## IN ASSEMBLY

March 24, 2020

Introduced by M. of A. JEAN-PIERRE, GRIFFIN -- read once and referred to the Committee on Local Governments

AN ACT to amend the volunteer firefighters' benefit law and the volunteer ambulance workers' benefit law, in relation to COVID-19 exposure during a state of emergency

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The volunteer firefighters' benefit law is amended by  
2 adding a new section 11-d to read as follows:

3 § 11-d. COVID-19 exposure. 1. If, as a result of services performed in  
4 the line of duty during a state of emergency, a volunteer firefighter is  
5 exposed to or comes in contact with COVID-19, the chief engineer or  
6 other executive officer of the fire department or fire company of which  
7 he or she is a member may authorize the volunteer firefighter to obtain  
8 such examinations, tests, treatment and care as are immediately neces-  
9 sary to determine whether he or she is injured. Any such authorization  
10 may be granted prior to the giving of a notice of injury under this  
11 chapter. In any such case, the volunteer firefighter shall be deemed to  
12 have been injured and shall be entitled to treatment and care and disa-  
13 bility benefits as provided in this chapter.

14 2. Notwithstanding any provision of this chapter or of any general,  
15 special or local law to the contrary, and for the purposes of this chap-  
16 ter, any, condition of impairment of health caused by exposure to  
17 COVID-19 during a state of emergency, resulting in, total or partial  
18 disability or death to a volunteer firefighter where such firefighter  
19 tested positive for COVID-19, shall be presumptive evidence that such  
20 disability or death: (a) was caused by the natural and proximate result  
21 of exposure to COVID-19, not caused by such firefighter's own negli-  
22 gence; and (b) was incurred in the performance and discharge of duty,  
23 unless the contrary be proven by competent evidence.

24 § 2. The volunteer ambulance workers' benefit law is amended by adding  
25 a new section 11-d to read as follows:

26 § 11-d. COVID-19 exposures. 1. If, as a result of services performed  
27 in the line of duty during a state of emergency, a volunteer ambulance

1 worker is exposed to or comes in contact with COVID-19, the captain or  
2 other executive officer of the ambulance department, volunteer ambulance  
3 company or ambulance district of which he or she is a member may author-  
4 ize the volunteer ambulance worker to obtain such examinations, tests,  
5 treatment and care as are immediately necessary to determine whether he  
6 or she is injured. Any such authorization may be granted prior to the  
7 giving of a notice of injury under this chapter. In any such case, the  
8 volunteer ambulance worker shall be deemed to have been injured and  
9 shall be entitled to treatment and care and disability benefits as  
10 provided in this chapter.

11 2. Notwithstanding any provision of this chapter or of any general,  
12 special or local law to the contrary, and for the purposes of this chap-  
13 ter, any, condition of impairment of health caused by exposure to  
14 COVID-19 during a state of emergency, resulting in, total or partial  
15 disability or death to a volunteer ambulance worker where such ambulance  
16 worker tested positive for COVID-19, shall be presumptive evidence that  
17 such disability or death: (a) was caused by the natural and proximate  
18 result of exposure to COVID-19, not caused by such ambulance worker's  
19 own negligence; and (b) was incurred in the performance and discharge of  
20 duty, unless the contrary be proven by competent evidence.

21 § 3. This act shall take effect immediately.
