The credit allowed under this subdivision for any taxable year shall not reduce the tax due for such year to less than the fixed dollar minimum amount prescribed in paragraph (d) of subdivision one of section two hundred ten of this article. However, if the amount of credit allowed under this subdivision for any taxable year reduces the tax to such amount or if the taxpayer otherwise pays tax based on the fixed dollar minimum amount, any amount of credit thus not deductible in such taxable year shall be treated as an overpayment of tax to be credited or refunded in accordance with the provisions of section one thousand eighty-six of this chapter. Provided, however, the provisions of subsection (c) of section one thousand eighty-eight of this chapter notwithstanding, no interest shall be paid thereon. The tax credit allowed pursuant to this section shall apply to taxable years beginning on or after January first, two thousand nineteen.

§ 3. Section 606 of the tax law is amended by adding a new subsection (iii) to read as follows:

(iii) NY crops for value added products tax credit. A taxpayer shall be allowed a credit to be computed as provided in section forty-four of this chapter against the tax imposed by this article. If the amount of the credit allowed under this subsection for any taxable year shall exceed the taxpayer's tax for such year, the excess shall be treated as an overpayment of tax to be credited or refunded in accordance with the provisions of section six hundred eighty-six of this article, provided, however, that no interest shall be paid thereon. The tax credit allowed

1 pursuant to this section shall apply to taxable years beginning on or
2 after January first, two thousand nineteen.

16 for any taxable year shall not reduce the tax due for such year to less
17 than the fixed dollar minimum amount prescribed in paragraph (d) of
18 subdivision one of section two hundred ten of this chapter. However, if
19 the amount of credit allowed under this subdivision for any taxable year
20 reduces the tax to such amount or if the taxpayer otherwise pays tax
21 based on the fixed dollar minimum amount, any amount of credit thus not
22 deductible in such taxable year shall be treated as an overpayment of
23 tax to be credited or refunded in accordance with the provisions of
24 section one thousand eighty-six of this chapter. Provided, however, the
25 provisions of subsection (c) of section one thousand eighty-eight of
26 this chapter notwithstanding, no interest shall be paid thereon. The tax
