Introduced by Sen. ALCANTARA -- read twice and ordered printed, and when printed to be committed to the Committee on Rules

AN ACT to amend the real property tax law, in relation to providing a tax abatement related to the removal of leaded paint

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The real property tax law is amended by adding a new 2 section 467-k to read as follows:

§ 467-k. Abatement of real property taxes for the cost of lead-based 4 paint remediation to certain residential rental buildings. 1. Residential rental buildings where lead-based paint remediation is completed subsequent to the effective date of a local law or resolution adopted pursuant to this section shall receive a real property tax abatement to the extent provided in this section. After a public hearing, the governing board of a city may adopt a local law to grant the abatement authorized pursuant to this section. A copy of such local law or resolution shall be filed with the commissioner and the assessor of such city.

2. As used in this section:

12 a. "Lead-based paint remediation" shall mean any set of measures 13 14 designed to permanently eliminate lead-based paint or lead-based paint 15 hazards. Remediation includes: (i) the removal of lead-based paint and dust lead hazards, the permanent enclosure or encapsulation of lead-16 based paint, the replacement of components or fixtures painted with 17 lead-based paint, and the removal or permanent covering of soil-lead 18 19 hazards; and (ii) all preparation, cleanup, disposal and post abatement 20 clearance testing associated with such measures. Remediation shall not 21 include renovation, remodeling, landscaping or other activities, when 22 <u>such activities are not designed to permanently eliminate lead-based</u> paint hazards, but, instead, are designed to repair, restore, or remodel 23 a given structure or dwelling, even though these activities may inci-2.5 dentally result in a reduction or elimination of lead-based paint

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

hazards. Furthermore, remediation does not include interim controls, 1 operations and maintenance activities, or other measures and activities designed to temporarily, but not permanently, reduce lead-based paint 3 4 hazards.

- b. "Assessor" shall have the same meaning as provided in subdivision three of section one hundred two of this chapter, provided that the city may designate an agency or person to exercise the functions, powers and duties tasked to the assessor pursuant to this section.
- 9 c. "Residential rental building" shall mean a residential building 10 with three or more dwelling units, other than a hotel, which is either rented or leased, to be occupied, or is occupied as the residence or 11 home of three or more families living independently of each other. 12
- 13 d. "Cost of lead-based paint remediation" shall mean the costs 14 incurred to safely remove leaded paint from interior surfaces, window 15 sills, window frames or porches.
- 3. a. Such residential rental building shall receive an abatement in 17 an amount equal to the cost of the lead-based paint remediation, provided that the governing body of the city may establish maximum 19 dollar limits for specified items of cost through its local law. Addi-20 tionally, such governing body may establish a maximum total abatement 21 amount granted per residential rental building.
- The abatement shall be paid over a maximum period of two years, 22 provided that, notwithstanding paragraph a of this subdivision, the tax 23 24 abatement shall not exceed the tax liability for the residential rental 25 building in the tax year in which the tax abatement is taken.
- 26 c. No such abatement shall be granted for the lead-based paint remedi-27 ation unless:
- (i) the lead-based paint remediation commenced subsequent to the 28 effective date of the local law or resolution adopted pursuant to subdi-29 30 vision one of this section;
- 31 (ii) the lead-based paint remediation was performed by firms and 32 personnel certified to perform lead-based paint activities in accordance with regulations issued by the United States Environmental Protection 33 Agency at subpart L of 40 C.F.R. part 745 for the abatement of lead 34 hazards; and 35
  - (iii) the residential rental building does not have any delinquent city taxes as of the taxable status date applicable to the tax roll on which an abatement is applied, or as of such later date as specified by local law.
  - 4. Such abatement shall be granted only upon application by the owner of such building on a form prescribed by the commissioner. The application shall be filed with the assessor of the city, before the appropriate taxable status date of such city and within one year of the completion of the lead paint remediation. Such application shall at a minimum include:
  - a. sworn statements by the firm who performed the lead-based paint remediation on the property and the property owner attesting to the completion of the lead-based paint remediation for which the abatement
- 50 b. a copy of the certification by the United States Environmental 51 Protection Agency of the firm that performed lead-based paint remedi-52 ation; and
- 53 c. a summary of the completed lead-based paint remediation work with 54 the itemized cost of lead-based paint remediation from the firm that 55 performed the lead-based remediation and proof of payment.

5. If satisfied that the applicant is entitled to an abatement pursuant to this section, the assessor shall approve the application and such residential rental building shall receive an abatement of property taxes as provided in this section commencing with the property taxes based upon the taxable status date referred to in subdivision four of this section. After approving an application, the assessor shall inform in writing any owner who applies for the abatement provided for in this section of the amount of such as soon as practicable. A residential rental building shall only be eligible to receive an abatement pursuant to this section for one lead-based paint remediation project.

- 6. The information contained in applications or statements made in connection therewith, filed with the assessor pursuant to subdivision 12 four of this section shall not be subject to disclosure under article 14 six of the public officers law.
- 15 § 2. This act shall take effect immediately and shall apply to assess-16 ment rolls prepared on the basis of taxable status dates occurring on or 17 after January 1, 2018.
