- (a) The department or a local health district shall approve or deny an application under this section within forty-five days of the day of receipt of the application and provide a written explanation of such determination.
- (b) An entity may make an application under this section at any time, regardless of previous applications.
- 9 <u>2. The department or local health district may approve an entity to</u>
  10 <u>operate a program pursuant to this article, upon submission of an appli-</u>
  11 cation that demonstrates the entity will, at a minimum:
- 12 <u>(a) provide a hygienic space where participants may consume their</u> 13 <u>preobtained drugs that is separate from the space in which the provider</u> 14 <u>performs other business, if any;</u>
- 15 <u>(b) provide adequate staffing by healthcare professionals or other</u> 16 <u>trained staff;</u>
- 17 <u>(c) provide sterile injection supplies, collect used hypodermic</u> 18 <u>needles and syringes, and provide secure hypodermic needle and syringe</u> 19 <u>disposal services;</u>
  - (d) provide education on safe consumption practices, proper disposal of hypodermic needles and syringes, and overdose prevention, including written information in, at a minimum, the four most commonly spoken languages in the state as determined by the department or local health district;
  - (e) administer first aid, if needed, and monitor participants for potential overdose;
  - (f) provide referrals to addiction treatment, medical, social welfare, and employment and training services;
  - (g) educate participants on the risks of contracting HIV and viral hepatitis and provide sexual health resources and supplies, including, but not limited to, male and female condoms;
- 32 (h) provide access to naloxone or referrals to obtain naloxone for participants;
  - (i) provide reasonable and adequate security of the program site and equipment;
  - (j) ensure confidentiality of program participants by using an anonymous unique identifier;
  - (k) train staff members to deliver services offered by the program or attend trainings provided by the department or local health jurisdiction if required; and
  - (1) establish operating procedures for the program as well as eligibility criteria for program participants if not predetermined by the department or local health district.
- 44 3398-c. Designation. A department approved program shall also be 45 designated as an authorized syringe exchange program in accordance with 46 the regulations of the department as set forth in 10 NYCRR 80.135 and as 47 a registered provider of an opioid overdose prevention program in 48 accordance with the regulations of the department as set forth in 10 49 NYCRR 80.138. A safer consumption program approved by a local health district shall apply to be an authorized syringe exchange program and 50 51 registered provider of an opioid overdose prevention program.
- § 3398-d. Reporting. An entity operating a safer consumption program under this section shall provide an annual report to the department or local health district that approved it for operation at a date set by the department or local health district that shall include:
  - 1. the number of program participants;
