

STATE OF NEW YORK

7733

IN SENATE

February 14, 2018

Introduced by Sens. HAMILTON, KLEIN -- read twice and ordered printed,
and when printed to be committed to the Committee on Agriculture

AN ACT to amend the agriculture and markets law, in relation to expanding the production of fresh fruits and vegetables by community gardens; to amend the general city law, the town law, the village law, the general municipal law and the highway law, in relation to directing the state and municipalities to develop more and safer bike lanes and multiple use trails so as to encourage more physical activity and to reduce carbon emissions; and to amend the parks, recreation and historic preservation law, in relation to directing the office of parks, recreation and historic preservation to develop more and safer multiple use trails in state parks in and throughout the state

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 31-f of the agriculture and markets law, as added
2 by chapter 528 of the laws of 2013, is amended to read as follows:

3 § 31-f. Legislative findings. The legislature hereby finds and
4 declares that community gardens provide significant health, educational
5 and social benefits to the general public, especially for those who
6 reside in urban and suburban areas of this state. Furthermore, it is the
7 articulated public policy of this state to promote and foster growth in
8 the number of community gardens and the acreage of such gardens. The
9 community garden movement continues to provide low cost food that is
10 fresh and nutritious for those who may be unable to readily afford or
11 have easy access to fresh fruits and vegetables for themselves or their
12 families, promotes public health and healthier individual lifestyles by
13 encouraging better eating habits and increased physical activity by
14 growing their own food, fosters the retention and expansion of open
15 spaces, particularly in urban environments, enhances urban and suburban
16 environmental quality and community beautification, provides inexpensive
17 community building activities, recreation and physical exercise for all
18 age groups, establishes a safe place for community involvement and helps
19 to reduce the incidence of crime, engenders a closer relationship
20 between urban residents, nature and their local environment, and fosters

19 amended to read as follows:

20 (a) The goals of the task force may include, but are not limited to,
21 the study, evaluation and development of recommendations: (i) to encour-
22 age the establishment and expansion of community gardens by state agen-
23 cies, municipal governments and private parties, (ii) to encourage coop-
24 eration between the activities and operations of community gardens and
25 provision of donated food to local voluntary food assistance programs
26 for the poor and disadvantaged, (iii) to increase the benefits that
27 community gardens may provide to the local community in which they are
28 located, ~~[and]~~ (iv) to encourage cooperation with community-based organ-
29 izations to increase the opportunities for seniors, those aged sixty
30 years of age or older, to participate in community gardens, and (v) to
31 encourage the expansion of the production of fresh fruits and vegetables
32 in areas served by community gardens so that such fresh produce can be
33 consumed locally to help encourage healthier life styles and wellness,
34 and to help reduce the incidence of adult and childhood obesity.

35 § 4. 1. Subdivision 4 of section 28-a of the general city law is
36 amended by adding a new paragraph (j-1) to read as follows:

37 (j-1) Specific policies and strategies to develop more and safer bike
38 lanes and multiple use trails so as to encourage more physical activity
39 and reduce carbon emissions.

40 § 5. Subdivision 3 of section 272-a of the town law is amended by
41 adding a new paragraph (j-1) to read as follows:
