2 by the carrier; and

3 § 3. Subdivision 5 of section 205 of the workers' compensation law, as
4 added by section 6 of part SS of chapter 54 of the laws of 2016, is
5 amended to read as follows:

6 5. In any case in which the necessity for family leave is foreseeable
7 based on an expected birth or placement, the employee shall provide the
8 employer with not less than thirty days notice before the date the leave
9 is to begin, of the employee's intention to take family leave under this
10 article, except that if the date of the birth or placement requires
11 leave to begin in less than thirty days, the employee shall provide such
12 notice as is practicable. In any case in which the necessity for family
13 leave is foreseeable based on planned medical treatment, the employee
14 shall provide the employer with not less than thirty days notice, before
15 the date the leave is to begin, of the employees intention to take fami-
16 ly leave under this article, except that if the date of the treatment
17 requires leave to begin in less than thirty days, the employee shall
18 provide such notice as is practicable. In the case of family leave due
19 to bereavement notice shall be provided as soon as practicable.

20 § 4. Subdivision 1 of section 217 of the workers' compensation law, as
21 amended by section 16 of part SS of chapter 54 of the laws of 2016, is
22 amended to read as follows:

23 1. Written notice and proof of disability or proof of need for family
24 leave shall be furnished to the employer by or on behalf of the employee
25 claiming benefits or, in the case of a claimant under section two
26 hundred seven of this article, to the chair, within thirty days after
27 commencement of the period of disability. Additional proof shall be
28 furnished thereafter from time to time as the employer or carrier or
29 chair may require but not more often than once each week. Such proof
30 shall include a statement of disability by the employee's attending
31 physician or attending podiatrist or attending chiropractor or attending
32 dentist or attending psychologist or attending certified nurse midwife
33 or family leave care recipient's health care provider, or in the case of
34 an employee who adheres to the faith or teachings of any church or
35 denomination, and who in accordance with its creed, tenets or principles
36 depends for healing upon prayer through spiritual means alone in the
37 practice of religion, by an accredited practitioner, containing facts
38 and opinions as to such disability in compliance with regulations of the
39 chair. In the event that the claimant is eligible for family leave due
40 to bereavement, a death certificate shall serve as proof of need of
41 leave. Failure to furnish notice or proof within the time and in the
42 manner above provided shall not invalidate the claim but no benefits
43 shall be required to be paid for any period more than two weeks prior to
44 the date on which the required proof is furnished unless it shall be
45 shown to the satisfaction of the chair not to have been reasonably
46 possible to furnish such notice or proof and that such notice or proof
47 was furnished as soon as possible; provided, however, that no benefits
48 shall be paid unless the required proof of disability is furnished with-
49 in the period of actual disability or family leave that does not exceed
50 the statutory maximum period permitted under section two hundred four of
51 this article. No limitation of time provided in this section shall run
52 as against any disabled employee who is mentally incompetent, or phys-
53 ically incapable of providing such notice as a result of a serious
54 medical condition, or a minor so long as such person has no guardian of
55 the person and/or property.

§ 5. Subdivisions 3 and 4 of section 217 of the workers' compensation law, as amended by section 16 of part SS of chapter 54 of the laws of 2016, are amended to read as follows:

3. The chair or chair's designee, pursuant to section two hundred twenty-one of this article, may direct the claimant or family leave care recipient to submit to examination by a health care provider designated by him or her in any case in which the claim to disability or family leave benefits is contested and in claims arising under section two hundred seven of this article, and in other cases as the chair or board may require. In the event that the family member or the family leave care recipient is unable to be examined due to death, this section shall not apply.

4. Refusal of the claimant or family leave care recipient without good cause to submit to any such examination shall disqualify the claimant or employee from all benefits hereunder for the period of such refusal, except as to benefits already paid. In the event that the family member or family leave care recipient is unable to be examined due to death, this section shall not apply.

§ 6. This act shall take effect immediately and shall apply to all policies or contracts issued, renewed, modified, altered or amended on or after January 1, 2021.
