AN ACT to amend the public service law and the state finance law, in relation to instituting internet service neutrality

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The article heading of article 11 of the public service
2 law, as added by chapter 83 of the laws of 1995, is amended to read as
3 follows:

4 PROVISIONS RELATING TO CABLE TELEVISION AND INTERNET
5 SERVICE COMPANIES

6 § 2. Section 212 of the public service law is amended by adding a new
7 subdivision 15 to read as follows:

8 15. "Internet service provider" shall mean any person, business or
9 organization qualified to do business in this state, including municipal
10 broadband providers, that provides individuals, corporations, or other
11 entities with the ability to connect to the internet.

12 § 3. The section heading of section 215 of the public service law, as
13 added by chapter 83 of the laws of 1995, is amended and a new subdivi-
14 sion 14 is added to read as follows:

15 Duties of the commission in respect to cable television and internet
16 service companies.

17 14. Develop and maintain a statewide plan for the monitoring of inter-
18 net service providers, including the annual certification that internet
19 service providers comply with the internet service neutrality require-
20 ments established in section two hundred thirty-one of this article.

21 § 4. The state finance law is amended by adding a new section 148 to
22 read as follows:

1 awarded by a state agency, public authority, public library or municipal
2 corporation as defined in subdivision two of section sixty-six of the
3 general construction law pursuant to a competitive bidding process or a
4 request for proposal process, such competitive bidding process or
5 request for proposal and the subsequent awarded contract shall require
6 that such internet connection services are compliant with the internet
7 service neutrality requirements established in section two hundred thir-
8 ty-one of the public service law.

9 § 5. The public service law is amended by adding a new section 231 to
10 read as follows:

11 § 231. Internet service neutrality. 1. For purposes of this section,
12 "reasonable network management" shall mean a network management practice
13 is a practice that has a primarily technical network management justi-
14 fication, but does not include other business practices. A network
15 management practice is reasonable if it is primarily used for and
16 tailored to achieving a legitimate network management purpose, taking
17 into account the particular network architecture and technology of the
18 broadband internet access service.

19 2. The commission shall certify annually that any internet service
20 provider qualified to do business in this state, does not:

21 (a) block lawful content, applications, services, or non-harmful
22 devices, subject to reasonable network management.

23 (b) impair or degrade lawful internet traffic on the basis of internet
24 content, application, or service, or use of a non-harmful device,
25 subject to reasonable network management.

26 (c) engage in paid prioritization, including, but not limited to,
27 traffic shaping, prioritization, resource reservation, or other forms of
28 preferential traffic management, either (i) in exchange for consider-
29 ation (monetary or otherwise) from a third party, or (ii) to benefit an
30 affiliated entity.

31 § 6. This act shall take effect on the thirtieth day after it shall
32 have become a law.
