PART B

2 Section 1. Subdivision 1 of section 807 of the education law, as
3 amended by section 2 of part B of chapter 54 of the laws of 2016, is
4 amended to read as follows:

5 1. It shall be the duty of the principal or other person in charge of
6 every public or private school or educational institution within the
7 state, other than colleges or universities, to instruct and train the
8 pupils by means of drills, so that they may in a sudden emergency be
9 able to respond appropriately in the shortest possible time and without
10 confusion or panic. Such drills shall be held at least twelve times in
11 each school year, eight of which required drills shall be held between
12 September first and December thirty-first of each such year. Eight of
13 all such drills shall be evacuation drills, four of which shall be
14 through use of the fire escapes on buildings where fire escapes are
15 provided or through the use of identified secondary means of egress.
16 Four of all such required drills shall be emergency attack drills, with
17 two of such drills being lock-down drills and two of such drills being
18 active shooter drills. Upon request of the principal or other person in
19 charge of such public or private educational institution, the New York
20 state school safety improvement teams, established pursuant to section
21 twenty-eight hundred one-b of this chapter, shall provide recommenda-
22 tions on how to perform such lock-down and active shooter drills at such
23 public or private educational institution. Drills shall be conducted at
24 different times of the school day. Pupils shall be instructed in the
25 procedure to be followed in the event that a fire occurs during the
26 lunch period or assembly, provided however, that such additional
27 instruction may be waived where a drill is held during the regular
28 school lunch period or assembly. Four additional drills shall be held in
29 each school year during the hours after sunset and before sunrise in
30 school buildings in which students are provided with sleeping accommo-
31 dations. At least two additional drills shall be held during summer
32 school in buildings where summer school is conducted, and one of such
33 drills shall be held during the first week of summer school.

34 § 2. This act shall take effect immediately.

35 § 2. Severability. If any clause, sentence, paragraph, subdivision,
36 section or part of this act shall be adjudged by any court of competent
37 jurisdiction to be invalid, such judgment shall not affect, impair, or
38 invalidate the remainder thereof, but shall be confined in its operation
39 to the clause, sentence, paragraph, subdivision, section or part thereof
40 directly involved in the controversy in which such judgment shall have
41 been rendered. It is hereby declared to be the intent of the legislature
42 that this act would have been enacted even if such invalid provisions
43 had not been included herein.

44 § 3. This act shall take effect immediately; provided, however, that
45 the applicable effective date of Parts A through B of this act shall be
46 as specifically set forth in the last section of such Parts.
