39 that offer enrollees returns on contributions and the conversion of
40 individual retirement savings account balances to secure retirement
41 income without incurring debt or liabilities to the state.

42 4. Establish the process by which interest, investment earnings, and
43 investment losses are allocated to individual program accounts on a pro
44 rata basis and are computed at the interest rate on the balance of an
45 individual's account.

46 5. Make and enter into contracts necessary for the administration of
47 the program and fund, including, but not limited to, retaining and
48 contracting with investment managers, private financial institutions,
49 other financial and service providers, consultants, actuaries, counsel,

15 retirement savings arrangements or similar arrangements.

16 10. Design and establish the process for enrollment including the
17 process by which an employee can opt not to participate in the program,
18 select a contribution level, select an investment option, and terminate
19 participation in the program.

20 11. Evaluate and establish the process by which an employee may volun-
21 tarily enroll in and make contributions to the program.

22 12. Accept any grants, appropriations, or other moneys from the state,
23 any unit of federal, state, or local government, or any other person,

29 personal loss or liability resulting from a member's action or inaction
30 as a member of the board.

31 14. Make provisions for the payment of administrative costs and
32 expenses for the creation, management, and operation of the program.
33 Subject to appropriation, the state may pay administrative costs associ-
34 ated with the creation and management of the program until sufficient
35 assets are available in the fund for that purpose. Thereafter, all
36 administrative costs of the fund, including repayment of any start-up
37 funds provided by the state, shall be paid only out of moneys on deposit
38 therein. However, private funds or federal funding received in order to
39 implement the program until the fund is self-sustaining shall not be
40 repaid unless those funds were offered contingent upon the promise of

42 low as possible, but in no event shall they exceed 0.75% of the total
43 trust balance.

44 15. Allocate administrative fees to individual retirement accounts in
45 the program on a pro rata basis.

46 16. Set minimum and maximum contribution levels in accordance with
47 limits established for IRAs by the Internal Revenue Code.

Deposit into the New York state secure choice administrative fund all grants, gifts, donations, fees, and earnings from investments from the New York state secure choice savings program fund that are used to recover administrative costs. All expenses of the board shall be paid from the New York state secure choice administrative fund.

22. Determine withdrawal provisions, such as economic hardships, portability and leakage.

23. Determine employee rights and enforcement of penalties.

§ 575. Risk management. The board shall annually prepare and adopt a written statement of investment policy that includes a risk management and oversight program. This investment policy shall prohibit the board, program, and fund from borrowing for investment purposes. The risk management and oversight program shall be designed to ensure that an effective risk management system is in place to monitor the risk levels of the program and fund portfolio, to ensure that the risks taken are prudent and properly managed, to provide an integrated process for overall risk management, and to assess investment returns as well as risk to determine if the risks taken are adequately compensated compared to applicable performance benchmarks and standards. The board shall consider the statement of investment policy and any changes in the investment policy at a public hearing.

§ 576. Investment firms. 1. The board shall engage, after an open bid process, an investment manager or managers to invest the fund and any other assets of the program. Moneys in the fund may be invested or reinvested by the comptroller or may be invested in whole or in part. In selecting the investment manager or managers, the board shall take into consideration and give weight to the investment manager's fees and charges in order to reduce the program's administrative expenses.

2. The investment manager or managers shall comply with any and all applicable federal and state laws, rules, and regulations, as well as any and all rules, policies, and guidelines promulgated by the board with respect to the program and the investment of the fund, including, but not limited to, the investment policy.

3. The investment manager or managers shall provide such reports as the board deems necessary for the board to oversee each investment manager's performance and the performance of the fund.

§ 577. Investment options. 1. The board shall establish as an investment option a life-cycle fund with a target date based upon the age of the enrollee. This shall be the default investment option for enrollees who fail to elect an investment option unless and until the board designates by rule a new investment option as the default.

2. The board may also establish any or all of the following additional investment options:

(a) a conservative principal protection fund;

(b) a growth fund;

(c) a secure return fund whose primary objective is the preservation of the safety of principal and the provision of a stable and low-risk rate of return; if the board elects to establish a secure return fund, the board may procure any insurance, annuity, or other product to insure the value of enrollees' accounts and guarantee a rate of return; the cost of such funding mechanism shall be paid out of the fund; under no circumstances shall the board, program, fund, the state, or any participating employer assume any liability for investment or actuarial risk;

1 the board shall determine whether to establish such investment options
2 based upon an analysis of their cost, risk profile, benefit level,
3 feasibility, and ease of implementation; or

4 (d) an annuity fund.

5 3. If the board elects to establish a secure return fund, the board
6 shall then determine whether such option shall replace the target date
7 or life-cycle fund as the default investment option for enrollees who do
8 not elect an investment option. In making such determination, the board
9 shall consider the cost, risk profile, benefit level, and ease of
10 enrollment in the secure return fund. The board may at any time there-
11 after revisit this question and, based upon an analysis of these crite-
12 ria, establish either the secure return fund or the life-cycle fund as
13 the default for enrollees who do not elect an investment option.

14 § 578. Benefits. Interest, investment earnings, and investment losses
15 shall be allocated to individual program accounts as established by the
16 board pursuant to this article. An individual's retirement savings bene-
17 fit under the program shall be an amount equal to the balance in the
18 individual's program account on the date the retirement savings benefit
19 becomes payable. The state shall have no liability for the payment of
20 any benefit to any enrollee in the program.

21 § 579. Employer and employee information packets and disclosure forms.

22 1. Prior to the opening of the program for enrollment, the board shall
23 design and disseminate to all employers an employer information packet
24 and an employee information packet, which shall include background
25 information on the program, appropriate disclosures for employees, and
26 information regarding the vendor Internet website described.

27 2. The board shall provide for the contents of both the employee
28 information packet and the employer information packet. The employee
29 information packet shall be made available in English, Spanish, Haitian
30 Creole, Chinese, Korean, Russian, Arabic, and any other language the
31 comptroller deems necessary.

32 3. The employee information packet shall include a disclosure form.
33 The disclosure form shall explain, but not be limited to, all of the
34 following:

35 (a) the benefits and risks associated with making contributions to the
36 program;

37 (b) the mechanics of how to make contributions to the program;

38 (c) how to opt out of the program;

39 (d) how to participate in the program with a level of employee
40 contributions other than three percent;

41 (e) that they are not required to participate or contribute more than
42 three percent;

43 (f) that they can opt out after they have enrolled;

44 (g) the process for withdrawal of retirement savings;

45 (h) the process for selecting beneficiaries of their retirement
46 savings;

47 (i) how to obtain additional information about the program;

48 (j) that employees seeking financial advice should contact financial
49 advisors, that participating employers are not in a position to provide
50 financial advice, and that participating employers are not liable for
51 decisions employees make pursuant to this article;

52 (k) information on how to access any financial literacy programs
53 implemented by the comptroller;

54 (l) that the program is not an employer-sponsored retirement plan; and

55 (m) that the program fund is not guaranteed by the state.

1 4. The employee information packet shall also include a form for an
2 employee to note his or her decision to opt out of participation in the
3 program or elect to participate with a level of employee contributions
4 other than three percent.

5 5. Participating employers shall supply the employee information pack-
6 et to existing employees at least one month prior to the participating
7 employers' launch of the program. Participating employers shall supply
8 the employee information packet to new employees at the time of hiring,
9 and new employees may opt out of participation in the program or elect
10 to participate with a level of employee contributions other than three
11 percent at that time.

12 § 580. Program implementation and enrollment. Except as otherwise
13 provided in this article, the program shall be implemented, and enroll-
14 ment of employees shall begin, within twenty-four months after the
15 effective date of this article. The provisions of this section shall be
16 in force after the board opens the program for enrollment.

17 1. Each participating employer may establish a payroll deposit retire-
18 ment savings arrangement to allow each employee to participate in the
19 program and begin employee enrollment at most nine months after the
20 board opens the program for enrollment.

21 2. Enrollees shall have the ability to select a contribution level
22 into the fund. This level may be expressed as a percentage of wages or
23 as a dollar amount up to the deductible amount for the enrollee's taxa-
24 ble year under section 219(b)(1)(A) of the Internal Revenue Code. Enrol-
25 lees may change their contribution level at any time, subject to rules
26 promulgated by the board. If an enrollee fails to select a contribution
27 level using the form described in this article, then he or she shall
28 contribute three percent of his or her wages to the program, provided
29 that such contributions shall not cause the enrollee's total contrib-
30 utions to IRAs for the year to exceed the deductible amount for the
31 enrollee's taxable year under section 219(b)(1)(A) of the Internal
32 Revenue Code. Notwithstanding any other provision of law, any partic-
33 ipating enrollee, whose employer fails to make employee deductions in
34 accordance with the provisions in section one hundred ninety-three of
35 the labor law, may bring an action, pursuant to section one hundred
36 ninety-eight of the labor law, to recover such monies. Further, any
37 participating employer, who fails to make employee deductions in accord-
38 ance with the provisions in section one hundred ninety-three of the
39 labor law, shall be subject to the penalties and fines provided for in
40 section one hundred ninety-eight-a of the labor law.

41 3. Enrollees may select an investment option from the permitted
42 investment options listed in this article. Enrollees may change their
43 investment option at any time, subject to rules promulgated by the
44 board. In the event that an enrollee fails to select an investment
45 option, that enrollee shall be placed in the investment option selected
46 by the board as the default under this article. If the board has not
47 selected a default investment option under this article, then an enrol-
48 lee who fails to select an investment option shall be placed in the
49 life-cycle fund investment option.

50 4. Following initial implementation of the program pursuant to this
51 section, at least once every year, participating employers shall design-
52 ate an open enrollment period during which employees who previously
53 opted out of the program may enroll in the program.

54 5. An employee who opts out of the program who subsequently wants to
55 participate through the participating employer's payroll deposit retire-
56 ment savings arrangement may only enroll during the participating

1 employer's designated open enrollment period or if permitted by the
2 participating employer at an earlier time.

3 6. Employers shall retain the option at all times to set up any type
4 of employer-sponsored retirement plan instead of having a payroll depos-
5 it retirement savings arrangement to allow employee participation in the
6 program.

7 7. An enrollee may terminate his or her participation in the program
8 at any time in a manner prescribed by the board.

9 8. (a) The state comptroller shall establish a website regarding the
10 secure choice savings program which shall be accessible through the
11 state comptroller's own website.

12 (b) The board shall, in conjunction with the office of the state comp-
13 troller, establish and maintain a secure website wherein enrollees may
14 log in and acquire information regarding contributions and investment
15 income allocated to, withdrawals from, and balances in their program
16 accounts for the reporting period. Such website must also include infor-
17 mation for the enrollees regarding other options available to the
18 employee and how they can transfer their accounts to other programs
19 should they wish to do so. Such website may include any other informa-
20 tion regarding the program as the board may determine.

21 § 581. Payments. Employee contributions deducted by the participating
22 employer through payroll deduction shall be paid by the participating
23 employer to the fund using one or more payroll deposit retirement
24 savings arrangements established by the board under this article,
25 either:

26 1. on or before the last day of the month following the month in which
27 the compensation otherwise would have been payable to the employee in
28 cash; or

29 2. before such later deadline prescribed by the board for making such
30 payments, but not later than the due date for the deposit of tax
31 required to be deducted and withheld relating to collection of income
32 tax at source on wages or for the deposit of tax required to be paid
33 under the unemployment insurance system for the payroll period to which
34 such payments relate.

35 § 582. Duty and liability of the state. 1. The state shall have no
36 duty or liability to any party for the payment of any retirement savings
37 benefits accrued by any enrollee under the program. Any financial
38 liability for the payment of retirement savings benefits in excess of
39 funds available under the program shall be borne solely by the entities

25 the education law, and

26 2. Actually in service upon which his or her membership is based.
27 However, in a case where a member is discontinued from service subse-
28 quent to the accident, either voluntarily or involuntarily, and provided
29 that the member meets the requirements of paragraph one of this subdivi-
30 sion, application may be made, either (a) by a vested member incapaci-
31 tated as the result of a qualifying World Trade Center condition as
32 defined in section two of this chapter at any time, or (b) not later
33 than two years after the member is first discontinued from service.

34 b. Application for an accidental disability retirement allowance for
35 such a member may be made by:

36 1. Such member, or
37 2. The head of the department where such member is employed or his or
38 her designee, or
39 3. A person acting on behalf of and authorized by such member.

40 c. (a) After the filing of such an application such member shall be
41 given one or more medical examinations. No such application shall be
42 approved, however, unless the member or some other person on his or her
43 behalf shall have filed written notice in the office of the comptroller
44 within ninety days after the accident, setting forth:

45 1. The time when and the place where such accident occurred;
46 2. The particulars thereof;
47 3. The nature and extent of the member's injuries; and
48 4. His or her alleged incapacity.

49 (b) The notice herein required need not be given:

50 1. If notice of such accident shall be filed in accordance with the
51 provisions of the workers' compensation law of any state within which a
52 participating employer shall have its employees located or performing
53 functions and duties within the normal scope of their employment, or

54 2. If the application for accidental disability retirement is filed
55 within one year after the date of such accident, or

1 3. If a failure to file notice has been excused for good cause shown
2 as provided by rules and regulations promulgated by the comptroller.

3 d. If the comptroller determines that the member is physically or
4 mentally incapacitated for the performance of duty and ought to be
5 retired for accidental disability, such member shall be so retired. Such
6 retirement shall be effective as of a date approved by the comptroller.

7 e. Notwithstanding any other provision of law, the retirement allow-
8 ance payable upon accidental disability retirement shall consist of:

9 1. An annuity which shall be the actuarial equivalent of the member's
10 accumulated contributions, plus

11 2. A pension which is the actuarial equivalent of the reserved-for-in-

14 payment of such pension shall be subject to the provisions of section
15 three hundred sixty-four of this article.

16 f. If the member, at the time of the filing of an application under
17 the provisions of subdivision b of this section, is eligible for a
18 service retirement benefit, then and in that event, he or she may simul-
19 taneously file an application for service retirement in accordance with
20 the provisions of section seventy of this chapter, provided that the
21 member indicates on the application for service retirement that such
22 application is filed without prejudice to the application for accidental
23 disability retirement.

24 g. For purposes of this section, the term "accident" shall have the
25 same meaning and be interpreted in the same manner as such term is
26 defined and interpreted to mean in section three hundred sixty-three of
27 this title.

28 h. 1. (a) Notwithstanding any provisions of this chapter or of any
29 general, special or local law, charter, administrative code or rule or
30 regulation to the contrary, if any condition or impairment of health is
31 caused by a qualifying World Trade Center condition as defined in
32 section two of this chapter, it shall be presumptive evidence that it
33 was incurred in the performance and discharge of duty and the natural
34 and proximate result of an accident not caused by such member's own
35 willful negligence, unless the contrary be proved by competent evidence.

36 (b) The comptroller is hereby authorized to promulgate rules and regu-
37 lations to implement the provisions of this paragraph.

38 2. (a) Notwithstanding the provisions of this chapter or of any gener-
39 al, special or local law, charter, administrative code or rule or regu-
40 lation to the contrary, if a member who participated in World Trade
41 Center rescue, recovery or cleanup operations, as defined in section two
42 of this chapter, and subsequently retired on a service retirement, an
43 ordinary disability retirement or a performance of duty disability
44 retirement and subsequent to such retirement is determined by the comp-
45 troller to have a qualifying World Trade Center condition, as defined in
46 section two of this chapter, upon such determination by the comptroller
47 it shall be presumed that such disability was incurred in the perform-
48 ance and discharge of duty as the natural and proximate result of an
49 accident not caused by such member's own willful negligence, and that
50 the member would have been physically or mentally incapacitated for the
51 performance and discharge of duty of the position from which he or she
52 retired had the condition been known and fully developed at the time of
53 the member's retirement, unless the contrary is proven by competent
54 evidence.

1 (b) The comptroller shall consider a reclassification of the member's
2 retirement as an accidental disability retirement effective as of the
3 date of such reclassification.

4 (c) Such member's retirement option shall not be changed as a result
5 of such reclassification.

6 (d) The member's former employer at the time of the member's retire-
7 ment shall have an opportunity to be heard on the member's application
8 for reclassification by the comptroller according to procedures devel-
9 oped by the comptroller.

10 (e) The comptroller is hereby authorized to promulgate rules and regu-
11 lations to implement the provisions of this paragraph.

12 i. Notwithstanding any other provision of this chapter or of any
13 general, special or local law, charter, administrative code or rule or
14 regulation to the contrary, if a retiree who: (1) has met the criteria
15 of subdivision h of this section and retired on a service or disability
16 retirement, or would have met the criteria if not already retired on an
17 accidental disability; and (2) has not been retired for more than twen-
18 ty-five years; and (3) dies from a qualifying World Trade Center condi-
19 tion, as defined in section two of this chapter, as determined by the
20 applicable head of the retirement system or applicable medical board,
21 then unless the contrary be proven by competent evidence, such retiree
22 shall be deemed to have died as a natural and proximate result of an
23 accident sustained in the performance of duty and not as a result of
24 willful negligence on his or her part. Such retiree's eligible benefici-
25 ary, as set forth in section three hundred sixty-one of this title,
26 shall be entitled to an accidental death benefit as provided by section
27 three hundred sixty-one of this title, however, for the purposes of
28 determining the salary base upon which the accidental death benefit is
29 calculated, the retiree shall be deemed to have died on the date of his
30 or her retirement. Upon the retiree's death, the eligible beneficiary
31 shall make a written application to the head of the retirement system
32 within the time for filing an application for an accidental death bene-
33 fit as set forth in section three hundred sixty-one of this title
34 requesting conversion of such retiree's service or disability retirement
35 benefit to an accidental death benefit. At the time of such conversion,
36 the eligible beneficiary shall relinquish all rights to the prospective
37 benefits payable under the service or disability retirement benefit,
38 including any post-retirement death benefits, since the retiree's death.
39 If the eligible beneficiary is not the only beneficiary receiving or
40 entitled to receive a benefit under the service or disability retirement
41 benefit (including, but not limited to, post-retirement death benefits
42 or benefits paid or payable pursuant to the retiree's option selection),
43 the accidental death benefit payments to the eligible beneficiary will
44 be reduced by any amounts paid or payable to any other beneficiary.

45 j. Notwithstanding any other provision of this chapter or of any
46 general, special or local law, charter, administrative code or rule or
47 regulation to the contrary, if a member who: (1) has met the criteria of
48 subdivision h of this section; and (2) dies in active service from a
49 qualifying World Trade Center condition, as defined in section two of
50 this chapter, as determined by the applicable head of the retirement
51 system or applicable medical board to have been caused by such member's
52 participation in the World Trade Center rescue, recovery or cleanup
53 operations, as defined in section two of this chapter, then unless the
54 contrary be proven by competent evidence, such member shall be deemed to
55 have died as a natural and proximate result of an accident sustained in
56 the performance of duty and not as a result of willful negligence on his

1 or her part. Such member's eligible beneficiary, as set forth in section
2 three hundred sixty-one of this title, shall be entitled to an acci-
3 dental death benefit provided he or she makes written application to the
4 head of the retirement system within the time for filing an application
5 for an accidental death benefit as set forth in section three hundred
6 sixty-one of this title.

7 § 2. The section heading and subdivision a of section 363-e of the
8 retirement and social security law, as added by chapter 208 of the laws
9 of 1997, are amended to read as follows:

10 Disability retirement allowance for members of the division of law
11 enforcement in the department of environmental conservation, police
12 officers in the department of environmental conservation, forest
13 rangers, university police officers and the regional state park police.

14 a. Every non-seasonally appointed sworn member or officer of the divi-
15 sion of law enforcement in the department of environmental conservation
16 and the regional state park police, every police officer in the depart-
17 ment of environmental conservation, every forest ranger and every
18 university police officer appointed pursuant to paragraph 1 of subdivi-
19 sion two of section three hundred fifty-five of the education law who
20 becomes physically or mentally incapacitated for the performance of duty
21 shall be covered by the provisions of this section in lieu of the
22 provisions of section three hundred sixty-two or three hundred sixty-
23 three of this ~~[article]~~ title; except, however, any such member or offi-
24 cer who last entered or reentered service in the department of environ-
25 mental conservation or state park police, as the case may be, prior to
26 September first, nineteen hundred ninety-seven, shall be entitled to
27 apply for disability retirement pursuant to such sections and to receive
28 the benefit so payable in lieu of the benefit payable pursuant to this
29 section. The benefits provided by this section for university police
30 officers shall be in lieu of section three hundred sixty-three of this
31 article.

32 § 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would grant improved accidental and performance of duty disability pensions to certain members or officers of the division of law enforcement in the department of environmental conservation, and regional state park police. The benefit for an accidental disability would be 75% of final average salary minus worker's compensation. The benefit for a performance of duty disability benefit would be 50% of final average salary.

If this bill is enacted, the estimated increase in the annual contributions of the state of New York for the fiscal year ending March 31, 2019 would be approximately \$350,000.

In addition to the annual contributions discussed above, there will be an immediate past service cost of \$2.17 million which will be borne by the state of New York as a one-time payment. This estimate is based on the assumption that payment will be made on March 1, 2019.

These estimated costs are based on 570 members having an annual salary for the fiscal year ending March 31, 2017 of approximately \$48 million.

1 PART 00

2 Section 1. Subdivision a of section 605-a of the retirement and social
3 security law, as amended by chapter 489 of the laws of 2008, is amended
4 to read as follows:

5 a. A member employed as a uniformed court officer or peace officer in
6 the unified court system shall be entitled to an accidental disability
7 retirement allowance if, at the time application therefor is filed, such
8 member is:

9 1. Physically or mentally incapacitated for performance of duty as the
10 natural and proximate result of an accident, not caused by his or her
11 own willful negligence, sustained in such service and while actually a
12 member of the retirement system; and

13 2. Actually in service upon which his or her membership is based.
14 However, in a case where a member is discontinued from service subse-
15 quent to the accident, either voluntarily or involuntarily, and provided
16 that the member meets the requirements of paragraph one of this subdivi-
17 sion, application may be made either (a) by a vested member incapaci-
18 tated as the result of a qualifying World Trade Center condition as
19 defined in section two of this chapter at any time, or (b) not later
20 than two years after the member is first discontinued from service.

21 For purposes of this subdivision, a member who is injured as the
22 result of a physical assault by an assailant, suffered while in service
23 shall be entitled to accidental disability retirement unless the contra-
24 ry can be proven by competent evidence under this section.

25 § 2. Notwithstanding any other provision of law to the contrary, none
26 of the provisions of this act shall be subject to section 25 of the
27 retirement and social security law.

28 § 3. This act shall take effect immediately.

FISCAL NOTE.-- Pursuant to Legislative Law, Section 50:

This bill would allow Tier 3, 4, 5 and 6 uniformed court officers and peace officers in the unified court system to be eligible for an accidental disability for injuries sustained in the performance of duty and the result of an injury sustained in the performance or discharge of duty by or as the result of an assault by an assailant, unless the contrary be proven by competent evidence. The benefit for an accidental disability would be 75% of final average salary less worker's compensation.

If this bill is enacted, the cost will vary depending on the members' age, service, tier and salary. It is estimated that the average per person cost will be approximately three (3) times salary.

The exact number of members who could be affected by this legislation cannot be readily determined. In all likelihood, very few members would be affected.

PART PP

2 Section 1. Subdivision b of section 448 of the retirement and social
3 security law is amended by adding a new paragraph 3 to read as follows:

4 3. Provided further, notwithstanding any other provision of this arti-
5 cle to the contrary, where a member is in a title as defined in subdivi-
6 sion i of section eighty-nine of this chapter under the jurisdiction of
7 the department of corrections and community supervision, and would have
8 been entitled to a service retirement benefit at the time of his or her
9 death and where his or her death occurs on or after July first, two
10 thousand eighteen, the beneficiary or beneficiaries may elect to
11 receive, in a lump sum, an amount payable which shall be equal to the
12 pension reserve that would have been established had the member retired
13 on the date of his or her death, or the value of the death benefit and
14 the reserve-for-increased-take-home-pay, if any, whichever is greater.

15 § 2. Subdivision b of section 508 of the retirement and social securi-
16 ty law, as amended by chapter 18 of the laws of 2012, is amended to read
17 as follows:

18 b. A member of a retirement system subject to the provisions of this
19 article who is a policeman, fireman, correction officer, investigator
20 revised plan member or sanitation man and is in a plan which permits
21 immediate retirement upon completion of a specified period of service
22 without regard to age or who is subject to the provisions of section
23 five hundred four or five hundred five of this article, shall upon
24 completion of ninety days of service be covered for financial protection
25 in the event of death in service pursuant to this subdivision.

26 1. Such death benefit shall be equal to three times the member's sala-
27 ry raised to the next highest multiple of one thousand dollars, but in
28 no event shall it exceed three times the maximum salary specified in
29 section one hundred thirty of the civil service law or, in the case of a
30 member of a retirement system other than the New York city employees'
31 retirement system, or in the case of a member of the New York city
32 employees' retirement system who is a New York city uniformed
33 correction/sanitation revised plan member or an investigator revised
34 plan member, the specific limitations specified for age of entrance into

1 service contained in subparagraphs (b), (c), (d), (e) and (f) of para-
2 graph two of subdivision a of this section.

3 2. Provided further, notwithstanding any other provision of this arti-
4 cle to the contrary, where a member is in a title as defined in subdivi-
5 sion i of section eighty-nine of this chapter under the jurisdiction of
6 the department of corrections and community supervision, and would have
7 been entitled to a service retirement benefit at the time of his or her
8 death and where his or her death occurs on or after July first, two
9 thousand eighteen, the beneficiary or beneficiaries may elect to
10 receive, in a lump sum, an amount payable which shall be equal to the
11 pension reserve that would have been established had the member retired
12 on the date of his or her death, or the value of the death benefit and
13 the reserve-for-increased-take-home-pay, if any, whichever is greater.

14 § 3. This act shall take effect immediately and shall expire five
15 years after the date on which it shall have become a law.

FISCAL NOTE. -- Pursuant to Legislative Law, Section 50:

This bill would modify the in-service death benefit for tiers 2 through 6 state correction officers. The in-service death benefit will be the value of the pension reserve as if the member had retired on their date of death. The provision is scheduled to expire five years after the date it is enacted.

If such proposal is enacted during the 2018 legislative session, there will be a one-time past service cost of \$13.2 million, which would be borne by the state of New York as a one-time payment. This estimate is based on the assumption that payment will be made March 1, 2019.

If this provision is extended or made permanent by subsequent legislation, there would be additional costs.

These estimated costs are based on 20,712 state correction officers with a total annual salary of approximately \$1.5 billion for the fiscal year ending March 31, 2017.

Summary of relevant resources:

The membership data used in measuring the impact of the proposed change was the same as that used in the March 31, 2017 actuarial valuation. Distributions and other statistics can be found in the 2017 Report of the Actuary and the 2017 Comprehensive Annual Financial Report.

41 if such claim shall be approved, reduced, amended or rejected and shall
42 notify the submitting public authority or municipal corporation, within
43 sixty days of receipt of such claim, as to its determination. Such
44 public authority or municipal corporation shall notify the civil service
45 commission within thirty days after receipt of the civil service commis-

14 8. All claims certified by the civil service commission shall be paid
15 monthly and shall be paid upon a warrant from the comptroller.

PART RR

Section 1. Section 167-a of the civil service law, as amended by section 1 of part I of chapter 55 of the laws of 2012, is amended to read as follows:

§ 167-a. Reimbursement for medicare [~~premium~~] charges. Upon exclusion from the coverage of the health benefit plan of supplementary medical insurance benefits for which an active or retired employee or a dependent covered by the health benefit plan is or would be eligible under the federal old-age, survivors and disability insurance program, an amount equal to the premium charge and any other additional charges for such supplementary medical insurance benefits for such active or retired employee and his or her dependents, if any, shall be paid monthly or at other intervals to such active or retired employee from the health insurance fund. Where appropriate, such amount may be deducted from contributions payable by the employee or retired employee; or where appropriate in the case of a retired employee receiving a retirement allowance, such amount may be included with payments of his or her retirement allowance. All state employer, employee, retired employee and dependent contributions to the health insurance fund, including contributions from public authorities, public benefit corporations or other quasi-public organizations of the state eligible for participation in the health benefit plan as authorized by subdivision two of section one hundred sixty-three of this article, shall be adjusted as necessary to

cover the cost of reimbursing federal old-age, survivors and disability insurance program premium charges under this section. This cost shall be included in the calculation of premium or subscription charges for health coverage provided to employees and retired employees of the state, public authorities, public benefit corporations or other quasi-public organizations of the state; provided, however, the state, public authorities, public benefit corporations or other quasi-public organizations of the state shall remain obligated to pay no less than its share of such increased cost consistent with its share of premium or subscription charges provided for by this article. All other employer contributions to the health insurance fund shall be adjusted as necessary to provide for such payments. For purposes of this section, the term "health benefit plan of supplementary medical insurance benefits" shall mean the health benefit plan prescribed by section one hundred sixty-one of this article and shall include prescription drugs and medications, group hospitalization, surgical and medical insurance provided pursuant to such section.

§ 2. This act shall take effect immediately.

PART SS

Section 1. Subdivision 3 of section 363-a of the retirement and social security law, as amended by chapter 437 of the laws of 2016, is amended to read as follows:

3. As used in this section, the terms "firefighter" and "police officer" mean any member who is performing police or fire service, as the phrase police or fire service is defined in paragraphs a, b, c, d, f (as added by chapter six hundred seventy-four of the laws of nineteen eighty-six), f (as added by chapter six hundred seventy-seven of the laws of nineteen eighty-six), g, h, i and j of subdivision eleven of section three hundred two of this article, and who, prior to entry into service as a firefighter or police officer, successfully passed a physical examination which failed to disclose evidence of any disease or other impairment of the heart.

§ 2. The amendments to section 363-a of the retirement and social security law made by section one of this act shall not affect, impair, or invalidate any temporary right, privilege, or benefit conferred pursuant to the provisions of a general, special or local law (other than pursuant to articles 14 and 15 of the retirement and social security law) for any member of a public retirement system or pension plan funded by the state or one of its political subdivisions, nor shall any amendments thereto affect the application of such provisions as extended by the provisions of section 480 of the retirement and social security law.

§ 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill is a technical correction to Chapter 561 of the Laws of 2015. It would add a "heart bill" performance of duty disability provision for police officers of the State University of New York who are members of the New York State and Local Police and Fire Retirement System.

If this bill is enacted, it could lead to more disabilities being classified as "performance of duty". We anticipate that few performance of duty disability retirements will be granted, and thus, the resulting costs will be negligible.

39 dollars for the year two thousand eighteen and thereafter.

40 § 2. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill will allow retired police officers to be employed by a school district as a school safety officer, school security officer or any other substantially similar position for an annual salary of less than \$50,000 and continue to receive their full retirement benefit. Currently, this privilege is only allowed to retired police officers who are employed as a school resource officer.

If this bill is enacted, insofar as it will affect the New York State and Local Police and Fire Retirement System, we expect few retirees to be affected. There would be negligible additional annual costs.

10 corresponding section of the Subpart in which it is found. Section three
11 of this Part sets forth the general effective date of this Part.

12 SUBPART A

13 Section 1. Section 490.00 of the penal law, as added by chapter 300 of
14 the laws of 2001, is amended to read as follows:
15 § 490.00 Legislative findings.

16 The devastating consequences of the recent barbaric attack on the
17 World Trade Center and the Pentagon underscore the compelling need for
18 legislation that is specifically designed to combat the evils of terror-
19 ism. Indeed, the bombings of American embassies in Kenya and Tanzania in
20 1998, the federal building in Oklahoma City in 1995, Pan Am Flight
21 number 103 in Lockerbie in 1988, the 1997 shooting atop the Empire State
22 Building, the 1994 murder of Ari Halberstam on the Brooklyn Bridge
23 [and], the 1993 bombing of the World Trade Center, and the mass shoot-
24 ings in San Bernardino, California and Charleston, South Carolina in
25 2015, the Orlando nightclub in 2016, the Las Vegas strip in 2017, and at
26 Marjory Stoneman Douglas High School in Parkland, Florida in 2018, among
27 others, will forever serve to remind us that terrorism is a serious and
28 deadly problem that disrupts public order and threatens individual safe-
29 ty both at home and around the world. Terrorism is inconsistent with
30 civilized society and cannot be tolerated.

31 Although certain federal laws seek to curb the incidence of terrorism,
32 there are no corresponding state laws that facilitate the prosecution
33 and punishment of terrorists in state courts. Inexplicably, there is
34 also no criminal penalty in this state for a person who solicits or
35 raises funds for, or provides other material support or resources to,
36 those who commit or encourage the commission of horrific and cowardly
37 acts of terrorism. Nor do our criminal laws proscribe the making of
38 terrorist threats or punish with appropriate severity those who hinder
39 the prosecution of terrorists. Finally, our death penalty statute must

1 be strengthened so that the cold-blooded execution of an individual for
2 terrorist purposes is a capital offense.

3 A comprehensive state law is urgently needed to complement federal
4 laws in the fight against terrorism and to better protect all citizens
5 against terrorist acts and mass shootings. Accordingly, the legislature
6 finds that our laws must be strengthened to ensure that terrorists, as

13 appointed as investigators or senior investigators in the bureau of
14 criminal investigation or as a station commander, zone commander, zone
15 sergeant, first sergeant, staff sergeant, chief technical sergeant,

47 Voluntary resignation or withdrawal from the New York state police

PART III

Section 1. Section 607-c of the retirement and social security law is amended by adding a new subdivision g to read as follows:

g. Any sheriff, deputy sheriff, undersheriff, or correction officer as defined in subdivision a of section sixty-three-b of this chapter, and who is employed in Nassau county, who becomes physically or mentally incapacitated for the performance of duties as the natural and proximate result of an injury, sustained in the performance or discharge of his or her duties by, or as the natural and proximate result of an intentional or reckless act of any civilian visiting, or otherwise present at, an institution under the jurisdiction of such county where such injury was sustained and documented after the enactment of this section, shall be paid a performance of duty disability retirement allowance equal to that which is provided in section sixty-three of this chapter, subject to the provisions of section sixty-four of this chapter. Notwithstanding any other provision of law to the contrary, none of the provisions of this subdivision shall be subject to section twenty-five of this chapter.

§ 2. All past service costs associated with implementing the provisions of this act will be borne by Nassau county, and may be amortized over a ten year period.

§ 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill will allow any sheriff, undersheriff, deputy sheriff, or correction officer employed by Nassau County to become eligible to receive a performance of duty benefit due to the intentional or reckless act of a civilian visiting an institution under the jurisdiction of such county. The benefit will be 75% of final average salary less worker's compensation. Currently, to be eligible for such improved benefit, it is required that such injuries were sustained as the result of an "act of an inmate". Such injuries must be sustained and documented after the enactment of this legislation.

If this legislation is enacted during the 2018 legislative session, we anticipate that there will be an increase in the annual contributions of Nassau County of approximately \$210,000 for the fiscal year ending March 31, 2019.

In addition to the annual contributions discussed above, it is estimated that there will be a past service cost of approximately \$1.22 million which would be borne by Nassau County as a one-time payment. This estimate is based on the assumption that payment will be made on

February 1, 2019. If Nassau County elects to amortize this cost over a 10 year period, the cost for the first year would be \$162,000.

These estimated costs are based on 880 sheriffs, undersheriffs, deputy sheriffs and correction officers employed by Nassau County with a total estimated annual salary of approximately \$96 million for the fiscal year ending March 31, 2017.

Summary of relevant resources:

The membership data used in measuring the impact of the proposed change was the same as that used in the March 31, 2017 actuarial valuation. Distributions and other statistics can be found in the 2017 Report of the Actuary and the 2017 Comprehensive Annual Financial Report.

The actuarial assumptions and methods used are described in the 2015, 2016 and 2017 Annual Report to the Comptroller on Actuarial Assumptions, and the Codes Rules and Regulations of the State of New York: Audit and Control.

The Market Assets and GASB Disclosures are found in the March 31, 2017 New York State and Local Retirement System Financial Statements and Supplementary Information.

I am a member of the American Academy of Actuaries and meet the Qualification Standards to render the actuarial opinion contained herein.

This estimate, dated November 15, 2017, and intended for use only during the 2018 Legislative Session, is Fiscal Note No. 2018-8, prepared by the Actuary for the New York State and Local Retirement System.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50: This part of S.7505-B would provide that members of the New York City Police and Fire Department who are hired after April 1, 2018 are members of the Police and Fire Retirement plan provided pursuant to Article 22 of the Retirement and Social Security Law (otherwise known as "Tier II"). It would further provide that current members who were hired on or after January 1, 2010, have a one-time option to make an irrevocable election to become members of Tier II. The purpose of this bill is to give Police and Fire members of Tier III and Tier III-Modified an opportunity to transfer to Tier II, which was allowed to expire on 2009.

There were 10,780 active members of the New York City FIRE retirement system effective June 30, 2015, but the population of firefighters who are members of Tier III or Tier III-Modified is unknown based upon a review of the FDNY Comprehensive Annual Report ending December 31, 2017. For the City Fiscal Year ending June 30, 2017, there are projected to be 13,163 New York City Police Tier III members. Hence, the total population affected by this legislation is unknown. The number of eligible members that will elect to transfer to Tier II is unknown and how many new hires there will be in both Police and Fire in the short to intermediate term is also unknown.

43 Section 1. Paragraphs (a) and (b) of subdivision 6 of section 202 of
44 the state administrative procedure act, paragraph (a) as added by chap-

46 of the laws of 1988, are amended to read as follows:

47 (a) Notwithstanding any other provision of law, if an agency finds for
48 a good cause that the immediate adoption of a rule is necessary for the
49 preservation of the public health, safety or general welfare [~~and that~~
50 ~~compliance with the requirements of subdivision one of this section~~
51 ~~would be contrary to the public interest, the agency may dispense with~~
52 ~~all or part of such requirements and adopt the rule on an emergency~~
53 ~~basis~~], and one or more of the following conditions are met, the agency

1 may dispense with all or part of the requirements of subdivision one of
2 this section and adopt the rule on an emergency basis:

3 (i) the usual rule making procedures are impractical because there is
4 an emergency that poses an imminent and actual threat to public health
5 or safety; or

6 (ii) the delay involved in adopting the rule through the usual rule
7 making procedure would cause the agency to be out of compliance with a
8 judicial decision, federal or state law; or

9 (iii) the delay in adopting the rule through the usual rule making
10 procedure would result in a loss of federal funds; or

11 (iv) the delay involved in adopting the rule through the usual rule
12 making procedure provided in subdivision one of this section would lead
13 to irreparable injury.

14 (a-1) Within thirty days of the adoption of the emergency rule, the
15 agency shall separately submit a notice of proposed rule making for such
16 rule to the secretary of state to commence the usual rule making proce-
17 dures set forth in subdivision one of this section.

18 (b) Unless otherwise provided by law, such emergency rule shall not
19 remain in effect for longer than ninety days after being filed with the
20 secretary of state unless within such time the agency complies with the
21 requirements of subdivision one of this section and adopts the rule
22 pursuant to the provisions of subdivision five of this section,
23 provided, however, if such emergency rule is readopted prior to the
24 expiration of such ninety day period such readoption and any subsequent
25 readoptions shall remain in effect for no longer than sixty days. Upon
26 any readoption, the agency shall publish and make available to the
27 public an assessment of public comments received on the emergency rule
28 or the separate notice of proposed rulemaking for such rule. The emer-
29 gency rule may remain in effect, at the latest, for as long as the sepa-
30 rate notice of proposed rulemaking remains in effect pursuant to subdi-
31 vision two of this section. When the separate notice of proposed
32 rulemaking expires pursuant to subdivision two of this section, the
33 emergency rule shall also expire and be ineffective for the purposes of
34 this section.

35 § 2. This act shall take effect immediately.

36 PART SSS

37 Section 1. Section 201-a of the state administrative procedure act, as
38 added by chapter 189 of the laws of 1996, paragraph (g) of subdivision 2
39 as amended by chapter 304 of the laws of 2016, is amended to read as
40 follows:

41 § 201-a. Job impact. 1. In developing a rule, an agency shall strive
42 to accomplish the objectives of applicable statutes in a manner which
43 minimizes any unnecessary adverse impacts on existing jobs and promotes
44 the development of new employment opportunities, including opportunities
45 for self-employment, for the residents of the state.

46 2. Before proposing a rule for adoption or adopting a rule on an emer-
47 gency basis, an agency shall evaluate the potential impact of the rule
48 on jobs and employment opportunities.

49 (a) When it is apparent from the nature and purpose of the rule that
50 it will not have a substantial adverse impact on jobs and employment
51 opportunities, the agency shall include in the notice of proposed rule
52 making or the notice of emergency adoption a statement that the agency
53 has determined that the rule will not have a substantial adverse impact
54 on jobs and employment opportunities; provided, however, that, where

1 appropriate, such statement shall indicate that the agency has deter-
2 mined the rule will have a positive impact on jobs and employment oppor-
3 tunities, or will have no impact on jobs and employment opportunities.
4 Except where it is evident from the subject matter of the rule that the
5 rule could only have a positive impact or no impact on jobs and employ-
6 ment opportunities, the agency shall include in the statement prepared
7 pursuant to this paragraph a summary of the information and methodology
8 underlying its determination.

9 (b) When it is apparent from the nature and purpose of the rule that
10 it may have a substantial adverse impact on jobs or employment opportu-
11 nities, the agency shall issue a job impact statement which contains
12 information on:

13 (i) the nature of the impact the rule will have on jobs and employment
14 opportunities;

15 (ii) the categories of jobs or employment opportunities affected by
16 the rule;

17 (iii) the approximate number of jobs or employment opportunities
18 affected in each category;

19 (iv) any region of the state where the rule would have a dispropor-
20 tionate adverse impact on jobs or employment opportunities; and

21 (v) any measures which the agency [~~has taken~~] or other state agencies
22 have taken or could take to minimize any unnecessary adverse impacts on
23 existing jobs and to promote the development of new employment opportu-
24 nities.

25 (c) When the information available to an agency is insufficient to
26 enable it to determine whether a rule will have a substantial adverse
27 impact on jobs or employment opportunities, or to prepare a job impact
28 statement pursuant to paragraph (b) of this subdivision, the agency
29 shall issue a statement indicating the information which it needs to
30 complete a job impact statement and requesting the assistance of other
31 state agencies and the public in obtaining such information.

32 (d) An agency shall issue a revised job impact statement when:

33 (i) [~~the~~] it is necessary to correct or supplement information
34 presented in the previous statement [~~is~~] that was inadequate or incom-
35 plete;

36 (ii) the proposed rule contains any substantial revisions which neces-
37 sitate that such statement be modified; or

38 (iii) the agency has issued a statement pursuant to paragraph (c) of
39 this subdivision, and has received information from other state agencies
40 or the public which enable it to provide a more complete evaluation of
41 the potential impact of the rule on jobs and employment opportunities.

42 (e) If, after requesting the assistance of other state agencies and
43 the public pursuant to paragraph (c) of this subdivision, an agency is
44 still unable to determine whether the rule will have a substantial
45 adverse impact on jobs and employment opportunities, it may adopt the
46 rule. When adopting a rule pursuant to this paragraph, the agency shall
47 issue a revised job impact statement which includes information on the
48 measures the agency took to evaluate the potential impact of the rule on
49 jobs and employment opportunities. No rule may be adopted pursuant to
50 this paragraph if it is the subject of a statement of concurrence pursu-
51 ant to subdivision three of this section until the requirements of
52 subdivision three of this section have been met.

53 (f) When adopting a rule on an emergency basis, an agency may defer
54 the issuance of any statement pursuant to this section, provided that
55 the statement is published in the state register within thirty days of
56 the effective date of the emergency rule.

1 (g) When any statement issued pursuant to this section exceeds two
2 thousand words, the agency shall prepare a summary of such statement in
3 less than two thousand words for publication in the state register in
4 which it shall identify the website of the agency, or of another state
5 entity, on which the full text of the statement has been posted.

6 (h) An agency may consider a series of closely related and simultane-
7 ously proposed rules as one rule for the purpose of submitting a consol-
8 idated job impact statement.

9 (i) Where a rule would have a measurable impact on opportunities for
10 self-employment, the agency shall include a discussion of such impact in
11 any statement prepared pursuant to this section.

12 (j) An agency shall make available the methodology and data or data
13 sources used to prepare any statement issued pursuant to paragraph (b)
14 of subdivision two of this section.

15 3. (a) The commissioner of labor and the commissioner of economic
16 development may review any statement issued pursuant to this section,
17 and may consult informally with any agency preparing such a statement
18 and advise it on the potential impact of a rule on jobs and employment
19 opportunities.

20 (b) When the commissioner of labor and the commissioner of economic
21 development concur in a determination that additional evaluation of the
22 potential impact of a proposed rule on jobs and employment opportunities
23 is needed to assist in the minimization of any unnecessary adverse
24 impacts of the rule on jobs or employment opportunities, they shall
25 issue a statement of concurrence and transmit a copy of such statement
26 to the agency and to the secretary of state for publication in the state
27 register. The statement of concurrence shall:

28 (i) identify each proposed rule which is the subject of the statement
29 of concurrence;

30 (ii) set forth the basis for the determination that additional evalu-
31 ation of the potential impact of the rule is needed to assist in the
32 minimization of any unnecessary adverse impacts on jobs or employment
33 opportunities, and, where relevant, identify each aspect of the job
34 impact statement which is incomplete or deficient;

35 (iii) include appropriate recommendations for additional evaluation of
36 the impact of the rule or of any measures which the agency should
37 consider to minimize any adverse impacts of the rule on jobs or employ-
38 ment opportunities; and

39 (iv) specify a time period of not more than ninety days for the agency
40 to perform such additional evaluation or consider such recommendations.

41 (c) An agency shall strive to perform such additional evaluation or
42 consider such measures as are recommended in a statement of concurrence
43 within the time period set forth therein. No agency shall adopt the rule
44 which is the subject of the statement of concurrence until:

45 (i) the agency has performed the additional evaluation or considered
46 the measures recommended in the statement of concurrence, and has issued
47 a revised job impact statement, which is acceptable to the commissioners
48 of economic development and labor, setting forth any changes which it
49 will make to the rule to minimize any adverse impacts on jobs or employ-
50 ment opportunities; or

51 (ii) after the expiration of the time period set forth in the state-
52 ment of concurrence.

53 (d) The statement of concurrence shall be considered public comment
54 for the purpose of this article and shall be summarized and analyzed in
55 any assessment of public comment.

1 4. Nothing in this section shall be construed as preventing an agency
2 from adopting a rule on an emergency basis at any time.

3 5. Copies of any statement prepared pursuant to this section, includ-
4 ing any statement of concurrence, shall be distributed as provided in
5 subdivision six-a of section two hundred two of this article.

6 6. For the purposes of this section:

7 (a) "rule" shall mean any rule proposed or any rule adopted on an
8 emergency basis pursuant to this article, except for:

12 ~~twelve]~~ of section one hundred two of this ~~[article]~~ chapter; or

13 (iii) any rule proposed or adopted by the state comptroller or the
14 attorney general.

15 (b) "impact on jobs or employment opportunities" shall mean a change
16 in the number of jobs and employment opportunities, including opportu-
17 nities for self-employment, primarily attributable to the adoption of a
18 rule, which would otherwise be available to the residents of the state
19 in the two-year period commencing on the date the rule takes effect.

20 "Impact on jobs or employment opportunities" shall also mean a signif-
21 icant change in employment status, including whether adoption of a rule
22 would have a significant impact on average wage levels, hours and/or
23 duration of employment.

24 (c) "substantial adverse impact on jobs or employment opportunities"
25 shall mean a decrease of more than one hundred full-time annual jobs and
26 employment opportunities, including opportunities for self-employment,
27 in the state, or the equivalent in part-time or seasonal employment,
28 which would otherwise be available to the residents of the state in the
29 two-year period commencing on the date the rule takes effect. "Substan-
30 tial adverse impact on jobs or employment opportunities" shall also mean
31 any changes in the status of such jobs and employment opportunities,
32 including but not limited to any significant net reductions in average
33 wage levels, hours and/or duration of employment, that would represent a
34 substantial adverse impact on incomes or economic security.

35 § 2. Subparagraphs (vi) and (viii) of paragraph (f) of subdivision 1
36 of section 202 of the state administrative procedure act, subparagraph
37 (vi) as amended by chapter 304 of the laws of 2016 and subparagraph

41 section two hundred two-a of this article and any job impact statement
42 prepared pursuant to section two hundred one-a of this article,
43 provided, however, if either such statement exceeds two thousand words,
44 the notice shall include only a summary of such statement in less than
45 two thousand words and the full text of such statement shall be posted
46 on a website maintained by the agency or another state entity until such
47 statement is revised or the proposed rule is adopted or withdrawn or
48 expires pursuant to this article;

49 (viii) give the name, public office address and telephone number of an
50 agency representative, who is knowledgeable on the proposed rule, from

29 PART TTT

30 Section 1. The state administrative procedure act is amended by adding
31 a new article 6 to read as follows:

32 ARTICLE 6

33 TASK FORCE FOR REVIEW OF THE STATE ADMINISTRATIVE PROCEDURE ACT

34 Section 601. Legislative intent.

35 602. Task force for the review of the state administrative
36 procedure act.

37 § 601. Legislative intent. The state administrative procedure act was
38 first enacted in nineteen hundred seventy-five to create a uniform,
39 consistent process to administrative rulemaking, adjudication and
40 licensing. Since nineteen hundred seventy-five this act has been amended
41 numerous times but there has never been a comprehensive review of the
42 efficacy of the act in its entirety. The legislature hereby finds and
43 declares that it is in the public interest to have such a comprehensive
44 review to ensure that administrative rulemaking, adjudication and
45 licensing is consistent, uniform, and not unnecessarily burdensome for
46 regulated entities.

47 § 602. Task force for the review of the state administrative procedure
48 act. 1. There shall be established a task force for the review of the
49 state administrative procedure act ("task force"). Such task force shall
50 examine, evaluate and make recommendations concerning the efficiency of
51 the rulemaking process, whether this act ensures the establishment of
52 consistent, uniform rules and whether the statutory process results in
53 rules, regulations and licenses that are overly burdensome on regulated
54 entities.

2. The task force shall be composed of nine members appointed as follows: three members appointed by the governor, at least one of whom shall be chosen from among the commissioners of agencies with significant regulatory oversight; two members appointed by the temporary president of the senate, one of whom shall be the senate chairperson of the administrative regulatory review commission; two members appointed by the speaker of the assembly, one of which shall be the assembly chairperson of the administrative regulatory review commission; one member appointed by the minority leader of the senate; and one member appointed by the minority leader of the assembly. The governor shall designate the chair of the task force. All appointed members of the task force shall have experience in regulatory or administrative law, or experience in a field regulated by multiple state agencies, or a representative of organized labor in a regulated field.

3. The task force shall hold public hearings throughout the state and shall have the powers of a legislative committee pursuant to the legislative law. The task force shall consult with members of the small business and agricultural communities and regulated entities and citizens from every region of the state.

4. On or before December thirty-first, two thousand nineteen, the task force shall provide a written report to the governor, the temporary president of the senate, the speaker of the assembly, the minority leader of the senate, the minority leader of the assembly, and the chairpersons of the administrative regulatory review commission. The report shall include, but not be limited to, recommendations for specific amendments to this act as well as any additional recommendations the task force deems relevant. Any recommendations shall incorporate the following principles: (a) agencies should conduct risk assessments based on the best-available data and science; (b) agencies should ensure that a full cost benefit analysis is undertaken for major regulations; (c) the rulemaking process must include an objective, transparent peer and public review; (d) regulations should be subject to legislative and judicial oversight and review; and (e) agencies should prioritize compliance over enforcement.

5. The members of the task force shall receive no compensation for their services, but shall be allowed their actual and necessary expenses incurred in the performance of their duties pursuant to this section.

6. To the maximum extent feasible, the task force shall be entitled to request and receive and shall utilize and be provided with such facilities, resources and data of any court, department, division, board, bureau, commission, or agency of the state or any political subdivision or public authority thereof as it may reasonably request to carry out properly its powers and duties pursuant to this section.

§ 2. This act shall take effect immediately.

PART UUU

Section 1. The executive law is amended by adding a new section 170-c to read as follows:

§ 170-c. Regulatory fines for small businesses. 1. Notwithstanding any other law, rule or regulation to the contrary, no state agency shall fine a small business for a first violation of such agency's rules or regulations, unless the agency determines that the violation directly affected public health or safety. Upon such first violation, a state agency shall (a) provide the small business with a copy of any applicable small business regulation guides pursuant to section one hundred

two-a of the state administrative procedure act and any other helpful compliance information detailing the agency's rules and regulations, or (b) hold an in-person meeting with the small business to help assist such small business with compliance with the agency's rules and regulations.

2. "Small business" as used in this section shall mean a business which is resident in this state, independently owned and operated, not dominant in its field and employs one hundred or less persons.

(h) coordinate his or her activities with the division for small business within the department of economic development, and the small business development center.

§ 2. On or before January 1, 2019, the small business liaison shall report to the agency head the number of inquiries he or she has received from small businesses in 2018, and the agency head shall determine whether a separate full-time employee will be needed for such position going forward and make any appropriate budget request to the governor and legislature for the ensuing fiscal year.

§ 3. This act shall take effect immediately.

4. The commission shall have the power to object to all, or a portion of any administrative rule or regulation that has been adopted or that has been proposed by an agency pursuant to the rule making procedures of

1 section two hundred two of the state administrative procedure act.
2 Should in the performance of its duties, a majority of members of the
3 commission find that an administrative rule or a portion of an adminis-
4 trative rule is (i) arbitrary, capricious, an abuse of agency
5 discretion, or is otherwise not in accordance with law; or (ii) is
6 contrary to constitutional, right power, privilege or immunity; or (iii)
7 is inconsistent with, or in excess of statutory jurisdiction, authority,
8 or limitations, or is short of statutory right; or (iv) has been adopted
9 or has been proposed without substantial observance of the procedures
10 required by law; the commission may, in writing, notify the agency of
11 their objection and reason or reasons for their objection. A written
12 letter of objection must be mailed or delivered to the agency responsi-
13 ble for the adoption or proposal of the objected to rule. A valid letter
14 of objection must be signed by each member of the commission that has
15 decided to object to the rule in its entirety, or in part. The commis-
16 sion must also file a certified copy of the letter of objection with the
17 department of state, division of administrative rules.

18 § 2. Paragraph (a) of subdivision 9 of section 202 of the state admin-
19 istrative procedure act is amended by adding three new subparagraphs
20 (vi), (vii) and (viii) to read as follows:

21 (vi) following receipt of a valid letter of objection that is written
22 and signed by a majority of the members of the administrative regu-
23 lations review commission, publish such letter in the next issue of the
24 state register.

25 (vii) following receipt of a valid response to a letter of objection
26 written and signed by the commissioner, director or counsel of that
27 agency, publish such written response in the next issue of the state
28 register.

29 (viii) reject any letter of objection or any written response to a
30 letter of objection that is deficient for lacking at least a minimal
31 explanation of an objectionable issue, or the requisite signature or
32 signatures, and give prompt notice of deficiency to the administrative
33 regulations review commission or agency.

34 § 3. Section 202 of the state administrative procedure act is amended
35 by adding a new subdivision 10 to read as follows:

36 10. Objection. (a) If in the performance of their duties, as specified
37 in subdivision one of section eighty-seven of the legislative law, a
38 majority of the members of the administrative regulations review commis-

40 administrative rule that has been adopted or that has been proposed, an
41 objection must be made in accordance with the procedures specified in
42 subdivision four of section eighty-seven of the legislative law.

43 (b) An agency that receives a letter of objection pertaining to a rule
44 that has been proposed, but has not been adopted must read and consider
45 the objection and issue a written response prior to adoption of the
46 objected to rule. Agencies must provide written responses to letters of
47 objection to the department of state, division of administrative rules
48 for publication in the state register. A written response to a letter of
49 objection must state that the agency has either (i) agreed to change the
50 rule in whole, or in part in accordance with the objection and will
51 publish the requisite notice of revised rule making, or (ii) needs addi-
52 tional time to consider the objection and possible changes and will
53 publish a notice of withdrawal, or (iii) that the agency has decided
54 against making any changes to the proposed rule. Written responses to
55 letters of objection must state that the objection was read and consid-
56 ered and include at least a brief explanation of the agency's rationale

1 for either agreeing with the objection, or requiring additional time for
2 consideration, or for disagreeing with the objection. Any agency deci-
3 sion to stop, extend, or proceed with promulgation of all or part of an
4 objected to rule, must be done in accordance with the rule making
5 requirements of this section.

6 (c) An agency that receives a letter of objection pertaining to all or
7 part of a rule that has been adopted must read and consider the
8 objection and issue a written response within forty-five days of receiv-
9 ing the letter of objection. Agencies must provide written responses to
10 letters of objection to the administrative regulations review commission
11 as well as a certified copy of any such response to the department of
12 state, division of administrative rules for publication in the state
13 register. A written response to a letter of objection must state that
14 the agency either (i) agrees to change the rule in whole, or in part in
15 accordance with the objection and will publish a notice of proposed rule
16 making needed to promulgate a new corrected rule, or (ii) needs addi-
17 tional time to consider the objection and possible changes, or (iii)
18 that the agency has decided against making any changes to the rule.
19 Written responses to letters of objection must acknowledge that the
20 objection was read and considered and include at least a brief explana-
21 tion of the agency's decision to agree with the objection, or to require
22 additional time for consideration of the objection, or to disagree with
23 the objection. Should an agency decide that additional time is needed to
24 consider the objection as well as possible solutions, an agency will be
25 provided up to an additional forty-five days to provide a written
26 response to the objection.

27 (d) An agency will not be compelled by the administrative regulations
28 review commission to change an adopted or proposed rule in response to a
29 letter of objection; however refusal to do so, can be used as evidence
30 by a petitioner in action challenging an administrative rule or a
31 portion of an administrative rule in an adjudicatory hearing pursuant to
32 article three of this chapter, or an action for declaratory judgment
33 pursuant to section two hundred five of this article, or in a proceeding
34 made against an agency pursuant to article seventy-eight of the civil
35 practice law and rules.

36 § 4. Section 102 of the executive law is amended by adding a new
37 subdivision 6 to read as follows:

38 6. All letters of objection that state at least a brief explanation of

30 (a) Except with respect to any rule defined in subparagraph (ii) of

PART YYY

Section 1. Short title. This act shall be known and may be cited as the "small business negotiated rule making act of 2018".

§ 2. Legislative intent. The legislature hereby finds that providing additional opportunities for direct small business and public participation in the development of potentially controversial rules can enhance the ability of the agency to develop the most appropriate and effective regulatory language, and can reduce the time and expense occasioned by litigation over the rule. Negotiated rule making provides a means of improving the substance and increasing the acceptability of rules, by affording to the agency, regulated small businesses and the public the opportunity for face-to-face negotiations over a rule making proposal which is under development by the agency. The opportunity for representatives of the various persons and small businesses interested in a rule to meet and communicate with each other provides a framework for the sharing of information, knowledge and expertise in order to develop a consensus on the most effective and appropriate rule making proposal. Fair representation of all interested parties and a skilled facilitator are essential elements of a successful negotiated rule making process.

Therefore, the legislature declares it to be in the public interest to set forth a statutory process for negotiated rule making in the state administrative procedure act as an alternative means of developing appropriate and effective proposed rules.

§ 3. The state administrative procedure act is amended by adding a new article 2-A to read as follows:

ARTICLE 2-A NEGOTIATED RULE MAKING

Section 250. Purpose of article.

251. Definitions.

252. Determination of the need for negotiated rule making.

253. Notice of proposed committee formation.

254. Committee establishment.

255. Conduct of committee activities.

256. Committee termination.

257. Services, facilities and payment of expenses of committee members.

258. Judicial review.

§ 250. Purpose of article. The purpose of this article is to establish a statutory framework for the selection of appropriate subjects for negotiated rule making, and for the conduct of negotiated rule making. Nothing in this article is intended to limit other innovative rule making procedures otherwise authorized by statute.

§ 251. Definitions. As used in this article:

1. "Consensus" means unanimous concurrence among the interests represented on a negotiated rule making committee established pursuant to this article, unless such committee by unanimous concurrence (a) agrees to

1 define such term to mean a general but not unanimous concurrence; or (b)
2 agrees upon another specified definition.

3 2. "Facilitator" means a person who impartially aids in the
4 discussions and negotiations among the members of a negotiated rule
5 making committee in developing a proposed rule.

6 3. "Interest" means, with respect to an issue or matter, multiple
7 parties which have a similar point of view or which are likely to be
8 affected in a similar manner.

9 4. "Negotiated rule making" means rule making through the use of a
10 negotiated rule making committee.

11 5. "Negotiated rule making committee" or "committee" means an advisory
12 committee established by an agency in accordance with the provisions of
13 this article to consider and discuss issues for the purpose of reaching
14 a consensus in the development of a proposed rule.

15 § 252. Determination of the need for negotiated rule making. 1. An
16 agency may propose to establish a negotiated rule making committee to
17 negotiate and develop a proposed rule, if the head of the agency deter-
18 mines that the use of negotiated rule making is appropriate and in the
19 public interest. In making this determination the head of the agency
20 shall consider whether:

21 (a) there is a need for a rule;

22 (b) there are a limited number of identifiable interests or small
23 businesses that will be significantly affected by the rule;

24 (c) there is a reasonable likelihood that such a committee can be
25 convened with balanced representation of persons who can adequately
26 represent the interest identified under paragraph (b) of this subdivi-
27 sion and who are willing to negotiate in good faith to reach a consensus
28 on a proposed rule;

29 (d) there is reasonable likelihood that such a committee will reach a
30 consensus on the proposed rule within a fixed period of time;

31 (e) use of negotiated rule making will not unreasonably delay the
32 notice of proposed rule making and the issuance of a final rule;

33 (f) the agency has adequate resources and is willing to commit such
34 resources as may be needed, including technical assistance, to a negoti-
35 ated rule making committee;

36 (g) the negotiated rule making will not impose a disadvantage on
37 persons whose participation is essential but who lack the resources to
38 participate, or, if participation would impose such disadvantage, it is
39 likely that the agency may obtain and make available such resources in a
40 manner consistent with section two hundred fifty-seven of this article;
41 and

42 (h) the agency will use the consensus of the committee with respect to
43 the proposed rule as the basis for a rule proposed by the agency for
44 notice and comment.

45 2. An agency which determines that the proposal of a negotiated rule
46 making proceeding is appropriate and in the public interest shall
47 propose such action to the committee. Such proposal shall indicate the
48 basis for the agency's determination, and shall list the interests which
49 the agency believes to be necessary for representation in the negotiated
50 rule making proceeding and the basis for determining that the proposed
51 list of interests is fair and balanced. The agency's proposal shall be
52 made available to the public on request.

53 § 253. Notice of proposed committee formation. 1. If an agency
54 approves the proposal to conduct a negotiated rule making proceeding,
55 then the agency shall publish in the state register and such trade and

1 other specialized publications, and by such electronic means as it deems
2 appropriate a notice which shall include:

3 (a) an announcement that the agency intends to establish a negotiated
4 rule making committee to negotiate and develop a proposed rule;

5 (b) a description of the subject and scope of the rule to be devel-
6 oped, and the issues to be considered;

7 (c) a list of small businesses and other interests which have been
8 determined to be likely to be significantly affected by the rule;

9 (d) a list of the persons proposed to represent such interests and the
10 person or persons proposed to represent the agency;

11 (e) a proposed agenda and schedule for completing the work of the
12 committee, including a target date for publication by the agency of a
13 proposed rule for notice and comment;

14 (f) a description of administrative support to be provided to the
15 committee by the agency;

16 (g) a solicitation of comments on the proposal to establish a commit-
17 tee, and the proposed membership of the committee; and

18 (h) an explanation of how a person may apply to nominate another
19 person for membership on the committee, as provided in subdivision three
20 of this section.

21 2. Special efforts shall be made by the agency to solicit partic-
22 ipation by small businesses, residents of rural areas, inner-city urban
23 areas, minority and disadvantaged groups, and other interests who may
24 otherwise not be represented or may be underrepresented in the negoti-
25 ated rule making proceeding.

26 3. Persons who would be significantly affected by a proposed rule and
27 who believe that their interests would not be adequately represented by
28 any person proposed by the agency to represent their interests, or who
29 believe that the proposed representation of interests on the committee
30 will not be fair and balanced, may apply for or nominate another person
31 for membership on the committee to represent such interests or to
32 achieve such balance. Each application or nomination shall include:

33 (a) the name of the applicant or nominee and a description of the
34 interests such person shall represent;

35 (b) information that the applicant or nominee is qualified to repre-
36 sent such interests;

37 (c) a written commitment that the applicant or nominee shall actively
38 participate in good faith in the development of the rule under consider-
39 ation; and

40 (d) the reasons for believing that any person or persons proposed to
41 represent interests in the notice published pursuant to subdivision one
42 of this section would not adequately represent the interests of the
43 person submitting the application or nomination.

44 4. The agency shall provide for a period of at least thirty calendar
45 days for the submission of comments and applications under this section.

46 5. Any small business or person who is dissatisfied with an agency
47 decision that:

48 (a) it is not necessary to provide for representation of the interest
49 which such business or person proposes to represent; or

50 (b) an individual is not the best qualified person to represent an
51 interest, may appeal such decision to the agency. Such business or
52 person shall advise the agency of such appeal and shall provide the
53 committee and agency with a statement of the basis for such appeal. In
54 making a decision on representation of an interest, evidence that an
55 organization has authorized a person to represent it shall be sufficient
56 to demonstrate that such individual is best qualified to represent that

1 organization. The agency shall notify the proposed committee members of
2 the appeal. The decision by the agency shall be issued within thirty
3 days and shall be final.

4 § 254. Committee establishment. 1. After considering comments and
5 applications submitted pursuant to section two hundred fifty-three of
6 this article, the agency shall determine whether a negotiated rule
7 making committee can adequately represent, in a fair and balanced
8 manner, all interests that will be significantly affected by the
9 proposed rule, and whether it would be feasible and appropriate to
10 establish a committee for a particular rule making. In establishing and
11 administering a committee, the agency shall comply with the intent of
12 this article.

13 2. The agency shall promptly publish notice of its determination and
14 the reasons therefor in the state register, in such trade or other
15 specialized publications, or by electronic means as it deems appropri-
16 ate. In addition, a copy of such notice shall be sent to any person who
17 applied for or nominated another person for membership on such commit-
18 tee.

19 3. The agency shall provide appropriate administrative support to the
20 committee, including technical assistance.

21 § 255. Conduct of committee activities. 1. Each negotiated rule making
22 committee established pursuant to this article shall consider the
23 matters proposed for consideration by the agency and shall attempt to
24 reach consensus on a proposed rule with respect to such matters.

25 2. The person or persons representing the agency on a committee shall
26 participate in the deliberations and activities of the committee with
27 the same rights and responsibilities as the other members of the commit-
28 tee, and shall be authorized to fully represent the agency in the
29 discussions and negotiations of the committee.

30 3. The agency shall nominate a person to serve as a facilitator for
31 the negotiations of the committee, subject to the approval of the
32 committee by consensus. If the committee does not approve the nominee of
33 the agency as facilitator, the committee shall select by consensus a
34 person to serve as the facilitator. A person designated to represent the
35 agency in negotiation of substantive issues shall not serve as facilita-
36 tor or chair of the committee.

37 4. A facilitator approved or selected by a committee shall:
38 (a) chair the meetings of the committee in an impartial manner;
39 (b) impartially assist the members of the committee in conducting
40 discussions and negotiations;
41 (c) manage the keeping of committee minutes, except that any personal
42 notes and materials of the facilitator or members of the committee shall
43 not be subject to this section; and
44 (d) at the conclusion of the proceeding, provide the agency with his
45 or her observations and comments on the usefulness and effectiveness of
46 the negotiated rule making proceeding, and such other comments as he or
47 she deems pertinent.

48 5. A committee established pursuant to this article may adopt proce-
49 dures governing its operation not inconsistent with the law.

50 6. (a) If a committee reaches a consensus on a proposed rule, at the
51 conclusion of negotiations the committee shall transmit to the agency
52 which established the committee a report containing such proposed rule,
53 which shall be proposed for adoption by the agency within sixty days of
54 receipt of the report. If the committee does not reach consensus on a
55 proposed rule, the committee may transmit to the agency a report speci-
56 fying any areas in which the committee reached a consensus. The commit-

tee may include in the report and other information, recommendations or materials that the committee considers appropriate. Any committee member may include as an addendum to the report additional information, recommendations or materials.

(b) Any report transmitted pursuant to this section shall be provided to the committee at the same time such report is provided to the agency.

7. In addition to the report required by subdivision six of this section, a committee shall submit to the agency the records, materials and reports that were used to arrive at its recommendations. All such records shall be made available to the public for inspection and copying.

8. All records and reports made pursuant to this section, except for any personal notes and materials of the facilitator or members of the committee, shall be open and accessible to the public for inspection and copying.

§ 256. Committee termination. A negotiated rule making committee shall terminate upon promulgation of the final rule under consideration, unless the committee's charter contains an earlier termination date.

§ 257. Services, facilities and payment of expenses of committee members. 1. An agency may employ or enter into contracts for the services of an individual or organization to serve as the facilitator for a negotiated rule making committee under this article, or may use the services of a state employee to act as the facilitator for such a committee.

2. For the purposes of this section, an agency may use the services and facilities of other state agencies, and public and private agencies and instrumentalities, with the consent of such agencies and instrumentalities, and may receive and accept voluntary and uncompensated services from them.

3. Members of a committee shall be responsible for their own expenses of participation on such committee.

§ 258. Judicial review. Any action relating to establishing, assisting or terminating a negotiated rule making committee pursuant to this article shall not be subject to judicial review. Nothing in this section shall bar judicial review of a rule if such judicial review is otherwise provided by law. A rule which is the product of negotiated rule making and is subject to judicial review shall not be accorded any greater deference by a court than a rule which is the product of other rule making procedures.

§ 4. The provisions of this act shall preempt and supersede any inconsistent executive order relating to negotiated rule making.

§ 5. This act shall take effect immediately.

PART ZZZ

Section 1. This Part enacts into law components of legislation. Each component is wholly contained within a Subpart identified as Subparts A through B. The effective date for each particular provision contained within such Subpart is set forth in the last section of such Subpart. Any provision in any section contained within a Subpart, including the effective date of the Subpart, which makes a reference to a section "of this act", when used in connection with that particular component, shall be deemed to mean and refer to the corresponding section of the Subpart in which it is found. Section three of this act sets forth the general effective date of this act.

SUBPART A

Section 1. Section 204-a of the state administrative procedure act, as added by chapter 479 of the laws of 2001, is amended to read as follows:

§ 204-a. Alternate methods for implementing regulatory mandates. 1. As used in this section:

(a) "local government" means any county, city, town, village, school district, fire district or other special district;

(b) "regulatory mandate" means any rule which requires one or more local governments to create a new program, increase the level of service for an existing program or otherwise comply with mandatory requirements; and

(c) "petition" means a document submitted by a local government or governments seeking approval of an alternate method for implementing a regulatory mandate.

2. A local government, or two or more local governments acting jointly, may seek approval for an alternate method of implementing a regulatory mandate by submitting to the appropriate state agency a petition which shall include but not be limited to:

(a) for each involved local government, an indication that submission has been approved by the governing body of the local government or by an officer duly authorized by the governing body to do so;

(b) an identification of the regulatory mandate which is the subject of the petition and information sufficient to establish that the proposed alternate method of implementation is consistent with and will effectively carry out the objectives of the regulatory mandate;

(c) information on ~~[the]~~ any process used by the local government or governments to ensure, where appropriate, that all stakeholders have been ~~[appropriately]~~ involved in the process of developing the alternate method, including where relevant the date of any hearing, forum or other meeting to seek input on the alternate method;

(d) documentation that the petition has been submitted to the authorized agents of any certified or recognized employee organizations representing employees who would be ~~[effected]~~ affected by implementation of the alternate method;

(e) ~~[a proposed plan and timetable for compiling and reporting information to facilitate evaluation of the effectiveness of the alternate method;~~

~~(f) if~~ whether the state ~~[provides]~~ has provided financial assistance for complying with the regulatory mandate~~[, any proposed amount or percentage of such assistance which would be returned to the state due to savings from implementing the alternate method]; [and~~

~~(g)]~~ (f) the name, public office address and telephone number of the representative of ~~[the]~~ each petitioning local government who will coordinate requests for additional information on the petition~~[-]; and~~

~~[3. Two]~~ (g) where two or more local governments ~~[may submit a petition]~~ have petitioned jointly, ~~[provided that each local government meets the requirements of paragraphs (a), (c), (d) and (g) of subdivision two of this section, and provided that the petition]~~ information which addresses the manner in which responsibility for implementation will be allocated between or among the participating local governments.

~~[4.]~~ 3. The agency shall cause a notice of the petition to be published in the state register and a newspaper of general circulation in the impacted community and shall receive comments on the petition for a period of thirty days. Such notice shall either include the full text of the information set forth in the petition or shall set forth the

1 address of a website on which the full text has been posted. The notice
2 shall include the name, public office address [~~and~~], telephone number[~~7~~
3 ~~and may include a fax number~~] and electronic mail address[~~7~~] of an agen-
4 cy representative from whom additional information on the petition can
5 be obtained and to whom comments on the petition may be submitted.

6 [~~5-~~] 4. (a) Not later than thirty days after the last day of the
7 comment period, the agency shall approve or disapprove the petition. The
8 agency may approve the petition without change or with such conditions
9 or modifications as the agency deems appropriate. Notice of the agency
10 determination including any such conditions or modifications shall be
11 provided in writing to the local government and shall be published in
12 the state register. Such notice shall either include the full text of
13 the determination or shall set forth the address of a website on which
14 the full text has been posted. The agency shall not grant a petition
15 unless it determines that the petition has met the requirements of
16 subdivision two of this section and that the local government has estab-
17 lished that the alternate method is consistent with and will effectively
18 carry out the objectives of the regulatory mandate; provided, however,
19 that no petition shall be approved which would result in the contraven-
20 tion of any environmental, health or safety standard or would reduce any
21 benefits or rights accorded by law or rule to third parties. In approv-
22 ing a petition, an agency may waive a statutory provision only if it is
23 specifically authorized by law to waive such provision. An approval
24 shall include a timetable for agency evaluation of the effectiveness of
25 the alternate method.

26 (b) Notwithstanding the provisions of paragraph (a) of this subdivi-
27 sion, upon receipt of an objection to a petition from the authorized
28 agent of any certified or recognized employee organization representing
29 employees who would be affected by implementation of the alternate meth-
30 od, the agency shall provide any such organizations with an opportunity
31 for a hearing. If an adjudicatory proceeding is requested, the petition
32 shall not be approved unless the agency determines by a preponderance of
33 the evidence that implementing the alternate method would not affect
34 such employees by contravening any environmental, health or safety stan-
35 dard, reducing any rights or benefits or violating the terms of any
36 negotiated agreement, and that all other requirements of this section
37 have been met. The provisions of this subdivision are in addition to and
38 shall not be construed to impair or modify any rights of such employees
39 under any other law, regulation or contract.

40 5. Not later than the first day of February, any agency that has made
41 one or more determinations pursuant to subdivision four of this section
42 in the preceding calendar year shall submit for publication in the state
43 register a notice identifying, for each such determination, the local
44 government or governments that submitted the petition, the regulatory
45 mandate, the issue of the state register in which the notice of determi-
46 nation was published, and the address of a website on which the full
47 text of the determination has been posted. The full text shall be main-
48 tained for the entire period that a petition remains approved.

49 6. Nothing in this section shall require a local government to
50 commence or continue an alternate method of implementation if it deter-
51 mines in its sole discretion not to do so, except to the extent that a
52 local government has committed to commencing or continuing an alternate
53 method in a joint petition submitted pursuant to subdivision [~~three~~] two
54 of this section.

55 7. A state agency may rescind its approval of a petition [~~at any time~~
56 ~~if it determines, based on the information reported pursuant to para-~~

~~graph (c) of subdivision two of this section or other information available to it, that the alternate method is not effectively carrying out the objectives of the regulatory mandate or is being implemented in a manner detrimental to the public interest]~~ only after a hearing, provided, however, that the agency may suspend its approval of a petition prior to a hearing if it finds that immediate suspension is necessary to address an imminent threat to health or safety. Notice of a hearing must be provided to the petitioner at least thirty days prior to the hearing and must be posted on the agency's website. Such notice must state the basis for the agency's decision to seek rescission and inform the local government that it may request information relied upon by the agency in making its determination, which information must be provided to the local government at least seven days in advance of the hearing. After such hearing, the agency may rescind its approval upon a finding that the alternate method of implementation is not consistent with or does not effectively carry out the objectives of the regulatory mandate.

~~[7-]~~ 8. Notwithstanding any other provision of law, implementation of an alternate method approved by an agency pursuant to this section shall be deemed to lawfully meet all requirements of the regulatory mandate. An agency shall retain the authority to enforce compliance with the alternate method in the same manner as it may enforce compliance with the underlying rule. Any action on a petition by a state agency shall be subject to review pursuant to article seventy-eight of the civil practice law and rules.

~~[8-]~~ 9. In accordance with the timetable established pursuant to subdivision ~~[four]~~ three of this section, the agency shall evaluate the effectiveness of the alternate method in carrying out the objectives of the regulatory mandate. The evaluation shall identify any savings or other benefits, and any costs or other disadvantages, of implementing the alternate method, and shall address the desirability of incorporating the alternate method into the rules of the agency. Notice of availability of the evaluation shall be published in the state register.

§ 2. This act shall take effect on the first of January after it shall have become a law.

SUBPART B

Section 1. Short title. This act shall be known and may be cited as the "unfunded mandate review act".

§ 2. Section 51 of the legislative law, as added by chapter 985 of the laws of 1983, is amended to read as follows:

§ 51. Fiscal impact notes on bills affecting political subdivisions.
1. For the purpose of this section, the term "political subdivision" means the state, or any division, agency or body of the state; or any county, city, town, village, special district or school district.

2. ~~[The legislature shall by concurrent resolution of the senate and assembly prescribe rules requiring fiscal notes to accompany, on a separate form, bills and amendments to bills, except as otherwise prescribed by such rules, which would substantially affect the revenues or expenses, or both, of any political subdivision]~~ Whenever a committee of either house reports a bill that includes an unfunded mandate affecting a political subdivision, the bill shall be accompanied by:

(a) an identification and description of any mandate in the bill anticipated to have a direct or indirect cost, a qualitative, and if practicable, a quantitative assessment of the costs and benefits of the mandate; and

(b) a fiscal impact note provided by the comptroller. Fiscal note estimates shall include total cost of complying with the bill and future projected costs. If the comptroller determines that an estimate is not feasible to make, the comptroller shall report reasons for determining an estimate cannot be made.

3. Fiscal notes shall not, however, be required for bills: (a) subject to the provisions of section fifty of this chapter, or (b) accompanied by special home rule requests submitted by political subdivisions, or (c) which provide discretionary authority to political subdivisions, or (d) submitted pursuant to section twenty-four of the state finance law.

4. If the estimate or estimates contained in a fiscal note are inaccurate, such inaccuracies shall not affect, impair or invalidate such bill.

5. Except as provided in subdivisions three and four of this section, the legislature shall not consider a bill including an unfunded mandate affecting a political subdivision if it is not accompanied by a description and fiscal impact note as provided in subdivision two of this section.

§ 3. The executive law is amended by adding a new section 50-a to read as follows:

§ 50-a. Review of legislation affecting political subdivisions. 1. Fiscal impact notes on bills affecting political subdivisions. Upon the request of a legislative committee chairman or the minority ranking member, the comptroller shall provide a fiscal impact note for any bill that includes an unfunded mandate affecting a political subdivision. Fiscal note estimates shall include total cost of complying with the bill and future projected costs. If the comptroller determines that an estimate is not feasible to make, the comptroller shall report the reasons for determining an estimate cannot be made.

2. Continuing mandate study. The comptroller shall conduct a study of legislative proposals containing an unfunded mandate upon a political subdivision. In conducting this continuing study, the comptroller shall solicit and consider information or comments from elected officials advisory panels and stakeholders. To the extent accurate estimates are reasonably feasible, the estimates shall include future costs to the extent that such differ significantly from or extend beyond five years.

3. Cost of regulations. The comptroller shall prepare a comparison between the estimated costs of implementing a regulation provided by the relevant agency and the administrative regulation review commission, and provide the comparison to the legislative committee chairman and the ranking minority member of the committee from which the request pursuant to section two hundred eight of the state administrative procedure act originated.

§ 4. The state administrative procedure act is amended by adding a new section 208 to read as follows:

§ 208. Unfunded mandate review. 1. There is hereby established an administrative regulation review commission. It shall be the duty of the commission, upon the request of a legislative committee chairman or the ranking minority member, to provide an estimated cost of any proposed regulation, and to provide such estimate to the comptroller for his or her review pursuant to subdivision two of section fifty-a of the executive law.

2. It shall be the duty of the administrative regulation review commission to examine all unfunded mandates imposed upon any political subdivision and report recommendations biennially to the legislature regarding:

(a) ways to allow flexibility in complying with specific mandates which may be unnecessarily rigid or complex;

(b) reconciling any two or more mandates which impose contradictory or inconsistent requirements;

(c) terminating any duplicative, obsolete, impractical or unnecessary mandates;

(d) suspending on a temporary basis the mandates which are not vital to public health and safety;

(e) consolidating or simplifying mandates; and

(f) mitigating negative impacts that may result from relieving a political subdivision.

In issuing this report, the commission shall consult with the governor, state agencies, legislature, any relevant advisory groups and stakeholder groups.

§ 5. This act shall take effect on the ninetieth day after it shall have become a law.

§ 2. Severability clause. If any clause, sentence, paragraph, subdivision, section or part of this act shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part thereof directly involved in the controversy in which such judgment shall have been rendered. It is hereby declared to be the intent of the legislature that this act would have been enacted even if such invalid provisions had not been included herein.

§ 3. This act shall take effect immediately provided, however, that the applicable effective date of Subparts A through B of this act shall be as specifically set forth in the last section of such Parts.
