AN ACT to authorize the village of Lynbrook to offer an optional twenty
year retirement plan to a certain police officer employed by such
village

The People of the State of New York, represented in Senate and Assem-
bly, do enact as follows:

1 Section 1. Notwithstanding any other provision of law to the contrary,
2 Ronald J. Fleury, a member of the New York state and local police and
3 fire retirement system, who was first employed with the village of
4 Lynbrook police department on April 28, 1994, and who, through no fault
5 of his own, failed to file a timely application to participate in the
6 special twenty year retirement plan contained in section 384-d of the
7 retirement and social security law resulting in the crediting of his
8 service with the village of Lynbrook in the retirement plan contained in
9 section 384 of such law, shall be given full credit in the special twen-
10 ty year retirement plan for such service upon the election of the
11 village of Lynbrook to assume the additional cost of such service. The
12 village of Lynbrook may so elect by, within one year of the effective
13 date of this act, filing with the state comptroller a resolution of its
14 local legislative body together with certification that such member did
15 not bar himself from participation in such retirement plan as a result
16 of his own negligence.

17 § 2. All employer past service costs associated with implementing the
18 provisions of this act shall be borne by the village of Lynbrook and may
19 be amortized over a ten year period.

20 § 3. This act shall take effect immediately.

21 Fiscal Note. -- Pursuant to Legislative Law, Section 50:

This bill will allow the village of Lynbrook to elect to reopen the
provisions of Section 384-d of the Retirement and Social Security Law
for police officer Ronald J. Fleury.

If this bill is enacted and Mr. Fleury becomes covered under the
provisions of Section 384-d, we anticipate that there will be an

increase of approximately \$6,400 in the annual contributions of the village of Lynbrook for the fiscal year ending March 31, 2019. In future years, this cost will vary as the billing rates and salary of Mr. Fleury changes.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$118,000 which will be borne by the village of Lynbrook as a one-time payment. This estimate is based on the assumption that payment will be made on February 1, 2019. If the village of Lynbrook elects to amortize this cost over a 10 year period, the cost for the first year would be \$15,800.
