S. 8392--A 2

§ 2. The second undesignated paragraph of section 1 of chapter 884 of the laws of 1982, relating to requiring the governor to submit to the legislature detailed reports for each federal block grant, is amended to read as follows:

The governor shall require each executive agency which administers a block grant to establish an advisory council. Such councils must include representatives from local government, private non-profit providers and the public. One-half of the members shall be appointed by the governor, one-quarter shall be appointed by the temporary president of the senate and one-quarter shall be appointed by the speaker of the assembly. With respect to advisory councils for block grants administered by the department of health, a majority of the appointed voting membership shall constitute a quorum. Advisory councils must be consulted in the preparation of reports and in the development of applications and plans for the block grants.

§ 3. This act shall take effect immediately.
