within any applicable time periods prescribed by federal law. Provided, further, that nothing in this item shall be deemed to prohibit any parent or the school district from seeking judicial review by any court of competent jurisdiction.

Upon the signing of a written settlement agreement between a child's parent or person in parental relation and the board of education of the school district in a city having a population of one million or more or a state agency, or the decision, order, or judgment of an impartial hearing officer, state review officer or a court finding that a unilateral parental placement was appropriate and that tuition payment should be granted for such unilateral placement, as provided by section 1412(a)(10)(c) of title 20 of the United States Code and the implementing federal regulations, the amount of such payment and the time line or schedule for making such payment shall be set forth in any such settlement or decision, order, or judgment.

§ 2. Paragraph a of subdivision 1 of section 4404 of the education law is amended by adding a new closing paragraph to read as follows:

Notwithstanding any other provision of law, rule or regulation to the contrary, in a school district in a city having a population of one million or more, upon the decision of an impartial hearing officer, state review officer or a court finding that a unilateral parental placement was appropriate and that tuition payment should be granted for such unilateral placement, such tuition payment shall continue in future years, at the same percentage of the total tuition cost as the previous year's payment, until the committee on special education determines the child's needs can be met in another public or approved private school program and revises the child's individualized education program to recommend such placement; provided however that where the parent or person in parental relation brings a due process proceeding to challenge such revised placement, the unilateral parental placement for which tuition payment was granted shall be the pendency placement, as provided in subdivision four of this section.

§ 3. This act shall take effect immediately; provided, however, that the amendments to clause (b) of subparagraph 3 of paragraph b of subdivision 1 of section 4402 of the education law, made by section one of this act, shall not affect the expiration of such clause and shall expire therewith; provided, further, that the amendments to subdivision 1 of section 4404 of the education law, made by section two of this act, shall not affect the expiration of such subdivision and shall expire therewith.
