

STATE OF NEW YORK

7779

IN SENATE

February 22, 2018

Introduced by Sen. PERALTA -- read twice and ordered printed, and when printed to be committed to the Committee on Transportation

AN ACT to amend the public authorities law, in relation to requiring the metropolitan transportation authority to implement certain standards pertaining to applying and removing coatings from bridges, trestles, elevated subway and railway tracks and stations

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 1266 of the public authorities law is amended by
2 adding a new subdivision 19 to read as follows:

3 19. The authority shall require that all contractors and employees
4 engaged in the application and maintenance of paint and coatings on
5 bridges, trestles, elevated subway tracks, elevated subway stations,
6 elevated railway tracks and elevated railway stations be certified by
7 the society for protective coatings painting contractor certification
8 program to standards QP-1, QP-2 and ACS-1. The application and removal
9 of all paint and coatings on authority property, facilities and assets
10 shall be performed in accordance with society for protective coatings
11 standards QP-1, QP-2 and ACS-1.

12 § 2. This act shall take effect immediately.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
