§ 2. This act shall take effect immediately ~~[and shall expire and be deemed repealed on December 31, 2019].~~

§ 7. Legislative findings. LaGuardia airport is a pillar of New York state's transportation network and a key driver of economic growth throughout the state and the country. However, LaGuardia airport remains the only major regional airport without a direct rail link. The lack of public transit options forces passengers to rely heavily on private cars, for-hire-vehicles and taxis to reach the airport, which in turn results in higher levels of regional traffic congestion, unpredictable travel time to LaGuardia airport and potential adverse environmental effects. To support this important airport access mass transit project, this act would authorize the acquisition of property interests necessary for the landing of guideway support columns and siting of ancillary facilities for airport access mass transit equipment maintenance, parking for persons using the airport access mass transit facility and additional limited purposes directly related to the operation of an airport access mass transit project, temporary laydown and construction areas, and air rights related to an elevated guideway and related entry, exit and crossing points for pedestrians and vehicles, and utilization by the New York state department of transportation or the transfer to the Port Authority of New York and New Jersey and certain other parties, in either case to permit construction, use, occupancy, operation and maintenance of the airport access mass transit facility; provided however, this legislation does not authorize acquisition of property interests for a self-standing facility constructed to house premises for automobile rental operations. The legislature finds and declares that it is a substantial state concern, with an impact well beyond a single munici-

1 pality, to ensure access to safe and reliable mass transit to LaGuardia
2 airport, a major transportation hub relied upon by people throughout the
3 state.

4 § 8. Subdivision 1 of section 14-d of the transportation law is
5 amended by adding a new paragraph d to read as follows:

6 d. to acquire by eminent domain, pursuant to the eminent domain proce-
7 dure law and section thirty of the highway law, any property, property
8 rights or property interests, including easements, air rights and
9 subsurface rights, whether or not now or previously designated as park-
10 land, or otherwise dedicated to a public use as parkland, (hereinafter
11 "property interests"), and, provided with respect to real property now
12 or previously designated as parkland, just compensation therefor shall
13 be calculated as an amount equal to the appraised fair market value of
14 the parkland being discontinued, and further provided only to the extent
15 that such property interests are, in the judgement of the commissioner,
16 necessary for the construction, use, occupancy, operation, and mainte-
17 nance of an airport access mass transit facility for LaGuardia airport
18 via elevated guideway, and related ancillary facilities for airport
19 access mass transit maintenance, parking for persons using the airport
20 access mass transit facility and additional limited purposes directly
21 related to operation of an airport access mass transit project, tempo-
22 rary laydown and construction areas, and air rights and subsurface
23 rights related to an elevated guideway, including appropriate entry and
24 exit points for users of the airport access mass transit facility and
25 any property interests necessary for an adjustment of the piers support-
26 ing the pedestrian bridges crossing the Grand Central Parkway to main-
27 tain accessibility, and any vehicle entry and exit points to the Grand
28 Central Parkway located along either side of the corridor, in all cases
29 running along a route from LaGuardia airport on or near the Grand
30 Central Parkway, thence along the edge of the Citi Field parking lot
31 previously alienated for stadium use, next alongside the existing
32 elevated track for the No. 7 subway and terminating at subway rail yards
33 and other transportation staging and storage areas within a corridor
34 more specifically defined pursuant to section three hundred forty-nine-g
35 of the highway law; and to utilize, or sell, lease, contract, or other-
36 wise transfer the acquired property interests together with property
37 interests it otherwise holds and/or grant easements, licenses, permits,
38 concessions or other authorizations, to the Port Authority of New York
39 and New Jersey to facilitate the construction (including temporary
40 laydown), and permanent use, occupancy, operation, and maintenance of
41 the airport access mass transit facility, related ancillary facilities
42 for airport access mass transit maintenance, parking for persons using
43 the airport access mass transit facility and additional limited purposes
44 directly related to operation of an airport access mass transit project;
45 provided however, this subdivision does not authorize acquisition of
46 property interests for a self-standing facility constructed to house
47 premises for automobile rental operations.

48 § 9. The highway law is amended by adding a new section 349-g to read
49 as follows:

50 § 349-g. Airport access mass transit for LaGuardia airport. (a)
51 Notwithstanding any other provision of law, general, special, charter or
52 local, and consistent with section fourteen-d of the transportation law,
53 if a property acquisition pursuant to this section occurs by eminent
54 domain, the commissioner of transportation shall have the authority to
55 acquire any property, property rights, or property interests, including
56 easements, air rights and subsurface rights whether or not now or previ-

ously designated as parkland or otherwise dedicated to a public use as parkland (hereinafter referred to as "property interests"), but only to the extent that such property interests are, in the judgment of the commissioner, necessary for the construction, use, occupancy, operation, and maintenance of an airport access mass transit facility via an elevated guideway for LaGuardia airport and related ancillary facilities for airport access mass transit maintenance, parking for persons using the airport access mass transit facility and additional limited purposes directly related to operation of an airport access mass transit project and additional limited purposes directly related to the operation of an airport access mass transit project, temporary laydown and construction areas and air rights and subsurface rights related to an elevated guideway, including appropriate entry and exit points for users of the airport access mass transit facility and any property interests necessary for an adjustment of the piers supporting the pedestrian bridges crossing the Grand Central Parkway to maintain accessibility, and any vehicle entry and exit points to the Grand Central Parkway located along either side of the corridor, running along a route from LaGuardia airport on or near the Grand Central Parkway, thence along the edge of the Citi Field parking lot previously alienated for stadium use, next alongside the existing elevated track for the No. 7 subway and terminating at subway rail yards and other transportation staging and storage areas within a corridor more specifically defined pursuant to subdivision (b) of this section; and to utilize or sell, lease, contract, or otherwise transfer the acquired property interests together with property interests the commissioner otherwise holds and/or grant easements, licenses, permits, concessions or other authorizations, to the Port Authority of New York and New Jersey, to facilitate the construction (including temporary laydown), and permanent use, occupancy, operation, and maintenance of the airport access mass transit facility and related ancillary facilities for airport access transit maintenance, parking for persons using the airport access transit facility and additional limited purposes directly related to operation of an airport access mass transit project, and additional limited purposes directly related to operation of an airport access mass transit project including appropriate entry and exit points for users of the mass transit facility and any property interests necessary for an adjustment of the piers supporting the pedestrian bridges crossing the Grand Central Parkway to maintain accessibility, and any vehicle entry and exit points to the Grand Central Parkway located along either side of the corridor, and temporary use for laydown and construction purposes; provided however, this section does not authorize acquisition of property interests for a self-standing facility constructed to house premises for automobile rental operations.

(b) The corridor defined in subdivision (a) of this section, where the acquisition of such property, property rights, or property interests referred to in this section may occur, is more particularly described as follows:

(b) Such school may accept and implement the recommended corrective actions or establish its own plan for resolving the stated deficiencies, and be afforded adequate time to implement such corrective actions. Upon failure of a school to remedy the non-compliance, the commissioner may deem the school's curriculum to be deficient and place the school on probation for a period of one year. During such probationary period the school shall be required to retain and work with a curriculum specialist to further address and resolve the deficiencies and shall be subject to further and periodic monitoring by the commissioner until the deficiencies are resolved pursuant to this subdivision.

(c) If a school is deemed not to be in compliance after the probationary period described above, the commissioner shall inform parents of students enrolled in such school that the instruction provided by the school was determined not to be in compliance.

9 immediately after such student activities. In selecting a school speed
10 zone in which to install and operate a photo speed violation monitoring

12 the speed data, crash history, and the roadway geometry applicable to
13 such school speed zone.

14 2. No photo speed violation monitoring system shall be used in a

50 dismissed solely because such a photograph, microphotograph, videotape
51 or other recorded image allows for the identification of the driver, the
52 passengers, or the contents of vehicles where the city shows that it
53 made reasonable efforts to comply with the provisions of this paragraph
54 in such case.

55 (ii) Photographs, microphotographs, videotape or any other recorded

4 city upon the final resolution of the notice of liability to which such
5 photographs, microphotographs, videotape or other recorded images
6 relate, or one year following the date of issuance of such notice of
7 liability, whichever is later. Notwithstanding the provisions of any
8 other law, rule or regulation to the contrary, photographs, microphoto-

15 employee, officer or agent thereof shall disclose such information,
16 except that such photographs, microphotographs, videotape or any other
17 recorded images from such systems:

18 (A) shall be available for inspection and copying and use by the motor

23 by a court authorized to issue such a search warrant pursuant to article

26 search warrant states that there is reasonable cause to believe such
27 information constitutes evidence of, or tends to demonstrate that, a
28 misdemeanor or felony offense was committed in this state or another
29 state, or that a particular person participated in the commission of a
30 misdemeanor or felony offense in this state or another state, provided,
31 however, that if such offense was against the laws of another state, the
32 court shall only issue a warrant if the conduct comprising such offense
33 would, if occurring in this state, constitute a misdemeanor or felony
34 against the laws of this state; and

35 (2) shall be furnished in response to a subpoena duces tecum signed by
36 a judge of competent jurisdiction and issued pursuant to article six
37 hundred ten of the criminal procedure law or a judge or magistrate of a

42 law enforcement official, of the alleged commission of a misdemeanor or
43 felony in this state or another state, provided, however, that if such
44 offense was against the laws of another state, such judge or magistrate
45 shall only issue such subpoena if the conduct comprising such offense
46 would, if occurring in this state, constitute a misdemeanor or felony in
47 this state; and

18 only remain in effect as long as the summonses remain unanswered, or in
19 the case of an administrative tribunal, the registrant fails to comply

23 § 42. The vehicle and traffic law is amended by adding a new section
24 1111-f to read as follows:

25 § 1111-f. Owner liability for failure of operator to comply with
26 traffic-control indications. (a) 1. Notwithstanding any other provision
27 of law, the county of Westchester is hereby authorized and empowered to
28 adopt and amend a local law or ordinance establishing a demonstration
29 program imposing monetary liability on the owner of a vehicle for fail-
30 ure of an operator thereof to comply with traffic-control indications in
31 such county in accordance with the provisions of this section. Such
32 demonstration program shall empower such county to install and operate
33 traffic-control signal photo violation-monitoring devices at no more
34 than one hundred intersections within and under the jurisdiction of such
35 county at any one time.

36 2. Such demonstration program shall utilize necessary technologies to
37 ensure, to the extent practicable, that photographs produced by such
38 traffic-control signal photo violation-monitoring systems shall not
39 include images that identify the driver, the passengers, or the contents
40 of the vehicle. Provided, however, that no notice of liability issued
41 pursuant to this section shall be dismissed solely because a photograph
42 or photographs allow for the identification of the contents of a vehi-
43 cle, provided that such county has made a reasonable effort to comply
44 with the provisions of this paragraph.

45 (b) In any such county which has adopted a local law or ordinance
46 pursuant to subdivision (a) of this section, the owner of a vehicle
47 shall be liable for a penalty imposed pursuant to this section if such
48 vehicle was used or operated with the permission of the owner, express
49 or implied, in violation of subdivision (d) of section eleven hundred
50 eleven of this article, and such violation is evidenced by information
51 obtained from a traffic-control signal photo violation-monitoring
52 system; provided however that no owner of a vehicle shall be liable for
53 a penalty imposed pursuant to this section where the operator of such
54 vehicle has been convicted of the underlying violation of subdivision
55 (d) of section eleven hundred eleven of this article.

1 (c) For purposes of this section, "owner" shall have the meaning
2 provided in article two-B of this chapter. For purposes of this section,
3 "traffic-control signal photo violation-monitoring system" shall mean a
4 vehicle sensor installed to work in conjunction with a traffic-control
5 signal which automatically produces two or more photographs, two or more
6 microphotographs, a videotape or other recorded images of each vehicle
7 at the time it is used or operated in violation of subdivision (d) of
8 section eleven hundred eleven of this article.

9 (d) A certificate, sworn to or affirmed by a technician employed by
10 Westchester county in which the charged violation occurred, or a facsim-
11 ile thereof, based upon inspection of photographs, microphotographs,
12 videotape or other recorded images produced by a traffic-control signal
13 photo violation-monitoring system, shall be prima facie evidence of the
14 facts contained therein. Any photographs, microphotographs, videotape or
15 other recorded images evidencing such a violation shall be available for
16 inspection in any proceeding to adjudicate the liability for such
17 violation pursuant to a local law or ordinance adopted pursuant to this
18 section.

19 (e) An owner liable for a violation of subdivision (d) of section
20 eleven hundred eleven of this article pursuant to a local law or ordi-
21 nance adopted pursuant to this section shall be liable for monetary
22 penalties in accordance with a schedule of fines and penalties to be set
23 forth in such local law or ordinance. The liability of the owner pursu-
24 ant to this section shall not exceed fifty dollars for each violation;
25 provided, however, that such local law or ordinance may provide for an
26 additional penalty not in excess of twenty-five dollars for each
27 violation for the failure to respond to a notice of liability within the
28 prescribed time period.

29 (f) An imposition of liability under a local law or ordinance adopted
30 pursuant to this section shall not be deemed a conviction as an operator
31 and shall not be made part of the operating record of the person upon
32 whom such liability is imposed nor shall it be used for insurance
33 purposes in the provision of motor vehicle insurance coverage.

34 (g) 1. A notice of liability shall be sent by first class mail to each
35 person alleged to be liable as an owner for a violation of subdivision
36 (d) of section eleven hundred eleven of this article pursuant to this
37 section. Personal delivery on the owner shall not be required. A manual
38 or automatic record of mailing prepared in the ordinary course of busi-
39 ness shall be prima facie evidence of the facts contained therein.

40 2. A notice of liability shall contain the name and address of the
41 person alleged to be liable as an owner for a violation of subdivision
42 (d) of section eleven hundred eleven of this article pursuant to this
43 section, the registration number of the vehicle involved in such
44 violation, the location where such violation took place, the date and
45 time of such violation and the identification number of the camera which
46 recorded the violation or other document locator number.

47 3. The notice of liability shall contain information advising the
48 person charged of the manner and the time in which he or she may contest
49 the liability alleged in the notice. Such notice of liability shall also
50 contain a warning to advise the persons charged that failure to contest
51 in the manner and time provided shall be deemed an admission of liabil-
52 ity and that a default judgment may be entered thereon.

53 4. The notice of liability shall be prepared and mailed by Westchester
54 county or by any other entity authorized by such county to prepare and
55 mail such notification of violation.

1 (h) Adjudication of the liability imposed upon owners by this section
2 shall be by the court having jurisdiction over traffic infractions.

3 (i) If an owner receives a notice of liability pursuant to this
4 section for any time period during which the vehicle was reported to the
5 police department as having been stolen, it shall be a valid defense to
6 an allegation of liability for a violation of subdivision (d) of section
7 eleven hundred eleven of this article pursuant to this section that the
8 vehicle had been reported to the police as stolen prior to the time the
9 violation occurred and had not been recovered by such time. For
10 purposes of asserting the defense provided by this subdivision it shall
11 be sufficient that a certified copy of the police report on the stolen
12 vehicle be sent by first class mail to the court having jurisdiction.

13 (j) An owner who is a lessor of a vehicle to which a notice of liabil-
14 ity was issued pursuant to subdivision (g) of this section shall not be
15 liable for the violation of subdivision (d) of section eleven hundred
16 eleven of this article, provided that he or she sends to the court
17 having jurisdiction a copy of the rental, lease or other such contract
18 document covering such vehicle on the date of the violation, with the
19 name and address of the lessee clearly legible, within thirty-seven days
20 after receiving notice from the court of the date and time of such
21 violation, together with the other information contained in the original
22 notice of liability. Failure to send such information within such thir-
23 ty-seven day time period shall render the owner liable for the penalty
24 prescribed by this section. Where the lessor complies with the
25 provisions of this paragraph, the lessee of such vehicle on the date of
26 such violation shall be deemed to be the owner of such vehicle for
27 purposes of this section, shall be subject to liability for the
28 violation of subdivision (d) of section eleven hundred eleven of this
29 article pursuant to this section and shall be sent a notice of liability
30 pursuant to subdivision (g) of this section.

31 (k) 1. If the owner liable for a violation of subdivision (d) of
32 section eleven hundred eleven of this article pursuant to this section
33 was not the operator of the vehicle at the time of the violation, the
34 owner may maintain an action for indemnification against the operator.

35 2. Notwithstanding any other provision of this section, no owner of a
36 vehicle shall be subject to a monetary fine imposed pursuant to this
37 section if the operator of such vehicle was operating such vehicle with-
38 out the consent of the owner at the time such operator failed to obey a
39 traffic-control indication. For purposes of this subdivision there shall
40 be a presumption that the operator of such vehicle was operating such
41 vehicle with the consent of the owner at the time such operator failed
42 to obey a traffic-control indication.

43 (l) Nothing in this section shall be construed to limit the liability
44 of an operator of a vehicle for any violation of subdivision (d) of
45 section eleven hundred eleven of this article.

46 (m) When a county has established a demonstration program pursuant to
47 this section, all fines and penalties collected under such program shall
48 be made to the county commissioner of finance within the first ten days
49 of the month following collection.

50 (n) In any such county which adopts a demonstration program pursuant
51 to subdivision (a) of this section, such county shall submit an annual
52 report on the results of the use of a traffic-control signal photo
53 violation-monitoring system to the governor, the temporary president of
54 the senate and the speaker of the assembly on or before June first, two
55 thousand nineteen and on the same date in each succeeding year in which

1 the demonstration program is operable. Such report shall include, but
2 not be limited to:

3 1. a description of the locations where traffic-control signal photo
4 violation-monitoring systems were used;

5 2. the aggregate number, type and severity of accidents reported at
6 intersections where a traffic-control signal photo violation-monitoring
7 system is used for the year preceding the installation of such system,
8 to the extent the information is maintained by the department of motor
9 vehicles of this state;

10 3. the aggregate number, type and severity of accidents reported at
11 intersections where a traffic-control signal photo violation-monitoring
12 system is used, to the extent the information is maintained by the
13 department of motor vehicles of this state;

14 4. the number of violations recorded at each intersection where a
15 traffic-control signal photo violation-monitoring system is used and in
16 the aggregate on a daily, weekly and monthly basis;

17 5. the total number of notices of liability issued for violations
18 recorded by such systems;

19 6. the number of fines and total amount of fines paid after first
20 notice of liability;

21 7. the number of violations adjudicated and results of such adjudi-
22 cations including breakdowns of disposition made for violations recorded
23 by such systems;

24 8. the total amount of revenue realized by such county from such adju-
25 dications;

26 9. expenses incurred by such county in connection with the program;
27 and

28 10. quality of the adjudication process and its results.

29 (o) It shall be a defense to any prosecution for a violation of subdivi-
30 vision (d) of section eleven hundred eleven of this article pursuant to
31 a local law or ordinance adopted pursuant to this section that such
32 traffic-control indications were malfunctioning at the time of the
33 alleged violation.

34 § 43. The opening paragraph and paragraph (c) of subdivision 1 of
35 section 1809 of the vehicle and traffic law, as amended by section 10 of

48 3. Any contract for a public work undertaken pursuant to a project
49 labor agreement in accordance with section 222 of the labor law may be a
50 design-build contract in accordance with this section.

51 4. Notwithstanding any general, special or local law, rule or regu-

53 general municipal law and section 8 of the New York city health and
54 hospitals corporation act, and in conformity with the requirements of
55 this section, for any public work that has an estimated total cost of
56 not less than ten million dollars and is undertaken pursuant to a

1 project labor agreement in accordance with section 222 of the labor law,
2 an authorized entity charged with awarding a contract for public work
3 may use the alternative delivery method referred to as design-build
4 contracts.

5 (a) A contractor selected by such authorized entity to enter into a
6 design-build contract shall be selected through a two-step method, as
7 follows:

8 (1) Step one. Generation of a list of responding entities that have
9 demonstrated the general capability to perform the design-build
10 contract. Such list shall consist of a specified number of responding
11 entities, as determined by an authorized entity, and shall be generated
12 based upon the authorized entity's review of responses to a publicly
13 advertised request for qualifications. The authorized entity's request
14 for qualifications shall include a general description of the public
15 work, the maximum number of responding entities to be included on the
16 list, the selection criteria to be used and the relative weight of each
17 criteria in generating the list. Such selection criteria shall include
18 the qualifications and experience of the design and construction team,
19 organization, demonstrated responsibility, ability of the team or of a
20 member or members of the team to comply with applicable requirements,
21 including the provisions of articles 145, 147 and 148 of the education
22 law, past record of compliance with the labor law, and such other quali-
23 fications the authorized entity deems appropriate, which may include but
24 are not limited to project understanding, financial capability and
25 record of past performance. The authorized entity shall evaluate and
26 rate all responding entities to the request for qualifications. Based
27 upon such ratings, the authorized entity shall list the responding enti-
28 ties that shall receive a request for proposals in accordance with
29 subparagraph two of this paragraph. To the extent consistent with appli-
30 cable federal law, the authorized entity shall consider, when awarding
31 any contract pursuant to this subdivision, the participation of (i)
32 responding entities that are certified as minority- or women-owned busi-
33 ness enterprises as defined in subdivisions 1, 7, 15 and 20 of section
34 310 of the executive law, or certified pursuant to local law as minori-

36 concerns identified pursuant to subdivision (b) of section 139-g of the
37 state finance law; and

38 (2) Step two. Selection of the proposal which is the best value to the
39 authorized entity. The authorized entity shall issue a request for
40 proposals to the responding entities listed pursuant to subparagraph one
41 of this paragraph. If such a responding entity consists of a team of
42 separate entities, the entities that comprise such a team must remain
43 unchanged from the responding entity as listed pursuant to subparagraph
44 one of this paragraph unless otherwise approved by the authorized enti-
45 ty. The request for proposals shall set forth the public work's scope of
46 work, and other requirements, as determined by the authorized entity,
47 which may include separate goals for work under the contract to be
48 performed by businesses certified as minority- or women-owned business
49 enterprises as defined in subdivisions 1, 7, 15 and 20 of section 310 of
50 the executive law, or certified pursuant to local law as minority- or
51 women-owned business enterprises. The request for proposals shall also
52 specify the criteria to be used to evaluate the responses and the rela-
53 tive weight of each of such criteria. Such criteria shall include the
54 proposal's cost, the quality of the proposal's solution, the qualifica-
55 tions and experience of the proposer, and other factors deemed pertinent
56 by the authorized entity, which may include, but shall not be limited

1 to, the proposal's manner and schedule of project implementation, the
2 proposer's ability to complete the work in a timely and satisfactory
3 manner, maintenance costs of the completed public work, maintenance of
4 traffic approach, and community impact. Any contract awarded pursuant to
5 this section shall be awarded to a responsive and responsible proposer,
6 which, in consideration of these and other specified criteria deemed
7 pertinent, offers the best value, as determined by the authorized enti-
8 ty. The request for proposals shall include a statement that proposers
9 shall designate in writing those portions of the proposal that contain
10 trade secrets or other proprietary information that are to remain confi-
11 dential; that the material designated as confidential shall be readily
12 separable from the proposal. Nothing in this paragraph shall be
13 construed to prohibit the authorized entity from negotiating final
14 contract terms and conditions including cost. All proposals submitted
15 shall be scored according to the criteria listed in the request for
16 proposals and such final scores shall be published on the authorized
17 entity's website.

18 (b) An authorized entity awarding a design-build contract to a
19 contractor offering the best value may but shall not be required to use
20 the following types of contracts:

21 (1) A cost-plus not to exceed guaranteed maximum price form of
22 contract in which the authorized entity shall be entitled to monitor and
23 audit all costs. In establishing the schedule and process for determin-
24 ing a guaranteed maximum price, the contract between the authorized
25 entity and the contractor shall:

26 (i) Describe the scope of the work and the cost of performing such
27 work,

28 (ii) Include a detailed line item cost breakdown,

29 (iii) Include a list of all drawings, specifications and other infor-
30 mation on which the guaranteed maximum price is based,

31 (iv) Include the dates of substantial and final completion on which
32 the guaranteed maximum price is based, and

33 (v) Include a schedule of unit prices; or

34 (2) A lump sum contract in which the contractor agrees to accept a set
35 dollar amount for a contract which comprises a single bid without
36 providing a cost breakdown for all costs such as for equipment, labor,
37 materials, as well as such contractor's profit for completing all items
38 of work comprising the public work.

39 5. Any contract entered into pursuant to this section shall include a
40 clause requiring that any professional services regulated by articles
41 145, 147 and 148 of the education law shall be performed and stamped and
42 sealed, where appropriate, by a professional licensed in accordance with
43 the appropriate article.

44 6. Construction with respect to each contract entered into by an
45 authorized entity pursuant to this section shall be deemed a "public
46 work" to be performed in accordance with the provisions of article 8 of
47 the labor law, as well as subject to sections 200, 240, 241 and 242 of
48 such law and enforcement of prevailing wage requirements pursuant to
49 applicable law or, for projects or public works receiving federal aid,
50 applicable federal requirements for prevailing wage. Any contract
51 entered into pursuant to this section shall include a clause requiring
52 the selected design builder to obligate every tier of contractor working
53 on the public work to comply with the project labor agreement referenced
54 in subdivision three of this section, and shall include project labor
55 agreement compliance monitoring and enforcement provisions consistent
56 with the applicable project labor agreement.

7. Each contract entered into by an authorized entity pursuant to this section shall comply with the objectives and goals with regard to minority- and women-owned business enterprises pursuant to, as applicable, section 6-129 of the administrative code of the city of New York and subdivision 6 of section 8 of the New York city health and hospitals corporation act, or, for projects or public works receiving federal aid, applicable federal requirements for disadvantaged business enterprises or minority- and women-owned business enterprises.

8. Public works undertaken by an authorized entity pursuant to this section shall be subject to the requirements of article 8 of the environmental conservation law, and, where applicable, the requirements of the National Environmental Policy Act.

9. (a) Notwithstanding any provision of law to the contrary, all rights or benefits, including terms and conditions of employment, and protection of civil service and collective bargaining status of all employees of authorized entities solely in connection with the public works identified in paragraph (f) of subdivision two of this section, shall be preserved and protected.

(b) Nothing in this section shall result in the: (1) displacement of any currently employed worker or loss of position (including partial displacement such as a reduction in the hours of non-overtime work, wages or employment benefits), or result in the impairment of existing collective bargaining agreements; and (2) transfer of existing duties and functions related to maintenance and operations currently performed by existing employees of authorized entities to a contractor.

(c) Employees of authorized entities using design-build contracts serving in positions in newly created titles shall be assigned to the appropriate bargaining unit. Nothing contained in this section shall be construed to affect (1) the existing rights of employees of such entities pursuant to an existing collective bargaining agreement, (2) the existing representational relationships among employee organizations representing employees of such entities, or (3) the bargaining relationships between such entities and such employee organizations.

10. The submission of a proposal or responses or the execution of a design-build contract pursuant to this section shall not be construed to be a violation of section 6512 of the education law.

11. Nothing contained in this section shall limit the right or obligation of any authorized entity to comply with the provisions of any existing contract or to award contracts as otherwise provided by law.

§ 57. Subdivisions 1, 2, 4, 5, 6, 7, 8 and 9 of section 500.10 of the criminal procedure law are amended and a new subdivision 3-a is added to read as follows:

1. "Principal" means a defendant in a criminal action or proceeding, or a person adjudged a material witness therein, or any other person so involved therein that ~~he~~ the principal may by law be compelled to appear before a court for the purpose of having such court exercise control over ~~his~~ the principal's person to secure ~~his~~ the principal's future attendance at the action or proceeding when required, and who in fact either is before the court for such purpose or has been before it and been subjected to such control.

2. "Release on own recognizance." A court releases a principal on ~~his~~ the principal's own recognizance when, having acquired control over ~~his~~ the principal's person, it permits ~~him~~ the principal to be at liberty during the pendency of the criminal action or proceeding involved upon condition that ~~he~~ the principal will appear thereat whenever ~~his~~ the principal's attendance may be required and will at

all times render [~~himself~~] the principal amenable to the orders and processes of the court.

3-a. "Release under non-monetary conditions." A court releases a principal under non-monetary conditions when, having acquired control over a person, it authorizes the person to be at liberty during the pendency of the criminal action or proceeding involved under conditions ordered by the court, that will reasonably assure the principal's return to court. A principal shall not be required to pay for any part of the cost of release on non-monetary conditions.

4. "Commit to the custody of the sheriff." A court commits a principal to the custody of the sheriff when, having acquired control over [~~his~~] the principal's person, it orders that [~~he~~] the principal be confined in the custody of the sheriff during the pendency of the criminal action or proceeding involved.

5. "Securing order" means an order of a court committing a principal to the custody of the sheriff, or fixing bail, or releasing [~~him-on-his~~] the principal on the principal's own recognizance or releasing the principal under non-monetary conditions.

6. "Order of recognizance or bail" means a securing order releasing a principal on [~~his~~] the principal's own recognizance or under non-monetary conditions or fixing bail.

7. "Application for recognizance or bail" means an application by a principal that the court, instead of committing [~~him~~] the principal to or retaining [~~him~~] the principal in the custody of the sheriff, either release [~~him-on-his-own~~] the principal on the principal's own recognizance [~~or~~], release under non-monetary conditions, or fix bail.

8. "Post bail" means to deposit bail in the amount and form fixed by the court, with the court or with some other authorized public servant or agency.

9. "Bail" means cash bail [~~or~~], a bail bond or money paid with a credit card.

§ 58. Section 510.10 of the criminal procedure law, as amended by chapter 459 of the laws of 1984, is amended to read as follows:

§ 510.10 Securing order; when required; alternatives available; standard to be applied.

1. When a principal, whose future court attendance at a criminal action or proceeding is or may be required, [~~initially~~] comes under the control of a court, such court [~~must~~] shall, in accordance with this title, by a securing order[~~, either~~] release [~~him~~] the principal on [~~his~~] the principal's own recognizance, release the principal under non-monetary conditions, or fix bail or commit [~~him~~] the principal to the custody of the sheriff.

2. A principal is entitled to representation by counsel under this chapter in preparing an application for release, when a securing order is being considered and when a securing order is being reviewed for modification, revocation or termination. If the principal is financially unable to obtain counsel, counsel shall be assigned to the principal.

3. In cases where the most serious offense with which the defendant stands charged in the case before the court or a pending case is a misdemeanor offense the court shall release the principal pending trial on the principal's own recognizance, unless the court finds on the record or in writing that release on the principal's own recognizance will not reasonably assure the principal's return to court. In such instances, the court shall release the principal under non-monetary conditions or fix bail, selecting the least restrictive alternative and conditions that will reasonably assure the principal's return to court.

1 The court shall explain its choice of alternative and conditions on the
2 record or in writing.

3 4. With respect to any charge for which bail or remand is not
4 ordered, a defendant may, at any time, request that the court set bail
5 in a nominal amount requested by the defendant in the form specified in
6 paragraph (a) of subdivision one of section 520.10 of this title; if the
7 court is satisfied that the request is voluntary, the court shall set
8 such bail in such amount.

9 5. When a securing order is revoked or otherwise terminated in the
10 course of an uncompleted action or proceeding but the principal's future
11 court attendance still is or may be required and [he] the principal is
12 still under the control of a court, a new securing order must be issued.
13 When the court revokes or otherwise terminates a securing order which
14 committed the principal to the custody of the sheriff, the court shall
15 give written notification to the sheriff of such revocation or termi-
16 nation of the securing order.

17 § 59. Section 510.20 of the criminal procedure law is amended to read
18 as follows:

19 § 510.20 Application for [~~recognizance or bail; making and determi-~~
20 ~~nation thereof in general~~] a change in securing order.

21 1. Upon any occasion when a court [~~is required to issue~~] has issued a
22 securing order with respect to a principal[, or at any time when a] and
23 the principal is confined in the custody of the sheriff as a result of
24 the securing order or a previously issued securing order, [~~he~~] the prin-
25 cipal may make an application for recognizance, release under non-mone-
26 tary conditions or bail.

27 2. (a) The principal is entitled to representation by counsel in the
28 making and presentation of such application. If the principal is finan-
29 cially unable to obtain counsel, counsel shall be assigned to the prin-
30 cipal.

31 (b) Upon such application, the principal must be accorded an opportu-
32 nity to be heard, and to contend that an order of recognizance, release
33 under non-monetary conditions or, bail must or should issue, that the
34 court should release [~~him on his~~] the principal on the principal's own
35 recognizance or under non-monetary conditions rather than fix bail, and
36 that if bail is authorized and fixed it should be in a suggested amount
37 and form.

38 § 60. Section 510.30 of the criminal procedure law, subparagraph (v)
39 of paragraph (a) of subdivision 2 as amended by chapter 920 of the laws
40 of 1982, subparagraph (vi) of paragraph (a) of subdivision 2 as renum-
41 bered by chapter 447 of the laws of 1977, subparagraph (vii) as added
42 and subparagraphs (viii) and (ix) of paragraph (a) of subdivision 2 as
43 renumbered by section 1 of part D of chapter 491 of the laws of 2012,
44 and subdivision 3 as added by chapter 788 of the laws of 1981, is
45 amended to read as follows:

46 § 510.30 Application for recognizance or bail; rules of law and criteria
47 controlling determination.

48 1. Determinations of applications for recognizance, release on non-
49 monetary conditions, or bail are not in all cases discretionary but are
50 subject to rules, prescribed in article five hundred thirty and other
51 provisions of law relating to specific kinds of criminal actions and
52 proceedings, providing (a) that in some circumstances such an applica-
53 tion must as a matter of law be granted, (b) that in others it must as a
54 matter of law be denied and the principal committed to or retained in
55 the custody of the sheriff, and (c) that in others the granting or
56 denial thereof is a matter of judicial discretion.

2. To the extent that the issuance of an order of recognizance, release on non-monetary conditions, or bail and the terms thereof are matters of discretion rather than of law, an application is determined on the basis of the following factors and criteria:

(a) With respect to any principal, the court must consider the kind and degree of control or restriction that is necessary to secure ~~[his]~~ the principal's court attendance when required. In determining that matter, the court must, on the basis of available information, consider and take into account:

(i) The principal's character, reputation, habits and mental condition;

(ii) ~~[His]~~ The principal's employment and financial resources; and

(iii) ~~[His]~~ The principal's family ties and the length of ~~[his]~~ the principal's residence if any in the community; and

(iv) ~~[His]~~ The principal's criminal record if any; and

(v) ~~[His]~~ The principal's record of previous adjudication as a juvenile delinquent, as retained pursuant to section 354.2 of the family court act, or, of pending cases where fingerprints are retained pursuant to section 306.1 of such act, or a youthful offender, if any; and

(vi) ~~[His]~~ The principal's previous record if any in responding to court appearances when required or with respect to flight to avoid criminal prosecution; and

(vii) Where the principal is charged with a crime or crimes against a member or members of the same family or household as that term is defined in subdivision one of section 530.11 of this title, the following factors:

(A) any violation by the principal of an order of protection issued by any court for the protection of a member or members of the same family or household as that term is defined in subdivision one of section 530.11 of this title, whether or not such order of protection is currently in effect; and

(B) the principal's history of use or possession of a firearm; and

(viii) If ~~[he]~~ the principal is a defendant, the weight of the evidence against him or her in the pending criminal action and any other factor indicating probability or improbability of conviction; or, in the case of an application for bail or recognizance pending appeal, the merit or lack of merit of the appeal; and

(ix) If ~~[he]~~ the principal is a defendant, the sentence which may be or has been imposed upon conviction.

(b) Where the principal is a defendant-appellant in a pending appeal from a judgment of conviction, the court must also consider the likelihood of ultimate reversal of the judgment. A determination that the appeal is palpably without merit alone justifies, but does not require, a denial of the application, regardless of any determination made with respect to the factors specified in paragraph (a).

3. When bail or recognizance is ordered, the court shall inform the principal, if he or she is a defendant charged with the commission of a felony, that the release is conditional and that the court may revoke the order of release and commit the principal to the custody of the sheriff in accordance with the provisions of subdivision two of section 530.60 of this chapter if he or she commits a subsequent felony while at liberty upon such order.

§ 61. Section 510.40 of the criminal procedure law is amended to read as follows:

§ 510.40 ~~[Application for recognizance or bail, determination thereof, form of securing order and execution thereof]~~ Court notifi-

cation to principal of conditions of release and of alleged violations of conditions of release.

1. An application for recognizance or bail must be determined by a securing order which either:

(a) Grants the application and releases the principal on his or her own recognizance; or

(a-1) Grants the application and releases the principal under non-monetary conditions; or

(b) Grants the application and fixes bail; or

(c) Denies the application and commits the principal to, or retains him in, the custody of the sheriff.

2. Upon ordering that a principal be released on [~~his~~] the principal's own recognizance, or released under non-monetary conditions, or, if bail has been fixed, upon the posting of bail, the court must direct [~~him~~] the principal to appear in the criminal action or proceeding involved whenever [~~his~~] the principal's attendance may be required and to [~~render himself~~] be at all times amenable to the orders and processes of the court. If such principal is in the custody of the sheriff or at liberty upon bail at the time of the order, the court must direct that [~~he~~] the principal be discharged from such custody or, as the case may be, that [~~his~~] the principal's bail be exonerated.

3. Upon the issuance of an order fixing bail, and upon the posting thereof, the court must examine the bail to determine whether it complies with the order. If it does, the court must, in the absence of some factor or circumstance which in law requires or authorizes disapproval thereof, approve the bail and must issue a certificate of release, authorizing the principal to be at liberty, and, if [~~he~~] the principal is in the custody of the sheriff at the time, directing the sheriff to discharge [~~him~~] the principal therefrom. If the bail fixed is not posted, or is not approved after being posted, the court must order that the principal be committed to the custody of the sheriff.

4. Non-monetary conditions of release shall be individualized and established in writing by the court. At future court appearances, the court shall consider a lessening of conditions or modification of conditions to a less burdensome form based on the principal's compliance with such conditions of release. In the event of alleged non-compliance with the conditions of release pursuant to this subdivision, additional conditions may be imposed by the court, on the record or in writing, only after notice of the facts and circumstances of such alleged non-compliance, reasonable under the circumstances, affording the principal and the principal's attorney and the people an opportunity to be heard. Following such a finding, in determining whether to impose additional conditions for non-compliance, the court shall consider and may select conditions. The court shall explain on the record or in writing the reasons for its determination and for any changes to the conditions imposed.

5. (a) Electronic monitoring of a principal's location may be ordered if the court finds, after notice, an opportunity to be heard and an individualized determination explained on the record or in writing, that the defendant qualifies for electronic monitoring in accordance with subdivision twenty-one of section 500.10 of this title.

(b) The specific method of electronic monitoring of the principal's location must be approved by the court.

(c) Electronic monitoring of the location of a principal may be conducted only by a public entity under the supervision and control of a county or municipality. A county or municipality shall be authorized to

1 enter into a contract with another county or municipality in the state
2 to monitor principals under non-monetary conditions of release in its
3 county.

4 (d) Electronic monitoring of a principal's location may be for a maxi-
5 mum period of sixty days, and may be renewed for such period, after
6 notice, an opportunity to be heard and a de novo, individualized deter-
7 mination in accordance with this subdivision, which shall be explained
8 on the record or in writing.

9 6. If a principal is released under non-monetary conditions, the court
10 shall, on the record and in an individualized written document provided
11 to the principal, notify the principal, in plain language and a manner
12 sufficiently clear and specific:

13 (a) of any conditions to which the principal is subject, to serve as a
14 guide for the principal's conduct; and

15 (b) that the possible consequences for violation of such a condition
16 may include revocation of the securing order and the ordering of a more
17 restrictive securing order.

18 § 62. Section 510.50 of the criminal procedure law is amended to read
19 as follows:

20 § 510.50 Enforcement of securing order.

21 When the attendance of a principal confined in the custody of the
22 sheriff is required at the criminal action or proceeding at a particular
23 time and place, the court may compel such attendance by directing the
24 sheriff to produce [~~him~~] the principal at such time and place. If the
25 principal is at liberty on [~~his~~] the principal's own recognizance or
26 non-monetary conditions or on bail, [~~his~~] the principal's attendance
27 may be achieved or compelled by various methods, including notification
28 and the issuance of a bench warrant, prescribed by law in provisions
29 governing such matters with respect to the particular kind of action or
30 proceeding involved.

31 § 63. Paragraph (b) of subdivision 2 of section 520.10 of the criminal
32 procedure law, as amended by chapter 784 of the laws of 1972, is amended
33 to read as follows:

34 (b) The court [~~may~~] shall direct that the bail be posted in any one of
35 [~~two~~] three or more of the forms specified in subdivision one of this
36 section, designated in the alternative, and may designate different
37 amounts varying with the forms[~~+~~], except that one of the forms shall be
38 either an unsecured or partially secured surety bond, as selected by the
39 court.

40 § 64. Section 530.10 of the criminal procedure law is amended to read
41 as follows:

42 § 530.10 Order of recognizance release under non-monetary conditions or
43 bail; in general.

44 Under circumstances prescribed in this article, a court, upon applica-
45 tion of a defendant charged with or convicted of an offense, is required
46 [~~or authorized to order bail or recognizance~~] to issue a securing order
47 for [~~the release or prospective release of~~] such defendant during the
48 pendency of either:

49 1. A criminal action based upon such charge; or

50 2. An appeal taken by the defendant from a judgment of conviction or
51 a sentence or from an order of an intermediate appellate court affirming
52 or modifying a judgment of conviction or a sentence.

53 § 65. Subdivision 4 of section 530.11 of the criminal procedure law,
54 as added by chapter 186 of the laws of 1997, is amended to read as
55 follows:

1 4. When a person is arrested for an alleged family offense or an
2 alleged violation of an order of protection or temporary order of
3 protection or arrested pursuant to a warrant issued by the supreme or
4 family court, and the supreme or family court, as applicable, is not in
5 session, such person shall be brought before a local criminal court in
6 the county of arrest or in the county in which such warrant is return-
7 able pursuant to article one hundred twenty of this chapter. Such local
8 criminal court may issue any order authorized under subdivision eleven
9 of section 530.12 of this article, section one hundred fifty-four-d or
10 one hundred fifty-five of the family court act or subdivision three-b of
11 section two hundred forty or subdivision two-a of section two hundred
12 fifty-two of the domestic relations law, in addition to discharging
13 other arraignment responsibilities as set forth in this chapter. In
14 making such order, the local criminal court shall consider de novo the
15 ~~[bail]~~ recommendation and securing order, if any, made by the supreme or
16 family court as indicated on the warrant or certificate of warrant.
17 Unless the petitioner or complainant requests otherwise, the court, in
18 addition to scheduling further criminal proceedings, if any, regarding
19 such alleged family offense or violation allegation, shall make such
20 matter returnable in the supreme or family court, as applicable, on the
21 next day such court is in session.

22 § 66. Paragraph (a) of subdivision 8 of section 530.13 of the criminal
23 procedure law, as added by chapter 388 of the laws of 1984, is amended
24 to read as follows:

25 (a) revoke an order of recognizance, release under non-monetary condi-
26 tions or bail and commit the defendant to custody; or

27 § 67. The opening paragraph of subdivision 1 of section 530.13 of the
28 criminal procedure law, as amended by chapter 137 of the laws of 2007,
29 is amended to read as follows:

30 When any criminal action is pending, and the court has not issued a
31 temporary order of protection pursuant to section 530.12 of this arti-
32 cle, the court, in addition to the other powers conferred upon it by
33 this chapter, may for good cause shown issue a temporary order of
34 protection in conjunction with any securing order ~~[committing the~~
35 ~~defendant to the custody of the sheriff or as a condition of a pre-trial~~
36 ~~release, or as a condition of release on bail]~~ or an adjournment in
37 contemplation of dismissal. In addition to any other conditions, such an
38 order may require that the defendant:

39 § 68. Subdivision 11 of section 530.12 of the criminal procedure law,
40 as amended by chapter 498 of the laws of 1993, the opening paragraph as
41 amended by chapter 597 of the laws of 1998, paragraph (a) as amended by
42 chapter 222 of the laws of 1994, paragraph (d) as amended by chapter 644
43 of the laws of 1996, is amended to read as follows:

44 11. If a defendant is brought before the court for failure to obey any
45 lawful order issued under this section, or an order of protection issued
46 by a court of competent jurisdiction in another state, territorial or
47 tribal jurisdiction, and if, after hearing, the court is satisfied by
48 competent proof that the defendant has willfully failed to obey any such
49 order, the court may:

50 (a) revoke an order of recognizance or release under non-monetary
51 conditions or revoke an order of bail or order forfeiture of such bail
52 and commit the defendant to custody; or

53 (b) restore the case to the calendar when there has been an adjourn-
54 ment in contemplation of dismissal and commit the defendant to custody;
55 or

(c) revoke a conditional discharge in accordance with section 410.70 of this chapter and impose probation supervision or impose a sentence of imprisonment in accordance with the penal law based on the original conviction; or

(d) revoke probation in accordance with section 410.70 of this chapter and impose a sentence of imprisonment in accordance with the penal law based on the original conviction. In addition, if the act which constitutes the violation of the order of protection or temporary order of protection is a crime or a violation the defendant may be charged with and tried for that crime or violation.

§ 69. Subdivision 2 of section 530.20 of the criminal procedure law, as amended by chapter 531 of the laws of 1975, subparagraph (ii) of paragraph (b) as amended by chapter 218 of the laws of 1979, is amended to read as follows:

2. When the defendant is charged, by felony complaint, with a felony, the court may, in its discretion, order recognizance, release under non-monetary conditions, or bail or commit the defendant to the custody of the sheriff except as otherwise provided in this subdivision:

(a) A city court, a town court or a village court may not order recognizance or bail when (i) the defendant is charged with a class A felony, or (ii) it appears that the defendant has two previous felony convictions;

(b) No local criminal court may order recognizance, release under non-monetary conditions or bail with respect to a defendant charged with a felony unless and until:

(i) The district attorney has been heard in the matter or, after knowledge or notice of the application and reasonable opportunity to be heard, has failed to appear at the proceeding or has otherwise waived his right to do so; and

(ii) The court has been furnished with a report of the division of criminal justice services concerning the defendant's criminal record, if any, or with a police department report with respect to the defendant's prior arrest and conviction record, if any. If neither report is available, the court, with the consent of the district attorney, may dispense with this requirement; provided, however, that in an emergency, including but not limited to a substantial impairment in the ability of such division or police department to timely furnish such report, such consent shall not be required if, for reasons stated on the record, the court deems it unnecessary. When the court has been furnished with any such report or record, it shall furnish a copy thereof to counsel for the defendant or, if the defendant is not represented by counsel, to the defendant.

§ 70. The section heading and subdivisions 1 and 2 of section 530.30 of the criminal procedure law, subdivision 2 as amended by chapter 762 of the laws of 1971, are amended to read as follows:

Order of recognizance, release under non-monetary conditions or bail; by superior court judge when action is pending in local criminal court.

1. When a criminal action is pending in a local criminal court, other than one consisting of a superior court judge sitting as such, a judge of a superior court holding a term thereof in the county, upon application of a defendant, may order recognizance, release under non-monetary conditions or bail when such local criminal court:

(a) Lacks authority to issue such an order, pursuant to [~~paragraph (a) of subdivision two~~] the relevant provisions of section 530.20 of this article; or

(b) Has denied an application for recognizance, release under non-monetary conditions or bail; or

(c) Has fixed bail which is excessive; or

(d) Has set a securing order of release under non-monetary conditions which are more restrictive than necessary to reasonably assure the defendant's return to court.

In such case, such superior court judge may vacate the order of such local criminal court and release the defendant on [~~his own~~] recognizance or under non-monetary conditions, or fix bail in a lesser amount or in a less burdensome form. The court shall explain its choice of alternative and conditions on the record or in writing.

2. Notwithstanding the provisions of subdivision one of this section, when the defendant is charged with a felony in a local criminal court, a superior court judge may not order recognizance, release under non-monetary conditions or bail unless and until the district attorney has had an opportunity to be heard in the matter and such judge has been furnished with a report as described in subparagraph (ii) of paragraph (b) of subdivision two of section 530.20 of this article.

§ 71. Section 530.40 of the criminal procedure law, subdivision 3 as amended by chapter 264 of the laws of 2003, and subdivision 4 as amended by chapter 762 of the laws of 1971, is amended to read as follows:

§ 530.40 Order of recognizance, release under non-monetary conditions or bail; by superior court when action is pending therein.

When a criminal action is pending in a superior court, such court, upon application of a defendant, must or may order recognizance or bail as follows:

1. When the defendant is charged with an offense or offenses of less than felony grade only, the court must order recognizance or [~~bail~~] release under non-monetary conditions, or bail in accordance with this section.

2. When the defendant is charged with a felony, the court may, in its discretion, order recognizance [~~or~~], release under non-monetary conditions or bail. In any such case in which an indictment (a) has resulted from an order of a local criminal court holding the defendant for the action of the grand jury, or (b) was filed at a time when a felony complaint charging the same conduct was pending in a local criminal court, and in which such local criminal court or a superior court judge has issued an order of recognizance [~~or~~], release under non-monetary conditions or bail which is still effective, the superior court's order may be in the form of a direction continuing the effectiveness of the previous order.

3. With respect to any charge for which bail or remand is not ordered, a defendant may, at any time, request that the court set bail in a nominal amount requested by the defendant in the form specified in paragraph (a) of subdivision one of section 520.10 of this title; if the court is satisfied that the request is voluntary, the court shall set such bail in such amount.

4. Notwithstanding the provisions of subdivision two of this section, a superior court may not order recognizance, release under non-monetary conditions or bail, or permit a defendant to remain at liberty pursuant to an existing order, after [~~he~~] the defendant has been convicted of either: (a) a class A felony or (b) any class B or class C felony as defined in article one hundred thirty of the penal law committed or attempted to be committed by a person eighteen years of age or older against a person less than eighteen years of age. In either case the court must commit or remand the defendant to the custody of the sheriff.

[4-] 5. Notwithstanding the provisions of subdivision two of this section, a superior court may not order recognizance, release under non-monetary conditions or bail when the defendant is charged with a felony unless and until the district attorney has had an opportunity to be heard in the matter and such court has been furnished with a report as described in subparagraph (ii) of paragraph (b) of subdivision two of section 530.20 of this article.

§ 72. Subdivision 1 of section 530.45 of the criminal procedure law, as amended by chapter 264 of the laws of 2003, is amended to read as follows:

1. When the defendant is at liberty in the course of a criminal action as a result of a prior order of recognizance, release under non-monetary conditions or bail and the court revokes such order and then ~~[either]~~, where authorized, fixes no bail or fixes bail in a greater amount or in a more burdensome form than was previously fixed and remands or commits defendant to the custody of the sheriff, or issues a more restrictive securing order, a judge designated in subdivision two of this section, upon application of the defendant following conviction of an offense other than a class A felony or a class B or class C felony offense as defined in article one hundred thirty of the penal law committed or attempted to be committed by a person eighteen years of age or older against a person less than eighteen years of age, and before sentencing, may issue a securing order and ~~[either]~~ release the defendant on [his] the defendant's own recognizance, release the defendant under non-monetary conditions, or fix bail~~[7]~~ or fix bail in a lesser amount or in a less burdensome form, or issue a less restrictive securing order, than fixed by the court in which the conviction was entered.

§ 73. Section 530.60 of the criminal procedure law, subdivision 1 as amended by chapter 565 of the laws of 2011, subdivision 2 as added by chapter 788 of the laws of 1981 and paragraph (a) of subdivision 2 as amended by chapter 794 of the laws of 1986, is amended to read as follows:

§ 530.60 ~~[Order of recognizance or bail, revocation thereof]~~ Certain modifications of a securing order.

1. Whenever in the course of a criminal action or proceeding a defendant is at liberty as a result of an order of recognizance, release under non-monetary conditions or bail issued pursuant to this chapter, and the court considers it necessary to review such order, it may, and by a bench warrant if necessary, require the defendant to appear before the court. Upon such appearance, the court, for good cause shown, may revoke the order of recognizance, release under non-monetary conditions, or bail. If the defendant is entitled to recognizance, release under non-monetary conditions, or bail as a matter of right, the court must issue another such order. If ~~[he or she]~~ the defendant is not, the court may either issue such an order or commit the defendant to the custody of the sheriff in accordance with this section.

Where the defendant is committed to the custody of the sheriff and is held on a felony complaint, a new period as provided in section 180.80 of this chapter shall commence to run from the time of the defendant's commitment under this subdivision.

2. (a) Whenever in the course of a criminal action or proceeding a defendant charged with the commission of a felony is at liberty as a result of an order of recognizance, release under non-monetary conditions or bail issued pursuant to this article it shall be grounds for revoking such order that the court finds reasonable cause to believe the defendant committed one or more specified class A or violent felony

1 offenses or intimidated a victim or witness in violation of [~~sections~~
2 section 215.15, 215.16 or 215.17 of the penal law while at liberty.

3 (b) Before revoking an order of recognizance, release under non-mone-
4 tary conditions, or bail pursuant to this subdivision, the court must
5 hold a hearing and shall receive any relevant, admissible evidence not
6 legally privileged. The defendant may cross-examine witnesses and may
7 present relevant, admissible evidence on his own behalf. Such hearing
8 may be consolidated with, and conducted at the same time as, a felony
9 hearing conducted pursuant to article one hundred eighty of this chap-
10 ter. A transcript of testimony taken before the grand jury upon presen-
11 tation of the subsequent offense shall be admissible as evidence during
12 the hearing. The district attorney may move to introduce grand jury
13 testimony of a witness in lieu of that witness' appearance at the hear-
14 ing.

15 [~~(b)~~] (c) Revocation of an order of recognizance, release under non-
16 monetary conditions or bail and a new securing order fixing bail or
17 commitment, as specified in this paragraph and pursuant to this subdivi-
18 sion shall be for the following periods, either:

19 (i) For a period not to exceed ninety days exclusive of any periods of
20 adjournment requested by the defendant; or

21 (ii) Until the charges contained within the accusatory instrument have
22 been reduced or dismissed such that no count remains which charges the
23 defendant with commission of a felony; or

24 (iii) Until reduction or dismissal of the charges contained within the
25 accusatory instrument charging the subsequent offense such that no count
26 remains which charges the defendant with commission of a class A or
27 violent felony offense.

28 Upon expiration of any of the three periods specified within this
29 paragraph, whichever is shortest, the court may grant or deny release
30 upon an order of bail or recognizance in accordance with the provisions
31 of this article. Upon conviction to an offense the provisions of article
32 five hundred thirty of this chapter shall apply.

33 (d) Notwithstanding the provisions of paragraph (a) of this subdivi-
34 sion a defendant, against whom a felony complaint has been filed which
35 charges the defendant with commission of a class A or violent felony
36 offense or violation of section 215.15, 215.16 or 215.17 of the penal
37 law committed while he was at liberty as specified therein, may be
38 committed to the custody of the sheriff pending a revocation hearing for
39 a period not to exceed seventy-two hours. An additional period not to
40 exceed seventy-two hours may be granted by the court upon application of
41 the district attorney upon a showing of good cause or where the failure
42 to commence the hearing was due to the defendant's request or occurred
43 with his consent. Such good cause must consist of some compelling fact
44 or circumstance which precluded conducting the hearing within the
45 initial prescribed period.

46 § 74. Paragraph (a) of subdivision 9 of section 216.05 of the criminal
47 procedure law, as amended by chapter 258 of the laws of 2015, is amended
48 to read as follows:

49 (a) If at any time during the defendant's participation in the judi-
50 cial diversion program, the court has reasonable grounds to believe that
51 the defendant has violated a release condition or has failed to appear
52 before the court as requested, the court, shall direct the defendant to
53 appear or issue a bench warrant to a police officer or an appropriate
54 peace officer directing him or her to take the defendant into custody
55 and bring the defendant before the court without unnecessary delay;
56 provided, however, that under no circumstances shall a defendant who

1 requires treatment for opioid abuse or dependence be deemed to have
2 violated a release condition on the basis of his or her participation in
3 medically prescribed drug treatments under the care of a health care
4 professional licensed or certified under title eight of the education
5 law, acting within his or her lawful scope of practice. The provisions
6 of subdivision one of section 530.60 of this chapter relating to [~~revo-~~
7 ~~cation of recognizance or bail~~] issuance of securing orders shall apply
8 to such proceedings under this subdivision.

9 § 75. Section 410.60 of the criminal procedure law, as amended by
10 chapter 652 of the laws of 2008, is amended to read as follows:

11 § 410.60 Appearance before court.

12 A person who has been taken into custody pursuant to section 410.40 or
13 section 410.50 of this article for violation of a condition of a
14 sentence of probation or a sentence of conditional discharge must forth-
15 with be brought before the court that imposed the sentence. Where a
16 violation of probation petition and report has been filed and the person
17 has not been taken into custody nor has a warrant been issued, an
18 initial court appearance shall occur within ten business days of the
19 court's issuance of a notice to appear. If the court has reasonable
20 cause to believe that such person has violated a condition of the
21 sentence, it may commit [~~him~~] such person to the custody of the sheriff
22 [~~or~~], fix bail, release such person under non-monetary conditions or
23 release such person on [~~his~~] such person's own recognizance for future
24 appearance at a hearing to be held in accordance with section 410.70 of
25 this article. If the court does not have reasonable cause to believe
26 that such person has violated a condition of the sentence, it must
27 direct that [~~he~~] such person be released.

28 § 76. This act shall take effect immediately; provided, however,
29 that:

30 (a) sections seven, eight, nine, ten, eleven and twelve of this act
31 shall expire and be deemed repealed ten years after such date, provided,
32 however, that such repeal shall only occur if no property interests have
33 been acquired pursuant to such sections; provided further that the
34 commissioner of the department of transportation shall notify the legis-
35 lative bill drafting commission upon the occurrence of the repeal of the
36 legislation provided for in such sections in order that the commission
37 may maintain an accurate and timely effective data base of the official
38 text of the laws of the state of New York in furtherance of effectuating
39 the provisions of section 44 of the legislative law and section 70-b of
40 the public officers law;

41 (a-1) the amendments to section 1180-b of the vehicle and traffic law
42 made by sections twenty, twenty-one, twenty-two and twenty-three of this

48 further that sections twenty-seven through forty of this act shall take
49 effect on the thirtieth day after it shall have become a law and shall
50 expire 4 years after such effective date when upon such date the
51 provisions of sections twenty-seven through forty of this act shall be
52 deemed repealed; and provided further that any rules necessary for the
53 implementation of this act on its effective date shall be promulgated on
54 or before such effective date, provided that:

55 (a-2) the amendments to subdivision 1 of section 235 of the vehicle

8 effect;

9 (a-4) the amendments to section 235 of the vehicle and traffic law
10 made by section twenty-eight-a of this act shall not affect the expira-
11 tion of such section and shall be deemed to expire therewith, when upon

17 such date the provisions of section twenty-eight-c of this act shall
18 take effect;

19 (a-6) the amendments to section 235 of the vehicle and traffic law
20 made by section twenty-eight-c of this act shall not affect the expira-
