AN ACT to authorize the county of Columbia to offer an optional twenty  
year retirement plan to Theodore Blank, a deputy sheriff employed by  
such county

bly, do enact as follows:

1 Section 1. Notwithstanding any other provision of law to the contrary,  
2 Theodore Blank, a member of the optional twenty-five year retirement  
3 plan for certain sheriffs, undersheriffs, deputy sheriffs and correction  
4 officers pursuant to section 89-p of the retirement and social security  
5 law, who was employed as Columbia county sheriff in 2014, and who  
6 through no fault of his own, failed to file a timely application to  
7 participate in the special twenty year retirement plan contained in  
8 section 553 of the retirement and social security law resulting in the  
9 crediting of his service with the county of Columbia in the retirement

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow Theodore Blank, a current member of the New York State and Local Employees' Retirement System employed as a deputy sheriff by Columbia County and covered under the 25 year retirement plan of section 89-p of the Retirement and Social Security Law (RSSL), to elect to be covered under the 20 year plan of section 553 of the RSSL. Upon such election, all of his service currently creditable under 89-p will become creditable under 553. This includes service that he earned in a title other than deputy sheriff, which is not currently allowed under the provisions of Article 14-B.

If this bill is enacted during the 2020 legislative session, we anticipate that there will be an increase of approximately \$8,700 in the annual contributions of Columbia County for the fiscal year ending March 31, 2021. In future years, this cost will vary as the billing rates and salary of Theodore Blank change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$88,700 which will be borne by Columbia County as a one-time payment.

This estimate is based on the assumption that payment will be made on February 1, 2021. If Columbia County elects to amortize this cost over a 5-year period, the cost for the first year including interest would be \$20,200.

Internal Revenue Service (IRS) plan qualification issues: granting service credit towards retirement in the 20 year plan of section 553 of the RSSL for employment that was not rendered as a deputy sheriff could jeopardize the Retirement System's governmental plan status and its exemption from ERISA. This could result in the loss of qualified status, which would mean the loss of tax benefits and would substantially impair the System's value to our more than one million participants.

Prior to the enactment of this legislation, we recommend that a favorable ruling be obtained from the IRS stating that these provisions would not harm the qualification status of the System. It is estimated that the costs to obtain such a ruling would be \$28,000 for the services of the IRS, and \$800 per hour for legal consultants.
