8 hour to one and one-half hours each and include, but need not be limited
9 to, classroom instruction in areas deemed suitable by the commissioner.

10 2. The form, content and method of presentation of the various aspects
11 of such program shall be established by the commissioner. In the devel-

2 participate and who satisfy the criteria and meet the requirements for
3 participation as established by this section and the regulations promul-
4 gated thereunder; provided, however, in the exercise of discretion, the

10 5. The commissioner shall establish a schedule of fees to be paid by

14 department a municipality, department, or other agency may conduct a
15 course in such program with all or part of the expense of such course
