two thousand thirteen, the  
9 commissioner shall grant that business permission to apply to partic-  
10 ipate in the START-UP NY program if the commissioner determines that the  
11 business has demonstrated that it will substantially restore the jobs in  
12 New York state that it previously had moved out of state.

13     ~~(g)~~ ~~(h)~~ If a business seeks to expand its current operations in New  
14 York state into a tax-free NY area but the business does not qualify as  
15 a new business because it does not satisfy the criteria in paragraph (c)  
16 of subdivision six of section four hundred thirty-one of this article or  
17 the business does not satisfy the eligibility standard set forth in  
18 paragraph ~~(e)~~ ~~(f)~~ of this subdivision, the commissioner shall grant  
19 the business permission to apply to participate in the START-UP NY  
20 program if the commissioner determines that the business has demon-  
21 strated that it will create net new jobs in the tax-free NY area and  
22 that it or any related person has not eliminated any jobs in the state  
23 in connection with this expansion.

24     § 4. This act shall take effect immediately.
