REPEAL NOTE: Section 606(bbb) of the Tax Law, section 3-d of the General Municipal Law and section 2023-b of the Education Law collectively constituted the enabling legislation for the tax freeze credit
program. By the terms of those statutes, the tax freeze credit was only applicable to taxable years 2014, 2015 and 2016. Therefore, these provisions no longer serve a purpose, except for the reporting provisions, which facilitate the administration of the tax levy limit program and are being preserved in a reenacted section 3-d of the General Municipal Law and section 2023-b of the Education Law.

However, the sale of any such articles of tangible personal property to a veterinarian shall not be deemed a sale for resale within the meaning of paragraph (4) of subdivision (b) of section eleven hundred one and shall not be exempt from retail sales tax.

(2) Drugs or medicine sold to or used by a veterinarian for use in rendering services that are exempt pursuant to paragraph one of this subdivision to livestock or poultry used in the production for sale of tangible personal property by farming, or sold to a person qualifying for the exemption provided for in paragraph six of subdivision (a) of this section for use by such person on such livestock or poultry.

§ 2. Subdivision (a) of section 1119 of the tax law, as amended by chapter 686 of the laws of 1986 and as further amended by section 15 of part GG of chapter 63 of the laws of 2000, is amended to read as follows:

(a) Subject to the conditions and limitations provided for herein, a refund or credit shall be allowed for a tax paid pursuant to subdivision (a) of section eleven hundred five or section eleven hundred ten (1) on the sale or use of tangible personal property if the purchaser or user, in the performance of a contract, later incorporates that tangible personal property into real property located outside this state, (2) on the sale or use of tangible personal property purchased in bulk, or any portion thereof, which is stored and not used by the purchaser or user within this state if that property is subsequently reshipped by such purchaser or user to a point outside this state for use outside this state, (3) on the sale to or use by a contractor or subcontractor of tangible personal property if that property is used by him solely in the performance of a pre-existing lump sum or unit price construction contract, (4) on the sale or use within this state of tangible personal property, not purchased for resale, if the use of such property in this state is restricted to fabricating such property (including incorporat-
ing it into or assembling it with other tangible personal property),
processing, printing or imprinting such property and such property is
then shipped to a point outside this state for use outside this state,
(5) on the sale to or use by a veterinarian of drugs or medicine if
such drugs or medicine are used by such veterinarian in rendering
services, which are exempt pursuant to subdivision (f) of section eleven
hundred fifteen of this chapter, to livestock or poultry used in the
production for sale of tangible personal property by farming or if such
drugs or medicine are sold to a person qualifying for the exemption
provided for in paragraph (6) of subdivision (a) of section eleven
hundred fifteen of this chapter, for use by such person on such livestock
or poultry, or (6) on the sale of tangible personal property purchased
for use in constructing, expanding or rehabilitating industrial or
commercial real property (other than property used or to be used exclu-
sively by one or more registered vendors primarily engaged in the retail
sale of tangible personal property) located in an area designated as an
empire zone pursuant to article eighteen-B of the general municipal law,
but only to the extent that such property becomes an integral component
part of the real property. (For the purpose of clause (3) of the preced-
ing sentence, the term "pre-existing lump sum or unit price construction
contract" shall mean a contract for the construction of improvements to
real property under which the amount payable to the contractor or
subcontractor is fixed without regard to the costs incurred by him in the
performance thereof, and which (i) was irrevocably entered into prior to the date of the enactment of this article or the enactment of a law increasing the rate of tax imposed under this article, or (ii) resulted from the acceptance by a governmental agency of a bid accompa-
nied by a bond or other performance guaranty which was irrevocably
submitted prior to such date.) Where the tax on the sale or use of such
tangible personal property has been paid to the vendor, to qualify for
such refund or credit, such tangible personal property must be incorpo-
rated into real property as required in clause (1) above, reshipped as
required in clause (2) above, used in the manner described in clauses
(3), (4) and (6) above within three years after the date such tax
was payable to the tax commission by the vendor pursuant to section
eleven hundred thirty-seven. Where the tax on the sale or use of such
tangible personal property was paid by the applicant for the credit or
refund directly to the tax commission, to qualify for such refund or
credit, such tangible personal property must be incorporated into real
property as required in clause (1) above, reshipped as required in
clause (2) above, used in the manner described in clauses (3), (4)
and (6) above within three years after the date such tax was paya-
table to the tax commission by such applicant pursuant to this article. An
application for a refund or credit pursuant to this section must be
filed with such commission within the time provided by subdivision (a)
of section eleven hundred thirty-nine. Such application shall be in such
form as the tax commission may prescribe. Where an application for cred-
it has been filed, the applicant may immediately take such credit on the
return which is due coincident with or immediately subsequent to the
time that he files his application for credit. However, the taking of
the credit on the return shall be deemed to be part of the application
for credit and shall be subject to the provisions in respect to applica-
tions for credit in section eleven hundred thirty-nine as provided in
subdivision (e) of such section. With respect to a sale or use described
in clause (3) above where a pre-existing lump sum or unit price
construction contract was irrevocably entered into prior to the date of

the enactment of this article or the bid accompanied by the performance
of guaranty was irrevocably submitted to the governmental agency prior to
such date, the purchaser or user shall be entitled to a refund or credit
only of the amount by which the tax on such sale or use imposed under
this article plus any tax imposed under the authority of article twenty-nine exceeds the amount computed by applying against such sale or use the local rate of tax, if any, in effect at the time such contract was entered into or such bid was submitted.

In the case of the enactment of a law increasing the rate of tax
imposed by this article, the purchaser or user shall be entitled only to
a refund or credit of the amount by which the increased tax on such sale
or use imposed under this article plus any tax imposed under the authority of article twenty-nine exceeds the amount computed by applying against such sale or use the state and local rates of tax in effect at the time such contract was entered into or such bid was submitted.

§ 3. This act shall take effect June 1, 2018, and shall apply to sales made and uses occurring on and after such date.

PART X

Section 1. Subdivision 1 of section 1131 of the tax law, as amended by chapter 576 of the laws of 1994, is amended to read as follows:

(1) "Persons required to collect tax" or "person required to collect any tax imposed by this article" shall include: every vendor of tangible personal property or services; every recipient of amusement charges; and every operator of a hotel. Said terms shall also include any officer, director or employee of a corporation or of a dissolved corporation, any employee of a partnership, any employee or manager of a limited liability company, or any employee of an individual proprietorship who as such officer, director, employee or manager is under a duty to act for such corporation, partnership, limited liability company or individual proprietorship in complying with any requirement of this article, or has so acted; and any member of a partnership or limited liability company. Provided, however, that any person who is a vendor solely by reason of clause (D) or (E) of subparagraph (i) of paragraph (8) of subdivision (b) of section eleven hundred one shall not be a "person required to collect any tax imposed by this article" until twenty days after the date by which such person is required to file a certificate of registration pursuant to section eleven hundred thirty-four of this part.

§ 2. Subdivision (a) of section 1133 of the tax law, as amended by chapter 621 of the laws of 1967, is amended to read as follows:

(a) (1) Except as otherwise provided in paragraph two of this subdivision and in section eleven hundred thirty-seven of this part, every person required to collect any tax imposed by this article shall be personally liable for the tax imposed, collected or required to be collected under this article. Any such person shall have the same right in respect to collecting the tax from his customer or in respect to nonpayment of the tax by the customer as if the tax were a part of the purchase price of the property or service, amusement charge or rent, as the case may be, and payable at the same time; provided, however, that the tax commission shall be joined as a party in any action or proceeding brought to collect the tax.

(2) Notwithstanding any other provision of this article: (i) The commissioner shall grant the relief described in subparagraph (iii) of this paragraph to a limited partner of a limited partnership (but not a
partner of a limited liability partnership) or a member of a limited liability company if such limited partner or member demonstrates to the satisfaction of the commissioner that such limited partner's or member's ownership interest and the percentage of the distributive share of the profits and losses of such limited partnership or limited liability company are each less than fifty percent, and such limited partner or member was not under a duty to act for such limited partnership or limited liability company in complying with any requirement of this article. Provided, however, the commissioner may deny an application for relief to any such limited partner or member who the commissioner finds has acted on behalf of such limited partnership or limited liability company in complying with any requirement of this article or has been convicted of a crime provided in this chapter or has been convicted of a crime provided in this chapter or who has a past-due liability, as such term is defined in section one hundred seventy-one-v of this chapter.

(ii) Such limited partner or member must submit an application for relief, on a form prescribed by the commissioner, and the information provided in such application must be true and complete in all material respects. Providing materially false or fraudulent information on such application shall disqualify such limited partner or member for the relief described in subparagraph (iii) of this paragraph, shall void any agreement with the commissioner with respect to such relief, and shall result in such limited partner or member bearing strict liability for the total amount of tax, interest and penalty owed by their respective limited partnership or limited liability company pursuant to this subdivision.

(iii) A limited partner of a limited partnership or member of a limited liability company, who meets the requirements set forth in this paragraph and whose application for relief is approved by the commissioner, shall be liable for the percentage of the original sales and use tax liability of their respective limited partnership or limited liability company that reflects such limited partner's or member's ownership interest of distributive share of the profits and losses of such limited partnership or limited liability company that reflects such limited partner's or member's ownership interest of distributive share of the profits and losses of such limited partnership or limited liability company, whichever is higher. Such original liability shall include any interest accrued thereon up to and including the date of payment by such limited partner or member at the underpayment rate set by the commissioner pursuant to section eleven hundred forty-two of this part, and shall be reduced by the sum of any payments made by (A) the limited partnership or limited liability company; (B) any person required to collect tax not eligible for relief; and (C) any person required to collect tax who was eligible for relief but had not been approved for relief by the commissioner at the time such payment was made. Provided, however, such limited partner or member shall not be liable for any penalty owed by such limited partnership or limited liability company or any other partner or member of such limited partnership or limited liability company. Any payment made by a limited partner or member pursuant to the provisions of this paragraph shall not be credited against the liability of other limited partners or members of their respective limited partnership or limited liability company who are eligible for the same relief; provided, however that the sum of the amounts owed by all of the persons required to collect tax of a limited partnership or limited liability company shall not exceed the total liability of such limited partnership or limited liability company.

§ 3. This act shall take effect immediately.
Section 1. Section 2 of subpart R of part A of chapter 61 of the laws of 2017, amending the tax law relating to extending the expiration of the authorization to the county of Genesee to impose an additional one percent of sales and compensating use taxes, is amended to read as follows:

§ 2. Notwithstanding any other provision of law to the contrary, the one percent increase in sales and compensating use taxes authorized for the county of Genesee until November 30, [2019] 2020 pursuant to clause (20) of subparagraph (i) of the opening paragraph of section 1210 of the tax law, as amended by section one of this act, shall be divided in the same manner and proportion as the existing three percent sales and compensating use taxes in such county are divided.

The amount of the ninety and three-quarters percent to be distributed and allocated to the city of Rochester and county of Monroe shall be distributed and allocated to each so that the combined total distribution and allocation to each from the sales tax revenues pursuant to sections 1262 and 1262-g of the tax law and this section shall result in the same total amount being distributed and allocated to the city of Rochester and county of Monroe. The amount so distributed and allocated to the county shall be used for county purposes. The foregoing cash payments to the school districts shall be allocated on the basis of the enrolled public school pupils, thereof, as such term is used in subdivision (b) of section 1262 of the tax law, residing in the county of Monroe. The cash payments to the towns located within the county of Monroe shall be allocated on the basis of the ratio which the population of each town, exclusive of the population of any village or portion thereof located within a town, bears to the total population of the towns, exclusive of the population of the villages located within such towns. The cash payments to the villages located within the county shall be allocated on the basis of the ratio which the population of each village bears to the total population of the villages located within the county. The term population as used in this section

Applications for licenses shall be in such form as may be prescribed by the commission and shall contain such information or other material or evidence as the commission may require. No license shall be issued by the commission authorizing the simulcast transmission of thoroughbred races from a track located in Suffolk county. The fee for such licenses shall be five hundred dollars per simulcast facility and for account wagering licensees that do not operate either a simulcast facility that is open to the public within the state of New York or a licensed racetrack within the state, twenty thousand dollars per year payable by the licensee to the commission for deposit into the general fund. Except as provided in this section, the commission shall not approve any application to conduct simulcasting into individual or group residences, homes or other areas for the purposes of or in connection with pari-mutuel wagering. The commission may approve simulcasting into residences, homes or other areas to be conducted jointly by one or more regional off-track betting corporations and one or more of the following: a franchised corporation, thoroughbred racing corporation or a harness racing corporation or association; provided (i) the simulcasting consists only of those races on which pari-mutuel betting is authorized by this chapter at one or more simulcast facilities for each of the contracting off-track betting corporations which shall include wagers made in accordance with section one thousand fifteen, one thousand sixteen and one thousand seventeen of this article; provided further that the contract provisions or other simulcast arrangements for such simulcast facility shall be no less favorable than those in effect on January first, two thousand five; (ii) that each off-track betting corporation having within its geographic boundaries such residences, homes or other areas technically capable of receiving the simulcast signal shall be a contracting party; (iii) the distribution of revenues shall be subject to contractual agreement of the parties except that statutory payments to non-contracting parties, if any, may not be reduced; provided, however, that nothing herein to the contrary shall prevent a track from televising its races on an irregular basis primarily for promotional or marketing purposes as found by the commission. forty-five days prior to the effective date of the termination, via
registered mail. Any party to an agreement receiving such notice of an
intent to terminate, may request the commission to mediate between the
parties new terms and conditions in a replacement agreement between the

PART II

Section 1. Subparagraphs (ii) and (iii) of paragraph 1 of subdivision
b of section 1612 of the tax law are REPEALED and a new subparagraph
(ii) is added to read as follows:
(ii) less a vendor’s fee the amount of which is to be paid for serving
as a lottery agent to the track operator of a vendor track or the opera-
tor of any other video lottery gaming facility authorized pursuant to
section sixteen hundred seventeen-a of this article:
(A) when a vendor track is located within development zone one as
defined by section thirteen hundred ten of the racing, pari-mutuel
wagering and breeding law, at a rate of thirty-nine and one-half percent
of the total revenue wagered at the vendor track after payout for prizes
pursuant to this chapter;
(B) when a vendor track is located within development zone two as
defined by section thirteen hundred ten of the racing, pari-mutuel
wagering and breeding law, at a rate of forty-three and one-half percent
of the total revenue wagered at the vendor track after payout for prizes
pursuant to this chapter; provided, however, at a vendor track located
within fifteen miles of a destination resort gaming facility authorized
pursuant to article thirteen of the racing, pari-mutuel wagering and
breeding law shall receive a vendor fee at a rate of fifty-one percent
of the total revenue wagered at the vendor track after payout for prizes
pursuant to this chapter; and that at a vendor track located within
forty miles of a Native American class III gaming facility as defined in
25 U.S.C. § 2703 (8) shall receive a vendor fee at a rate of fifty-six
percent of the total revenue wagered at the vendor track after payout
for prizes pursuant to this chapter;
(C) when a video lottery facility is operated at Aqueduct racetrack,
at a rate of forty-seven percent of the total revenue wagered at the
video lottery gaming facility after payout for prizes pursuant to this
chapter; provided, however, upon the earlier of the designation of one
thousand video lottery devices as hosted pursuant to paragraph four of
subdivision a of section sixteen hundred seventeen-a of this article or
April first, two thousand nineteen, such rate shall be fifty percent of
the total revenue wagered at the video lottery gaming facility after
payout for prizes pursuant to this chapter:
(D) When a video lottery gaming facility is located in either Nassau or Suffolk counties and is operated by a corporation established pursuant to section five hundred two of the racing, pari-mutuel wagering and breeding law, at a rate of forty-five percent of the total revenue wagered at the video lottery gaming facility after payout for prizes pursuant to this chapter;

(E) notwithstanding any provision of law to the contrary, when a vendor track is located within region one or two of development zone two, as such zone is defined in section thirteen hundred ten of the racing, pari-mutuel wagering and breeding law, or is located within region six of such development zone two and is located within Ontario county, such vendor track shall be entitled to receive an additional commission. The additional commission received by the vendor track shall be calculated pursuant to subclause (I) of this clause.

(I) The additional commission is a percentage of the total revenue wagered at the vendor track after payout for prizes pursuant to this chapter. That percentage is calculated by subtracting the effective tax rate on all gross gaming revenue paid by a gaming facility within the same region as the vendor track from the education percentage. The education percentage is ninety percent less the percentage of the vendor track's vendor fee. For purposes of this clause, Seneca and Wayne counties shall be deemed to be located within region six of development zone two.

(II) The additional commission paid pursuant to this subparagraph shall be paid to a vendor track no later than sixty days after the close of the fiscal year. The additional commission authorized by this clause shall only be applied to revenue wagered at a vendor track while a gaming facility in the same region as that vendor track is open and operating pursuant to an operation certificate issued pursuant to section thirteen hundred thirty-one of the racing, pari-mutuel wagering and breeding law.

(F) notwithstanding any provision of law to the contrary, when a vendor track is located within forty miles of a Native American class III gaming facility as defined in 25 U.S.C. § 2703 (8), such vendor track shall be entitled to receive an additional hold harmless commission. The additional hold harmless commission received by the vendor track shall be calculated pursuant to subclause (I) of this clause.

(I) The additional hold harmless commission payable for any fiscal year shall be an amount equal to the base vendor commission less the current vendor fee. The base vendor commission is calculated by adding together the vendor fee, marketing allowance, and vendor capital award, that the facility received during the twelve-month period immediately preceding June first, two thousand fifteen. For the purposes of this calculation, a vendor fee shall exclude any distributions required by paragraph two of this subdivision.

(II) The additional hold harmless commission paid pursuant to this subparagraph shall be paid to a vendor track no later than sixty days after the close of the fiscal year. The additional hold harmless commission authorized by this clause shall only be applied to revenue wagered on and after April first, two thousand eighteen at a vendor track while the Native American class III gaming facility as defined in 25 U.S.C. § 2703 (8) within forty miles of that vendor track is open and operating.

(G) notwithstanding any provision of law to the contrary, any operators of a vendor track or the operators of any other video lottery gaming facility eligible to receive a capital award as of December thirty-first, two thousand seventeen shall deposit from their vendor fee
into a segregated account an amount equal to four percent of the first
sixty-two million five hundred thousand dollars of revenue wagered at
the vendor track after payout for prizes pursuant to this chapter to be
used exclusively for capital investments, except for Aqueduct, which
shall deposit into a segregated account an amount equal to one percent
of all revenue wagered at the video lottery gaming facility after payout
for prizes pursuant to this chapter until the earlier of the designation
of one thousand video lottery devices as hosted pursuant to paragraph
four of subdivision a of section sixteen hundred seventeen-a of this
article or April first, two thousand nineteen, when at such time four
percent of all revenue wagered at the video lottery gaming facility
after payout for prizes pursuant to this chapter shall be deposited into
a segregated account for capital investments. Vendor tracks and video
lottery gaming facilities shall be permitted to withdraw funds for
projects approved by the commission to improve the facilities of the
vendor track or video lottery gaming facility which enhance or maintain
the video lottery gaming facility including, but not limited to hotels,
other lodging facilities, entertainment facilities, retail facilities,
dining facilities, events arenas, parking garages and other improvements
and amenities customary to a gaming facility, provided, however, the
vendor tracks and video lottery gaming facilities shall be permitted to
withdraw funds for unreimbursed capital awards approved prior to the
effective date of this subparagraph. Any proceeds from the divestiture
of any assets acquired through these capital funds or any prior capital
award must be deposited into this segregated account, provided that if
the vendor track or video lottery gaming facility ceases use of such
asset for gaming purposes or transfers the asset to a related party,
such vendor track or video lottery gaming facility shall deposit an
amount equal to the fair market value of that asset into the account. In
the event a vendor track or video lottery gaming facility ceases gaming
operations, any balance in the account along with an amount equal to the
value of all remaining assets acquired through this fund or prior capi-
tal awards shall be returned to the state for deposit into the state
lottery fund for education aid, except for Aqueduct, which shall return
to the state for deposit into the state lottery fund for education aid
all amounts in excess of the amount needed to fund a project pursuant to
an agreement with the operator to construct an expansion of the facili-
ty, hotel, and convention and exhibition space requiring a minimum capi-
tal investment of three hundred million dollars and any subsequent
amendments to such agreement. The comptroller or his legally authorized
representative is authorized to audit any and all expenditures made out
of these segregated capital accounts. Notwithstanding the preceding, a
vendor track located in Ontario county may withdraw up to two million
dollars from this account for the purpose of constructing a turf course
at the vendor track.

(H) Notwithstanding any provision of law to the contrary, free play
allowance credits authorized by the division pursuant to subdivision f
of section sixteen hundred seventeen-a of this article shall not be
included in the calculation of the total amount wagered on video lottery
games, the total amount wagered after payout of prizes, the vendor fees
payable to the operators of video lottery gaming facilities, fees payable
to the division's video lottery gaming equipment contractors, or
racing support payments.

(I) Notwithstanding any provision of law to the contrary, the operator
of a vendor track or the operator of any other video lottery gaming
facility shall fund a marketing and promotion program out of the
Each operator shall submit an annual marketing plan for the review and approval of the commission and any other required documents detailing promotional activities as prescribed by the commission. The commission shall have the right to reject any advertisement or promotion that does not properly represent the mission or interests of the lottery or its programs.

(J) Notwithstanding clause (G) of this subparagraph, the commission shall be able to authorize a vendor track located within Oneida county, within fifteen miles of a Native American class III gaming facility, and who has maintained at least ninety percent of full-time equivalent employees as they employed in the year two thousand sixteen, to withdraw funds from the segregated account established in clause (G) of this subparagraph up to an amount equal to four percent of the total revenue wagered at the vendor track after payout for prizes pursuant to this chapter each year, for operations.

§ 2. This act shall take effect immediately; provided, however, clause (J) of subparagraph (ii) of paragraph 1 of subdivision b of section 1612 of the tax law as added by section one of this act shall expire and be deemed repealed June 29, 2019.

In lieu of subtracting from its exempt CFC income the amount of those interest deductions, the taxpayer may make a revocable election to reduce its total exempt CFC income by forty percent. If the taxpayer makes this election, the taxpayer must also make the elections provided for in paragraph (b) of subdivision six of this section and paragraph (c) of this subdivision. In lieu of subtracting from its exempt CFC income the amount of those interest deductions, the taxpayer may make a revocable election to reduce its total exempt CFC income by forty percent. If the taxpayer makes this election, the taxpayer must also make the elections provided for in paragraph (b) of subdivision five of this section and paragraph (c) of this subdivision. If the taxpayer subsequently revokes this election, the taxpayer must revoke the elections provided for in paragraph (b) of subdivision five of this section and paragraph (c) of
this subdivision. A taxpayer which does not make this election because it has no exempt CFC income will not be precluded from making those other elections.

(1) If any taxpayer fails to file a declaration of estimated tax under article nine-A of this chapter, or fails to pay all or any part of an amount which is applied as an installment against such estimated tax, it shall be deemed to have made an underpayment of estimated tax. There shall be added to the tax for the taxable year an amount at the underpayment rate set by the commissioner pursuant to section one thousand
ninety-six of this article, or if no rate is set, at the rate of seven
and one-half percent per annum upon the amount of the underpayment for
the period of the underpayment but not beyond the fifteenth day of the
[third] fourth month following the close of the taxable year. Provided,
however, that, for taxable years beginning on or after January first,

no return was filed, ninety-one percent of the tax for such year) over
the amount, if any, of the installment paid on or before the last day
prescribed for such payment. In any case in which there would be no
underpayment if "eighty percent" were substituted for "ninety-one
percent" each place it appears in this subsection, the addition to the
tax shall be equal to seventy-five percent of the amount otherwise
determined. No underpayment shall be deemed to exist with respect to a
declaration or installment otherwise due on or after the termination of
existence of the taxpayer.

the city of New York, as amended by section 12 of part D of chapter 60

increased by the recapture portion of the credit allowed under this
subsection for all prior taxable years with respect to such rehabili-

of the following criteria:

purposes of this section, "net income" means federal adjusted gross

income as required to be reported under the Internal Revenue Code less

federal and state taxes imposed on or measured by income. Any business

which is classified as a rural business concern at the time of the

initial investment in said business by a rural business growth fund

shall remain classified as a rural business concern and may receive

follow-on investments from any rural business growth fund, and such

follow-on investments shall be rural growth investments even though such

business may not meet the definition of a rural business concern at the

time of such follow-on investments.

(8) "Rural business growth fund" means an entity certified by the

department under this section.

business concerns in this state and has successfully solicited private

investors to make capital contributions in support of the plan may apply

to the department for certification as a rural business growth fund. The

application shall include all of the following:

(A) The total eligible investment authority sought by the applicant

under the business plan;

(B) Documents and other evidence sufficient to prove, to the satisfac-
tion of the department, that the applicant meets all of the following

criteria: (i) The applicant or an affiliate of the applicant is licensed

as a rural business investment company under 7 U.S.C. 2009cc, or as a

including at least fifty million dollars in operating companies located

in rural areas. In computing investments under this division, the appli-

(C) An estimate of the number of jobs that will be created or retained

in this state as a result of the applicant's rural growth investments;

(D) A revenue impact assessment for the applicant's proposed rural

growth investments prepared by a nationally recognized third-party inde-

model. The revenue impact assessment shall analyze the applicant's
business plan over the ten years following the date the application is submitted to the department.

(E) A signed affidavit from each investor successfully solicited by the applicant to make a credit eligible capital contribution in support of the business plan. Each affidavit shall include information sufficient for the tax commissioner to identify the investor and shall state the amount of the investor's credit-eligible capital contribution.

(F) A nonrefundable application fee of five thousand dollars.

(2) The department shall review and make a determination with respect to each application submitted under paragraph one of this subdivision within thirty days of receipt. The department shall review and make determinations on the applications in the order in which the applications are received by the department. Applications received by the department on the same day shall be deemed to have been received simultaneously. Except as provided in paragraph four of subdivision (c) of this section, the department shall not approve more than one hundred million dollars in eligible investment authority or more than sixty-five million dollars in credit-eligible capital contributions.

(3) The department shall deny an application submitted under this section if any of the following are true: (A) The application is incomplete.

(B) The application fee is not paid in full.

(C) The applicant does not satisfy all the criteria described in subparagraph (B) of paragraph one of this subdivision.

(D) The revenue impact assessment submitted under subparagraph (D) of paragraph one of this subdivision does not demonstrate that the applicant's business plan will result in a positive economic impact on this state over a ten-year period that exceeds the eligible investment authority sought by the applicant.

(E) The credit-eligible capital contributions described in affidavits submitted under subparagraph (E) of paragraph one of this subdivision do not equal sixty-five percent of the total amount of eligible investment authority sought under the applicant's business plan.

(F) The department has already approved the maximum amount of eligible investment authority and credit-eligible capital contributions allowed under paragraph two of this subdivision.

(4) If the department denies an application under paragraph three of this subdivision, the department shall send notice of its determination of the applicant. The notice shall include the reasons that the application was denied. If the application was denied for any reason other than the reason specified in subparagraph (F) of paragraph three of this subdivision, the applicant may provide additional information to the department to complete, clarify, or cure defects in the application. The additional information must be submitted within thirty days after the date the notice of denial was sent by the department. If the person or entity submits additional information within thirty days, the department shall reconsider the application within thirty days after receiving such additional information. If after submission of additional information, the department approves the application, then the submission date shall be the date of the original submission of the application. If the person or entity does not submit additional information within thirty days after the notice of denial was sent, the applicant may submit a new application with a new submission date at any time.

(5) Of approving multiple simultaneously submitted applications would result in exceeding the overall eligible investment limit prescribed by paragraph two of this subdivision, the department shall proportionally
reduce the eligible investment authority and the credit-eligible capital
contributions for each approved application as necessary to avoid
exceeding the limit.

(6) The department shall not deny a rural business growth fund appli-
cation or reduce the requested eligible investment authority for reasons
other than those described in paragraphs three and five of this subdivi-
sion. If the department approves such application, the department shall
issue all of the following notices: (A) To the applicant, a written
notice certifying that the applicant qualifies as a rural business
growth fund and specifying the amount of the applicant's eligible
investment authority; (B) To each investor whose affidavit was included
in the application, a tax credit certificate specifying the amount of
the investor's credit-eligible capital contribution; (C) To the commis-
sioner, a copy of each tax credit certificate issued under subparagraph
(B) of this paragraph.

(7) A rural business growth fund shall complete all of the following
within sixty days of receiving the certification issued under subpara-
graph (A) of paragraph six of this subdivision:

(A) Collect the credit-eligible capital contributions from each inves-
tor issued a tax credit certificate under subparagraph (B) of paragraph
six of this subdivision;

(B) Collect one or more investments of cash, which shall purchase an
equity interest in the rural growth fund or a debt instrument issued by
the rural growth fund at par value or premium, with a maturity date of
at least five years from the closing date that, when added to the
contributions collected under subparagraph (A) of this paragraph, equal
the fund's eligible investment authority. At least ten percent of the
fund's eligible investment authority shall be comprised of equity
investments contributed by affiliates of the rural business growth fund,
including employees, officers, and directors of such affiliates.

(C) Send to the department documentation sufficient to prove that the
amounts described in subparagraphs (A) and (B) of this paragraph have
been collected. If the rural business growth fund fails to fully comply
with this paragraph, the fund's certification shall lapse.

(8) Eligible investment authority and corresponding credit-eligible
capital contributions that lapse under paragraph seven of this subdivi-
don do not count toward limits on total eligible investment authority
and credit-eligible capital contributions prescribed in paragraph two of
this subdivision. Once eligible investment authority has lapsed, the
department shall first award lapsed authority pro rata to each rural
business growth fund that was awarded less than the requested eligible
investment authority under paragraph five of this subdivision. Any
remaining eligible investment authority may be awarded by the department
to new applicants.

(9) Application fees submitted to the department pursuant to subpara-
graph (F) of paragraph one of this subdivision shall be credited to the
New York agriculture and rural jobs fund, created in section ninety-
nine-bb of the state finance law.

(c) Revocation of certification. (1) The department shall revoke a tax
credit certificate issued under subdivision (b) of this section if any
of the following occur with respect to a rural business growth fund
before the fund exits the program under paragraph five of this subdivi-
sion.

(A) The rural business growth fund in which the credit-eligible capi-
tal contribution was made does not invest sixty percent of its eligible
investment authority in rural growth investments in this state within
two years of the closing date and one hundred percent of its eligible
investment authority in rural growth investments in this state within
three years of the closing date.

(B) After investing one hundred percent of its eligible investment
authority in rural growth investments in this state, the rural business
growth fund fails to maintain that investment until the fifth anniver-
sary of the closing date, including the reinvestment of such investment.
For the purposes of this section, an investment is "maintained" even if
the investment is sold or repaid so long as the rural business growth
fund reinvests an amount equal to the capital returned or recovered by
the fund from the original investment, exclusive of any profits real-
ized, in other rural growth investments in this state within twelve
months of the receipt of such capital. Amounts received periodically by
a rural business growth fund shall be treated as continually invested in
rural growth investments if the amounts are reinvested in one or more
rural growth investments by the end of the following calendar year. A
rural business growth fund is not required to reinvest capital returned
from rural growth investments in the six months immediately preceding
the fifth anniversary of the closing date, and such rural growth invest-
ments shall be considered held continuously by the rural growth fund
through the fifth anniversary of the closing date.

(C) The rural business growth fund invests more than the greater of
seven million five hundred thousand dollars or twenty percent of its
eligible investment authority in the same rural business concern,
including amounts invested in affiliates of the rural business concern
but excluding amounts reinvested in the rural business growth fund with
repaid or redeemed rural business growth investments, provided such
reinvestments shall not count towards the requirement of subparagraph
(A) of this paragraph.

(D) The rural business growth fund makes a rural growth investment in
a rural business concern that directly or indirectly through an affil-
iate owns, has the right to acquire an ownership interest, make a loan
to, or make an investment in the rural business growth fund, an affil-
iate of the rural business growth fund, or an investor in the rural
business growth fund. This paragraph does not apply to investments in
publicly traded securities by a rural business concern or an owner or
affiliate of such concern.

(2) Before taking action under paragraph one of this subdivision, the
department shall notify the rural business growth fund of the reasons
for the pending action. If the rural business growth fund corrects the
violations, other than violations of subparagraph (D) of paragraph one
of this subdivision, outlined in the notice to the satisfaction of the
department within one hundred eighty days of the date of the notice was
sent, the department shall not revoke the tax credit certificates or
levy a fine.

(3) If the department revokes a tax credit certificate under paragraph
one of this subdivision, the commissioner shall make an assessment for
the amount of the credit claimed by the certificate holder before the
certificate was revoked. The commissioner shall make the assessment
within one year after the certificate has been revoked.

(4) If tax credit certificates are revoked under paragraph one of this
subdivision, the associated eligible investment authority and credit-el-
igible capital contributions do not count toward the limit on total
eligible investment authority and credit-eligible capital contributions
described by paragraph two of subdivision (b) of this section. The
department shall first award reverted authority pro rata to each rural
business growth fund that was awarded less than the requested eligible investment authority under paragraph five of subdivision (b) of this section. Any remaining eligible investment authority may be awarded by the department to new applicants.

(5) (A) On or after the fifth anniversary of the closing date, a rural business growth fund that has not committed any of the acts described in paragraph one of this subdivision may apply to the department to exit the program as a rural business growth fund and no longer be subject to regulation under this section. The department shall respond to the application within thirty days after receiving such application. In evaluating such request the fact that no tax credit certificates have been revoked with respect to the rural business growth fund shall be sufficient evidence to prove that the fund is eligible to exit the program. The department shall not unreasonably deny an application submitted under this subdivision.

(B) The department shall send notice of its determination with respect to an application submitted under subparagraph (A) of this paragraph to the rural business growth fund. If the application is denied, the notice shall include the reasons for the determination.

(C) The department shall not revoke a tax credit certificate due to any actions of a rural business growth fund that occur after the date the fund’s application for exiting the program is approved under subparagraph (A) of this paragraph.

(6) If the number of jobs created or retained by the rural business growth fund is:

(A) less than sixty percent of the number projected in the approved rural business growth fund’s business plan filed as part of its application for certification under subdivision (b) of this section, then the state shall receive twenty percent of any distribution or payment to an equity holder in an approved rural business growth fund in excess of the sum of the amount of equity capital invested in the fund by such equity holder and an amount equal to any projected increase in the equity holder’s federal or state tax liability, including penalties and interest, related to the equity holder’s ownership, management, or operation of the fund; or

(B) Greater than sixty percent but less than eighty percent of the number projected in the approved rural business growth fund's business plan filed as part of its application for certification under subdivision (b) of this section, then the state shall receive ten percent of any distribution or payment to an equity holder in an approved rural business growth fund in excess of the sum of the amount of equity capital invested in the fund by such equity holder and an amount equal to any projected increase in the equity holder’s federal or state tax liability, including penalties and interest, related to the equity holder’s ownership, management, or operation of the fund.

(7) A rural business growth fund may, prior to making a rural growth investment, request from the department a written determination as to whether the business entity in which it proposes to invest qualifies as a rural business concern.

(d) Reports. (1) Each rural business growth fund shall submit a report to the department on or before the fifth business day after the second and third anniversaries of the closing date. The report shall provide documentation as to the rural growth investments made by the rural business growth fund. Such documentation shall include the following:
(A) A bank statement of the rural business growth fund displaying each rural growth investment;
(B) The name and location of each rural business concern in which the rural business growth fund has made a rural growth investment, including evidence that the business concern was qualified at the time the investment was made.
(2) On or before the last day of February of each year following the year in which the report required under paragraph one of this subdivision is due, the rural business growth fund shall submit an annual report to the department including the following:
(A) The number of employment positions created or retained as a result of the fund’s rural growth investments as of the last day of the preceding calendar year;
(B) The average annual salary of the positions described in subparagraph (A) of this paragraph;
(C) Any other information required by the department.
(3) The department shall adopt rules necessary to implement this subdivision.
§ 2. Section 1511 of the tax law is amended by adding a new subdivision (dd) to read as follows:

(45) School buses as such term is defined in section one hundred forty-two of the vehicle and traffic law, and parts, equipment, lubricants and fuel purchased and used in their operation.

§ 2. Paragraph a of subdivision 14 of section 305 of the education law, as amended by chapter 273 of the laws of 1999, is amended to read as follows:

a. All contracts for the transportation of school children, all contracts to maintain school buses owned or leased by a school district that are used for the transportation of school children, all contracts for mobile instructional units, and all contracts to provide, maintain and operate cafeteria or restaurant service by a private food service management company shall be subject to the approval of the commissioner, who may disapprove a proposed contract if, in his or her opinion, the best interests of the district will be promoted thereby. Except as provided in paragraph e of this subdivision, all such contracts involving an annual expenditure in excess of the amount specified for purchase contracts in the bidding requirements of the general municipal law shall be awarded to the lowest responsible bidder, which responsibility shall be determined by the board of education or the trustee of a district, with power hereby vested in the commissioner to reject any or all bids if, in his or her opinion, the best interests of the district will be promoted thereby and, upon such rejection of all bids, the commissioner shall order the board of education or trustee of the district to seek, obtain and consider new proposals. All proposals for such transportation, maintenance, mobile instructional units, or cafeteria and restaurant service shall be in such form as the commissioner may prescribe. Advertisement for bids shall be published in a newspaper or newspapers designated by the board of education or trustee of the district having general circulation within the district for such purpose. Such advertisement shall contain a statement of the time when and place where all bids received pursuant to such advertisement will be publicly opened and read either by the school authorities or by a person or persons designated by them. All bids received shall be publicly opened and read at the time and place so specified. At least five days shall elapse between the first publication of such advertisement and the date so specified for the opening and reading of bids. The requirement for competitive bidding shall not apply to an award of a contract for the transportation of pupils or a contract for mobile instructional units, if such award is based on an evaluation of proposals in response to a request for proposals pursuant to paragraph e of this subdivision. The requirement for competitive bidding shall not apply to annual, biennial, or triennial extensions of a contract nor shall the requirement for competitive bidding apply to quadrennial or quinquennial year extensions of a contract involving transportation of pupils, maintenance of school buses
or mobile instructional units secured either through competitive bidding
or through evaluation of proposals in response to a request for
proposals pursuant to paragraph e of this subdivision, when such exten-
sions (1) are made by the board of education or the trustee of a
district, under rules and regulations prescribed by the commissioner,
and, (2) do not extend the original contract period beyond five years
from the date cafeteria and restaurant service commenced thereunder and
in the case of contracts for the transportation of pupils, for the main-
tenance of school buses or for mobile instructional units, that such
contracts may be extended, except that power is hereby vested in the
commissioner, in addition to his or her existing statutory authority to
approve or disapprove transportation or maintenance contracts, (i) to
reject any extension of a contract beyond the initial term thereof if he
or she finds that amount to be paid by the district to the contractor in
any year of such proposed extension fails to reflect any decrease in the
regional consumer price index for the N.Y., N.Y.-Northeastern, N.J.
area, based upon the index for all urban consumers (CPI-U) during the
preceding twelve month period; and (ii) to reject any extension of a
contract after ten years from the date transportation or maintenance
service commenced thereunder, or mobile instructional units were first
provided, if in his or her opinion, the best interests of the district
will be promoted thereby. Upon such rejection of any proposed extension,
the commissioner may order the board of education or trustee of the
district to seek, obtain and consider bids pursuant to the provisions of
this section; and to reject any extension of a contract for transporta-
tion, or new contract, if he or she finds that the amount to be paid by
the district to the contractor in any year of such proposed contract
fails to reflect the savings realized from the sales tax exemption on
school buses, parts, equipment, lubricants and fuel used for school
purposes pursuant to paragraph forty-five of subdivision (a) of section
eleven hundred fifteen of the tax law. The board of education or the
trustee of a school district electing to extend a contract as provided
herein, may, in its discretion, increase the amount to be paid in each
year of the contract extension by an amount not to exceed the regional
consumer price index increase for the N.Y., N.Y.-Northeastern, N.J.
area, based upon the index for all urban consumers (CPI-U), during the
preceding twelve month period, provided it has been satisfactorily
established by the contractor that there has been at least an equivalent
increase in the amount of his or her cost of operation, during the peri-
od of the contract.

§ 3. This act shall take effect immediately; provided, however that
section one of this act shall take effect on the first day of a quarter-
ly sales tax period as set forth in subdivision (b) of section 1136 of
the tax law, next succeeding December 1, 2018; and provided further,
that such exemption shall only apply to contracts executed or extended
after such date. Provided further, that the commissioner of taxation and
finance may take any action necessary for the timely implementation of
this act on or before the date on which it shall have become a law.

"Eligible pupil";
"Local education fund";
"Nonpublic school";
"Public education entity";
"Public school";
"Qualified contribution";
"Qualified educator";

"Scholarship"; and
"School improvement organization".
(b) Allowance of credit. A taxpayer subject to tax under article
nine-A or twenty-two of this chapter shall be allowed credit against
such tax, pursuant to the provisions referenced in subdivision (l) of
this section, with respect to qualified contributions made during the
taxable year.
(c) Amount of credit. For taxpayers whose federal adjusted gross
income is less than three hundred thousand dollars for the taxable year
during which such taxpayer made at least one qualified contribution, the
amount of the credit shall be ninety percent of the taxpayer's total
qualified contributions, capped at eight hundred seventy-five thousand
dollars. For taxpayers whose federal adjusted gross income is greater
than or equal to three hundred thousand dollars for the taxable year
during which such taxpayer made at least one qualified contribution, the
amount of credit shall be seventy-five percent of the taxpayer's total
qualified contributions, capped at eight hundred seventy-five thousand
dollars. A taxpayer that is a partner in a partnership, member of a
limited liability company or shareholder in an S corporation shall be
allowed to claim its pro rata share of the credit earned by the partner-
ship, limited liability company or S corporation, provided that such a
taxpayer shall not claim credit in excess of eight hundred seventy-five
thousand dollars.
(d) Information to be posted on the department's website. The commis-
sioner shall maintain on the department's website a running total of the
amount of available credit for which taxpayers may apply pursuant to
this section. Such running total shall be updated on a daily basis.
Additionally, the commissioner shall maintain on the department's
website a list of the school improvement organizations, local education
funds and educational scholarship organizations approved to issue
certificates of receipt pursuant to article twenty-five of the education
law. The commissioner shall also maintain on the department's website a
list of public education entities, school improvement organizations,
local education funds and educational scholarship organizations whose
approval to issue certificates of receipt has been revoked along with
the date of revocation.
(e) Applications for contribution authorization certificates. Prior to
making a contribution to a public education entity, school improvement
organization, local education fund, or educational scholarship organiza-
tion, the taxpayer shall apply to the department for a contribution
authorization certificate for such contribution. Such application shall
be in the form and manner prescribed by the department. The department may allow taxpayers to make multiple applications on the same form, provided that each contribution listed on such application shall be treated as a separate application and that the department shall issue separate contribution authorization certificates for each such application.

(f) Contribution authorization certificates. 1. Issuance of certificates. The commissioner shall issue contribution authorization certificates in two phases. In phase one, which begins on the first day of January and ends on the thirty-first day of January, the commissioner shall accept applications for contribution authorization certificates. Commencing after the fifth day of February, the commissioner shall issue contribution authorization certificates for applications received during phase one, provided that if the aggregate total of the contributions for which applications have been received during phase one exceeds the amount of the credit cap in subdivision (h) of this section, then phase one of the credit cap application shall be allocated in two steps. In step one, the allocation shall equal the contribution cap divided by the total number of applications for contributions, rounded down to the nearest cent. Each application requesting an amount which is less than or equal to the allocation in step one shall receive the amount on their application for contribution and the difference, which shall be referred to as "excess distributions" for the purposes of this subdivision, shall be available for allocation in step two. Each application requesting an amount which exceeds the allocation in step one shall be allocated credits in step two. In step two, if excess distributions equal zero then each application shall receive the allocation amount from step one, otherwise each application shall receive an amount equal to the sum of the (i) the allocation amount in step one and (ii) a pro rata share of aggregate excess distributions based on the difference between the amount on their application for contribution and the allocation in step one. For the purposes of this subdivision, multiple applications by the same taxpayer shall be treated as one application. If the credit cap is not exceeded, phase two commences on February twentieth and ends on October thirty-first. During phase two the commissioner shall issue contribution authorization certificates on a first-come first serve basis based upon the date the department received the taxpayer's application for such certificate. Contribution authorization certificates for applications received during phase one shall be mailed no later than the twentieth day of February. Contribution authorization certificates for applications received during phase two shall be mailed within five days of receipt of such applications.

2. Contribution authorization certificate contents. Each contribution authorization certificate shall state (i) the date such certificate was issued, (ii) the date by which the authorized contribution listed on the certificate must be made, which shall be no later than December thirty-first of the year for which the contribution authorization certificate was issued, (iii) the amount of authorized contribution, (iv) the certificate number, (v) the taxpayer's name and address, (vi) the name and address of the public education entity, school improvement organization, local education fund or educational scholarship organization to which the taxpayer may make the authorized contribution, and (vii) any other information that the commissioner deems necessary.

scholarship organization has been approved to issue certificates of
receipt pursuant to article twenty-five of the education law. No public
education entity, school improvement organization, local education fund,
or educational scholarship organization shall issue a certificate of
receipt for a contribution made by a taxpayer unless such public educa-
tion entity, school improvement organization, local education fund, or
educational scholarship organization has received notice from the
department that the department issued a contribution authorization
certificate to the taxpayer for such contribution.

2. Timely contribution. If a taxpayer makes an authorized contribution
to the public education entity, school improvement organization, local
education fund, or educational scholarship organization set forth on the
contribution authorization certificate issued to the taxpayer no later
than the date by which such authorized contribution is required to be
made, such public education entity, school improvement organization,
local education fund, or educational scholarship organization shall,
within thirty days of receipt of the authorized contribution, issue to
the taxpayer a certificate of receipt; provided, however, that if the
taxpayer contributes an amount that is less than the amount listed on
the taxpayer's contribution authorization certificate, the taxpayer
shall not be issued a certificate of receipt for such contribution.

3. Certificate of receipt contents. Each certificate of receipt shall
state (i) the name and address of the issuing public education entity,

receipt. Upon the issuance of a certificate of receipt, the issuing
public education entity, school improvement organization, local educa-
tion fund, or educational scholarship organization shall, within thirty
days of issuing the certificate of receipt, provide the department with
notification of the issuance of such certificate in the form and manner
prescribed by the department.

of receipt. Each public education entity, school improvement organiza-

this section regarding the issuance of a contribution authorization
certificate to a taxpayer shall, within thirty days of the expiration
date for such authorized contribution, provide notification to the
department for each taxpayer that failed to make the authorized contrib-

local education fund, or educational scholarship organization in the
form and manner prescribed by the department.

6. Failure to notify the department. Within thirty days of the discov-

to comply with the notification requirements prescribed by paragraphs
four and five of this subdivision, the commissioner shall issue a notice
of compliance failure to such entity, program, fund, or organization.
Such entity, program, fund, or organization shall have thirty days from
the date of such notice to make the notifications prescribed by para-
graphs four and five of this subdivision. Such period may be extended
for an additional thirty days upon the request of the entity, program,
fund, or organization. Upon the expiration of period for compliance set
forth in the notice prescribed by this paragraph, the commissioner shall
notify the commissioner of education that such entity, program, fund, or

of a certificate of receipt shall be added to the cap prescribed in
subdivision (h) of this section for the immediately following year.

(j) Regulations. The commissioner is hereby authorized to promulgate
and adopt on an emergency basis regulations necessary for the implemen-

PART RRR

Section 1. The racing, pari-mutuel wagering and breeding law is amended by adding a new article 15 to read as follows:

ARTICLE 15

INTERACTIVE GAMING
Section 1500. Legislative findings and purpose.

1501. Definitions.
1503. Required safeguards/minimum standards.
1504. Scope of licensing review.
1505. State tax.
1506. Disposition of taxes.

§ 1500. Legislative findings and purpose. The legislature hereby finds and declares that:
1. Under the New York penal law a person engages in gambling when he or she stakes or risks something of value upon the outcome of a contest of chance or a future contingent event not under his or her control or influence, upon an agreement or understanding that he or she will receive something of value in the event of a certain outcome.
2. A contest of chance is defined as any contest, game, gaming scheme or gaming device in which the outcome depends in a material degree upon an element of chance, notwithstanding that skill of the contestants may also be a factor therein. (Subdivision 1 of section 225.00 of the penal law). Thus, games of chance may involve some skill, but in those games the level of skill does not determine the outcome regardless of the degree of skill employed. See People v. Turner, 165 Misc. 2d 222, 224, 629 N.Y.S.2d 661, 662 (Crim. Ct. 1995). On the other hand, where a contest pits the skill levels of the players against each other, New York courts have found a game to be one of skill rather than chance. See People v. Hunt, 162 Misc. 2d 70, 72, 616 N.Y.S.2d 168, 170 (Crim. Ct. 1994) ("Played fairly, skill rather than chance is the material component of three-card monte.");
3. Poker in many instances has been defined as a game of skill and a New York federal court in U.S. v. DiCristina, 886 F. Supp. 2d 164, 224, assessed that under federal law poker was predominantly a game of skill;
4. New York courts have interpreted New York law to apply a more rigorous test in identifying a "contest of chance" than is applied by most states in this nation and the courts have found that where a contest pits the skill levels of the players against each other, those games are games of skill and not games of chance. Furthermore, the courts have not limited the legislature’s ability to determine that certain forms of poker should fall outside the general definition of gambling since those games are games of skill;
5. Texas Hold’em poker involves two cards dealt face down to each player and then five community cards placed face-up by the dealer, a series of three, then two additional single cards, with players determining whether to check, bet, raise or fold after each deal. Omaha Hold’em poker is a similar game, in which each player is dealt four cards and makes his or her best hand using exactly two of them, plus exactly three of the five community cards. These games are considered to be complex forms of poker which involve player strategy and decision-making and which pit the skill levels of the players against each other. As games of skill, these forms of poker do not fall under the definition of gambling as prohibited by the penal law; and
6. The legislature further finds that as the internet has become an integral part of society, and internet poker a major form of entertainment for many consumers, any interactive gaming enforcement and regulatory structure must begin from the bedrock premise that participation in a lawful and licensed gaming industry is a privilege and not a right, and that regulatory oversight is intended to safeguard the
integrity of the games and participants and to ensure accountability and
the public trust.
§ 1501. Definitions. As used in this article, the following terms
shall have the following meanings:
1. "Authorized game" means Omaha Hold'em and Texas Hold'em poker, as
well as any other poker game that the commission determines is the mate-

present in this state when placing a wager or who otherwise are permit-
ted by applicable law, as determined by the commission, to place a

which a wager is initiated, received or otherwise made.

the United States or of each state in which persons making such wager

used and the components employed by an establishment to facilitate the
transmission of information, including, without limitation, transmission
and reception by systems based on wire, cable, radio, microwave, light,

internet and intranets.
8. "Interactive gaming gross revenue" means the total of all sums paid
to a licensee from interactive gaming involving authorized participants,
less only the total of all sums paid out as winnings to patrons and
promotional gaming credits; provided, however, that the cash equivalent
value of any merchandise or other non-cash thing of value included in a contest or tournament shall not be included in the total of all sums paid out as winnings to players for purposes of determining interactive gaming gross revenue.

(a) Neither amounts deposited with a licensee for purposes of interactive gaming nor amounts taken in fraudulent acts perpetrated against a licensee for which the licensee is not reimbursed shall be considered to have been "paid" to the licensee for purposes of calculating interactive gaming gross revenue.

(b) "Promotional gaming credit" includes bonuses, promotions and any amount received by a licensee from a patron for which the licensee can demonstrate that it or its affiliate has not received cash.

9. "Interactive gaming platform" means the combination of hardware, software and data networks used to manage, administer or control wagers on interactive gaming or the games with which those wagers are associated.

11. "Licensee" means a person who is licensed by the commission to offer interactive gaming, using an interactive gaming platform to authorized participants. A licensee may utilize multiple interactive gaming platforms provided that each platform is approved by the commission.

12. "Omaha Hold'em poker" means the poker game marketed as Omaha Hold'em poker or Omaha poker in which each player is dealt four cards and must make his or her best hand using exactly two of them, plus exactly three of the five community cards.

13. "Significant vendor" means any person who offers or who proposes to offer any of the following services with respect to interactive gaming: (a) a core function; (b) sale, licensing or other receipt of compensation for selling or licensing a database or customer list of individuals residing in the United States selected in whole or in part because they placed wagers or participated in gambling games with or through an internet website or operator (or any derivative of such a database or customer list); (c) provision of any trademark, tradename, service mark or similar intellectual property under which a licensee or significant vendor identifies interactive games to customers; or (d) provision of any product, service or asset to a licensee or significant vendor in return for a percentage of interactive gaming revenue (not including fees to financial institutions and payment providers for facilitating a deposit or withdrawal by an authorized participant). The term "significant vendor" shall not include a provider of goods or services to a licensee that are not specifically designed for use and not principally used in connection with interactive gaming.

14. "Texas Hold'em poker" means the type of poker marketed as Texas Hold'em poker that involves two cards being dealt face down to each player and then five community cards being placed face-up by the dealer, a series of three then two additional single cards, with players having the option to check, bet, raise or fold after each deal.

§ 1502. Authorization. 1. unfair competitive advantage.

tive gaming that is offered to persons located in this state unless
licensed by the commission pursuant to this article and only those games

5. License applicants may form a partnership, joint venture or other
contractual arrangement in order to facilitate the purposes of this
article.
6. Any person found suitable by the commission may be issued a license

it owned, in whole or in significant part, or controlled:
(A) knowingly and willfully accepted or made available wagers on

state in which persons making such wagers were located; or
  (B) knowingly facilitated or otherwise provided services with respect

  (ii) has purchased or acquired, directly or indirectly, in whole or in
significant part, a person described in subparagraph (i) of this para-
graph or will use that person or a covered asset in connection with

that period.

shall remain in effect for ten years.
  10. The commission, by regulation, may authorize and promulgate any
rules necessary to implement agreements with other states, or authorized
agencies thereof (a) to enable patrons in those states to participate in
interactive gaming offered by licensees under this article or (b) to
enable patrons in this state to participate in interactive gaming
offered by licensees under the laws of those other states, provided that
such other state or authorized agency applies suitability standards and
review materially consistent with the provisions of this article.

  12. The commission may delegate its responsibilities to administer the
provisions of this article to the division, as it sees fit, except for
its responsibilities to approve licenses.
§ 1503. Required safeguards/minimum standards. The commission shall
require licensees to implement measures to meet the standards set out in
this section, along with such other standards that the commission in its
discretion may choose to require.

(d) Appropriate safeguards to ensure, to a reasonable degree of certainty, that the interactive gaming is fair and honest and that appropriate measures are in place to deter, detect and, to the extent reasonably possible, to prevent cheating, including collusion, and use of cheating devices, including use of software programs (sometimes referred to as "bots") that make bets or wagers according to algorithms.

(e) Appropriate safeguards to minimize compulsive gaming and to provide notice to participants of resources to help problem gamblers.

(f) Appropriate safeguards to ensure participants' funds are held in accounts segregated from the funds of licensees and otherwise are protected from corporate insolvency, financial risk or criminal or civil actions against the licensee.

§ 1504. Scope of licensing review. 1. In connection with any license issued pursuant to this article, the licensee, significant vendor or applicant shall identify and the commission shall review the suitability of such licensee's, significant vendor's or applicant's owner, chief executive officer, chief financial officer and any other officer or employee who the commission deems is significantly involved in the management or control of the licensee, significant vendor or applicant or of the interactive gaming platform. "Owner" for purposes of this provision means any person who directly or indirectly holds any beneficial or ownership interest in the applicant of five percent or greater or any amount of ownership that the commission determines to be significant ownership of the licensee, significant vendor, or applicant.

2. Institutional investors are subject to the provisions set out in this section.

(a) An institutional investor holding under twenty-five percent of the equity securities of a licensee's or significant vendor's (or applicant's) holding or intermediary companies, shall be granted a waiver of any investigation of suitability or other requirement if such securities are those of a corporation, whether publicly traded or privately held, and its holdings of such securities were purchased for investment purposes only and it files a certified statement to the effect that it has no intention of influencing or affecting the affairs of the issuer, the licensee (or significant vendor or applicant, as applicable) or its holding or intermediary companies; provided, however, that it shall be permitted to vote on matters put to the vote of the outstanding security holders. The commission may grant such a waiver to an institutional investor holding a higher percentage of such securities upon a showing of good cause and if the conditions specified above are met. Any institutional investor granted a waiver under this paragraph which subsequently determines to influence or affect the affairs of the issuer shall provide not less than thirty days' notice of such intent and shall file with the commission a request for determination of suitability before taking any action that may influence or affect the affairs of the issuer; provided, however, that it shall be permitted to vote on matters put to the vote of the outstanding security holders. If an institutional investor changes its investment intent, or if the commission finds reasonable cause to believe that the institutional investor may be found unsuitable, no action other than divestiture shall be taken by such investor with respect to its security holdings until there has been
compliance with any requirements established by the commission, which
may include the execution of a trust agreement. The licensee (or signif-
icant vendor or applicant, as applicable) and its relevant holding,
intermediary or subsidiary company shall notify the commission imme-
diately of any information about, or actions of, an institutional inves-
tor holding its equity securities where such information or action may
impact upon the eligibility of such institutional investor for a waiver
pursuant to this paragraph.

(b) If at any time the commission finds that an institutional investor
holding any security of a holding or intermediary company of a licensee
or significant vendor or applicant, or, where relevant, of another
subsidiary company of a holding or intermediary company of a licensee or
significant vendor or applicant which is related in any way to the

11. The commission may perform audits of the books and records of a
casino, at such times and intervals as it deems appropriate, for the
purpose of determining the sufficiency of tax payments. If a return
required with regard to obligations imposed is not filed, or if a return
when filed or is determined by the commission to be incorrect or insuf-

providing notice in the form and manner as the commission may require.
Upon receiving such notice, the commission shall review the request in
good faith, seek input from the casinos on such a request, and if the
commission deems it appropriate, promulgate regulations to restrict such
sports wagering. If the commission denies a request, the sports govern-

proof in opposition to such determination in accordance with the regu-

restrictions promulgated by the commission is a violation of this
section. In the event that the request is in relation to an emergency
situation, the executive director of the commission may temporarily
prohibit the specific wager in question until the commission has the
opportunity to issue temporary regulations addressing the issue.

15. (a) The commission shall designate the division of the state

available for purchase by the casinos. A sports governing body may noti-
fy the commission that it desires to require casinos to use official
league data in sports wagering involving specific tier three sports
wagers by providing notice in the form and manner as the commission may
require. Upon receiving such notice, the commission shall review the
request, seek input from the casinos on such a request, and if the
commission deems it appropriate, promulgate regulations to require casi-

nos to use official league data on sports wagering involving such tier
three sports wagers if the relevant sports governing body possesses a
feed of official league data, and makes such feed available for purchase
by the casinos. No casino shall enter into an agreement with a sports

data.

location of the bet, including IP address if applicable, the outcome of
the bet, records of abnormal betting activity, and video camera
recordings in the case of in-person wagers for at least three years
after the sporting event occurs and make such data available for
inspection upon request of the commission or as required by court order.

(b) If a sports governing body has notified the commission that real-
time information sharing for wagers placed on sporting events is neces-

sary and desirable, casinos shall share in real time, at the account-
level, and in pseudonymous form, the information required to be retained
pursuant to paragraph (a) of this subdivision (other than video files) with the commission, and the commission shall share in real time the information with the sports governing body or its designee with respect to wagers on its sporting events.

PART FFFF

Section 1. This act shall be known and may be cited as the "local government jobs and revenue protection act of 2018."

§ 2. Legislative intent. New York state, New York city and county governments throughout the state are the recipients of hundreds of millions of dollars each year under the master settlement agreement. The total of all master settlement payments to these governments over the years has so far exceeded fourteen billion dollars. These funds are vitally important and any disruption in these payments would put the recipients at financial risk. The legislature hereby finds that it is in the public interest to enact the "local government jobs and revenue protection act of 2018" in order to continue the flow of these funds to the state and local governments which depend on this revenue during the appeal of a judgement against master settlement agreement signatories, affiliates, successors and non-participating manufacturers.

§ 3. The civil practice law and rules is amended by adding a new section 5519-a to read as follows:

§ 5519-a. Stay of enforcement for tobacco product master settlement agreement participating or non-participating manufacturers or their successors or affiliates. (a) In civil litigation under any legal theory involving a participating manufacturer or a non-participating manufacturer, as those terms are defined in the master settlement agreement, or any of their successors or affiliates, the undertaking required during the pendency of all appeals or discretionary reviews by any appellate courts in order to stay the execution of any judgment or order granting legal, equitable or other relief during the entire course of appellate review, including review by the United States supreme court, shall be set pursuant to the applicable provisions of law or court rules; provided, however that the total undertaking required of all appellants collectively shall not exceed two hundred fifty million dollars, regardless of the value of the judgment appealed.

(b) Notwithstanding the provisions of subdivision (a) of this section, upon proof by a preponderance of the evidence, by an appellee, that an appellant is dissipating assets outside the course of ordinary business to avoid payment of a judgment, a court may require the appellant to post a bond in an amount up to the total amount of the judgement.

§ 4. This act shall take effect on the thirtieth day after it shall have become a law, and shall apply to any cause of action pending on or filed on or after such effective date.

PART GGGG

Section 1. Section 1261 of the tax law is amended by adding a new subdivision (h) to read as follows:

year, whichever shall be less, in each borough of such city shall be deposited into a separate account by the commissioner with the moneys in each such account being expended solely for the purpose of promoting tourism in the borough to which each account relates. The moneys in each account shall be made available for tourism promotion purposes, exclusive of administrative expenses, to an entity designated by the borough president and approved by the department of economic development as responsible for tourism promotion in the borough.

§ 2. This act shall take effect on the first of January next succeeding the date on which it shall have become a law.

§ 2. Severability clause. If any clause, sentence, paragraph, subdivision, section or part of this act shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part thereof directly involved in the controversy in which such judgment shall have been rendered. It is hereby declared to be the intent of the legislature that this act would have been enacted even if such invalid provisions had not been included herein.

§ 3. This act shall take effect immediately provided, however, that the applicable effective date of Parts A through GGGG of this act shall be as specifically set forth in the last section of such Parts.
