Notwithstanding any other provision of law to the contrary, in the event a county's local contribution to New York state's share of payments under the medical assistance program are reduced or eliminated as a result of changes in federal or state statute, the amount of such reduction or elimination shall be applied as an equal dollar amount reduction in the property tax levy of such county.

46 to override such limitation for such coming fiscal year only.

47 5. In the event a local government's actual tax levy for a given
