2 PART B

3 Section 1. The education law is amended by adding a new section 908 to
4 read as follows:

5 § 908. Prohibition against meal shaming. All public school districts,
6 charter schools and non-public schools in the state that participate in
7 the national school lunch program or school breakfast program in which
8 there is a school at which all pupils are not eligible to be served
9 breakfast and lunch under the community eligibility provision or
10 provision two of the federal national school lunch act, 42 U.S.C. Sec.
11 1751 et seq., shall develop a plan to ensure that a pupil whose parent
12 or guardian has unpaid school meal fees is not shamed or treated differ-
13 ently than a pupil whose parent or guardian does not have unpaid school
14 meal fees. The plan shall be submitted to the commissioner by July
15 first, two thousand eighteen, or sixty days from the effective date of
16 this section after enactment in conformance with regulations of the
17 commissioner. After submission of such plan, the school or school
18 district shall adopt and post the plan on its website. The plan shall
19 include, but not be limited to, the following elements:

20 a. A statement that the school or school district shall provide the
21 student with the student's meal of choice for that school day of the
22 available reimbursable meal choices for such school day, if the student
23 requests one, unless the student's parent or guardian has specifically
24 provided written permission to the school to withhold a meal, provided
25 that the school or school district shall only be required to provide
26 access to reimbursable meals, not a la carte items, adult meals, or
27 other similar items;

28 b. An explanation of how staff will be trained to ensure that the
29 school or school district's procedures are carried out correctly and how

32 dren;

33 c. Procedures requiring the school or school district to notify the
34 student's parent or guardian that the student's meal card or account

37 district may not charge any interest or fees in connection with any
38 meals charged;

39 d. A communication procedure designed to support eligible families
40 enrolling in the national free and reduced price meal program. Such
41 communication procedures shall also include a process for determining
42 eligibility when a student owes money for five or more meals, wherein
43 the school or school district shall:

44 i. make every attempt to determine if a student is directly certified
45 to be eligible for free meals;

46 ii. make at least two attempts, not including the application or
47 instructions included in a school enrollment packet, to reach the
48 student's parent or guardian and have the parent or guardian fill out a
49 meal application; and

50 iii. require a school or school district to contact the parent or
51 guardian to offer assistance with a meal application, determine if there
52 are other issues within the household that have caused the child to have
53 insufficient funds to purchase a school meal and offer any other assist-
54 ance that is appropriate;

1 e. A clear explanation of procedures designed to decrease student
2 distress or embarrassment, provided that, no school or school district

5 or who owes a meal debt by any means including, but not limited to,
6 requiring that a student wear a wristband or hand stamp;

7 ii. require a student who cannot pay for a meal or who owes a meal
8 debt to do chores or other work to pay for meals;

13 fees. A school or school district may attempt to collect unpaid school
14 meal fees from a parent or guardian, but shall not use a debt collector,
15 as defined in section eight hundred three of the federal consumer credit
16 protection act, 15 U.S.C. Sec. 1692a; or

17 v. discuss any outstanding meal debt in the presence of other
18 students;

19 f. A clear explanation of the procedure to handle unpaid meal charges,
20 provided that nothing in this section is intended to allow for the
21 unlimited accrual of debt;

22 g. Procedures to enroll in the free and reduced price lunch program,
23 provided that such procedures shall include that, at the beginning of

25 printed meal application in every school enrollment packet, or if the
26 school or school district chooses to use an electronic meal application,
27 provide in school enrollment packets an explanation of the electronic
28 meal application process and instructions for how parents or guardians
29 may request a paper application at no cost;

30 h. If a school or school district becomes aware that a student who has
31 not submitted a meal application is eligible for free or reduced-fee
32 meals, the school or school district shall complete and file an applica-
33 tion for the student pursuant to title seven, section 245.6(d) of the
34 code of federal regulations; and

35 i. School liaisons required for homeless, foster, and migrant students
36 shall coordinate with the nutrition department to make sure such

41 to read as follows:

42 § 4. a. All public elementary or secondary schools in this state, not

2 students and members of the community.

3 c. Schools subject to this requirement shall provide notice to
4 students' parents and guardians that the school will be offering break-
5 fast to all students after the instructional day has begun.

6 d. Any school identified pursuant to this section may apply to the
7 commissioner of education for a waiver from establishing a school break-
8 fast program after the instructional day has begun. Such waiver may be
9 granted by the commissioner of education upon the school demonstrating:

10 i. A lack of need for a school breakfast program after the instruc-
11 tional day has begun because of a successful existing breakfast program;
12 or

13 ii. Providing a school breakfast program after the instructional day
14 has begun would cause economic hardship for the school.

15 The commissioner of education shall annually review the basis for
16 waivers granted to schools.

17 e. The State Education Department shall:

18 i. on or before May 1, 2018, and on or before May 1 of each year ther-
19 eafter preceding each school year, publish on its website a list of the
20 public schools that meet the requirements for operating such programs,

32 information shall include, but not be limited to: the school name,
33 service delivery models implemented, student enrollment, the free and
34 reduced-price lunch percentage, and the average daily breakfast partic-

39 July 1 thereafter, a school food authority shall be eligible for a lunch
40 meal State subsidy of twenty-five cents, which shall include any annual
41 State subsidy received by such school food authority under any other
42 provision of State law, for any school lunch meal served by such school
43 food authority; provided that the school food authority certifies to the
44 State Education Department through the application submitted pursuant to
45 subdivision b of this section that such food authority has purchased at
46 least thirty percent of its total cost of food products for its school
47 lunch service program from New York state farmers, growers, producers or
48 processors in the preceding school year.

49 b. The State Education Department, in cooperation with the Department
50 of Agriculture and Markets, shall develop an application for school food
51 authorities to seek an additional State subsidy pursuant to this section
52 in a timeline and format prescribed by the commissioner of education.
53 Such application shall include, but not be limited to, documentation
54 demonstrating the school food authority's total food purchases for its
55 school lunch service program, and documentation demonstrating its total
56 food purchases and percentages for such program from New York State

1 farmers, growers, producers or processors in the preceding school year.
 2 The application shall also include an attestation from the school food

 6 the preceding school year in order to meet the requirements for this
 7 additional State subsidy. School food authorities shall be required to
 8 annually apply for this subsidy.

9 c. The State Education Department shall annually publish information

4 part III of chapter 59 of the laws of 2017, are amended to read as
5 follows:

6 a. Establishment. Enhanced tuition awards are available for students
7 who are enrolled in approved programs in private [~~not-for-profit~~] degree
8 granting institutions of higher education except those institutions set
9 forth in paragraph b of subdivision four of section six hundred sixty-

18 applicable to his or her program or programs of study or (B) a public
19 degree granting institution of higher education prior to application,
20 has completed at least thirty combined credits per year following the

28 Notwithstanding, in the student's last semester, the student may take at
29 least one course needed to meet his or her graduation requirements and
30 enroll in and complete at least twelve credit hours or its equivalent.
31 For students who are disabled as defined by the Americans With Disabili-
32 ties Act of 1990, 42 USC 12101, the corporation shall prescribe rules
33 and regulations that allow applicants who are disabled to be eligible
34 for an award pursuant to this section based on modified criteria.

35 3. Income. An award shall be made to an applicant who has an adjusted
36 gross income for the qualifying year, as such terms are defined in this

53 made. Provided, however, if an applicant demonstrates to the corporation
54 that there has been a change in such applicant's adjusted gross income
55 in the year or years subsequent to the qualifying year which would qual-

1 ify such applicant for an award, the corporation shall review and make a
 2 determination as to whether such applicant meets the requirement set
 3 forth in this subdivision based on such year. Provided, further that
 4 such change was caused by the death, permanent and total physical or
 5 mental disability, divorce, or separation by judicial decree or pursuant
 6 to an agreement of separation which is filed with a court of competent
 7 jurisdiction of any person whose income was required to be used to
 8 compute the applicant's total adjusted gross income.

 18 subdivision five of this section [~~shall equal six thousand dollars~~].
 19 Provided, however, any institution that charges tuition that is reduced

 22 shall be exempt from the requirement to provide such match and students
 23 attending such institutions shall receive an enhanced tuition award
 24 without such institutional match.

25 5. Matching awards. Commencing with the two thousand seventeen--two
 26 thousand eighteen academic year and thereafter, participating insti-
 27 tutions shall credit each recipient's remaining tuition expenses in an
 28 amount equal to the recipient's award under this section. [~~Such credit~~
 29 ~~shall be applied after the recipient has received an institutional aid~~
 30 ~~package, if any, to ensure that this program does not reduce institu-~~
 31 ~~tional aid that would otherwise be granted.~~] Provided, however that any
 32 institution that charges tuition that is reduced by greater than fifteen
 33 percent from the level of tuition charged six years prior to the academ-
 34 ic year in which the award is to be applied shall be exempt from the

32 ant to this article in any fiscal year shall be allocated to any resi-
33 dential emergency services to offer home repairs to the elderly program
34 located within any single municipality.

35 2. From the date of the emergency referral, the eligible applicant has

37 from the date of the inspection and assessment of emergency repair need,
38 the eligible applicant must start the repairs within fourteen business
39 days; all repairs must be completed within sixty business days of the

51 and administrative costs associated with administering the program.

52 § 2. This act shall take effect immediately.

1 Section 1. The private housing finance law is amended by adding a new
2 article 30 to read as follows:

12 These men and women have served our country and state with honor and
13 distinction and deserve to achieve maximum independence, social inter-

41 identifies the disability, describes the substantial limitation caused
42 by the disability, and recommends potential structural modifications to
43 improve the activities of daily living within and/or access to such
44 residence in consideration of such disability.

45 5. "Access to home for heroes programs" or "programs" shall mean a
46 series of activities by an eligible applicant to administer funds to

 3 to home for heroes program. The financial assistance shall be in the
 4 form of grants. No more than fifty percent of the total amount awarded
 5 pursuant to this article in any fiscal year shall be allocated to access
 6 to home programs located within any single municipality.

 8 five hundred thousand dollars and the contract shall provide for
 9 completion of the program within a reasonable period, as specified ther-

35 or mathematics a graduate or higher degree program or other professional
36 licensure degree program. Any obligation to comply with such provisions
37 as outlined in this section shall be cancelled upon the death of the

52 to read as follows:

53 § 3244. Education of children in foster care. 1. Definitions. For
54 purposes of this section only, the following definitions shall apply:

1 a. Child or youth in foster care. For the purposes of this article,
2 the term "child or youth in foster care" shall mean a child who is in
3 the care and custody or custody and guardianship of a local commissioner
4 of social services or the commissioner of the office of children and
5 family services.

6 b. School district of origin. The term "school district of origin"
7 shall mean the school district within the state of New York in which the
8 child or youth in foster care was attending a public school or preschool
9 on a tuition-free basis or was entitled to attend at the time of place-
10 ment into foster care when the social services district or the office of
11 children and family services assumed care and custody or custody and
12 guardianship of such child or youth, which is different from the school
13 district of residence.

14 c. School district of residence. The term "school district of resi-

16 York in which the foster care placement is located, which is different
17 from the school district of origin.

18 d. Feeder school. The term "feeder school" shall mean:

19 (1) a preschool whose students are entitled to attend a specified
20 elementary school or group of elementary schools upon completion of that
21 preschool;

22 (2) a school whose students are entitled to attend a specified elemen-
23 tary, middle, intermediate, or high school or group of specified elemen-
24 tary, middle, intermediate, or high schools upon completion of the
25 terminal grade of such school; or

26 (3) a school that sends its students to a receiving school in a neigh-

45 a child or youth in foster care who completes the final grade level
46 served by the school of origin, the term "school of origin" shall
47 include the designated receiving school at the next grade level for all
48 feeder schools. Where the child is eligible to attend school in the
49 school district of origin because the child was placed in foster care
50 after such child is eligible to apply, register, or enroll in the public
51 preschool or kindergarten or the child is living with a school-age
52 sibling who attends school in the school district of origin, the school
53 of origin shall include any public school or preschool in which such
54 child would have been entitled or eligible to attend based on such
55 child's last residence before the circumstances arose which caused such
56 child to be placed in foster care.

1 2. Choice of district and school. a. Notwithstanding any other
2 provision of law to the contrary, the social services district, in
3 consultation with the appropriate local educational agency or agencies,
4 shall designate either the school district of origin or the school

9 hundred seventy-one of the social services law, in accordance with the
10 regulations of the office of children and family services. The child

12 children and youth who live in the attendance area in which the foster
13 care placement is located are eligible to attend, including a preschool,
14 subject to a best interest determination made by the applicable social
15 services district or voluntary authorized agency, as defined in para-
16 graph (a) of subdivision ten of section three hundred seventy-one of the
17 social services law, for the duration of the child's placement in foster
18 care and until the end of the school year in which such child is no
19 longer in foster care and for one additional year if that year consti-
20 tutes the child's terminal year in such building.

21 b. Notwithstanding any other provision of law to the contrary, where
22 the school district of origin or school of origin that a child was
23 attending on a tuition-free basis or was entitled to attend when such
24 child entered foster care is located in New York state and the child's
25 foster care placement is located in a contiguous state, the child shall
26 be entitled to attend the school of origin or any school that children
27 and youth who live in the attendance area in which the foster care
28 placement is located are eligible to attend, including a preschool,
29 subject to a best interest determination made by the applicable social
30 services district or voluntary authorized agency, as defined in para-
31 graph (a) of subdivision ten of section three hundred seventy-one of the
32 social services law, for the duration of the child's placement in foster
33 care and until the end of the school year in which such child is no
34 longer in foster care and for one additional year if that year consti-
35 tutes the child's terminal year in such building.

36 c. Notwithstanding the provisions of paragraph a or b of this subdivi-
37 sion, a child in foster care who is moved from one foster care placement
38 to another shall be entitled to continue to attend the school of origin
39 or the social services district may designate that the child in foster
40 care attend any school that children and youth who live in the attend-

42 attend, including a preschool, subject to a best interest determination
43 made by the applicable social services district or voluntary authorized
44 agency, as defined in paragraph (a) of subdivision ten of section three
45 hundred seventy-one of the social services law, for the duration of the
46 child's placement in foster care and until the end of the school year in
47 which the child is no longer in such foster care placement and for one
48 additional year if that year constitutes the child's terminal year in
49 such building.

50 d. Upon notification of the designation made by the social services
51 district for a foster care youth, the designated school district of
52 attendance shall immediately:

53 (1) enroll the child or youth in foster care even if the child or
54 youth is unable to produce records normally a requirement for enroll-
55 ment, such as previous academic records, records of immunization and/or
56 other required health records, proof of residency or other documentation

1 and/or even if the child has missed application or enrollment deadlines
2 during any period of placement in foster care, if applicable. Provided
3 that nothing herein shall be construed to require the immediate attend-
4 ance of an enrolled student lawfully excluded from school temporarily
5 pursuant to section nine hundred six of this chapter because of a commu-
6 nicable or infectious disease that imposes a significant risk of
7 infection of others;

8 (2) treat the child or youth in foster care as a resident for all
9 purposes; and

10 (3) make a written request to the school district where the child's

12 e. Within five days of receipt of a request for records in accordance
13 with subparagraph three of paragraph d of this subdivision, the school
14 district shall forward, in a manner consistent with state and federal
15 law, a complete copy of the records of the child or youth in foster care
16 including, but not limited to, proof of age, academic records, evalu-
17 ations, immunization records, and guardianship papers, if applicable.

18 f. Where the school of origin is a charter school, the school district
19 designated pursuant to this subdivision shall be deemed to be the school
20 district of residence of such child for purposes of fiscal and program-
21 matic responsibility under article fifty-six of this chapter and shall
22 be responsible for transportation of the child in foster care. If the
23 designated school district of attendance is not the school district of
24 origin, the designated school district of attendance may seek reimburse-
25 ment from the school district of origin in accordance with the
26 provisions of subdivision four of section thirty-two hundred two of this
27 article.

28 g. Notwithstanding any other provision of law to the contrary, each
29 local educational agency, as such term is defined in subsection twenty-
30 six of section ninety-one hundred one of the Elementary and Secondary
31 Education Act of 1965, as amended by the Every Student Succeeds Act of
32 2015, shall designate a local educational agency point of contact for
33 children and youth in foster care. Provided that such point of contact
34 shall not be the same as the liaison designated pursuant to the subtitle
35 B of title VII of the McKinney-Vento Assistance Act, unless the McKin-
36 ney-Vento liaison has sufficient ability to carry out the responsibil-
37 ities of the McKinney-Vento liaison in addition to the responsibilities
38 of the point of contact for children and youth in foster care.

39 3. Reimbursement. The tuition costs of the education of such child or
40 youth in foster care shall be borne in accordance with the provisions of
41 paragraph d of subdivision four of section thirty-two hundred two of
42 this article.

43 4. Transportation. a. Notwithstanding any other provision of law, any
44 child or youth in foster care who requires transportation in order to
45 attend a school of origin designated pursuant to subdivision two of this
46 section, shall be entitled to receive such transportation pursuant to
47 this paragraph. The designated school district of attendance shall
48 provide transportation to and from the child's foster care placement
49 location and the school of origin. Any cost incurred for such transpor-
50 tation that is allowable up to fifty miles each way pursuant to the
51 applicable provision of parts two and three of article seventy-three of
52 this chapter or herein, shall be aidable pursuant to subdivision seven
53 of section thirty-six hundred two of this chapter, provided that the
54 approved transportation expense shall not exceed an amount determined by
55 the commissioner to be the total cost for providing the most cost-effec-

1 tive mode of such transportation in a manner consistent with the commis-
2 sioner's regulations.

3 b. Notwithstanding any other provision of law, where any child or
4 youth in foster care attends the school district of residence and such
5 child does not attend the school of origin, such school district shall
6 provide transportation to such child on the same basis as a resident
7 student. Any cost incurred for such transportation that is allowable
8 pursuant to the applicable provisions of parts two and three of article
9 seventy-three of this chapter or herein, shall be aidable pursuant to
10 subdivision seven of section thirty-six hundred two of this chapter,
11 provided that the approved transportation expense shall not exceed an
12 amount determined by the commissioner to be the total cost for providing
13 the most cost-effective mode of such transportation in a manner consist-
14 ent with the commissioner's regulations.

15 c. Excess allowable transportation costs beyond those reimbursed in
16 paragraphs a and b of this subdivision resulting from the attendance of
17 a child or youth in foster care shall be shared between the social
18 services district responsible for the foster care costs of the child or
19 youth and the designated school district of attendance equally. Excess
20 transportation costs shall mean the difference between what a school
21 district otherwise would spend to transport a student to his or her
22 assigned school and the cost of transporting a child in foster care to
23 his or her school of origin; except as otherwise reimbursed under para-
24 graph a or b of this subdivision and as further defined in regulations
25 of the commissioner. The school district and local social services
26 district are expected to consider and utilize all allowable funding
27 sources, including any available federal funds, to cover additional
28 transportation costs. Provided however that school districts and social
29 services districts that have written agreements relating to how excess
30 transportation costs should be funded, that both entities have agreed to
31 and are consistent with the requirements in subparagraph five of para-
32 graph c of section one thousand one hundred twelve of title twenty of
33 the Elementary and Secondary Education Act of 1965, as amended by the
34 Every Student Succeeds Act of 2015, filed with the department and the
35 office of children and family services shall not be subject to this
36 paragraph. In the absence of such a shared agreement, such school
37 districts and local departments of social services are subject to the
38 provisions of this paragraph.

39 d. Where the child has been placed in foster care in a contiguous
40 state and has designated a school of origin located in the state of New
41 York, the designated school district of attendance in New York state
42 shall collaborate with the social services district to arrange for
43 transportation.

44 5. Each child or youth in foster care to be assisted under this
45 section shall be provided services comparable to services offered to
46 other students in the school selected under this section, including the
47 following: transportation services; educational services for which the
48 child or youth meets the eligibility criteria, such as services provided
49 under Title I of the Elementary and Secondary Education Act of 1965 or
50 similar state or local programs; educational programs for children with
51 disabilities; educational programs for English learners; programs in
52 career and technical education; programs for gifted and talented
53 students; and school nutrition programs.

54 6. The commissioner, in consultation with the office of children and
55 family services, may promulgate regulations to carry out the purposes of
56 this section.

1 § 2. Subdivision 4 of section 3202 of the education law, as added by
2 chapter 867 of the laws of 1973 and renumbered by chapter 563 of the
3 laws of 1980, paragraph a, the opening paragraph of paragraph e, the
4 opening paragraph of paragraph f and subparagraph (viii) of paragraph f
5 as amended and paragraph f as designated by chapter 82 of the laws of
6 1995, paragraphs e and g as amended and subparagraphs (i), (ii), (iii),
7 (iv), (v), (vi) and (vii) of paragraph f as added by chapter 170 of the
8 laws of 1994, and paragraph g as relettered by chapter 82 of the laws of
9 1995, is amended to read as follows:

10 4. a. Definitions. For purposes of this subdivision only, the follow-
11 ing definitions shall apply.

12 (i) The term "school district of origin" shall mean the school
13 district within the state of New York in which the child or youth in
14 foster care was attending a public school or preschool on a tuition-free
15 basis or was entitled to attend when the social services district or

18 different from the school district of residence.

19 (ii) School district of residence. The term "school district of resi-

25 services district or a state department or agency] children in foster
26 care shall be borne by the school district [~~in which each such pupil~~
27 resided at the time the social services district or state department or
28 agency assumed responsibility for the placement, support and maintenance
29 of such pupil, provided, however, that such cost of instruction shall
30 continue to be borne, while such pupil remains under the age of twenty-
31 one years, by any social services district or state department or agency
32 which assumed responsibility for tuition costs for any such pupil prior
33 to January one, nineteen hundred seventy four] of origin. Where a
34 [~~pupil is placed pursuant to this subdivision outside the pupil's school~~
35 district of residence at the time of such placement] school district
36 other than the school district of origin is designated in accordance
37 with paragraph e of subdivision two of section thirty-two hundred
38 forty-four of this article, the cost of instruction shall be borne by
39 the [~~district of residence] school district of origin and the tuition~~
40 paid to the designated school district [~~furnishing instruction] of~~
41 attendance shall be computed as provided in paragraph d of this subdivi-
42 sion, except that, where the [~~family home at board] foster care place-~~
43 ment receives program support from a child care institution affiliated
44 with a special act school district as defined in subdivision eight of
45 section four thousand one of this chapter, and the [~~board of education~~
46 of such district furnishing instruction] designated school district of
47 attendance, upon the recommendation of its committee on special educa-
48 tion, contracts for such pupil's education pursuant to paragraph c, d,
49 e, or f of subdivision two of section forty-four hundred one of this
50 chapter or for a nonresidential placement pursuant to paragraph l of
51 such subdivision, costs incurred shall be reimbursed in accordance with
52 paragraph e of this subdivision. Notwithstanding any inconsistent
53 provision of law, where the permanent residence of a pupil is outside of
54 the state, the school district in which the pupil was located at the
55 time the public agency placed such pupil shall be deemed the [~~district~~
56 of residence] school district of origin of such pupil for purposes of

1 this subdivision and shall be responsible for the cost of instruction of
2 such pupil.

3 ~~[b]~~ c. Children cared for in free family homes and children cared for
4 in family homes at board, when such family homes shall be the actual and
5 only residence of such children and when such children are not supported
6 and maintained at the expense of a social services district or of a
7 state department or agency, shall be deemed residents of the school
8 district in which such family home is located.

9 ~~[e. Children cared for in free family homes and children cared for in
10 family homes at board, when such family homes are not the actual and
11 only residences of such children and when such children are not
12 supported and maintained at the expense of a social services district or
13 of a state department or agency, and who apply for the first time for
14 admittance to the schools of the district in which such family home is
15 located during the school year 1973-1974 shall be admitted upon terms
16 and conditions including the payment of tuition, established by the
17 board of education of such school district, unless such board of educa-
18 tion shall establish to the satisfaction of the commissioner that there
19 are valid and sufficient reasons for refusal to receive such children.]~~

20 d. For the purposes of this subdivision, tuition shall be fixed in an
21 amount which represents the additional operating cost to the designated
22 school district of attendance resulting from the attendance of a child
23 for whom tuition is required, computed in accordance with a formula
24 established by the commissioner of education.

25 e. Where the ~~[board of education of a school district furnishing
26 instruction for a pupil placed pursuant to this subdivision in a family
27 home at board]~~ designated school district of attendance for a child or
28 youth in foster care that receives program support from a child care
29 institution affiliated with a special act school district, other than
30 the board of the pupil's school district of [~~residence~~] origin as
31 defined in paragraph a of this subdivision, upon the recommendation of
32 its committee on special education, contracts for the instruction of
33 such pupil pursuant to paragraph c, d, e, or f of subdivision two of
34 section forty-four hundred one of this chapter or for a nonresidential
35 placement pursuant to paragraph 1 of such subdivision, such board shall
36 submit a claim to the commissioner for current year reimbursement of
37 costs incurred for such pupil. The commissioner shall pay such claim in
38 accordance with the applicable provisions of section thirty-six hundred
39 nine-b of this chapter and shall be reimbursed by the school district
40 identified as the pupil's school district of [~~residence~~] origin as
41 defined in paragraph a of this subdivision. The commissioner shall
42 deduct the amount of such claim from moneys otherwise due the school
43 district of [~~residence~~] origin.

44 f. The identity of the school district of [~~residence at the time the~~
45 ~~public agency placed the pupil pursuant to paragraph a or paragraph e of~~
46 ~~this subdivision~~] origin shall be established in accordance with the
47 following procedure:

48 (i) Within ten days of the placement of such pupil, the public agency
49 or its designee shall give written notice of such placement to the board
50 of education of the school district believed to be the school district
51 of [~~residence~~] origin. Such notification shall include the name of the
52 pupil and any particulars about the pupil that pertain to the identifi-
53 cation of the school district as the school district of [~~residence~~]
54 origin as defined in paragraph a of this subdivision.

55 (ii) A board of education of a school district which receives notifi-
56 cation pursuant to subparagraph (i) of this paragraph may submit to the

1 public agency, within ten days of its receipt of such notice, additional
2 evidence to establish that it is not the pupil's district of [~~residence~~
3 origin] as defined in paragraph a of this subdivision. Any evidence so
4 submitted shall be considered by the agency prior to making its final
5 determination, which shall be made no later than five days after the
6 agency's receipt of such additional evidence. In the event such school
7 district fails to submit additional evidence within such ten day period,
8 the determination of the public agency shall be final and the notifica-
9 tion provided pursuant to subparagraph (i) of this paragraph shall be
10 deemed final notification of such determination.

11 (iii) If, upon its review, the public agency determines that the
12 school district notified pursuant to subparagraph (i) of this paragraph
13 was not the pupil's district of [~~residence~~ origin], the public agency
14 shall send notification to the correct school district, in the form
15 prescribed by subparagraph (i) of this paragraph. Alternatively, if,
16 upon its review, the public agency determines that the school district
17 originally designated pursuant to subparagraph (i) of this paragraph is
18 the pupil's district of [~~residence~~ origin], the public agency shall
19 notify such district in writing of its final determination.

20 (iv) The board of education of the school district finally determined
21 by the public agency to be the pupil's school district of [~~residence~~
22 origin] may appeal such determination to the commissioner within thirty
23 days of its receipt of final notification pursuant to this paragraph.
24 Such an appeal shall be conducted in the same manner as an appeal from
25 the actions of local school officials pursuant to section three hundred
26 ten of this chapter, except that the factual allegations of the peti-
27 tioner shall not be deemed true in the event the public agency elects
28 not to appear in the appeal. The petitioner shall join as a party to the
29 appeal any other school district suspected to be the pupil's actual
30 school district of [~~residence~~ origin].

31 (v) If the commissioner finds that the school district notified pursu-
32 ant to subparagraph (i) or (iii) of this paragraph was not the pupil's
33 school district of [~~residence~~ origin] as defined in paragraph a of this
34 subdivision and that the correct school district was not joined as a
35 party to the appeal, the commissioner shall direct the public agency to
36 notify the correct school district pursuant to subparagraph (i) of this
37 paragraph.

38 (vi) Notwithstanding any inconsistent provisions of law, during the
39 pendency of all proceedings to review a denial of financial responsibil-
40 ity, the commissioner shall issue an interim order assigning such finan-
41 cial responsibility to the school district or, alternatively, upon a
42 determination that the public agency failed to make reasonable efforts
43 to identify the [~~residence~~ school district of origin] of such child, to
44 the public agency. In the event the public agency fails to provide
45 timely notice pursuant to subparagraph (i) of this paragraph, or fails
46 to render its final determination in a timely manner, the public agency
47 responsible for such pupil's residential placement shall reimburse the
48 commissioner for the payments made to the district furnishing instruc-
49 tion pursuant to this paragraph during the pendency of all proceedings
50 or for the duration of the current school year, whichever is longer, and
51 the state comptroller shall withhold such amount from any moneys due the
52 county or the city of New York, on vouchers certified or approved by the
53 commissioner, in the manner prescribed by law or shall transfer such
54 amount from the account of such state department or agency upon certifi-
55 cation of the commissioner, and such funds shall be credited to the

1 general support for public schools local assistance account of the
2 department.

3 (vii) Any final determination or order of the commissioner concerning
4 the school district of [~~residence~~] origin of any pupil under this
5 section may only be reviewed in a proceeding brought in the supreme
6 court pursuant to article seventy-eight of the civil practice law and
7 rules. In any such proceeding under such article seventy-eight, the
8 court may grant any relief authorized by the provisions of section
9 seventy-eight hundred six of such law and rules and may also, in its
10 discretion, remand the proceedings to the commissioner. A local social
11 services commissioner or any state department or agency placing pupils
12 pursuant to this subdivision is a proper party in any such appeal or
13 proceeding.

14 (viii) Upon completion of all proceedings to review the denial of
15 financial responsibility for the costs of instruction pursuant to this
16 paragraph, the commissioner shall refund any payments made by a party
17 cleared of such responsibility and shall collect any payments owed by a
18 party found to have such responsibility. Where such transactions involve
19 a school district liable for reimbursement pursuant to paragraph e of
20 this subdivision, the commissioner shall appropriately increase or
21 decrease the moneys due a school district by such amount in accordance
22 with the provisions of section thirty-six hundred nine-b of this chap-
23 ter. Where such transactions involve the public agency making a place-
24 ment pursuant to this subdivision, the comptroller shall increase or
25 decrease the moneys due such public agency by such amount upon certif-
26 ication of the commissioner, transferring such amount to or from the
27 account of such state department or agency to or from the general
28 support for public schools local assistance account of the department.

29 g. If within ninety days from the entry of an order or judgment of a
30 court of competent jurisdiction or the receipt of a decision of the
31 commissioner pursuant to section three hundred ten of this chapter,
32 determining the responsibility of a school district to pay tuition for a
33 pupil in accordance with the provisions of paragraph a of this subdivi-
34 sion or of section five hundred four of the executive law, such school
35 district has not made payment to the designated school district [~~provid-~~
36 ~~ing instruction to such pupil~~] of attendance, the school district enti-
37 tled to such payment may make application to the commissioner to receive
38 a sum in the amount of such tuition from the apportionment of public
39 money payable to the school district required to pay such tuition. The
40 application for payment shall be accompanied by a certified copy of the
41 order or judgment of a court, or a copy of the decision of the commis-
42 sioner, and by proof of service by first class mail of a copy of such
43 application upon the school district required to pay such tuition.
44 Unless the school district required to pay such tuition shall have noti-
45 fied the commissioner of such payment within thirty days from the
46 receipt of such application, the commissioner shall withhold an amount
47 equal to the tuition for such pupil from the public money payable to the
48 school district responsible for such tuition and shall pay such amount
49 to the school district which has provided instruction to such pupil. The
50 commissioner is authorized to promulgate regulations to implement the
51 provisions of this paragraph.

52 § 3. Paragraph (a) of subdivision 2 of section 153-k of the social
53 services law, as amended by section 2 of subpart B of part K of chapter
54 56 of the laws of 2017, is amended to read as follows:

55 (a) Notwithstanding the provisions of this chapter or of any other law
56 to the contrary, eligible expenditures by a social services district for

1 foster care services shall be subject to reimbursement with state funds
2 only to the extent of annual appropriations to the state foster care
3 block grant. Such foster care services shall include expenditures for
4 the provision and administration of: care, maintenance, supervision
5 [~~and~~], tuition, and transportation costs related to the education of a
6 foster child or youth incurred in accordance with paragraph c of subdivi-
7 vision four of section thirty-two hundred forty-four of the education
8 law; supervision of foster children placed in federally funded job corps
9 programs; and care, maintenance, supervision and tuition for adjudicated
10 juvenile delinquents and persons in need of supervision placed in resi-
11 dential programs operated by authorized agencies and in out-of-state
12 residential programs; except that, notwithstanding any other provision
13 of law to the contrary, reimbursement with state funds pursuant to the
14 state foster care block grant shall not be available for tuition expend-
15 itures for foster children, including persons in need of supervision and
16 adjudicated juvenile delinquents, made by a social services district
17 located within a city having a population of one million or more. Social
18 services districts must develop and implement children and family
19 services delivery systems that are designed to reduce the need for and
20 the length of foster care placements and must document their efforts in
21 the multi-year consolidated services plan and the annual implementation
22 reports submitted pursuant to section thirty-four-a of this chapter.
23 § 4. This act shall take effect immediately, provided however, that
24 the amendments to paragraph (a) of subdivision 2 of section 153-k of the
25 social services law as made by section three of this act shall be
26 subject to the repeal of such section pursuant to section 28 of part C
27 of chapter 83 of the laws of 2002, as amended.

28 PART DD

29 Section 1. The section heading and subdivisions 1 and 2 of section
30 36-c of the social services law, as added by section 1 of part K of
31 chapter 58 of the laws of 2010, are amended to read as follows:

32 Savings plan [~~demonstration project~~] for the city of New York. 1.
33 Notwithstanding any other provision of law to the contrary, in any
34 social services district with a city having a population of [~~one~~] five
35 million or more, the social services district shall conduct a demon-
36 stration project as set forth in this section, and shall evaluate and
37 report on such project annually, pursuant to a plan approved by the
38 office of temporary and disability assistance and the division of budget
39 [~~prior to the implementation of the project~~]. A comprehensive report
40 shall be provided to the governor, the temporary president of the senate
41 and the speaker of the assembly by December thirty-first, two thousand
42 twenty-one. Such report shall include but not be limited to information
43 regarding the program such as the number of participants for the previ-
44 ous three years; the percentage of participation as measured by the
45 number of participants making contributions into such savings plan; the
46 average amount payable to a participant upon leaving the program; the
47 average length of time a participant remained in the program; the number
48 of situations in which the participant moved out of the program but

53 2. Such social services district, in lieu of applying that portion of
54 a temporary housing assistance recipient's earned income that, but for

1 the [~~other~~] provisions of this [~~chapter~~] section, would be applied to
2 reduce the need for the shelter component of temporary housing assist-
3 ance provided in a temporary emergency shelter, shall direct such a
4 recipient to participate in a savings plan with such funds and, as long
5 as such funds are not withdrawn, they shall not be applied to reduce the
6 need for the shelter component of the temporary housing assistance
7 granted for the duration of his or her residence in temporary emergency
8 shelter; provided, however, that the provisions of this section shall
9 only apply to a person receiving temporary housing assistance in a shel-
10 ter or other facility [~~funded and~~] overseen by the New York city depart-
11 ment of homeless services or the New York city department of housing
12 preservation and development. Failure by a recipient of temporary hous-
13 ing assistance to contribute to such a savings plan shall [~~not in~~
14 ~~itself~~] result in the discontinuance of temporary housing assistance[
15 ~~unless the recipient separately fails to comply with conditions of~~
16 ~~eligibility that could result in the discontinuance of temporary housing~~
17 ~~assistance~~]. Provided however, such discontinuance shall be immediately
18 curable by compliance with this section.

19 § 2. Subdivision c of section 2 of part K of chapter 58 of the laws of
20 2010 amending the social services law, relating to establishing the

27 ~~expire and be deemed repealed. Upon approval of the revised plan, the~~
28 ~~office shall notify the chair of the senate finance committee and the~~
29 ~~chair of the assembly ways and means committee, provided, further, that~~
30 ~~the office of temporary and disability assistance shall notify the~~
31 ~~legislative bill drafting commission upon the approval of the revised~~
32 ~~savings demonstration plan in order that the commission may maintain an~~
33 ~~accurate and timely effective data base of the official text of the laws~~
34 ~~of the state of New York in furtherance of effectuating the provisions~~
35 ~~of section 44 of the legislative law and section 70 b of the public~~
36 ~~officers law] 2022.~~

37 § 3. This act shall take effect immediately; provided, however, that
38 the amendments to section 36-c of the social services law made by
39 section one of this act shall not affect the repeal of such section and
40 shall be deemed repealed therewith.

41 § 2. Severability clause. If any clause, sentence, paragraph, subdivi-
42 sion, section or part of this act shall be adjudged by any court of
43 competent jurisdiction to be invalid, such judgment shall not affect,
44 impair, or invalidate the remainder thereof, but shall be confined in
45 its operation to the clause, sentence, paragraph, subdivision, section
46 or part thereof directly involved in the controversy in which such judg-
47 ment shall have been rendered. It is hereby declared to be the intent of
48 the legislature that this act would have been enacted even if such
49 invalid provisions had not been included herein.

50 § 3. This act shall take effect immediately provided, however, that
51 the applicable effective date of Parts A through DD of this act shall be
52 as specifically set forth in the last section of such Parts.
