53 § 3. This act shall take effect immediately.

FISCAL NOTE.-- Pursuant to Legislative Law, Section 50:

This bill would grant improved disability pensions to airport fire-fighters and training and safety officers in the New York State division

of military and naval affairs who sustain a disability in the performance of their duties equal to 50% of final average salary (FAS), or 75% of FAS less worker's compensation (WC) when such disability is related to heart disease, lung disease, or certain forms of cancer, unless the contrary be proven by competent evidence. Currently, affected members are entitled to a disability benefit of approximately 1/3 of FAS.

If this bill is enacted, the estimated increase in the annual contributions of the state of New York would be approximately \$85,000 for the fiscal year ending March 31, 2019.

In addition to the annual contributions discussed above, there will be an immediate past service cost of \$632,000 which will be borne by the state of New York as a one-time payment. This estimate is based on the assumption that payment will be made on March 1, 2019.

These estimated costs are based on 71 members having an annual salary for the fiscal year ending March 31, 2017 of approximately \$3.9 million.
