AN ACT to amend the executive law, in relation to establishing tiers of essential employees during a state of emergency

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The executive law is amended by adding a new section 29-l to read as follows:

§ 29-l. Tiers of essential workers. During periods when a federal, state, or local state of emergency has been declared, the persons employed in the following positions shall be deemed essential personnel in the following manner and shall be entitled to federal, state and local mandated assistance, benefits and protections that maintain such employees positions including, but not limited to, child care, medical supplies and/or personal protective equipment:

1. Tier I. Essential employees, including:
   (a) healthcare personnel needed for direct care and critical administrative staff of the personnel needed for direct care, including:
      (i) full-time and part-time long-term facility personnel, including, but not limited to, personnel working in group homes and supportive housing settings, residential homes, nursing homes, and residential mental health, substance use disorder, pediatric and adolescent residential treatment facilities;
      (ii) full-time and part-time post-acute care personnel, including, but not limited to, personnel working in long-term hospitals, in-patient rehabilitation, home health care, and skilled nurses;
      (iii) home health and personal care attendants;
      (iv) personnel working in adult, adolescent and pediatric residential mental health, behavioral health or substance use disorder treatment facilities, intensive residential treatment services, emergency shelters, health care for the homeless providers, and homeless drop-in centers;
      (v) county and tribal financial/eligibility workers for public programs;

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD16072-04-0
