13 of paragraph e of subdivision one of section thirty-six hundred nine-e
14 of this part plus the statewide average tax rate computed by the commis-

36 shall equal the product of the phase-in foundation increase factor
37 multiplied by the positive difference, if any, of (i) the product of the
38 total aidable foundation pupil units multiplied by the district's
39 selected foundation aid less (ii) the total foundation aid base computed
40 pursuant to paragraph j of subdivision one of this section.

41 (2) (i) Phase-in foundation percent. The phase-in foundation percent

46 the public school district enrollment for the base year pursuant to
47 paragraph n of subdivision one of this section multiplied by one hundred
48 sixty-seven dollars and forty cents (\$167.40) or (B) for school
49 districts with a sparsity factor as set forth on the computer listing
50 produced by the commissioner in support of the enacted budget for the
51 two thousand seventeen--two thousand eighteen school year and entitled
52 "SA171-8" of greater than zero, the product of the public school
53 district enrollment for the base year multiplied by one hundred eighty-
54 eight dollars (\$188.00).

55 (iv) Tier D. For all school districts, other than districts within a
56 city with a population of one hundred twenty-five thousand or more, with

1 a selected poverty rate of greater than eighteen hundredths (0.18), tier
2 D shall equal the product of the selected poverty rate multiplied by the
3 school district public enrollment for the base year multiplied by two
4 hundred forty dollars (\$240.00), provided, however, that for districts
5 within a city with a population of greater than one hundred twenty-five
6 thousand but less than one million and a selected poverty rate of great-
7 er than eighteen hundredths (0.18), tier D shall equal the product of
8 the selected poverty rate multiplied by school district public enroll-
9 ment for the base year multiplied by three hundred forty-four dollars
10 (\$344.00), and for a city school district in a city with a population of
11 one million or more, tier D shall equal the product of the selected
12 poverty rate multiplied by school district public enrollment for the
13 base year multiplied by twenty-nine cents (\$0.29).

14 c. Public excess cost aid setaside. Each school district shall set
15 aside from its total foundation aid computed for the current year pursu-
16 ant to this subdivision an amount equal to the product of: (i) the
17 difference between the amount the school district was eligible to
18 receive in the two thousand six--two thousand seven school year pursuant
19 to or in lieu of paragraph six of subdivision nineteen of this section
20 as such paragraph existed on June thirtieth, two thousand seven, minus
21 the amount such district was eligible to receive pursuant to or in lieu
22 of paragraph five of subdivision nineteen of this section as such para-
23 graph existed on June thirtieth, two thousand seven, in such school
24 year, and (ii) the sum of one and the percentage increase in the consum-
25 er price index for the current year over such consumer price index for
26 the two thousand six--two thousand seven school year, as computed pursu-
27 ant to section two thousand twenty-two of this chapter. Notwithstanding
28 any other provision of law to the contrary, the public excess cost aid
29 setaside shall be paid pursuant to section thirty-six hundred nine-b of
30 this part.

31 d. For the two thousand fourteen--two thousand fifteen through two
32 thousand [~~seventeen~~] eighteen--two thousand [~~eighteen~~] nineteen school
33 years a city school district of a city having a population of one
34 million or more may use amounts apportioned pursuant to this subdivision
35 for afterschool programs.

36 e. Community schools aid set-aside. Each school district shall set
37 aside from its total foundation aid computed for the current year pursu-
38 ant to this subdivision an amount equal to the sum of (i) the amount, if
39 any, set forth for such district as "COMMUNITY SCHL AID (BT1617)" in the
40 data file produced by the commissioner in support of the enacted budget
41 for the two thousand sixteen--two thousand seventeen school year and
42 entitled "SA161-7" [~~and~~], (ii) the amount, if any, set forth for such
43 district as "COMMUNITY SCHL INCR" in the data file produced by the
44 commissioner in support of the executive budget request for the two
45 thousand seventeen--two thousand eighteen school year and entitled
46 "BT171-8", and (iii) the amount, if any, set forth for such district as
47 "COMMUNITY SCHOOLS INCREASE" in the data file produced by the commis-
48 sioner in support of the executive budget for the two thousand eigh-
49 teen--two thousand nineteen school year and entitled "BT181-9". Each
50 school district shall use such "COMMUNITY SCHL AID (BT1617)" amount to
51 support the transformation of school buildings into community hubs to
52 deliver co-located or school-linked academic, health, mental health,
53 nutrition, counseling, legal and/or other services to students and their
54 families, including but not limited to providing a community school site
55 coordinator, or to support other costs incurred to maximize students'
56 academic achievement. Each school district shall use such "COMMUNITY

1 SCHL INCR" amount to support the transformation of school buildings into
2 community hubs to deliver co-located or school linked academic, health,
3 mental health services and personnel, after-school programming, dual
4 language programs, nutrition, counseling, legal and/or other services to
5 students and their families, including but not limited to providing a
6 community school site coordinator and programs for English language
7 learners, or to support other costs incurred to maximize students'
8 academic achievement, provided however that a school district whose
9 "COMMUNITY SCHL INCR" amount exceeds one million dollars (\$1,000,000)
10 shall use an amount equal to the greater of one hundred fifty thousand
11 dollars (\$150,000) or ten percent of such "COMMUNITY SCHL INCR" amount
12 to support such transformation at schools with extraordinary high levels
13 of student need as identified by the commissioner, subject to the
14 approval of the director of the budget. Each school district may use
15 such "COMMUNITY SCHOOLS INCREASE" in the data file produced by the
16 commissioner in support of the executive budget for the two thousand
17 eighteen--two thousand nineteen school year and entitled "BT181-9" to
18 support the transformation of school buildings into community hubs to
19 deliver co-located or school linked academic, health, mental health
20 services and personnel, after-school programming, dual language
21 programs, nutrition, counseling, legal and/or other services to students
22 and their families, or to support other costs incurred to maximize
23 students' academic achievement, including but not limited to providing a
24 community school site coordinator and programs for English language
25 learners or to maximize student achievement.

26 f. Foundation aid payable in the two thousand eighteen--two thousand
27 nineteen school year. Notwithstanding any provision of law to the
28 contrary, foundation aid payable in the two thousand eighteen--two thou-
29 sand nineteen school year shall be equal to the sum of (1) the valuation
30 increase, (2) the adjusted foundation aid increase, and (3) the execu-
31 tive foundation aid increase. For the purposes of this paragraph, the
32 "executive foundation aid increase" shall be equal to the difference of
33 (a) the amounts set forth for each school district as "FOUNDATION AID"
34 under the heading "2018-19 ESTIMATED AIDS" in the school aid computer
35 listing produced by the commissioner in support of the executive budget
36 request for the two thousand eighteen--two thousand nineteen school year
37 and entitled "BT181-9" less (b) the amounts set forth for each school
38 district as "FOUNDATION AID" under the heading "2017-18 BASE YEAR AIDS"
39 in such computer listing.

40 (1) For a city school district in a city with a population of more
41 than one million, the "valuation increase" shall be equal to one hundred
42 sixty million, three hundred fifty thousand dollars (\$160,350,000). For
43 a city school district with a population of more than one hundred twen-
44 ty-five thousand inhabitants but less than one million inhabitants, the
45 "valuation increase" shall be equal to the product of (a) the actual
46 valuation change factor, multiplied by (b) public school district
47 enrollment for the current year pursuant to paragraph n of subdivision
48 one of this section, multiplied by (c) five hundred fifty dollars
49 (\$550). For purposes of this subparagraph, the "actual valuation change
50 factor" shall be equal to the difference of nineteen hundredths (0.19)
51 less the absolute value of the quotient arrived at when dividing (i) the
52 difference of actual valuation defined pursuant to paragraph c of subdi-
53 vision one of this section less such actual valuation for the calendar
54 year three years prior to the calendar year in which the base year
55 commenced by (ii) actual valuation for the calendar year three years
56 prior to the calendar year in which the base year commenced.

1 (2) The "adjusted foundation aid increase" shall be the greater of the
2 following five tiers for all districts other than city school districts
3 in a city with a population of more than one hundred twenty-five thou-
4 sand inhabitants.

5 (i) Tier one shall be equal to the difference of the product of the
6 tier one percent multiplied by the foundation aid base. For purposes of
7 this subparagraph, the "tier one percent" shall be equal to (a) for
8 districts with a combined wealth ratio computed pursuant to subparagraph
9 one of paragraph c of subdivision three of this section less than five-
10 tenths (0.50), one hundred fifty thousandths (0.015), (b) for districts
11 with a combined wealth ratio greater than or equal to five-tenths (0.50)
12 and less than one and thirteen hundredths (1.13), one thousand four
13 hundred ninety five hundred-thousandths (0.01495), (c) for districts
14 with a combined wealth ratio greater than or equal to one and thirteen
15 hundredths (1.13) and less than three and four-tenths (3.4), one hundred
16 forty-nine ten-thousandths (0.0149), or (d) for districts with a
17 combined wealth ratio greater than or equal to three and four-tenths
18 (3.4), one hundred forty-eight ten-thousandths (0.0148).

19 (ii) For eligible districts, tier two shall be equal to the product of
20 the (a) English language learner factor, multiplied by (b) the product
21 of public school district enrollment for the current year pursuant to
22 paragraph n of subdivision one of this section, multiplied by (c) seven-
23 ty-nine dollars and fifty cents (\$79.50). A district is eligible for
24 tier two if the quotient arrived at when dividing (a) the product of the
25 English language learner count, multiplied by 50 percent (0.50), by (b)
26 public school district enrollment for the current year pursuant to para-
27 graph n of subdivision one of this section, is greater than three
28 percent (0.03). For purposes of this subparagraph, the English language
29 learner factor shall be equal to the positive difference, if any, of (a)
30 three (3.0) less (b) the lesser of one or the combined wealth ratio.

31 (iii) For eligible districts, tier three shall be equal to the product
32 of (a) public school district enrollment for the current year pursuant
33 to paragraph n of subdivision one of this section, multiplied by (b) the
34 sum of five-tenths (0.5) plus the three-year average free and reduced
35 price lunch percent calculated pursuant to subparagraph (ii) of para-
36 graph p of subdivision one of this section, multiplied by (c) two
37 hundred sixty-two dollars (\$262.00). A district is eligible for tier
38 three if the sparsity count defined pursuant to paragraph r of subdivi-
39 sion one of this section is greater than zero.

40 (iv) Tier four shall be equal to the product of foundation aid remain-
41 ing multiplied by the tier four percent. For purposes of this subpara-
42 graph, "foundation aid remaining" shall be equal to the positive differ-
43 ence, if any, of (a) the product of the total aidable foundation pupil
44 units multiplied by the district's selected foundation aid less (b) the
45 total foundation aid base computed pursuant to paragraph j of subdivi-
46 sion one of this section; and "tier four percent" shall be equal to (a)
47 for districts with a combined wealth ratio less than twenty-five
48 hundredths (0.25), six-tenths (0.60), (b) for districts with a combined
49 wealth ratio greater than or equal to twenty-five hundredths (0.25) and
50 less than one and twenty-two hundredths (1.22), three hundredths (0.03),
51 or (c) for districts with a combined wealth ratio greater than or equal
52 to one and twenty-two hundredths (1.22), zero.

53 (v) Tier five shall be equal to: for districts with a combined wealth
54 ratio of less than ninety-one hundredths (0.91), the product of (a)
55 school district enrollment for the base year pursuant to paragraph n of
56 subdivision one of this section multiplied by ninety-four dollars and

1 forty cents (\$94.40), (b) for districts with a combined wealth ratio
2 greater than or equal to ninety-one hundredths (0.91) and less than
3 three (3.0), the product of (1) the phase-in minimum factor multiplied
4 by (2) twenty dollars (\$20) multiplied by (3) the public school district
5 enrollment for the current year pursuant to paragraph n of subdivision
6 one of this section, or (c) for districts with a combined wealth ratio
7 greater than or equal to three (3.0), zero. For purposes of this subpar-
8 agraph, the phase-in minimum factor shall be equal to the lesser of (a)
9 three (3.0) or (b) the positive difference, if any, of five (5.0) less
10 the combined wealth ratio.

11 § 2. Subdivision 9 of section 2852 of the education law, as amended by
12 section 2 of subpart A of part B of chapter 20 of the laws of 2015, is
13 amended to read as follows:

50 charter authorized to be issued by such chapter in effect as of June
51 fifteenth, two thousand fifteen[~~, provided however that nothing in this~~
52 ~~paragraph shall be construed to increase the numerical limit applicable~~
53 ~~to a city having a population of one million or more as provided in~~

55 ~~of two thousand fifteen which added this paragraph].~~

1 § 3. Paragraph b of subdivision 5 of section 1950 of the education
2 law, as amended by chapter 296 of the laws of 2016, is amended to read
3 as follows:

4 b. The cost of services herein referred to shall be the amount allo-

6 educational services to defray expenses of such board, including
7 approved expenses from the testing of potable water systems of occupied
8 school buildings under the board's jurisdiction as required pursuant to
9 section eleven hundred ten of the public health law, except that that
10 part of the salary paid any teacher, supervisor or other employee of the
11 board of cooperative educational services which is in excess of thirty
12 thousand dollars shall not be such an approved expense, and except also
13 that administrative and clerical expenses shall not exceed ten percent
14 of the total expenses for purposes of this computation. Provided howev-
15 er, that for teachers providing instruction in career and technical
16 education to school age students, the salary, to be considered as an
17 approved expense, shall not exceed thirty-five thousand dollars for the
18 two thousand eighteen--two thousand nineteen school year and thereafter.
19 Any gifts, donations or interest earned by the board of cooperative
20 educational services or on behalf of the board of cooperative educa-
21 tional services by the dormitory authority or any other source shall not
22 be deducted in determining the cost of services allocated to each compo-
23 nent school district. Any payments made to a component school district
24 by the board of cooperative educational services pursuant to subdivision
25 eleven of section six-p of the general municipal law attributable to an
26 approved cost of service computed pursuant to this subdivision shall be
27 deducted from the cost of services allocated to such component school
28 district. The expense of transportation provided by the board of coop-

30 of this section shall be eligible for aid apportioned pursuant to subdivi-

40 1. Notwithstanding any provision of law, rule, or regulation, this
41 section shall apply to public school districts for purposes of complying
42 with part 154 of the commissioner's regulations (8 NYCRR 154).

43 2. School districts that make a good faith effort to hire a teacher
44 that is dual-certified, but cannot hire such teacher due to a lack of
45 qualified or acceptable candidates, may satisfy such by hiring an indi-
46 vidual who is not dual-certified, but who meets one of the following
47 criteria: (i) has at least an initial teaching certificate and has
48 scored proficiently on a content specialty test in the language to be
49 instructed in; or (ii) is certified for "Teaching English to Speakers of
50 Other Languages" (TESOL). Such individuals shall be deemed to satisfy
51 instances where a second certified teacher is required for instruction
52 in the native language of the student because the primary teacher is not
53 dual-certified and the primary teacher is providing content specific
54 instruction.

1 3. Individuals meeting either of the criteria in subdivision two of
2 this section may also be used for purposes of administering the home
3 language questionnaire that is used for initial identification purposes.

4 § 5. Paragraph a of subdivision 5 of section 3604 of the education
5 law, as amended by chapter 161 of the laws of 2005, is amended to read
6 as follows:

7 a. State aid adjustments. All errors or omissions in the apportionment
8 shall be corrected by the commissioner. Whenever a school district has
9 been apportioned less money than that to which it is entitled, the
10 commissioner may allot to such district the balance to which it is enti-
11 tled. Whenever a school district has been apportioned more money than
12 that to which it is entitled, the commissioner may, by an order, direct
13 such moneys to be paid back to the state to be credited to the general
14 fund local assistance account for state aid to the schools, or may
15 deduct such amount from the next apportionment to be made to said
16 district, provided that any recovery initiated by the commissioner under
17 this subdivision shall first be offset by any pending payment of moneys
18 due to said district as a prior year adjustment payable pursuant to
19 paragraph c of this subdivision, and that the commissioner shall remove
20 such claim from the ordered list he or she prepares for such paragraph

21 c, and provided, however, that, upon notification of excess payments of
22 aid for which a recovery must be made by the state through deduction of
23 future aid payments, a school district may request that such excess
24 payments be recovered by deducting such excess payments from the
25 payments due to such school district and payable in the month of June in
26 (i) the school year in which such notification was received and (ii) the
27 two succeeding school years, provided further that there shall be no
28 interest penalty assessed against such district or collected by the
29 state. Such request shall be made to the commissioner in such form as
30 the commissioner shall prescribe, and shall be based on documentation
31 that the total amount to be recovered is in excess of one percent of the
32 district's total general fund expenditures for the preceding school
33 year. The amount to be deducted in the first year shall be the greater
34 of (i) the sum of the amount of such excess payments that is recognized
35 as a liability due to other governments by the district for the preced-
36 ing school year and the positive remainder of the district's unreserved
37 fund balance at the close of the preceding school year less the product
38 of the district's total general fund expenditures for the preceding
39 school year multiplied by five percent, or (ii) one-third of such excess
40 payments. The amount to be recovered in the second year shall equal the
41 lesser of the remaining amount of such excess payments to be recovered
42 or one-third of such excess payments, and the remaining amount of such
43 excess payments shall be recovered in the third year. Provided further
44 that, notwithstanding any other provisions of this subdivision, any
45 pending payment of moneys due to such district as a prior year adjust-
46 ment payable pursuant to paragraph c of this subdivision for aid claims
47 that had been previously paid as current year aid payments in excess of
48 the amount to which the district is entitled and for which recovery of
49 excess payments is to be made pursuant to this paragraph, shall be
50 reduced at the time of actual payment by any remaining unrecovered
51 balance of such excess payments, and the remaining scheduled deductions
52 of such excess payments pursuant to this paragraph shall be reduced by
53 the commissioner to reflect the amount so recovered. The commissioner
54 shall certify no payment to a school district based on a claim submitted
55 later than three years after the close of the school year in which such
56 payment was first to be made. For claims for which payment is first to

1 be made in the nineteen hundred ninety-six--ninety-seven school year,
2 the commissioner shall certify no payment to a school district based on
3 a claim submitted later than two years after the close of such school
4 year. For claims for which payment is first to be made in the nineteen
5 hundred ninety-seven--ninety-eight school year and thereafter, the
6 commissioner shall certify no payment to a school district based on a
7 claim submitted later than one year after the close of such school year.
8 Provided, however, no payments shall be barred or reduced where such
9 payment is required as a result of a final audit of the state. It is
10 further provided that, until June thirtieth, nineteen hundred ninety-
11 six, the commissioner may grant a waiver from the provisions of this
12 section for any school district if it is in the best educational inter-
13 ests of the district pursuant to guidelines developed by the commission-
14 er and approved by the director of the budget.

15 § 6. a. All the acts done and proceedings heretofore had and taken or
16 caused to be had and taken by a school district and by all officers,
17 employees or agents of each such school district relating to or in
18 connection with transportation contracts (1) identified by the state
19 education department as having been filed or executed late prior to June
20 30, 2018, and (2) for which an aid adjustment or recovery has not been
21 initiated by the state education department as of the effective date of
22 this act are hereby legalized, validated, ratified and confirmed,
23 notwithstanding any failure to comply with the contract filing
24 provisions of the education law, other than those filing provisions
25 defined in paragraph a of subdivision 5 of section 3604 of the education
26 law, in relation to any omission, error, defect, irregularity or ille-
27 gality in such proceeding had and taken.

28 b. The education department is hereby directed to consider the afore-
29 mentioned contracts for transportation aid as valid and proper obli-
30 gations of such school district.

31 § 7. a. Notwithstanding any other provision of law to the contrary,
32 the actions or omissions of a school district which failed to submit a
33 final building project cost report by June 30 of the school year follow-
34 ing June 30 of the school year in which the certificate of substantial
35 completion of the project is issued by the architect or engineer, or six
36 months after issuance of such certificate, whichever is later, are here-
37 by ratified and validated, provided the following conditions have been
38 met: (i) that such building project was eligible for aid in a year for
39 which the commissioner of education is required to prepare an estimate
40 of apportionments due and owing pursuant to paragraph c of subdivision
41 21 of section 305 of the education law, and (ii) (A) that the school
42 district was notified in writing by the state education department after
43 March 1, 2015 but before July 1, 2018 that such final building cost
44 reports were late, or (B) such building project was eligible for an
45 installment recovery pursuant to section 11 of part YYY of chapter 59 of
46 the laws of 2017 or sections 48, 49, 50, 51, and 52 of part A of chapter
47 54 of the laws of 2016 or sections 25-a, 25-b, 25-c, 25-d, and 25-e of
48 part A of chapter 56 of the laws of 2015 or section 9-a of part A of
49 chapter 56 of the laws of 2014 or section 24-a of part A of chapter 57
50 of the laws of 2013; provided, however, that notwithstanding any other
51 provision of law to the contrary, the state education department shall
52 not refund any monies for which recovery of excess payments has already
53 been made pursuant to paragraph c of subdivision 5 of section 3604 of
54 the education law and this act.

55 b. The education department is hereby directed to adjust the approved
56 costs of the aforementioned projects for the 2017--2018 school year and

1 thereafter to reflect the ratification and validation provided in this
2 act and to consider such adjusted approved costs as valid and proper
3 obligations of such school districts.

4 § 8. Subdivisions 1, 2 and 7 of section 2116-b of the education law,
5 subdivisions 1 and 7 as added by chapter 263 of the laws of 2005, and
6 subdivision 2 as amended by section 4 of part A of chapter 57 of the
7 laws of 2013, are amended to read as follows:

8 1. No later than July first, two thousand six, each school district
9 shall establish an internal audit function to be in operation no later
10 than the following December thirty-first. Such function shall include:
11 (a) development of a risk assessment of district operations, including
12 but not limited to, a review of financial policies and procedures and
13 the testing and evaluation of district internal controls; (b) [~~an annu-~~
14 ~~al~~] a review and update of such risk assessment; and (c) preparation of
15 reports[~~, at least annually or more frequently as the trustees or board~~
16 ~~of education may direct,~~] which analyze significant risk assessment
17 findings, recommend changes for strengthening controls and reducing
18 identified risks, and specify timeframes for implementation of such
19 recommendations. Audits performed pursuant to this section shall be
20 completed every five years.

21 2. School districts of less than eight teachers, school districts with
22 actual general fund expenditures totaling less than five million dollars
23 in the previous school year, or school districts with actual enrollment

23 § 16. Subdivision 4 of section 3627 of the education law, as amended
24 by section 53 of part A of chapter 54 of the laws of 2016, is amended to

7 b. The commissioner shall be authorized to grant specific waivers from
8 building aid program requirements to schools authorized pursuant to
9 article fifty-six of this chapter upon a showing that compliance with
10 such requirements would create an undue economic hardship or that some
11 other good cause exists that makes compliance extremely impractical.

12 c. School districts that collect payments from a school authorized
13 pursuant to article fifty-six of this chapter under a lease or any other
14 arrangement for the use of district-owned facilities shall have its

43 Provided however that the state liability for aid paid pursuant to this

3 to annually provide enhanced clinical, educational and behavioral
4 support programs for up to 30 students with autism and related disabili-
5 ties whose behaviors are of such frequency, severity and intensity that
6 their needs cannot currently be fully addressed through the resources
7 provided to NYS school programs. The enhanced rates shall provide these
8 programs with the staff, expertise and specially-designed environments
9 necessary to effectively educate those students with the most severe and
10 complex needs. Such programs shall submit evidence of effectiveness data
11 to the education department annually, for up to three years, at which
12 time the education department, in consultation with the office for
13 people with developmental disabilities and the division of the budget

27 cities having populations in excess of one hundred twenty-five thousand
28 and any other school district which was not a component of a board of
29 cooperative educational services in the base year shall be entitled to
30 an apportionment under the provisions of this section. Any school
31 district located in a city with a population between sixty-two thousand
32 and sixty-five thousand or between sixty-seven thousand and seventy
33 thousand as recorded in the two thousand ten census shall be entitled to
34 an apportionment under the provisions of paragraph b of this subdivi-

36 b. Aid for career education. There shall be apportioned to such city
37 school districts and other school districts which were not components of
38 a board of cooperative educational services in the base year and any
39 school district located in a city with a population between sixty-two
40 thousand and sixty-five thousand or between sixty-seven thousand and

6 uct obtained by multiplying fifty-nine percent by the combined wealth
7 ratio. This aid ratio shall be expressed as a decimal carried to three
8 places without rounding, but not less than thirty-six percent.

9 Any school district that receives aid pursuant to this paragraph shall
10 be required to use such amount to support career education programs in
11 the current year.

12 A board of education which spends less than its local funds as defined
13 by regulations of the commissioner for career education in the base year
14 during the current year shall have its apportionment under this subdivi-
15 sion reduced in an amount equal to such deficiency in the current or a
16 succeeding school year, provided however that the commissioner may waive
17 such reduction upon determination that overall expenditures per pupil in
18 support of career education programs were continued at a level equal to
19 or greater than the level of such overall expenditures per pupil in the
20 preceding school year.

21 § 25. This act shall take effect immediately and section eleven of
22 this act shall apply to apportionments made after July 1, 2014;

33 when upon such date the provisions of section twenty of this act shall
34 take effect; provided further however that the amendments to subdivision
35 1 of section 273-a of the education law made by section twenty-two of
36 this act shall not affect the expiration of such section as provided in
37 chapter 498 of the laws of 2011, as amended, and shall be deemed to
38 expire therewith.

19 administration, operation, notice processing, and maintenance of such
20 cameras, and for the sharing of revenue derived from such cameras pursu-

22 provided that the lease, installation, operation and maintenance, or any
23 other costs associated with such cameras other than purchases shall not
24 be considered an aidable expense pursuant to section thirty-six hundred
25 twenty-three-a of this chapter. The commissioner shall annually
26 prescribe a special cost allowance for such school bus cameras, and the
27 approved expenditures shall not exceed such cost allowance.

28 § 2. Section 1709 of the education law is amended by adding a new
29 subdivision 43 to read as follows:

30 43. To pass a resolution, in the discretion of the board, authorizing
31 the use of school bus cameras pursuant to section eleven hundred eigh-

34 tration, operation, notice processing, and maintenance of such cameras,
35 and for the sharing of revenue derived from such cameras pursuant to
36 section eleven hundred eighteen of the vehicle and traffic law, provided
37 that the lease, installation, operation and maintenance, or any other
38 costs associated with such cameras other than purchases shall not be
39 considered an aidable expense pursuant to section thirty-six hundred
40 twenty-three-a of this chapter. The commissioner shall annually
41 prescribe a special cost allowance for such school bus cameras, and the
42 approved expenditures shall not exceed such cost allowance.

43 § 2-a. Paragraph c of subdivision 2 of section 3623-a of the education

53 (vi) the purchase of school bus safety sensor devices, (vii) the

1 purchase and installation of exterior reflective marking on school

4 or other assistive mobility devices, [~~and~~] (ix) the purchase of school
5 bus cameras, and (x) the purchase of other equipment as prescribed in
6 the regulations of the commissioner; and

7 § 3. The vehicle and traffic law is amended by adding a new section
8 1118 to read as follows:

9 § 1118. Owner liability for operator illegally overtaking or passing a
10 school bus. (a) 1. Notwithstanding any other provision of law, each
11 board of education or trustees of a school district is hereby authorized
12 and empowered to adopt and amend a resolution establishing a school bus
13 safety camera program imposing monetary liability on the owner of a
14 vehicle for failure of an operator thereof to comply with section eleven
15 hundred seventy-four of this title. Such program shall empower a board
16 of education or school district or school bus transportation contractor
17 that has contracted with such school district to install school bus
18 safety cameras upon school buses operated by or contracted with such
19 district.

20 2. Such program shall utilize necessary technologies to ensure, to the
21 extent practicable, that photographs produced by such school bus safety
22 cameras shall not include images that identify the driver, the passen-
23 gers, or the contents of the vehicle. Provided, however, that no notice
24 of liability issued pursuant to this section shall be dismissed solely
25 because a photograph or photographs allow for the identification of the
26 contents of a vehicle, provided that such school district has made a
27 reasonable effort to comply with the provisions of this paragraph.

28 (b) In any school district which has adopted a resolution pursuant to
29 subdivision (a) of this section, the owner of a vehicle shall be liable
30 for a penalty imposed pursuant to this section if such vehicle was used
31 or operated with the permission of the owner, express or implied, in
32 violation of subdivision (a) of section eleven hundred seventy-four of
33 this title, and such violation is evidenced by information obtained from
34 a school bus safety camera; provided however that no owner of a vehicle
35 shall be liable for a penalty imposed pursuant to this section where the
36 operator of such vehicle has been convicted of the underlying violation
37 of subdivision (a) of section eleven hundred seventy-four of this title.

38 (c) For purposes of this section, "owner" shall have the meaning
39 provided in article two-B of this chapter. For purposes of this section,
40 "school bus safety camera" shall mean an automated photo monitoring
41 device affixed to the outside of a school bus and designated to detect
42 and store videotape and one or more images of motor vehicles that over-
43 take or pass school buses in violation of subdivision (a) of section
44 eleven hundred seventy-four of this title.

45 (d) No school district or school bus transportation contractor that
46 has installed cameras pursuant to this section shall access the images
47 from such cameras but shall provide, pursuant to an agreement with the
48 appropriate law enforcement agency or agencies, for the proper handling
49 and custody of such images for the forwarding of such images from such
50 cameras to a law enforcement agency having jurisdiction in the area in
51 which the violation occurred for the purpose of imposing monetary
52 liability on the owner of a motor vehicle for illegally overtaking or
53 passing a school bus in violation of subdivision (a) of section eleven
54 hundred seventy-four of this title. After receipt of such images a
55 police officer shall inspect such videotape and images to determine
56 whether a violation of subdivision (a) of section eleven hundred seven-

1 ty-four of this title was committed. Upon such a finding a certificate,
2 sworn to or affirmed by an officer of such agency, or a facsimile there-
3 of, based upon inspection of photographs, microphotographs, videotape or
4 other recorded images produced by a school bus safety camera, shall be
5 prima facie evidence of the facts contained therein. Any photographs,
6 microphotographs, videotape or other recorded images evidencing such a
7 violation shall be available for inspection in any proceeding to adjudi-
8 cate the liability for such violation.

9 (e) An owner found liable pursuant to this section for a violation of
10 subdivision (a) of section eleven hundred seventy-four of this title
11 shall be liable for a monetary penalty of two hundred fifty dollars.

12 (e-1) Payment of the monetary penalty imposed by subdivision (e) of
13 this section shall be payable to the school district. Nothing herein
14 shall prevent the school district from entering into a memorandum of
15 understanding with a local law enforcement agency to return a portion of
16 such penalty received to the local law enforcement agency, provided
17 however, in no case shall such portion returned to a local law enforce-
18 ment agency exceed twenty percent of the amount received by the school
19 district.

20 (e-2) In the event an owner is charged pursuant to this section with a
21 violation of subdivision (a) of section eleven hundred seventy-four of
22 this title where a sworn certificate has been issued pursuant to subdivi-
23 vision (d) of this section where such owner elects to plead guilty to a
24 lesser charge, the payment of the monetary penalty imposed by subdivi-
25 sion (e) of this section shall not be reduced and shall be payable to
26 the school district.

27 (f) An imposition of liability under this section shall not be deemed
28 a conviction as an operator and shall not be made part of the operating
29 record of the person upon whom such liability is imposed nor shall it be
30 used for insurance purposes in the provision of motor vehicle insurance
31 coverage.

32 (g) 1. A notice of liability shall be sent by the respective law
33 enforcement agency by first class mail to each person alleged to be
34 liable as an owner for a violation of subdivision (a) of section eleven
35 hundred seventy-four of this title pursuant to this section. Personal
36 delivery on the owner shall not be required. A manual or automatic
37 record of mailing prepared in the ordinary course of business shall be
38 prima facie evidence of the facts contained therein.

39 2. A notice of liability shall contain the name and address of the
40 person alleged to be liable as an owner for a violation of subdivision
41 (a) of section eleven hundred seventy-four of this title pursuant to
42 this section, the registration number of the vehicle involved in such
43 violation, the location where such violation took place, the date and
44 time of such violation and the identification number of the camera which
45 recorded the violation or other document locator number.

46 3. The notice of liability shall contain information advising the
47 person charged of the manner and the time in which he may contest the
48 liability alleged in the notice. Such notice of liability shall also
49 contain a warning to advise the persons charged that failure to contest
50 in the manner and time provided shall be deemed an admission of liabil-
51 ity and that a default judgment may be entered thereon.

52 4. The notice of liability shall be prepared and mailed by the respec-
53 tive law enforcement agency having jurisdiction over the location where
54 the violation occurred.

55 (h) Adjudication of the liability imposed upon owners by this section
56 shall be by a traffic violations bureau established pursuant to section

1 three hundred seventy of the general municipal law or, if there be none,
2 by the court having jurisdiction over traffic infractions, except that
3 any city which has established or designated an administrative tribunal
4 to hear and determine owner liability established by this article for
5 failure to comply with traffic-control indications shall use such tribu-
6 nal to adjudicate the liability imposed by this section.

7 (i) If an owner receives a notice of liability pursuant to this
8 section for any time period during which the vehicle was reported to a
9 police department as having been stolen, it shall be a valid defense to
10 an allegation of liability for a violation of subdivision (a) of section
11 eleven hundred seventy-four of this title pursuant to this section that
12 the vehicle had been reported to the police as stolen prior to the time
13 the violation occurred and had not been recovered by such time. For
14 purposes of asserting the defense provided by this subdivision it shall
15 be sufficient that a certified copy of the police report on the stolen
16 vehicle be sent by first class mail to the traffic violations bureau,
17 court having jurisdiction or parking violations bureau.

18 (j) Where the adjudication of liability imposed upon owners pursuant
19 to this section is by an administrative tribunal, traffic violations
20 bureau, or a court having jurisdiction, an owner who is a lessor of a
21 vehicle to which a notice of liability was issued pursuant to subdivi-
22 sion (g) of this section shall not be liable for the violation of subdivi-
23 vision (a) of section eleven hundred seventy-four of this title,
24 provided that he or she sends to the administrative tribunal, traffic
25 violations bureau, or court having jurisdiction a copy of the rental,
26 lease or other such contract document covering such vehicle on the date
27 of the violation, with the name and address of the lessee clearly legi-
28 ble, within thirty-seven days after receiving notice from the bureau or
29 court of the date and time of such violation, together with the other
30 information contained in the original notice of liability. Failure to
31 send such information within such thirty-seven day time period shall
32 render the owner liable for the penalty prescribed by this section.
33 Where the lessor complies with the provisions of this paragraph, the
34 lessee of such vehicle on the date of such violation shall be deemed to
35 be the owner of such vehicle for purposes of this section, shall be
36 subject to liability for the violation of subdivision (a) of section
37 eleven hundred seventy-four of this title pursuant to this section and
38 shall be sent a notice of liability pursuant to subdivision (g) of this
39 section.

40 (k) 1. If the owner liable for a violation of subdivision (a) of
41 section eleven hundred seventy-four of this title pursuant to this
42 section was not the operator of the vehicle at the time of the
43 violation, the owner may maintain an action for indemnification against
44 the operator.

45 2. Notwithstanding any other provision of this section, no owner of a
46 vehicle shall be subject to a monetary fine imposed pursuant to this
47 section if the operator of such vehicle was operating such vehicle with-
48 out the consent of the owner at the time such operator was found to have
49 been overtaking or passing a school bus. For purposes of this subdivi-
50 sion there shall be a presumption that the operator of such vehicle was
51 operating such vehicle with the consent of the owner at the time such
52 operator was found to have been overtaking or passing a school bus.

53 (l) Nothing in this section shall be construed to limit the liability
54 of an operator of a vehicle for any violation of subdivision (a) of
55 section eleven hundred seventy-four of this title.

1 (m) In any school district which adopts a school bus safety camera
 2 program pursuant to subdivision (a) of this section, such school
 3 district shall submit an annual report on the results of the use of its
 4 school bus safety cameras to the governor, the temporary president of
 5 the senate and the speaker of the assembly on or before June first, two
 6 thousand nineteen and on the same date in each succeeding year in which
 7 the demonstration program is operable. Such report shall include, but
 8 not be limited to:

9 1. a description of the number of busses and routes where school bus
 10 safety cameras were used;

11 2. the aggregate number of annual incidents of violations of subdivi-
 12 sion (a) of section eleven hundred seventy-four of this title within the
 13 district;

14 3. the number of violations recorded by school bus safety cameras in
 15 the aggregate and on a daily, weekly and monthly basis;

16 4. the total number of notices of liability issued for violations
 17 recorded by such systems;

18 5. the number of fines and total amount of fines paid after first
 19 notice of liability issued for violations recorded by such systems;

20 6. the number of violations adjudicated and results of such adjudi-
 21 cations including breakdowns of dispositions made for violations
 22 recorded by such systems;

23 7. the total amount of revenue realized by such school district from
 24 such adjudications;

25 8. expenses incurred by such school district in connection with the
 26 program; and

27 9. quality of the adjudication process and its results.

28 (n) It shall be a defense to any prosecution for a violation of subdivi-
 29 vision (a) of section eleven hundred seventy-four of this title that
 30 such school bus safety cameras were malfunctioning at the time of the
 31 alleged violation.

32 § 4. Subdivision (c) of section 1174 of the vehicle and traffic law,
 33 as amended by chapter 254 of the laws of 2002, is amended to read as
 34 follows:

35 (c) Every person convicted of a violation of subdivision (a) of this
 36 section shall: for a first conviction thereof, be punished by a fine of
 37 not less than [~~two hundred fifty~~] five hundred dollars nor more than
 38 [~~four~~] seven hundred fifty dollars or by imprisonment for not more than
 39 thirty days or by both such fine and imprisonment; for a conviction of a
 40 second violation, both of which were committed within a period of three
 41 years, such person shall be punished by a fine of not less than [~~six~~
 42 hundred] one thousand dollars nor more than [~~seven~~] one thousand two
 43 hundred fifty dollars or by imprisonment for not more than one hundred
 44 eighty days or by both such fine and imprisonment; upon a conviction of
 45 a third or subsequent violation, all of which were committed within a
 46 period of three years, such person shall be punished by a fine of not
 47 less than [~~seven hundred fifty~~] one thousand two hundred fifty dollars
 48 nor more than one thousand five hundred dollars or by imprisonment for
 49 not more than one hundred eighty days or by both such fine and imprison-
 50 ment.

51 § 5. This act shall take effect immediately.

52 PART D

53 Section 1. Subdivision 4 of section 1950 of the education law is
 54 amended by adding a new paragraph oo to read as follows:

1 oo. Notwithstanding any other provision of law, a board of cooperative
2 educational services is authorized to enter into a memorandum of under-
3 standing with the trustees or board of education of a non-component
4 school district, including city school districts of cities with one
5 hundred twenty-five thousand inhabitants or more, to participate in a
6 recovery high school program operated by the board of cooperative educa-
7 tional services for a period not to exceed five years upon such terms as
8 such trustees or board of education and the board of cooperative educa-
9 tional services may mutually agree, provided that such agreement may
10 provide for a charge for administration of the recovery high school
11 program including capital costs, but participating non-component school
12 districts shall not be liable for payment of administrative expenses as
13 defined in paragraph b of this subdivision. Costs allocated to a partic-
14 ipating non-component school district pursuant to a memorandum of under-
15 standing shall be aidable pursuant to subdivision five of this section
16 to the same extent and on the same basis as costs allocated to a compo-

40 all shareholders of a professional service corporation whose principal

42 of public accountancy in this state, hold a valid license issued under
43 section seventy-four hundred four of the education law or are public
44 accountants licensed under section seventy-four hundred five of the

47 regents. Notwithstanding the provisions of this paragraph, a firm
48 incorporated under this section may not have non-licensee owners if the

14 such corporation is authorized to practice and who are or have been
15 engaged in the practice of such profession in such corporation or a
16 predecessor entity, or who will engage in the practice of such profes-
17 sion in such corporation within thirty days of the date such shares are
18 issued and may also issue shares to employees of the corporation not
19 licensed as certified public accountants, provided that:

20 (i) at least fifty-one percent of the outstanding shares of stock of
21 the corporation are owned by certified public accountants,

22 (ii) at least fifty-one percent of the directors are certified public
23 accountants,

32 another person, other than another shareholder of the same corporation,
33 the authority to exercise voting power of any or all of his or her
34 shares. All shares issued, agreements made or proxies granted in
35 violation of this section shall be void.

36 § 4. Section 1508 of the business corporation law is amended by adding
37 a new paragraph (c) to read as follows:

38 (c) The directors and officers of any firm established for the busi-
39 ness purpose of incorporating as a professional service corporation
40 pursuant to paragraph (h) of section fifteen hundred three of this arti-

42 accountancy, provided however that at least fifty-one percent of the
43 directors, at least fifty-one percent of the officers and the president,
44 the chairperson of the board of directors and the chief executive offi-
45 cer or officers are authorized by law to practice in this state a
46 profession which such corporation is authorized to practice, and are
47 either shareholders of such corporation or engaged in the practice of
48 their professions in such corporation.

49 § 5. Section 1509 of the business corporation law, as amended by chap-
50 ter 550 of the laws of 2011, is amended to read as follows:

51 § 1509. Disqualification of shareholders, directors, officers and
52 employees.

53 If any shareholder, director, officer or employee of a professional
54 service corporation, including a design professional service corpo-
55 ration, or any firm established for the business purpose of incorporat-
56 ing as a professional service corporation pursuant to paragraph (h) of

1 section fifteen hundred three of this article, who has been rendering
2 professional service to the public becomes legally disqualified to prac-
3 tice his profession within this state, he shall sever all employment
4 with, and financial interests (other than interests as a creditor) in,
5 such corporation forthwith or as otherwise provided in section 1510 of
6 this article. All provisions of law regulating the rendering of profes-
7 sional services by a person elected or appointed to a public office
8 shall be applicable to a shareholder, director, officer and employee of
9 such corporation in the same manner and to the same extent as if fully
10 set forth herein. Such legal disqualification to practice his profession
11 within this state shall be deemed to constitute an irrevocable offer by
12 the disqualified shareholder to sell his shares to the corporation,
13 pursuant to the provisions of section 1510 of this article or of the
14 certificate of incorporation, by-laws or agreement among the corporation
15 and all shareholders, whichever is applicable. Compliance with the terms
16 of such offer shall be specifically enforceable in the courts of this
17 state. A professional service corporation's failure to enforce compli-
18 ance with this provision shall constitute a ground for forfeiture of its
19 certificate of incorporation and its dissolution.

20 § 6. Paragraph (a) of section 1511 of the business corporation law, as
21 amended by chapter 550 of the laws of 2011, is amended and a new para-
22 graph (c) is added to read as follows:

23 (a) No shareholder of a professional service corporation [~~ex~~], includ-
24 ing a design professional service corporation, or any firm established
25 for the business purpose of incorporating as a professional service
26 corporation pursuant to paragraph (h) of section fifteen hundred three
27 of this article, may sell or transfer his shares in such corporation
28 except to another individual who is eligible to have shares issued to
29 him by such corporation or except in trust to another individual who
30 would be eligible to receive shares if he were employed by the corpo-
31 ration. Nothing herein contained shall be construed to prohibit the
32 transfer of shares by operation of law or by court decree. No transfer-
33 ee of shares by operation of law or court decree may vote the shares for
34 any purpose whatsoever except with respect to corporate action under
35 sections 909 and 1001 of this chapter. The restriction in the preceding
36 sentence shall not apply, however, where such transferee would be eligi-
37 ble to have shares issued to him if he were an employee of the corpo-
38 ration and, if there are other shareholders, a majority of such other
39 shareholders shall fail to redeem the shares so transferred, pursuant to
40 section 1510 of this article, within sixty days of receiving written
41 notice of such transfer. Any sale or transfer, except by operation of
42 law or court decree or except for a corporation having only one share-
43 holder, may be made only after the same shall have been approved by the
44 board of directors, or at a shareholders' meeting specially called for
45 such purpose by such proportion, not less than a majority, of the
46 outstanding shares as may be provided in the certificate of incorpo-
47 ration or in the by-laws of such professional service corporation. At
48 such shareholders' meeting the shares held by the shareholder proposing
49 to sell or transfer his shares may not be voted or counted for any
50 purpose, unless all shareholders consent that such shares be voted or
51 counted. The certificate of incorporation or the by-laws of the profes-
52 sional service corporation, or the professional service corporation and
53 the shareholders by private agreement, may provide, in lieu of or in
54 addition to the foregoing provisions, for the alienation of shares and
55 may require the redemption or purchase of such shares by such corpo-
56 ration at prices and in a manner specifically set forth therein. The

1 existence of the restrictions on the sale or transfer of shares, as
2 contained in this article and, if applicable, in the certificate of
3 incorporation, by-laws, stock purchase or stock redemption agreement,
4 shall be noted conspicuously on the face or back of every certificate
5 for shares issued by a professional service corporation. Any sale or
6 transfer in violation of such restrictions shall be void.

7 (c) A firm established for the business purpose of incorporating as a
8 professional service corporation pursuant to paragraph (h) of section
9 fifteen hundred three of this article, shall purchase or redeem the
10 shares of a non-licensed professional shareholder in the case of his or
11 her termination of employment within thirty days after such termination.
12 A firm established for the business purpose of incorporating as a
13 professional service corporation pursuant to paragraph (h) of section
14 fifteen hundred three of this article, shall not be required to purchase
15 or redeem the shares of a terminated non-licensed professional share-
16 holder if such shares, within thirty days after such termination, are
17 sold or transferred to another employee of the corporation pursuant to
18 this article.

19 § 7. Paragraph (a) of section 1512 of the business corporation law, as
20 amended by chapter 550 of the laws of 2011, is amended to read as
21 follows:

22 (a) Notwithstanding any other provision of law, the name of a profes-
23 sional service corporation, including a design professional service
24 corporation and any firm established for the business purpose of incor-
25 porating as a professional service corporation pursuant to paragraph (h)
26 of section fifteen hundred three of this article, may contain any word
27 which, at the time of incorporation, could be used in the name of a
28 partnership practicing a profession which the corporation is authorized
29 to practice, and may not contain any word which could not be used by
30 such a partnership. Provided, however, the name of a professional
31 service corporation may not contain the name of a deceased person unless

32 (1) such person's name was part of the corporate name at the time of
33 such person's death; or

34 (2) such person's name was part of the name of an existing partnership
35 and at least two-thirds of such partnership's partners become sharehold-
36 ers of the corporation.

10 It is further found and declared that there continues to exist an
11 ongoing and repeated threat of flooding and flood related damage along

13 is contrary to the public interest and threatens the safety, security,
14 health, welfare, well-being and repose of the people of the localities
15 adjoining the shoreline as well as the people of the entire state. The
16 ordinary operations of public and private funding, as well as the
17 support of private enterprise, has proven inadequate to provide suffi-
18 cient prevention against, response to and recovery from this flooding,
19 and cannot support and provide the infrastructure projects that are
20 necessary to achieve the level of prevention, response and recovery that
21 the state's residents deserve, need and expect, and that the state
22 requires. It is further declared to be the policy of the state to
23 provide a means and mechanism to support and provide the adequate
24 infrastructure that is necessary to achieve this level of prevention,
25 response and recovery that the state's residents deserve, need and
26 expect, and that the state requires.

27 § 2. The opening paragraph of subdivision 6 of section 3 of section 1

36 including a residential project, an industrial project, a land use
37 improvement project, a civic project, an industrial effectiveness
38 project, a small and medium-sized business assistance project, a fruit
39 growing, fruit processing, or winery business project, a school safety
40 infrastructure project or an economic development project, all as
41 defined herein, or any combination thereof, which combination shall
42 hereinafter be called and known as a "multi-purpose project". The term
43 "project" as used herein shall include projects, or any portion of a
44 project.

45 (i) "flooding prevention, response and recovery infrastructure
46 project". A project or that portion of a multi-purpose project designed
47 and intended for the purpose of bolstering and improving infrastructure,
48 in order to provide sufficient prevention against, response to and
49 recovery from flooding events, or effects therefrom, and such other and
50 further infrastructure and facilities as may be incidental or appurten-
51 ant thereto.

52 § 3. The opening paragraph of section 18 of section 1 of chapter 174
53 of the laws of 1968, constituting the New York state urban development

12 (6) of section three of this act, and (4) bonds and notes issued with

13 the approval of the state director of the budget and the New York state
14 public authorities control board which are secured by and payable solely
15 out of a specific project, other than a residential project, undertaken
16 by the corporation subsequent to June first, nineteen hundred seventy-
17 seven, and the revenues and receipts derived therefrom, without recourse
18 against other assets of the corporation or against a debt service
19 reserve fund to which state funds are apportionable pursuant to subdivi-

33 or (b) the aggregate principal amount of any such bonds and notes is

37 issued pursuant to this clause [~~(3)~~] will thereby exceed three hundred
38 seventy-nine million dollars, excluding bonds and notes issued to refund
39 or otherwise repay outstanding bonds and notes issued pursuant to this
40 clause [~~(3)~~], provided, however, that the corporation may provide for a

41 pooled financing arrangement with regard to bonds issued for the
42 purposes of financing the construction of the Center for Computers,

31 § 25-116 New York city housing authority repair certificate program.

32 a. The city planning commission shall establish the New York city hous-

39 b. The city planning commission shall for each application for an
 40 amendment of a zoning resolution, establish the per foot value of any
 41 New York city housing authority repair certificate issued in the areas
 42 covered by such amendment and the maximum allowed foot area ratio that
 43 may be granted to the holder of such certificate in the newly zoned
 44 area. Such per foot value shall be updated annually based upon increases

 46 metropolitan area.

47 c. A developer who seeks to obtain an increased foot area ratio in a
 48 newly zoned area, by means of being the holder of a New York city hous-
 49 ing authority repair certificate, shall submit an application therefor
 50 to the city planning commission. Such commission shall within seven days
 51 of receiving an application pursuant to this subdivision, forward it to
 52 the New York city housing authority, along with the per foot value to be

34 city planning commission. Such list shall, to the extent practicable,
35 include only those eligible repair projects within the same neighborhood
36 included in the area to which the requested amendment to the zoning
37 resolution relates, regardless of the importance or urgency of the

45 cant's estimate of the cost of completing the repair project, and a
46 timeline for the completion of the project.

47 5. The office of repair certification shall, within fourteen days of
48 receiving an applicant's reply, review the costs and project plan
49 submitted, and either approve or disapprove such reply. If an appli-
50 cant's submission is disapproved, it shall have fifteen days to resubmit
51 a new project plan and estimate of costs for review by the office. Upon
52 a second submission, the office shall again make a determination within
53 fourteen days, and, if the plan is disapproved, the office shall provide
