20 2. Liability. a. The operator of a vehicle shall be liable for the
21 finances or penalties imposed pursuant to this article. Except as otherwise
22 provided in paragraphs b and e of this subdivision, the owner of the
23 vehicle, even if not the operator thereof, shall be jointly and
24 severally liable with the operator thereof for any violation of subdivi-
25 sion (a) of section eleven hundred seventy-four of this chapter, if such
26 vehicle was used or operated with the permission of the owner, express
27 or implied, but in such case the owner may recover any fine or penalties
28 paid by him or her from the operator.

29 b. The lessor of a motor vehicle shall not be liable for fines or
30 penalties imposed pursuant to this article for any violation of subdivi-
31 sion (a) of section eleven hundred seventy-four of this chapter if:

32 (1) prior to the infraction, the lessor has filed with the office of
33 the department specified in such notice of violation the registration
34 plate number, plate type, and place of registration of the vehicle to
35 which the notice of violation was issued and paid the required filing
36 fee provided in paragraph f of this subdivision and,

37 (2) within thirty-seven days after receiving notice from the office of
38 the department specified in such notice of violation of the date and
39 time of a violation, together with the other information contained in
40 the original notice of violation, the lessor submits to the office of
41 the department specified in such notice of violation the correct name
42 and address of the lessee of the vehicle identified in the notice of
43 violation at the time of such violation, together with such other addi-
44 tional information contained in the rental, lease or other contract
45 document, as may be reasonably required by the office of the department
46 specified in such notice of violation pursuant to regulations that may
47 be promulgated for such purpose.

48 c. If the lessor has complied with subparagraph one of paragraph b of
49 this subdivision such lessor shall not be liable for any penalties in
50 excess of the scheduled fine unless such lessor fails to appear within
51 thirty-seven days of actual receipt of a notice of violation pursuant to
52 paragraph e of this subdivision.

53 d. If the lessor who has complied with subparagraph one of paragraph b
54 of this subdivision has paid any fine or penalty for which he or she is
55 liable and the office of the department specified in such notice of
56 violation subsequently collects from the operator or lessee the amount

1 of the scheduled fine and penalty owed by such person, or any portion
2 thereof, the lessor shall be entitled to reimbursement from the office
3 of the department specified in such notice of violation of the amount of
4 the fine and penalty paid by the lessor, less the costs of collection
5 incurred by such office of the department.

6 e. The lessor shall not be liable for any fines or penalties in
7 connection with a notice of violation for a vehicle whose registration
8 plate number is filed and the fee therefor paid prior to the time of the
9 issuance of notice of violation, unless the lessor shall receive notice
10 from the office of the department specified in such notice of violation
11 of the date and time of such violation, together with the other informa-
12 tion contained in the original notice of violation, within ninety days
13 after service of the notice of violation, in accordance with subdivision
14 one of section two hundred twenty-six of this article.

15 f. The annual fee for filing a registration plate number with the
16 department by lessors under this section shall be twelve dollars per
17 fiscal year. Lessors shall also provide the office of the department
18 specified in such notice of violation with such other additional infor-
19 mation in such format as the commissioner by regulation may reasonably
20 require. The registration plate number shall not be considered filed
21 with the office of the department specified in such notice of violation
22 unless the annual filing fee provided for in this subdivision shall have
23 been paid. Lessors shall not be entitled to a refund, reduction, credit
24 or other consideration in connection with such annual filing fee in the
25 event that such registration plate number is withdrawn from service,
26 destroyed or surrendered during the fiscal year for which such registra-
27 tion plate number shall have been filed. In the event that a lessor
28 files with the office of the department specified in such notice of
29 violation registration plate numbers during the fiscal year, the annual
30 filing fee for same shall be prorated on a monthly basis, in accordance
31 with a schedule that the commissioner shall promulgate by regulation for
32 such purpose. The primary filing by each lessor for each fiscal year
33 shall be made at least thirty days prior to the commencement of the
34 fiscal year.

35 g. Where the United States postal authorities return to the office of
36 the department specified in such notice of violation a delinquency
37 notice forwarded by the office of the department specified in such
38 notice of violation to a name and address of a lessee furnished by a
39 lessor in accordance with provisions of this section, such return notice
40 shall be presumptive evidence of the furnishing of an incorrect name and
41 address by the lessor. The lessor may, however, conclusively rebut such
42 presumption if within sixty days after receiving notification from the
43 office of the department specified in such notice of violation of such
44 returned mail notice, the lessor shall provide to the office of the
45 department specified in such notice of violation a copy of the rental
46 agreement or lease agreement for such lessee containing the name and
47 address previously furnished to the office of the department specified
48 in such notice of violation. In the event that a lessor shall fail to
49 rebut the presumption established by this subdivision, the lessor shall
50 be liable for the fines imposed pursuant to this article and in accord-
51 ance with the rules and regulations promulgated by the commissioner.

52 h. The commissioner shall by rules and regulations prescribe the
53 manner and method of giving notice of outstanding violations to the
54 lessees. All notices to lessors under this section shall be by first
55 class mail to the address on file with the office of the department

1 specified in such notice of violation or by such other means as shall be
2 provided for in the rules and regulations of the commissioner.

3 i. A lessor shall cooperate by providing the office of the department
4 specified in such notice of violation, or its designated agents, with
5 such other additional information as shall be contained in such lessor's
6 rental or lease agreements with their lessees as shall be available to
7 them.

8 3. Stolen vehicles. If any owner of a motor vehicle receives a notice
9 of violation as such owner for a period during which the described vehi-
10 cle was reported to any police department as having been stolen, it
11 shall be a valid defense to any charge of a violation of subdivision (a)
12 of section eleven hundred seventy-four of this chapter charged pursuant
13 to this article that the motor vehicle had been reported to the police
14 as stolen prior to the time the violation occurred and had not been
15 recovered by such time. For the purposes of asserting the defense
16 provided by this subdivision, it shall be sufficient that a certified
17 copy of the police report of the stolen vehicle be mailed to the office
18 of the department specified in such notice of violation.

19 § 2. The section heading and subdivision 1 of section 226 of the vehi-
20 cle and traffic law, as added by chapter 1074 of the laws of 1969, are
21 amended to read as follows:

22 Summons; notice of violation; answer. 1. Summons. (a) General. The
23 commissioner shall be authorized to prescribe by regulation the form for
24 the summons and complaint to be used for all traffic violations speci-
25 fied in subdivision one of section two hundred twenty-five of this
26 [~~chapter~~] article, and to establish procedures for proper administrative
27 controls over the disposition thereof. Such summons may be the same as
28 the uniform summons provided for in section two hundred seven of this
29 [~~chapter~~] title. The chief executive officer of each local police force
30 which is required to use the summons and complaint provided for herein
31 shall prepare or cause to be prepared such records and reports as may be
32 prescribed by the commissioner.

33 (b) Notice of violation. Whenever photographic evidence of or the
34 operator of a school bus reports a violation of subdivision (a) of
35 section eleven hundred seventy-four of this chapter, a summons may be
36 served by mail upon the owner of the vehicle observed in such violation
37 as set forth in the records of the department provided, however, that
38 such summons is accompanied by a notice of violation referring to such
39 summons, both in form as shall be prescribed by the commissioner for
40 this purpose, such vehicle is identified in such notice of violation
41 both by its registration plate number and a description thereof, includ-
42 ing its make, model, body type and color, and such notice is accompanied
43 by said officer's certification of the evidence which is the basis for
44 such violation authorizing the mailing thereof. When such summons and
45 notice of violation are so served by mail pursuant to this paragraph
46 duplicates or facsimiles thereof shall be filed with and retained by the
47 office of the department specified on such notice of violation, shall be
48 deemed records kept in the ordinary course of business and shall be
49 prima facie evidence of the facts contained therein; in addition, such
50 notice of violation and summons served by mail as herein provided shall
51 have the same force and effect and the recipient thereof shall be
52 subject to the same penalties for disregard thereof as though the same
53 were personally served on the person charged with the violation set
54 forth therein, except as may otherwise be set forth in this article, and
55 shall have clearly imprinted thereon in easily visible block letters:
56 YOUR FAILURE TO ANSWER THIS SUMMONS MAY RESULT IN THE SUSPENSION OF YOUR

LICENSE OR DRIVING PRIVILEGE PURSUANT TO § 226 OF THE VEHICLE AND TRAFFIC LAW.

§ 3. Subdivision 3 and paragraph a of subdivision 4 of section 227 of the vehicle and traffic law, subdivision 3 as amended by chapter 337 of the laws of 1970 and renumbered by chapter 288 of the laws of 1989 and paragraph a of subdivision 4 as amended by section 7 of part J of chapter 62 of the laws of 2003, are amended to read as follows:

3. After due consideration of the evidence and arguments offered in a contested case, the hearing officer shall determine whether the charges have been established. In the case of an owner charged as such pursuant to this article, it shall be a complete defense to such charge that a vehicle alleged to be in violation was operated without the permission of such owner or his agent and the establishment of lack of permission shall result in an order dismissing such charge against such owner. Where the charges have not been established, an order dismissing the charges shall be entered. Where a determination is made that a charge has been established, either in a contested case or in an uncontested case where there is an appearance before a hearing officer, or if an answer admitting the charge otherwise has been received, an appropriate order shall be entered in the department's records.

a. An order entered upon the failure to answer or appear or after the receipt of an answer admitting the charge or where a determination is made that the charge has been established shall be civil in nature, but shall be treated as a conviction for the purposes of this chapter. The commissioner or his designee may include in such order an imposition of any penalty authorized by any provision of this chapter for a conviction of such violation, except that no penalty ~~therefore~~ therefor shall include imprisonment, nor, if monetary, exceed the amount of the fine which could have been imposed had the charge been heard by a court. The driver's license or privileges, or, if the charge involves a violation of section three hundred eighty-five or section four hundred one of this chapter by a registrant who was not the operator of the vehicle, the registration of such vehicle or privilege of operation of any motor vehicle owned by such registrant may be suspended pending the payment of any penalty so imposed; however, in the case of an owner charged as such pursuant to this article, his or her driver's license or privilege shall not be affected by such order or determination other than as suspension thereof for failure to appear or pay as set forth in this article, nor shall a conviction hereunder of such owner as such result in departmental administrative sanctions affecting his or her driving license or privilege. Any suspension issued pursuant to this paragraph shall be subject to the provisions of paragraph (j-1) of subdivision two of section five hundred three of this chapter.

§ 4. Section 1174 of the vehicle and traffic law is amended by adding a new subdivision (b-1) to read as follows:

(b-1) The driver and/or owner of a vehicle charged with the violation of subdivision (a) of this section, may be prosecuted based upon the observations of the driver of a school bus or photographic evidence.
