## IN SENATE

March 14, 2018

Introduced by Sen. AVELLA -- read twice and ordered printed, and when printed to be committed to the Committee on Judiciary

AN ACT to amend the eminent domain procedure law, in relation to designating blighted property and blighted areas; to amend the New York state urban development corporation act, in relation to the definition of blight and substandard or insanitary area; and to amend the general municipal law and the New York state urban development and research corporation act, in relation to substandard and insanitary areas

## The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 103 of the eminent domain procedure law is amended 1 2 by adding a new subdivision (H) to read as follows: (H) "Blighted property" and "blighted area" means property that is 3 4 declared blighted under section two hundred four-a of this chapter. § 2. Subdivision (B) of section 204 of the eminent domain procedure 5 б law is amended by adding a new closing paragraph to read as follows: A condemnor shall not take action against a property or area when the 7 8 public use, benefit, or purpose to be served by the proposed public 9 project is to remedy blight, unless such property or area satisfies the 10 definition of "blighted property or blighted area" as defined by section two hundred four-a of this article. The condemnor shall include such 11 12 findings in its determination and findings pursuant to this subdivision 13 in order to take action against an area or property to remedy blight. 14 § 3. The eminent domain procedure law is amended by adding a new 15 section 204-a to read as follows: § 204-a. Blighted property and blighted areas. (A) Subject to the 16 17 exceptions listed in paragraph two of subdivision (B) of this section, 18 any single property may be declared blighted if: 19 (1) (a) (I) The property is unfit for human habitation due to iden-20 tifiable conditions that endanger the life, health and safety of the owners, occupants, or general public. Conditions rendering property 21 unfit for human habitation include, but are not limited to, structural 22 23 defects, dilapidation, deterioration, vermin infestation, health

2	<u>systems of utilities, or inadequate maintenance; or</u>
3	(II) The property has deteriorated to the point where:
4	1. the building is structurally unsound or poses an immediate threat
5	to life or other property; or
6	2. the cost of rehabilitation significantly exceeds the post-rehabili-
7	tation market value.
8	(b) The owner fails to remedy subparagraph (a) of this paragraph with-
9	in a reasonable time after receiving notice of violation by the appro-
10	priate governing body requiring the owner to:
11	(I) rehabilitate the building to conform to minimum code habitability
12	requirements; or
13	(II) demolish the building for health and safety reasons.
14	(2) The property is abandoned. Property shall be deemed abandoned if:
15	(a) Property is unoccupied and has been tax delinguent for at least
16	<u>two years; or</u>
17	(b) A building is unoccupied by the owner or tenants, is unfit for
18	human habitation, and has deteriorated to the point where:
19	(I) The building is structurally unsound or poses an immediate threat
20	to life or other property; or
21	(II) The cost of rehabilitation significantly exceeds the post-rehabi-
22	litation market value; and
23	(III) The owner is unknown or the owner fails to respond within six
24	months to a violation notice from the appropriate governing body requir-
25	ing the owner to:
26	1. rehabilitate the building to conform to minimum habitability
27	<u>requirements; or</u>
28	2. demolish the building for health and safety reasons.
29	(3) A vacant lot on which a building has been demolished and for which
30	a municipal lien for demolition costs remains unpaid for six months.
31	(4) Property that is environmentally contaminated requiring remedi-
32	ation for current or future use under state or federal law, if the owner
33	fails to remedy the problem within six months of receiving notice of
34	violation from the appropriate governing body.
35	(5) A premises which, because of physical condition or use, is
36	regarded as a public nuisance at common law or has been declared a
37	public nuisance under a statute or an applicable municipal code, and the
38	owner fails to abate the nuisance within six months of receiving notice
39	of violation from the appropriate governing body.
40	(6) Defective or unusual conditions of title that make the free trans-
41	fer or alienation of the property impossible.
42	(7) Property that is occupied or unoccupied has tax delinquencies
43	exceeding the value of the property.
44	(B) Notwithstanding the provisions of subdivision (A) of this section,
45	the following exceptions shall apply:
46	(1) Property shall in no case be declared blighted if it meets one or
47	more of the following criteria:
48	(a) Vacant and unimproved property located in any rural or suburban
49	area which is not served by existing utilities.
50	(b) Property which satisfies the definition of "farm woodland", "land
51	used in agricultural production", "unique and irreplaceable agricultural
52 52	land", or "viable agricultural land", as those terms are defined in
53 E4	section three hundred one of the agriculture and markets law.
54 55	(2) For purposes of this section, if a developer or condemner involved
55	in a redevelopment project has caused or brought about by action or
56	inaction or maintained for more than seven years a condition listed in

S. 7968

1	subdivision (A) of this section within the proposed project area, that
2	condition may not be used in the determination of blight.
3	(3) For purposes of this section, if property located in an urbanized
4	area generally served by municipal infrastructure and utilities meets
5	one or more of the conditions listed in subdivision (A) of this section
б	due to failure on the part of the appropriate governing body to provide
7	necessary utility services and/or infrastructure, that condition may not
8	be used in the determination of blight.
9	(C) Multiple properties and project areas may be declared blighted.
10	(1) A condemner may use eminent domain to acquire any unit of property
11	within a blighted project area.
12	(2) For purposes of acquiring multiple units of property by eminent
13	domain, an area may be declared generally blighted only if a majority of
14	the individual parcels in the area are declared blighted under subdivi-
15	sion (A) of this section and represent a majority of the geographic area
16	of the project.
17	(3) Properties owned by a developer or condemner involved in a rede-
18	velopment project may be included in any blighted project area determi-
19	nation.
20	(D) For purposes of this section, a building containing multiple units
21	<u>shall be treated as a single property.</u>
22	(E) Before a property may be declared blighted pursuant to this
23	section, the condemner shall:
24	(1) In the case of a single property, make written findings identify-
25	ing the specific conditions which render the property blighted under
26	subdivision (A) of this section;
27	(2) In the case of multiple properties or project areas, make written
28	findings demonstrating that the conditions of subdivision (C) have been

The term "substandard or insan-18 itary area" shall mean and be interchangeable with a [ $slum_7$ ] blighted[ $_7$ 19 deteriorated or deteriorating] area, or an area which has a blighting 20 influence on the surrounding area, whether residential, non-residential, 21 commercial, industrial, vacant or land in highways, waterways, railway and subway tracks and yards, bridge and tunnel approaches and entrances, 22 or other similar facilities, over which air rights and easements or 23 other rights of user necessary for the use and development of such air 24 25 rights, to be developed as air rights sites for the elimination of the 26 blighting influence, or any combination thereof and may include land, 27 buildings or improvements, or air rights and concomitant easements or other rights of user necessary for the use and development of such air 28 29 rights not in themselves substandard or insanitary. 30 § 7. The second and the sixth undesignated paragraphs of section 2 of 31 section 1 of chapter 174 of the laws of 1968, constituting the New York state urban development corporation act, are amended to read as follows: 32 33 It is further found and declared that there exist in many munici-34 palities within this state residential, nonresidential, commercial, 35 industrial or vacant areas, and combinations thereof, which are [<del>slum</del> 36 **or**] blighted, or which are becoming [**slum or**] blighted areas because of 37 substandard[7] or insanitary conditions, [deteriorated or deteriorating conditions, including obsolete and dilapidated buildings and structures, 38 defective construction, outmoded design, lack of proper sanitary facili-39 ties or adequate fire or safety protection, excessive land coverage, 40 41 insufficient light and ventilation, excessive population density, illegal uses and conversions, inadequate maintenance, buildings abandoned or 42 not utilized in whole or substantial part, obsolete systems of utili-43 44 ties, poorly or improperly designed street patterns and intersections, 45 inadequate access to areas, traffic congestion hazardous to the public 46 safety, lack of suitable off-street parking, inadequate loading and unloading facilities, impractical street widths, sizes and shapes, 47 blocks and lots of irregular form, shape or insufficient size, width or 48 depth, unsuitable topography, subsoil or other physical conditions, all 49 50 of ] which hamper or impede proper and economic development of such areas 51 and which impair or arrest the sound growth of the area, community or 52 municipality, and the state as a whole. 53 It is further declared to be the policy of the state to promote the 54 safety, health, morals and welfare of the people of the state and to erated or deteriorating] conditions, factors and characteristics by the clearance, replanning, reconstruction, redevelopment, rehabilitation, restoration or conservation of such areas, and of areas reasonably accessible thereto the undertaking of public and private improvement programs related thereto, including the provision of educational, recreational and cultural facilities, and the encouragement of participation in these programs by private enterprise.

8 § 8. Paragraph (d) of subdivision 6 of section 16-n of section 1 of 9 chapter 174 of the laws of 1968, constituting the New York state urban 10 development corporation act, as added by section 2 of part C-2 of chap-11 ter 109 of the laws of 2006, is amended to read as follows:

12 (d) A municipality that is granted an award or awards under this section shall provide a matching contribution of no less than ten 13 14 percent of the aggregated award or awards amount. Such matching contrib-15 ution may be in the form of a financial and/or in kind contribution. 16 Financial contributions may include grants from federal, state and local 17 entities. In kind contributions may include but shall not be limited to 18 the efforts of municipalities to conduct an inventory and assessment of 19 vacant, abandoned, surplus, and condemned[, and deteriorated] properties 20 and to manage and administer grants pursuant to subdivisions four and 21 five of this section.

22 § 9. Section 501 of the general municipal law, as added by chapter 402 23 of the laws of 1961, is amended to read as follows:

24 § 501. Policy and purposes of article. There exist in many munici-25 palities within this state residential, non-residential, commercial, 26 industrial or vacant areas, and combinations thereof, which are [ 27 **or**] blighted, or which are becoming [**slum or**] blighted areas because of 28 substandard[7] or insanitary[7 deteriorated or deteriorating] conditions, factors, and characteristics, with or without tangible physical 29 30 blight. The existence of such areas constitutes a serious and growing 31 menace, is injurious to the public safety, health, morals and welfare, 32 contributes increasingly to the spread of crime, juvenile delinquency 33 and disease, necessitates excessive and disproportionate expenditures of 34 public funds for all forms of public service and constitutes a negative 35 influence on adjacent properties impairing their economic soundness and 36 stability, thereby threatening the source of public revenues.

37 In order to protect and promote the safety, health, morals and welfare 38 of the people of the state and to promote the sound growth and develop-39 ment of our municipalities, it is necessary to correct such substandard, insanitary, or blighted[, deteriorated or deteriorating] conditions, 40 factors and characteristics by the clearance, replanning, 41 recon-42 struction, redevelopment, rehabilitation, restoration or conservation of 43 such areas, the undertaking of public and private improvement programs 44 related thereto and the encouragement of participation in these programs 45 by private enterprise.

46 It is necessary for the accomplishment of such purposes to grant muni-47 cipalities of this state the rights and powers provided in this article. The use of such rights and powers to correct such conditions, factors 48 and characteristics and to eliminate or prevent the development and 49 spread of [deterioration and] blight through the clearance, replanning, 50 51 reconstruction, rehabilitation, conservation or renewal of such areas, 52 for residential, commercial, industrial, community, public and other 53 uses is a public use and public purpose essential to the public inter-54 est, and for which public funds may be expended.

§ 10. Subdivision 4 of section 502 of the general municipal law, 1 as 2 amended by chapter 748 of the laws of 1967, is amended to read as 3 follows: 4 "Substandard or insanitary area." The term "substandard or insani-4. 5 tary area" shall mean and be interchangeable with a  $[\frac{1}{2}]$  blighted  $[\frac{1}{2}]$ б deteriorated or deteriorating] area, or an area which has a blighting influence on the surrounding area, whether residential, non-residential, 7 8 commercial, industrial, vacant, or land in highways, railway and subway 9 tracks, bridge and tunnel approaches and entrances, or other similar 10 facilities, over which air rights and easements or other rights of user 11 necessary for the use and development of such air rights, to be developed as air rights sites for the elimination of the blighting influence, 12 13 or any combination thereof and may include land, buildings or improve-14 ments, or air rights and concomitant easements or other rights of user 15 necessary for the use and development of such air rights, not in them-16 selves substandard or insanitary, the inclusion of which is deemed necessary for the effective undertaking of one or more urban renewal 17 18 programs. 19 § 11. Paragraph (a) of subdivision 5 of section 510 of the general 20 municipal law, as amended by chapter 829 of the laws of 1968, is amended 21 to read as follows: 22 (a) Notwithstanding anything contained in this article to the contra-23 ry, the commissioner may in the name of the state, within appropriations 24 heretofore or hereafter made for state capital grants to assist in 25 carrying out one or more local urban renewal programs, make or contract 26 to make state capital grants to municipalities to assist in financing 27 the cost of the preparation and completion of one or more community 28 renewal programs. 29 A community renewal program may include, without being limited to (1) 30 the identification of [slum areas or] blighted[, deteriorated, or dete-31 **riorating**] areas in the community, (2) the measurement of the nature and 32 degree of blight and blighting factors within such areas, (3) determi-33 nation of the financial, relocation, and other resources needed and available to renew such areas, (4) the identification of potential 34 project areas and, where feasible, types of urban renewal action contem-35 36 plated within such areas, and (5) scheduling or programming of urban 37 renewal activities. 38 § 12. Section 520 of the general municipal law, as added by chapter 402 of the laws of 1961, is amended to read as follows: 39 40 § 520. Construction. This article shall be construed liberally to effect the purposes hereof and the enumeration of specific powers in 41 42 this act shall not operate to restrict the meaning of any general grant 43 of power contained in this chapter or to exclude other powers comprehended in such general grant. In construing this chapter consideration 44 45 shall be given to its purposes and intent, among others, of consolidat-46 ing, clarifying and simplifying the respective provisions of the chap-47 ters repealed as hereinafter specified in section five hundred twenty-48 five hereof and of authorizing municipalities to undertake one or more programs of urban renewal with respect to the clearance, replanning, 49 50 reconstruction, rehabilitation, redevelopment, conservation, restoration or improvement of substandard, insanitary, [slum,] or blighted[, deteri-51 orated or deteriorating] residential, non-residential, improved or 52 53 vacant areas, or the remedying of unsuitable topographical, subsoil or 54 other physical conditions which tend to impede the development of such 55 areas, for residential, commercial, industrial, community, public and 56 other uses and to apply for and accept federal or state loans, subsidies

or grants in connection therewith. Insofar as the provisions of this
article are inconsistent with the provisions of any other general,
special or local law, the provisions of this article shall be control ling.

§ 13. The third undesignated paragraph of section 2 of section 1 of chapter 173 of the laws of 1968, constituting the New York state urban development and research corporation act, is amended to read as follows: The legislature hereby declares it to be the policy of this state to provide an adequate supply of safe and sanitary dwelling accommodations; to increase job opportunities and protect against involuntary unemployment and underemployment by promoting, attracting, stimulating and revi-

12 talizing business, commerce, industry and manufacturing in the urban 13 areas of the state; and to arrest the spread of [deterioration and] 14 blight and promote the economic and physical development of such areas 15 through the construction, reconstruction, rehabilitation and improvement 16 of residential, commercial and industrial structures and facilities 17 therein.

18 § 14. This act shall take effect immediately.
