FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

These estimated costs are based on 7 deputy sheriffs-civil, as provided by Monroe County, with a total salary of approximately $470,000 for the fiscal year ending March 31, 2017.

Summary of relevant resources:

The membership data used in measuring the impact of the proposed change was the same as that used in the March 31, 2016 actuarial valuation. Distributions and other statistics can be found in the 2016 Report of the Actuary and the 2016 Comprehensive Annual Financial Report.

The actuarial assumptions and methods used are described in the 2015 and 2016 Annual Report to the Comptroller on Actuarial Assumptions, and the Codes Rules and Regulations of the State of New York: Audit and Control.

I am a member of the American Academy of Actuaries and meet the Qualification Standards to render the actuarial opinion contained herein.

This estimate, dated May 11, 2017, and intended for use only during the 2017 Legislative Session, is Fiscal Note No. 2017-93, prepared by the Actuary for the New York State and Local Retirement System.

This bill would permit Monroe County deputy sheriffs-civil to retire upon completion of twenty-five (25) years of creditable service. The benefit upon retirement would be an allowance of one-half of final average salary. Further, it would permit such Tier 3 Monroe County employees who elect on or before December 31, 2017 to forfeit their benefits under Article 14 and all such Tier 4, 5 and 6 employees to retire upon completion of twenty-five (25) years of creditable service with a benefit of one-half of final average salary.

If this bill is enacted, we anticipate that there will be an increase of approximately $11,000 in the annual contributions of Monroe County for the fiscal year ending March 31, 2018. In future years, this cost will vary as the billing rates and salaries of those affected change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately $75,300 which will be borne by Monroe County. This estimate is based on the assumption that

payment will be made on February 1, 2018. If this cost is amortized over a 5 or 10 year period, the first year costs would be $17,200 or $10,000 respectively.
