approved, or in a category designated or approved pursuant to regulations of the commissioner in consultation with other appropriate agencies.

- § 2. Section 921 of the education law, as added by chapter 424 of the laws of 2014, is renumbered section 921-a and amended to read as follows:
- § 921-a. On-site epinephrine auto-injector. 1. School districts, boards of cooperative educational services, county vocational education and extension boards, charter schools, and non-public elementary and secondary schools in this state may provide and maintain on-site in each instructional school facility epinephrine auto-injectors in quantities and types deemed by the commissioner, in consultation with the commis-12 sioner of health, to be adequate to ensure ready and appropriate access 14 for use during emergencies to any student or staff having anaphylactic symptoms whether or not there is a previous history of severe allergic reaction.
  - 2. School districts, boards of cooperative educational services, county vocational education and extension boards, charter schools, and nonpublic elementary and secondary schools in this state  $[\mathbf{ex}]_{\perp}$  any person employed by any such entity or an entity which contracts with a school board, board of cooperative educational services, county vocational education and extension board, charter school, or non-public elementary and secondary school to provide transportation of students or any person employed by any such entity may administer epinephrine auto-injectors in the event of an emergency pursuant to the requirements of section three thousand-c of the public health law.
- 27 § 3. This act shall take effect on the one hundred twentieth day after it shall have become a law. Effective immediately, the commissioner of 28 29 health, in consultation with the commissioner of education, may promulgate any rule or regulation necessary for the timely implementation of 30 31 this act.
