FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would limit the member loan amounts of those who first become members of the New York State and Local Employees Retirement System (ERS) or the New York State and Local Police and Fire Retirement System (PFRS) on or after January 1, 2018. The loan amount, including

any amounts borrowed then outstanding, may not exceed the lesser of 50% of the member contribution balance and \$50,000.

If this bill is enacted, we estimate that there would be a small initial administrative cost to the system to revise publications and member loan processes.
