AN ACT to establish the Emergency Coronavirus Affordable Housing Preservation Act of 2020

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. This act shall be known and may be cited as the "Emergency
2 Coronavirus Affordable Housing Preservation Act of 2020".
3 § 2. Legislative findings. The legislature hereby finds that a serious
4 public emergency exists in the state of New York due to the impact of
5 the global outbreak of novel coronavirus, COVID-19, which as of the date
6 of this legislation, created destabilized housing, loss of employment
7 and/or income, closure of businesses and/or schools, and greatly exacer-
8 bated financial insecurity in the state of New York. The legislature
9 further finds that it is currently impossible to accurately assess the
10 full scope, duration, and severity of impact this public emergency has
11 and will have on the residents of New York and that, in response to this
12 crisis, the executive declared a 'Disaster Emergency' which has put
13 extraordinary constraints on individuals, families, homeowners, small
14 businesses, not-for-profits, and local/state/federal agencies. The
15 legislature declares that it is both in the public interest and the
16 responsibility of government to provide and secure federal and/or state
17 emergency funding to ensure small businesses, public housing entities,
18 nonprofits, families, and individuals, unable to afford housing and/or
19 necessary expenses as a result of lost income related to public health
20 emergencies, such as the novel coronavirus, COVID-19, outbreak, not be
21 encumbered with severe financial burden and that, consistent with arti-
22 cles 17 and 18 of the state constitution, it is therefore incumbent on
23 the legislature and the executive to implement protections so as to
24 reduce the harm to New York residents and ensure safe, decent, sanitary,
