Introduced by Sen. ALCANTARA -- read twice and ordered printed, and when printed to be committed to the Committee on Codes

AN ACT to amend the criminal procedure law, in relation to establishing gun court calendars in the criminal courts

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

(1) There has been significant growth in the use of firearms in the commission of violent crimes.

(2) Many of the shootings are drug or gang related and endanger law abiding citizens.

(5) In order to deter the use of firearms in the commission of violent crimes, and to protect the law abiding public, there must be swift disposition of gun related offenses in our courts, and there must be the certain prospect of prison terms for those who are convicted of such crimes.

It is therefore declared to be the policy of the state of New York to provide maximum safety and security to its people from unlawful gun related violence and intrusion upon their persons and property by expediting the processing and disposition of such cases and, unless otherwise provided, imposing prison terms that must be served.

To accomplish this purpose in an effort to minimize delay in the processing of criminal cases in this state relating to the illegal possession and use of guns and other dangerous weapons there shall be
