§ 2815. Office of safe schools. There is hereby created within the 4 department the office of safe schools ("the office"). The office shall 5 serve as a central repository for best practices, training standards, and compliance oversight in all matters regarding school safety and security, including prevention efforts, intervention efforts, and emergency preparedness planning. The office shall:

- 9 1. establish and update as necessary a school security risk assessment 10 tool for use by school districts. The office shall make the security 11 risk assessment tool available for use by charter schools;
- 2. provide ongoing professional development opportunities to school 12 district personnel; 13
- 3. provide a coordinated and interdisciplinary approach to providing 14 15 technical assistance and quidance to school districts on safety and 16 security and recommendations to address findings;
- 4. develop and implement a school safety specialist training program 18 for school safety specialists appointed by school districts. The office shall develop the training program based on national and state best practices on school safety and security and must include active shooter training. The office shall develop training modules in both traditional 22 and online formats. A school safety specialist certificate of completion shall be awarded to a school safety specialist who satisfactorily 24 completes the training required by rules of the office;
- 5. review and provide recommendations on the security risk assess-25 26 ments. The department may contract with security personnel, consulting 27 engineers, architects, or other safety and security experts the department deems necessary for safety and security consultant services;

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.
