AN ACT to amend the general municipal law, in relation to electronic bell jar games

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- 1 Section 1. Legislative findings and purpose. 1. The legislature here-
2 by finds that:
- 3 (a) bell jar games are a popular and profitable fundraising mechanism
4 for bona fide not-for-profit organizations across the state, generating
5 millions of dollars in net revenues for charitable purposes every year;
6 (b) authorized organizations that offer bell jars and other games of
7 chance must meet strict standards established by the New York state
8 general municipal law and the New York state gaming commission, includ-
9 ing receiving a license to conduct charitable gaming activities; and
10 (c) while other types of gaming in New York state have continued to
11 expand and improve, the operation of charitable gaming activities has
12 largely remained the same over the last several decades.
- 13 2. For the aforementioned reasons, the legislature hereby declares
14 that authorized organizations licensed by the New York state gaming
15 commission to conduct charitable gaming would greatly benefit from the
16 ability to operate electronic bell jar vending machines, which display
17 and dispense pre-printed bell jar tickets that have predetermined
18 winners and predetermined values for prizes, in order to help increase
19 charitable gaming profits across the state and attract more members to
20 join such organizations.

1 § 2. Subdivision 3-a of section 186 of the general municipal law, as
2 amended by chapter 531 of the laws of 2011, is amended to read as
3 follows:

4 3-a. "Bell jars" shall mean and include those games in which a partic-
5 ipant shall draw a card from a jar, vending machine, including an elec-
6 tronic bell jar vending machine, or other suitable device or container
7 which contains numbers, colors or symbols that are covered and which,
8 when uncovered, may reveal that a prize shall be awarded on the basis of
9 a designated winning number, color or symbol or combination of numbers,
10 colors or symbols. Bell jars shall also include seal cards, coin boards,
11 event games, and merchandise boards. An electronic bell jar vending
12 machine shall use electronic features to display and dispense pre-print-
13 ed bell jar tickets, including audio and video features to display
14 information about a ticket being dispensed, provided that such features
15 do not affect the outcome of the game.

16 § 3. Subdivision 9 of section 188-a of the general municipal law, as
17 added by chapter 960 of the laws of 1976, is amended to read as follows:

18 9. (a) The [~~board~~] commission shall have the power to approve and
19 establish a standard set of games of chance equipment and shall by its
20 rules and regulations prescribe the manner in which such equipment is to
21 be reproduced and distributed to licensed authorized organizations. The
22 sale or distribution to a licensed authorized organization of any equip-
23 ment other than that contained in the standard set of games of chance
24 equipment shall constitute a violation of this section.

25 (b) After the effective date of the chapter of the laws of two thou-
26 sand seventeen that amended this subdivision, no electronic bell jar
27 vending machine shall be sold, leased, distributed, installed, or oper-
28 ated by any manufacturer, distributor, or charitable organization until
29 such machine has been approved by the commission. No electronic bell
30 jar vending machine shall be approved by the commission unless the oper-
31 ation of the game demonstrates that there is a finite probability basis
32 of having a predetermined quantity of chances among which there is a
33 predetermined quantity of winners that pay a fixed and predetermined
34 value of prizes, regardless of the symbols that are used or how those
35 symbols are displayed.

36 § 4. Subdivision 3 of section 189 of the general municipal law, as
37 amended by chapter 337 of the laws of 1998, is amended to read as
38 follows:

39 3. No authorized organization licensed under the provisions of this
40 article shall purchase, lease, or receive any supplies or equipment
41 specifically designed or adapted for use in the conduct of games of
42 chance from other than a supplier licensed by the board or from another
43 authorized organization. Lease terms and conditions shall be subject to
44 rules and regulations promulgated by the board. The provisions of this
45 article shall not be construed to authorize or permit an authorized
46 organization to engage in the business of leasing games of chance,
47 supplies, or equipment. Furthermore, no organization shall purchase bell
48 jar tickets[~~r~~] or deals of bell jar tickets, or purchase or lease any
49 electronic bell jar vending machine, from any other person or organiza-
50 tion other than those specifically authorized under sections one hundred
51 ninety-five-n and one hundred ninety-five-o of this article.

52 § 5. The opening paragraph of section 189-a of the general municipal

54 as follows:

55 No person, firm, partnership, corporation or organization, shall sell
56 or distribute supplies or equipment specifically designed or adapted for

1 use in conduct of games of chance without having first obtained a
2 license therefor upon written application made, verified and filed with
3 the [beard] commission in the form prescribed by the rules and regu-
4 lations of the [beard] commission. As a part of its determination
5 concerning the applicant's suitability for licensing as a games of
6 chance supplier, the [beard] commission shall require the applicant to
7 furnish to the [beard] commission two sets of fingerprints. Such fing-
8 erprints shall be submitted to the division of criminal justice services
9 for a state criminal history record check, as defined in subdivision one
10 of section three thousand thirty-five of the education law, and may be
11 submitted to the federal bureau of investigation for a national criminal
12 history record check. Manufacturers of bell jar tickets shall be consid-
13 ered suppliers of such equipment. In each such application for a license
14 under this section shall be stated the name and address of the appli-
15 cant; the names and addresses of its officers, directors, shareholders
16 or partners; the amount of gross receipts realized on the sale and
17 rental of games of chance supplies and equipment to duly licensed
18 authorized organizations during the last preceding calendar or fiscal
19 year, and such other information as shall be prescribed by such rules
20 and regulations. The fee for such license shall be a sum equal to twen-
21 ty-five dollars plus an amount equal to two per centum of the gross
22 sales and rentals, if any, of games of chance equipment and supplies to
23 authorized organizations or authorized games of chance lessors by the
24 applicant during the preceding calendar year, or fiscal year if the
25 applicant maintains his accounts on a fiscal year basis; provided,
26 however, that for manufacturers of electronic bell jar vending machines,
27 the fee for such license shall be one thousand dollars. No license
28 granted pursuant to the provisions of this section shall be effective
29 for a period of more than one year.

30 § 6. Section 195-c of the general municipal law is amended by adding
31 three new subdivisions 3, 4, and 5 to read as follows:
