53 law.

54 § 2. All costs associated with implementing the provisions of this act  
55 shall be borne by Nassau county.

2 this act will be borne by Nassau county, and may be amortized over a ten  
3 year period.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would grant Nassau County Tier 3, 4, 5 and 6 police medics, police medic supervisors, police medic coordinators, emergency ambulance bureau directors and deputy bureau directors an enhanced disability benefit for injuries sustained in the performance of duty. The benefit for a performance of duty disability would be 50% of final average salary.

If this bill is enacted during the 2020 legislative session, there will be an estimated increase of approximately \$280,000 in the annual contributions of Nassau County for the fiscal year ending March 31, 2021.

In addition to the annual contributions discussed above, there will be an immediate past service cost of \$1.87 million which may be borne by Nassau County as a one-time payment. This estimate is based on the assumption that payment will be made on February 1, 2021. If Nassau County elects to amortize this cost over a 10-year period, the cost for the first year would be \$247,000.

These estimated costs are based on 121 members having an annual salary for the fiscal year ending March 31, 2019 of approximately \$15 million.
