tion about the qualified mortgagor, the reason the regulated institution
determined that it was unable to offer any relief pursuant to this
section, information about the regulated institution’s financial condi-
tion supporting the regulated institution’s determination, and any other
information required by the department. At the same time that the regu-
lated institution provides notice to the department, it shall advise the
qualified mortgagor that the application for relief was denied and
provide a statement that the applicant may file a complaint with the New
York state department of financial services at 1-800-342-3736 or

emergency, as proposed in legislative bills numbers S. 8414 and A.
10493, is amended to read as follows:

§ 180.65 Hearing upon felony complaint; emergency provision during
disaster emergency.

During the period of the COVID-19 state disaster emergency, as
declared pursuant to executive order number two hundred two of two thou-
sand and extensions thereof and article two-B of the executive
law, the following additional provisions shall apply to the conduct of a
hearing on a felony complaint pursuant to this article:

1. The appearance of any party and any witness at such hearing may be
by electronic appearance through an independent audio-visual system, as
such terms are defined in section 182.10 of this title, where the court
finds upon its own motion after hearing from the parties and any such
witness, either in person or by electronic appearance, that due to the
person's circumstances and such disaster emergency a personal appearance
by such party or witness would be an unreasonable hardship to such
person or witness or create an unreasonable health risk to the public,
court staff or anyone else involved in the proceeding.
2. At any such hearing on the felony complaint, the judge must be able to hear and see the image of each witness clearly through the independent audio-visual system and such sound and visual image shall be similar to the sound and image the judge would hear and see if the witness were present together with the judge testifying in the courtroom. Documents, photographs and the like offered at the hearing may be exchanged among the parties by electronic means. A stenographic transcription or appropriate audio recording of the proceedings shall be maintained, and the live testimony received by electronic appearance, and other electronic appearances where practicable, shall be video recorded by the court, and a copy provided to the people and the defense.

3. The authority for an electronic appearance pursuant to this section shall be considered sufficient means to enable the court to conduct a hearing on a felony complaint within the meaning of section 180.80 of this article.

§ 2. This act shall take effect on the same date and in the same manner as a chapter of the laws of 2020, amending the criminal procedure law relating to conducting hearings on a felony complaint during a state disaster emergency, as proposed in legislative bills numbers S. 8414 and A. 10493, takes effect, provided, however, that the amendments made to section 180.65 of the criminal procedure law made by section one of this act shall not affect the repeal of such section and shall be deemed repealed therewith.

§ 2. Severability clause. If any clause, sentence, paragraph, subdivision, section or part of this act shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part thereof directly involved in the controversy in which such judgment shall have been rendered. It is hereby declared to be the intent of the legislature that this act would have been enacted even if such invalid provisions had not been included herein.

§ 3. This act shall take effect immediately provided, however, that the applicable effective date of Parts A through D of this act shall be as specifically set forth in the last section of such Parts.
