1	cations are uniform and accurate. Any political subdivision of the state
2	having jurisdiction over any highway shall consult the state board of
3	elections prior to displaying voting related communications to ensure
4	that such communications are uniform and accurate.
5	(d) For purposes of this section, the term "variable message signs"
б	shall include changeable message signs as adopted by the federal highway
7	safety administration's manual on uniform traffic control devices,
8	dynamic message signs developed as part of the national transportation
9	communication for ITS protocol, and variable message signs as defined by
10	the commissioner.
11	(e) The commissioner may give priority to other appropriate variable
12	message sign communications, including, but not limited to, the display
13	of emergency alerts, amber alerts, missing vulnerable adult alerts,
14	missing or exploited children alerts and other transportation related
15	messages, over the communications authorized pursuant to this section.
16	§ 2. No information authorized to be displayed on a variable message
17	sign pursuant to section 332 of the Highway law as added by this act
18	shall be displayed if advised by the United States Department of Trans-
19	portation or any of its agencies that the display of such information
20	will interfere with federal law or regulation or result in the reduction
21	of federal aid highway funds.
22	§ 3. This act shall take effect on the sixtieth day after it shall
23	have become a law. The department of transportation and state board of
24	elections are authorized to promulgate any rules and regulations neces-
25	sary to implement the provisions of this act on its effective date on or
00	

26 before such date.
