STATE OF NEW YORK

10447--A

IN ASSEMBLY

May 18, 2020

Introduced by COMMITTEE ON RULES -- (at request of M. of A. Joyner) -- read once and referred to the Committee on Health -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT in relation to requiring that COVID-19 contact tracers be representative of the cultural and linguistic diversity of the communities in which they serve to the greatest extent possible; and providing for the repeal of such provisions upon the expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The New York city department of health and mental hygiene and any other New York city agency, and any entity within the New York city health and hospitals corporation that hires persons after the effective date of this act to perform contact tracing pertaining to COVID-19 infections within the city of New York, shall, to the greatest extent possible, hire contact tracers who are representative of the cultural and linguistic diversity of the communities in which they serve.

§ 2. The New York city department of health and mental hygiene, and the New York city health and hospitals corporation shall annually submit a report on contact tracer worker diversity within the city of New York including outreach efforts to recruit a diverse workforce to the governor, the temporary president of the senate and the speaker of the assembly beginning no later than December 31, 2020.

§ 3. This act shall take effect immediately and shall expire and be deemed repealed January 1, 2022.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
