S. 6730 2

1 § 2. Any past service costs associated with the implementation of this 2 act shall be borne by the New York state unified court system.

§ 3. This act shall take effect immediately.

FISCAL NOTE. -- Pursuant to Legislative Law, Section 50:

This bill will grant Tier 1 status to Joseph J. Maltese, an employee of the New York State unified court system, by changing his date of membership to February 2, 1970, his first date of employment with the New York City civil court. There will be a refund of member contributions, with interest.

If this legislation is enacted during the 2017 legislative session, we anticipate that there will be an increase of approximately \$4,200 in the annual contributions of the New York State unified court system for the fiscal year ending March 31, 2018. In future years, this cost will vary as the billing rates and salary of Joseph J. Maltese change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$102,000 which will be borne by the New York State unified court system as a one-time payment. This estimate is based on the assumption that payment will be made on March 1, 2018.
