Introduced by Sens. AMEDORE, HANNON, AKSHAR, JACOBS -- read twice and ordered printed, and when printed to be committed to the Committee on Alcoholism and Drug Abuse

AN ACT to amend the mental hygiene law, in relation to directing the office of alcoholism and substance abuse services to provide an ombudsman for substance use disorder insurance coverage

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 19.07 of the mental hygiene law is amended by
2 adding a new subdivision (l) to read as follows:

3 (l) (1) The office shall establish, either directly or through
4 contract, an ombudsman for substance use disorder insurance coverage.
5 Such ombudsman shall have expertise in substance use disorder treatment
6 and advocacy, experience with insurance coverage requirements, and such
7 other qualifications as shall be determined by the commissioner, in
8 consultation with the superintendent of financial services.

9 (2) The ombudsman for substance use disorder insurance coverage shall:

10 (i) identify, accept, investigate, refer and resolve complaints that
11 are made by or on behalf of consumers relative to health insurance
12 coverage of and access to initial and continuing substance use disorder
13 care, including medication assisted treatment, both inpatient and outpa-
14 tient;

15 (ii) accept, investigate, refer and resolve complaints that are made
16 by treatment providers relative to health insurance coverage of and
17 reimbursement for initial or continuing substance use disorder care,
18 including medication assisted treatment, both inpatient and outpatient;

19 (iii) accept, investigate, refer and resolve complaints that are made
20 by or on behalf of consumers or by providers relative to network adequa-
21 cy for access to and continuing substance use disorder care, including
22 medication assisted treatment, both inpatient and outpatient; and

23 (iv) make recommendations to the commissioner and the superintendent
24 of financial services biennially beginning October first, two thousand
25 nineteen, on regulatory and/or statutory changes necessary to ensure
26 access to appropriate care, and such recommendations shall be shared
