

STATE OF NEW YORK

10430--A

IN ASSEMBLY

May 11, 2020

Introduced by COMMITTEE ON RULES -- (at request of M. of A. Cruz) --
read once and referred to the Committee on Governmental Operations --
committee discharged, bill amended, ordered reprinted as amended and
recommitted to said committee

AN ACT to amend the executive law, in relation to establishing tiers of
essential employees during a state of emergency

The People of the State of New York, represented in Senate and Assem-
bly, do enact as follows:

1 Section 1. The executive law is amended by adding a new section 29-1
2 to read as follows:

3 § 29-1. Tiers of essential workers. During periods when a federal,
4 state, or local state of emergency has been declared, the persons
5 employed in the following positions and fields, including any for-profit
6 or non-profit, shall be deemed essential personnel in the following
7 manner and shall be entitled to federal, state and local mandated
8 assistance, benefits and protections that maintain such employees posi-
9 tions including, but not limited to, child care, job protection where
10 workers cannot be fired when not attending work due to the lack of safe-
11 ty precautions provided or other circumstances related to the emergency
12 declaration, medical supplies and/or personal protective equipment:

13 1. Tier I. Emergency health and safety responders, including:

14 (a) health care personnel needed for direct care, research and labora-
15 tory services and critical administrative staff of the personnel needed
16 for direct care, including:

17 (i) full-time and part-time long-term facility personnel, including,
18 but not limited to, personnel working in group homes and supportive
19 housing settings, residential homes, nursing homes, and residential
20 mental health, substance use disorder, pediatric and adolescent residen-
21 tial treatment facilities;

22 (ii) full-time and part-time post-acute care personnel, including, but
23 not limited to, personnel working in long-term hospitals, in-patient
24 rehabilitation, home health care, and skilled nurses;

25 (iii) home health and personal care attendants;

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

LBD16072-06-0

31 3. Enforcement. (a) All federal, state and local essential worker
32 mandated assistance required pursuant to this section, including, but
33 not limited to, child care, job protections, medical supplies and/or
34 personal protective equipment must be made available to the essential
35 worker within seven calendar days of the declaration of a state of emer-
36 gency.

37 (b) An essential worker, who within seven calendar days has not
38 received the benefits required under the law, may obtain an action in
39 any court of competent jurisdiction for:

40 (i) declaratory relief directing the state agency to provide the
41 required services; and

42 (ii) a civil penalty in an amount not to exceed five hundred dollars
43 per day of violation.

44 4. Reporting. (a) Every two years the state division of homeland secu-
45 rity and emergency services shall present the governor and the legisla-
46 ture with a detailed report describing at a minimum affirmative steps
47 taken by the executive and state agencies to comply with this law, the
48 number of tier I and tier II workers in the state of New York, and
49 recommendations on types of essential workers that should be added or
50 removed from the existing tier I and tier II lists.

51 (b) The legislature shall review the report provided by the state
52 division of homeland security and emergency services and seek to amend
53 any relevant section of this section to ensure essential workers are
54 added and/or removed from the existing list, as well as any other
55 provision that would strengthen the purpose of this section.

56 § 2. This act shall take effect immediately.
